The *Editor's* column

Newspaper headlines that Ike had a plan for financial relief to suffering schools does not mean a thing to schools in Cook county or Illinois. Gov. Stratton vetoed the legislation, establishing an Illinois school housing fund, which is necessary for any state to participate in the special fund proposed by the president.

The state legislature passed the necessary statute last year. The governor, when he vetoed the bill, closed the door to federal aid for Illinois schools.

The measure had the support of many agencies and would have aided several hard-pressed school districts within Cook county, which have exhausted their bonding and taxing powers.

Schools do have some hope in House Resolution 7535 which has been passed by the House Education committee. It creates a $750 million dollar revolving fund for federal purchase of bonds for school districts unable to sell their bonds at regular rates. The aid is dependent upon a lot of "IF's" — IF Congress passes the bill — IF the Illinois state legislature passes new legislation, and IF the Illinois governor signs the law.

We have never been a jail inmate, but we are particularly interested in the "fence post" articles that appear from time to time in "The Grapevine" edited by inmates of Cook county.

In the issue of January 8, an inmate took the inmate editor severely to task because a "fence post" article had not been published. In reply, the editor said in part, "the jail inmates who run the Grapevine do not intend that it become a tool to be used for the selfish purposes of any one or group. We hold the right to censor anything that is printed."

If editors in jail do not hesitate to censor fence post articles submitted to them, why should not editors out of jail have the same privilege?

Arlington Heights still has growing pains. The growing is not alone within the corporate limits, but extends as far north as Palatine rd. North of Thomas st. there are 250 acres that are knocking upon the door.

Carl Bowen of Consoer, Townsend & Associates has suggested to the Arlington plan commission that the storm water could be handled by the construction of valve-controlled storm water reservoir at the southeast corner of the area.

It appears to us that the engineers are today leaning over backwards in their effort to serve developers seeking admission to the village.

Evidently our municipal facilities are not going to have any breathing spell. We are told about the wisdom of family spacing. We should give some thought to municipal spacing.

We predict that before long those same engineers will come up with a tremendous bond issue that will be necessary to provide the services required by the new areas, all because the village swallows the annexation hook.

We were told last week that many mothers are using the theaters, especially the matinees, as baby sitters. "It is cheaper than hiring one in your own home," a mother told us.

The lowest cost of a 3 hour baby sitter is $1.50. The theater admission is 25 cents and with a box of popcorn thrown in, the total cost is only 40 cents.

•

We suggest that Arlington Heights police chief invite Judge Neumann to take a ride over W. Campbell st. at the posted speed of 20 miles an hour. In our estimation such a low speed invites violations.

We do not know what speed is the arrest deadline, but an enforced speed of 30 miles an hour sounds reasonable, after the completion of the sidewalks has removed the traffic hazzard to pedestrians.

•

If the parents of the students who are attending Arlington Heights high school are really interested in the educational facilities that the taxpayers have provided for their children, there will be a large attendance at the teacher-parent conference scheduled in the large gymnasium next Thursday.

The presence of parents will let teachers know that their efforts have the backing of the parents of the boy or girl they are attempting to educate.

After Tuesday morning there should be no doubt in the minds of the general public, especially the housewives, as to the importance of an adequate civil defense organization. The failure of an insulator on top of a pole between Mt. Prospect and Des Plaines

Put 2 telephone exchanges out of commission;

Scared many housewives whose wahing machines and heating plant motors began to smoke;

Put the fire alarm systems and water pumping plants of Mt. Prospect, Arlington Heights and Palatine out of commission;

Reduced contact with the outside world to operation of police radio cars.

It is something to think about, folks. When one electric short on a lone telephone pole can create such an upheaval, are we prepared in case of an attack by an enemy?

Cite Public School Jam For Bond Issue

Arlington Heights board of education this week released estimates showing that it will take an average of $71,695 per year to pay principal and interest for the 19 years during which a proposed $1,050,000 bond issue will run.

On the basis of the current assessed valuation of the district, the cost to each taxpayer will be $1.43 per year for each $1,000 at which his home or business is assessed.

Voters of the school district will decide January 28 whether or not to approve the bond issue to erect 2 new school buildings as well as needed additions and alterations to existing buildings.

* * *

ARLINGTON Heights public schools have grown from an enrollment of 959 students in 1949 to a present enrollment of 2,726.

On the basis of present growth rates, the enrollment will reach 3,700 by 1957 and almost 5,000 by 1960.

Voting will be from noon to 7 p.m. January 28. Polling places will be North school, Ridge school, Dryden school, and New South school.

Each polling place will serve the voters in the same area as the school in which it is located, except that residents of Wedgewood Terrace will vote at North school.

* * *

SO FAR the district has managed to keep up with its needs for additional school buildings. Members of the board of education, the Parent-Teacher association, and the school staff have expressed themselves as being confident that the community will continue to support a program to maintain adequate facilities for its children.

No High School Monday

Pupils of Arlington high school will have a vacation Monday, Jan. 23, as teachers and administrators have their institute workshop.

Either a workshop or visiting day is required by law. General staff meetings will take up most of the program since the double shift makes it very difficult to have general staff meetings.

Semester examinations will be given January 25, 26, and 27 at Arlington high school. All 3 days will be full-length school days with examinations closely scheduled all day.

Polio Goal: Pass 1955 Dimes Total Of $8,000

Mailed contributions to the Arlington Heights March of Dimes campaign reached $750 by Wednesday morning, according to Mrs. Muriel Rosene, campaign chairman.

She said local fund-raisers for the National Foundation for Infantile Paralysis hoped to equal or surpass last year's contributions of $8.03.

In 1955 $5,084 was collected through the mothers' march. The march will be repeated this year, starting at 7 p.m. Tuesday, Jan. 31. Residents wishing to donate are requested to turn on teir porch light, as calls will be made only where the lights are turned on.

* * *

FUNDS are also being solicited from local business places, from public and parochial grade school children and through coin cards placed in stores, restaurants and the like. Arlington High school pupils collected a tota of $603 in a drive last fall after the death from polio of a June graduate.

Mrs. Rosene recalled that approximately $6.00 worth of Salk polio vaccine was furnished local first and second grade children by the national foundation. More inoculations, the first given in late spring and the second in November. Mrs. Thelma Carroll, school nurse, reported that 95.8 per cent of eligible children received a first injection. The percentage dropped slightly for the second injection.

* * *

LOCAL DOCTORS donated their services for the mass injections. They were assisted by members of the Nurses club, who purchased syringes and other equipment as well as contributing their services.

District captains for the mothers' march are the Mesdames G. Mitchell, R. Benson, J. Murphy, H. Griesbach, N. Mayer, H. Rasmussen, Z. Rogozinski, R. Walters, W. Sauer, C. Opela, A. Schmidt, F. Gorder, F. Daneke, J. Latta, A. Gammill, R. KLINE, R. Herigodt, M. Hoggay, C. Hess, M. Moeller, M. Masny, W. Swanson, W. A. Wiegand, M. Brost, J. Sickel, G. Mastroghany, R. Bradle and R. Larson.

St. James Women To Hear Book Review

St. James Catholic Women's guild of Arlington Heights will hold its monthly meeting in the school hall January 24 at 8:45 p.m.

Mrs. Max J. Martin, well known Chicago reviewer of spiritual books, will review "Yankee Priest," the story of the life of Father Ed Murphy, S. J.

Sherwood Dinner Dance

The annual Sherwood dinner-dance will be held this year on Saturday, Feb. 18, at the Rolling Green country club, with dinner at 7:30 p.m. and dancing beginning at 9:30 p.m. Music for dancing will be furnished by "The Aristocrats" under the direction of Warren Rogers of Mt. Prospect.

Mrs. Herbert E. Conner, 17 W. Burgoyne and Mrs. Carl V. Palmer, 1023 Burgoyne rd. are co-chairmen in charge of entertainment for the dinner-dance, and assisting them are Mrs. Thomas J. Polacek, 1220 N. Harvard, and Mrs. John K. Auld, 1009 Watling, all of Arlington Heights.

Invitations to the party were mailed to residents of the area January 11.

New Office Gives Boost To Morale

"Children like to come here now," the woman behind the desk smiled. "They even play hopscotch on the squares in the rug."

The woman behind the desk was Mrs. Thelma Carroll and she was referring to the health center upstairs in the Arlington Heights village hall. The morale of the children and adults who visit the center (and of herself, she admitted) has taken a decided upswing since the one-room was redecorated and refurnished last April.

"Formerly the ceiling was flaking off, the paint was dreary, the furniture rickety and the radiator usually not working," she remembered. She said that it was the local Nurses club which finally prodded the village board into "fixing up the place." Then the Nurses club purchased new furnishings, including chairs, bamboo drapes and a brightly-colored hemp rug.

* * *

VILLAGE WORKMEN painted the walls an attractive green and put the radiator into working order and Abel Maintenance Service volunteered to install the drapes.

Mrs. Carroll said that the health center is open weekdays from 4 to 4:45 p. m. In addition to her work as village public health nurse, she is in charge of all health services in the Arlington Heights grade schools. As there are presently 4,700 children in the grade schools, this in itself is a full-time job she said.

"Without the Nurses club I wouldn't be able to handle it alone," she said. "Club members have always been willing to offer their services and they are particularly useful during mass inoculations."

Freak Power Cut Cripples Three Northwest Suburbs!

A freak accident Monday morning cut off northwest communities from electric power.

Area affected stretched from Des Plaines to Barrington and included parts of surrounding towns.

Several industrial plants, including Benjamin Electric Mfg. co., Des Plaines, were forced to halt operations.

Fire alarm systems and water pumping plants in Mt. Prospect, Arlington Heights and Palatine were out of commission.

The flood of phone calls from homeowners affected by the power cut overloaded switchboards and temporarily put 2 telephone exchanges out of order. Phone service was curtailed in parts of Mount Prospect, Palatine and Arlington Heights.

THE ELECTRIC service was curtailed at 8:55 a.m. when the failure of an insulator caused the top of a pole carrying 2 transmission lines to burn completely off. The fire took place on Northwest hwy. between Des Plaines and Mt. Prospect.

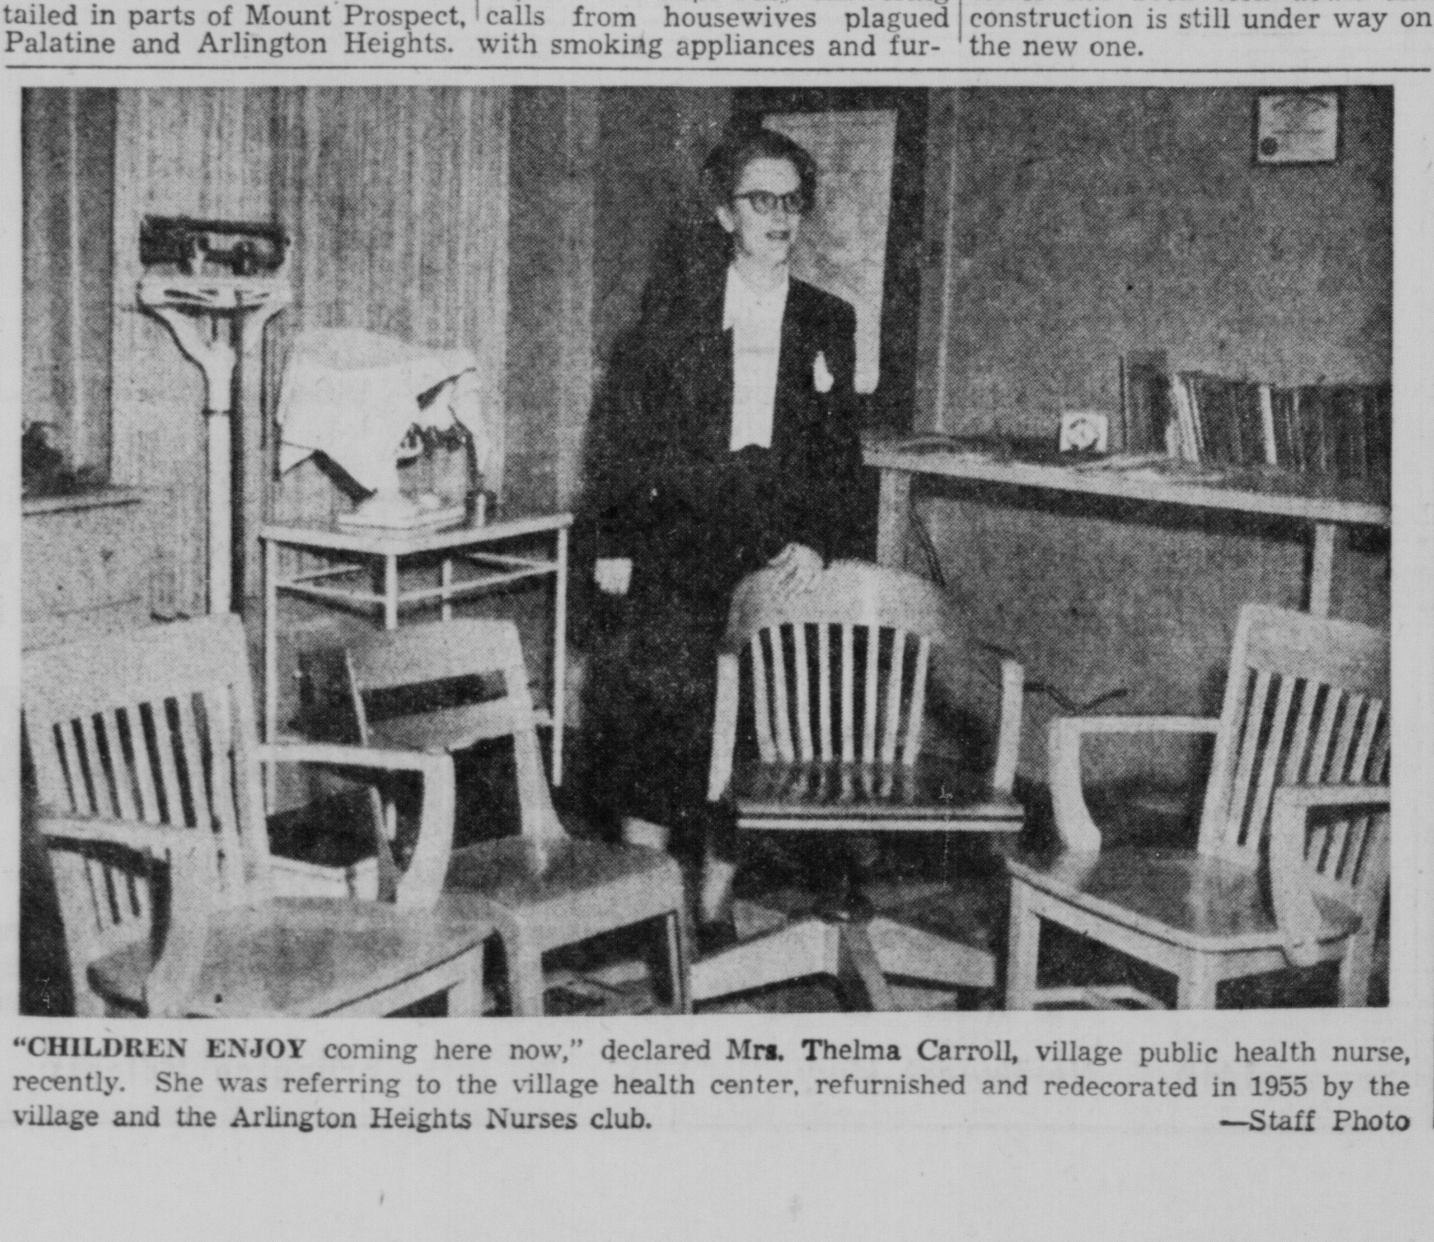
Public Service co. emergency crews restored service in approximately 30 minutes.

Fire departments in several towns were kept busy answering calls from housewives plagued with smoking appliances and furnace motors.

R. J. SEITZ, district superintendent of the light company, said this was caused by restoration of service on remaining circuits and the rearrangement of facilities to permit repairs. This resulted in a short period of low voltage in certain areas.

Thus, if a housewife had a full load in her washing machine when power was cut, the low voltage restored would be insufficient to carry the load and would result in an over-heated motor.

Mt. Prospect was without water service because of the lack of power to operate pressure pumps. Ordinarily this wouldn't affect water supply but the old water tower has been torn down and construction is still under way on the new one.



"**CHILDREN ENJOY** coming here now," declared Mrs. Thelma Carroll, village public health nurse, recently. She was referring to the village health center, refinished and redecorated in 1955 by the village and the Arlington Heights Nurses club. —Staff Photo

Juvenile Delinquency Begins In The Homes

Juvenile delinquents are made in the home.

That's a theory every good parent recognizes as true.

The surprising thing is that the social scientists now agree with it. The social scientists are the people who look for causes of things and end up writing reports on "child maladjustment" and "anti-social processes."

The idea that juvenile delinquency is caused by the kind of home life a child has, and that children from the right kind of homes don't become delinquents was the central theme of an exhibit on delinquency in San Diego, Calif. The exhibit was visited by Stuart R. Paddock Sr., publisher of Paddock Publications, on a recent tour of the West coast.

The social service department of the city of San Diego has a program to prevent delinquency. This program is based upon the findings of a husband-and-wife team of researchers. They are Sheldon and Eleanor Glueck, both of the Harvard Law school.

* * *

IN SUMMARY their findings, after 30 years of study, are these:

1) 88% of a large group of delinquents first got in trouble when they were under 10 years of age;

2) a child's character is formed before he or she reaches the age of 6;

3) what goes on inside the home is more important in forming character than what goes on outside the home—for example, the type of neighborhood;

4) too much or too little affection or supervision sows the seeds of delinquency;

5) the family that plays together stays together;

6) the majority of delinquents stay delinquent; curing delinquent children is nearly impossible.

To do something about preventing delinquency, the city of San Diego sponsors parent discussion groups. They are informal groups, with coffee served, at which common and not-so-common problems are hashed over. The city hopes that one of the by-products of the discussions will be more family recreations.

In other ways, as they say at Harvard:

"Family group recreations cement family ties and strengthen parent-child relationships."

Heart Attack Claims Life Of Teacher

Fleet Combs, 41, of 909 N. Chestnut, Arlington Heights, died Tuesday night at his home, victim of coronary thrombosis.

Combs was in his sixth year as teacher at Arlington Heights high school. In addition to classes in journalism and senior social studies, he was adviser to the school paper and director of publicity for the high school.

* * *

"**MR. COMBS** was an exceptionally able staff member and a valued friend of the student body and faculty," said Harold L. Slichenmyer, superintendent, Wednesday. "His contribution to the life of the school can never be forgotten."

The teacher died despite efforts of Arlington Heights inhalator squad to revive him.

He is survived by his wife, Florence, and 3 children: Lee Russell, 8; Jeanne Elizabeth, 3; and Craig Lester, 18 months. Mrs. Combs is expecting another child. Also surviving him are his mother, Mrs. Leanna Combs; 2 brothers, Homer C., Manhattan, Kan., and Henry C., St. Louis; and his parents-in-law, Mr. and Mrs. Victor Eklund, Forman, N. D.

Funeral services wil be at 8 p.m. Friday at Black's Funeral home, Arlington Heights, and burial will be in St. Louis.

Viatorian Order Buys Summer Recreation Center

The Viatorian order has purchased a large resort property and lodge to be used as a summer recreation for students at the order's Arlington Heights seminary and as an old peoples home.

The property consists of 7½ lake near McHenry in McHenry county. On the property there is a two-story lodge, a craft shop to accomodate 50 persons, a library, infirmary and office building, cabins, chapel and athletic facilities.

The Clerics of St. Viator operate a seminary on east Euclid avenue in Arlington Heights. The order disclosed that the lodge will be used as an old peoples home. The property was formerly owned by the Damon Runyon Memorial fund for Cancer Research, New York, and was sold for an undisclosed amount. The property was developed by the Italian Welfare Society of Chicago and donated by the society to the Runyon fund. The sale was handled by Baird and Warner, Inc., who were represented by Elmer E. Stults, manager of the farm and estate department.

Another property transaction announced by Baird and Warner was the sale of a 217-acre horse farm by a former resident of Arlington Heights. W. C. Tackett, now of Palm Springs, Calif. but formerly a resident of Arlington Heights, sold his Spring Grove farm in McHenry county to Thomas P. Sullivan, 1131 Chicago ave., Evanston for an undisclosed sum. The farm has boarding accomodations for 50 horses.

New North Side Fire Station Is On Its Way!

Village OKs Purchase Of 100 Ft. Lot On State Rd.

Arlington Heights will build its new fire station on the east side of north State rd. near Hawthorne st. The location was revealed at the village board meeting Tuesday night.

Trustees voted to go ahead and purchase a lot with a 100-foot frontage on State 60 feet north of Hawthorne. The lot is 132 feet deep. It will be purchased from Marvin Rodewald, 202 N. Evergreen, Arlington Heights, for $5,500 plus payment of 1955 taxes. Trustee Forrest F. Davis said that the taxes would amount to approximately $50. Rodewald is a real estate operator and assistant fire chief.

The board also voted unanimously and without discussion to direct the architects to draw plans for the station, for which money was voted in a November election.

* * *

A NEW SCALE of license fees for businessess was adopted. Included are these fees: movie houses, 10 cents a seat (reduced from 15c); food dealers, $30 to $90 — depending on number of employees (formerly $30); food dealers fee, $5 (no change); dry cleaning firms, $40! rug cleaning firms, $40; dry and rug cleaning firms, $70 (formerly $75); auto sales agencies, $100, (formerly $30); and bulk petroleum plants, $75.

Village clerk Carl Weinrich reported that 1,800 vehicle stamps had been sold to date. In 1955, Weinrich said, 5,100 stamps were sold.

In a discussion of the proposed ½c sales tax, the press came in for a sharp rap from Trustee John Hoover. Trustee Robert Bishop had moved to direct the village attorney to draw up an ordinance on the tax and earmarking the proceeds for "street widening," (later changed to "public improvements.") A minute later Hoover stated:

"No matter what we do, our instructions to the village attorney are construed as tantamount to passage (of the tax ordinance) by the press."

Hoover did not explain how the press was "misconstruing" the instructions.

Davis pointed out that even if the ½c tax measure was approved within a week, the law would not go into effect for several months.

Hoover wanted to discuss the measure in a "semi-executive session." Later he proposed "Let's not even call it a semi-executive or executive session. Let's call it a committee meeting." He was referring to the policy of holding private council sessions initiated last week. The upshot of all this was the decision to postpone the matter to the meeting next Tuesday. After the meeting Davis said that the meeting will be open to anyone, thus apparently ending the short-lived "private session" policy.

* * *

OTHER MATTERS before the board included the new residential and electrical building codes, both to be studied further, and the garbage ordinance. The latter proposal will be studied and reworked by the judiciary committee. The trustees appointed representatives of 11 civic and property owners groups to a committee to draw up an ordinance on the village manager. Walter Dahl, from the Arlington Greens association was named chairman of the committee. A petition was recevied containing 58 names of persons in the Arlingdale subdivision opposed to water assessments in the area.

In the meeting of the board of local improvements the members voted without dissent to order the village engineer to prepare plans, specifications and cost estimates for the street widening program.

Masked Youths Rob Liquor Store, Escape

Two young thugs brazenly held up an Arlington Heights liquor store Sunday night and escaped with an estimated $60 while a local police officer (not in uniform) sat at the bar in the adjoining room. Witnesses said that the robbers both wore nylon stockings over their faces as masks.

Eddie's Package Liquor store, 10 E. Northwest hwy., adjoining Eddie's Lounge, a bar and restaurant, was the scene of the robbery. Both are owned and operated by Eddie Jensen, who lives on the premises.

Jensen said that the robbery occurred at about 10:40 p.m. Sunday. He said there were 6 patrons in the tavern at the time who were not aware of the robbery until after the thieves had fled.

Two barntenders who went into the liquor store were forced to lie on the floor by robbers armed with a .45 caliber automatic. They were Roland H. "Rol" Weide, 29, of 7 W. Campbell st., and Earl "Bud" McDougall, 27, of 206 S. Evergreen ave., both of Arlington Heights.

* * *

WEIDE TOLD this story:

"I was working behind the bar when the buzzer rang for service in the liquor store. As I entered the liquor store one of them told me to 'Get in the corner and lie down.'

"One of them rang out the cash register and emptied the till. As they were almost ready to leave, Bud (McDougall) saw my feet sticking out from behind the counter and came in to see what was going on. He was told to lay down in front of the counter.

"As soon as we heard the door click, both Bud and I yelled into the tavern that the place had been robbed but by the time others came in and heard the story it was too late."

Weide described the robbers as being "in their late teens or early twenties" and said that both were of stocky build and medium height. He added that one wore a leather jacket and that both wore nylon masks and stocking caps.

Arlington Heights police rounded up suspects Monday night and Tuesday but released all of them after questioning. At least 2 suspects were shown to the men held up but neither was identified as one of the robbers.

Jensen said that no liquor was taken by the thieves.

Lions Give Shelter

Arlington Heights Lion's club has presented to the village, through the Arlington Heights park district, the recently completed shelter house located at the southwest corner of Northwest highway and Evergreen sts. Gift of the shelter, which is for the use and convenience of the people of this area, was made at the December 20 meeting of the Lion's club.

Idea for such a shelter was originated in 1953, and after negotiations with the bus companies servicing this area, the Chicago and Northwestern railway and the Arlington Heights park district, construction was begun in 1954. The structure was completed in the summer of 1955.

Property Owners Launch War On Arlington Mosquitos

Representatives of 9 property owners associations of Arlington Heights met at the home of Robert W. Phillips, president of Scarsdale association, Arlington Heights, Friday evening to discuss a campaign for the formation of a Mosquito Abatement district.

The meeting was in response to the call of Mayor Goedke and the village board who appointed the president of each association as a committee to secure signatures on mosquito abatement petitions. There are 12 associations in Arlington Heights and 9 of them were represented that evening. Petitions addressed to Otto Kerner, county judge, have been placed in circulation. Similar petitions are being circulated in Palatine and Rolling Meadows.

The proposed district covers the townships of Barrington, Hanover, Palatine, Schaumburg, Wheeling, Elk Grove and parts of Maine and Northfield townships. Signatures of 6,391 voters are required. In accordance with the state law, signatures must be in proportion to the number of legal voters in each incorporated and unincorporated area.

Signatures of 820 Arlington Heights residents and of 281 in Wheeling township are required. Signatures needed in other incorporated areas are: Barrington 191, Bartlett 56, Palatine 287, Palatine township 274, Rolling Meadows 150, Wheeling 59, Mount Prospect 931, Des Plaines 1179, Park Ridge 1238.

The tax rate is estimated at 25 cents, which will cost the average homeowner $3 per year. The district, if formed, will be large enough to control all mosquito breeding places in Northwest Cook county.

The organization costs is estimated at $3800 and each community will be asked to pay its proportionate share.

Members of the board of education, the Parent-Teacher association, and the school staff have expressed themselves as being confident that the community will continue to support a program to maintain adequate facilities for its children.

Sherwood Dinner Dance

The annual Sherwood dinner-dance will be held this year on Saturday, Feb. 18, at the Rolling Green country club, with dinner at 7:30 p.m. and dancing beginning at 9:30 p.m. Music for dancing will be furnished by "The Aristocrats" under the direction of Warren Rogers of Mt. Prospect.

Mrs. Herbert E. Conner, 17 W. Burgoyne and Mrs. Carl V. Palmer, 1023 Burgoyne rd. are co-chairmen in charge of entertainment for the dinner-dance, and assisting them are Mrs. Thomas J. Polacek, 1220 N. Harvard, and Mrs. John K. Auld, 1009 Watling, all of Arlington Heights.

Invitations to the party were mailed to residents of the area January 11.

New Office Gives Boost To Morale

"Children like to come here now," the woman behind the desk smiled. "They even play hopscotch on the squares in the rug."

The woman behind the desk was Mrs. Thelma Carroll and she was referring to the health center upstairs in the Arlington Heights village hall. The morale of the children and adults who visit the center (and of herself, she admitted) has taken a decided upswing since the one-room was redecorated and refurnished last April.

"Formerly the ceiling was flaking off, the paint was dreary, the furniture rickety and the radiator usually not working," she remembered. She said that it was the local Nurses club which finally prodded the village board into "fixing up the place." Then the Nurses club purchased new furnishings, including chairs, bamboo drapes and a brightly-colored hemp rug.

* * *

VILLAGE WORKMEN painted the walls an attractive green and put the radiator into working order and Abel Maintenance Service volunteered to install the drapes.

Mrs. Carroll said that the health center is open weekdays from 4 to 4:45 p. m. In addition to her work as village public health nurse, she is in charge of all health services in the Arlington Heights grade schools. As there are presently 4,700 children in the grade schools, this in itself is a full-time job she said.

"Without the Nurses club I wouldn't be able to handle it alone," she said. "Club members have always been willing to offer their services and they are particularly useful during mass inoculations."

No High School Monday

Pupils of Arlington high school will have a vacation Monday, Jan. 23, as teachers and administrators have their institute workshop.

Either a workshop or visiting day is required by law. General staff meetings will take up most of the program since the double shift makes it very difficult to have general staff meetings.

Semester examinations will be given January 25, 26, and 27 at Arlington high school. All 3 days will be full-length school days with examinations closely scheduled all day.

Polio Goal: Pass 1955 Dimes Total Of $8,000

Mailed contributions to the Arlington Heights March of Dimes campaign reached $750 by Wednesday morning, according to Mrs. Muriel Rosene, campaign chairman.

She said local fund-raisers for the National Foundation for Infantile Paralysis hoped to equal or surpass last year's contributions of $8.03.

In 1955 $5,084 was collected through the mothers' march. The march will be repeated this year, starting at 7 p.m. Tuesday, Jan. 31. Residents wishing to donate are requested to turn on teir porch light, as calls will be made only where the lights are turned on.

* * *

FUNDS are also being solicited from local business places, from public and parochial grade school children and through coin cards placed in stores, restaurants and the like. Arlington High school pupils collected a tota of $603 in a drive last fall after the death from polio of a June graduate.

Mrs. Rosene recalled that approximately $6.00 worth of Salk polio vaccine was furnished local first and second grade children by the national foundation. More inoculations, the first given in late spring and the second in November. Mrs. Thelma Carroll, school nurse, reported that 95.8 per cent of eligible children received a first injection. The percentage dropped slightly for the second injection.

* * *

LOCAL DOCTORS donated their services for the mass injections. They were assisted by members of the Nurses club, who purchased syringes and other equipment as well as contributing their services.

District captains for the mothers' march are the Mesdames G. Mitchell, R. Benson, J. Murphy, H. Griesbach, N. Mayer, H. Rasmussen, Z. Rogozinski, R. Walters, W. Sauer, C. Opela, A. Schmidt, F. Gorder, F. Daneke, J. Latta, A. Gammill, R. KLINE, R. Herigodt, M. Hoggay, C. Hess, M. Moeller, M. Masny, W. Swanson, W. A. Wiegand, M. Brost, J. Sickel, G. Mastroghany, R. Bradle and R. Larson.

St. James Women To Hear Book Review

St. James Catholic Women's guild of Arlington Heights will hold its monthly meeting in the school hall January 24 at 8:45 p.m.

Mrs. Max J. Martin, well known Chicago reviewer of spiritual books, will review "Yankee Priest," the story of the life of Father Ed Murphy, S. J.

Freak Power Cut Cripples Three Northwest Suburbs!

A freak accident Monday morning cut off northwest communities from electric power.

Area affected stretched from Des Plaines to Barrington and included parts of surrounding towns.

Several industrial plants, including Benjamin Electric Mfg. co., Des Plaines, were forced to halt operations.

Fire alarm systems and water pumping plants in Mt. Prospect, Arlington Heights and Palatine were out of commission.

The flood of phone calls from homeowners affected by the power cut overloaded switchboards and temporarily put 2 telephone exchanges out of order. Phone service was curtailed in parts of Mount Prospect, Palatine and Arlington Heights.

THE ELECTRIC service was curtailed at 8:55 a.m. when the failure of an insulator caused the top of a pole carrying 2 transmission lines to burn completely off. The fire took place on Northwest hwy. between Des Plaines and Mt. Prospect.

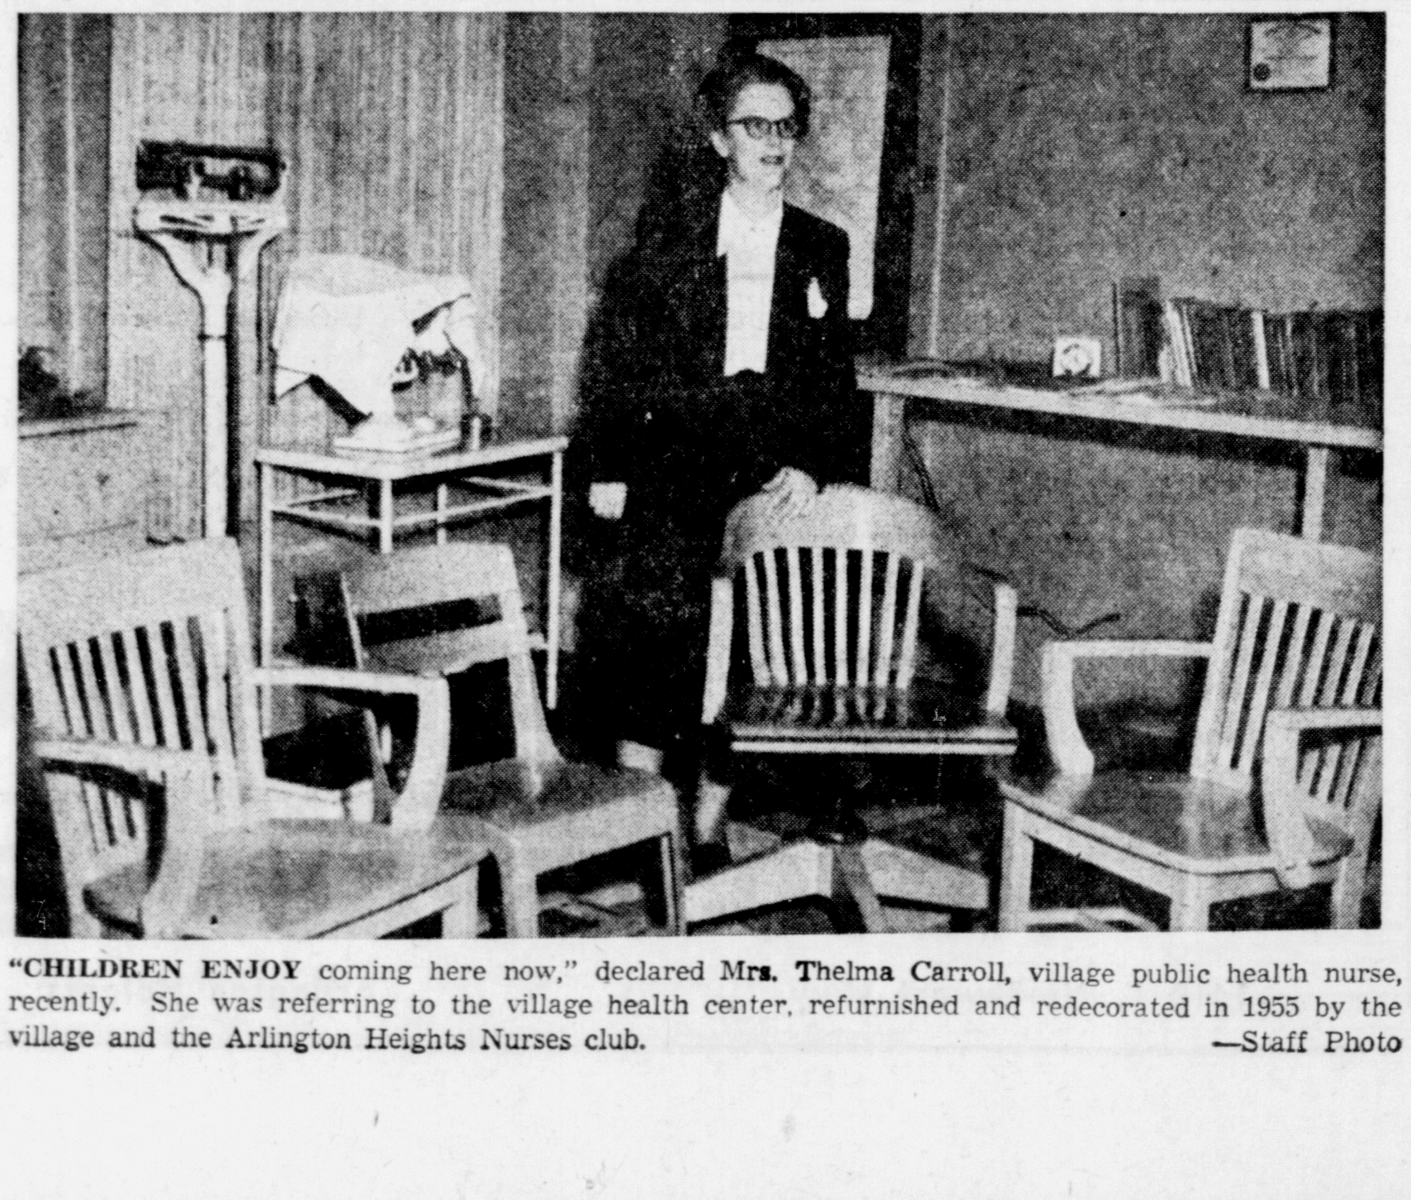
Public Service co. emergency crews restored service in approximately 30 minutes.

Fire departments in several towns were kept busy answering calls from housewives plagued with smoking appliances and furnace motors.

R. J. SEITZ, district superintendent of the light company, said this was caused by restoration of service on remaining circuits and the rearrangement of facilities to permit repairs. This resulted in a short period of low voltage in certain areas.

Thus, if a housewife had a full load in her washing machine when power was cut, the low voltage restored would be insufficient to carry the load and would result in an over-heated motor.

Mt. Prospect was without water service because of the lack of power to operate pressure pumps. Ordinarily this wouldn't affect water supply but the old water tower has been torn down and construction is still under way on the new one.



"CHILDREN ENJOY coming here now," declared Mrs. Thelma Carroll, village public health nurse, recently. She was referring to the village health center, refurnished and redecorated in 1955 by the village and the Arlington Heights Nurses club. —Staff Photo

New North Side Fire Station Is On Its Way!

Village OKs Purchase Of 100 Ft. Lot On State Rd.

Arlington Heights will build its new fire station on the east side of north State rd. near Hawthorne st. The location was revealed at the village board meeting Tuesday night.

Trustees voted to go ahead and purchase a lot with a 100-foot frontage on State 60 feet north of Hawthorne. The lot is 132 feet deep. It will be purchased from Marvin Rodewald, 202 N. Evergreen, Arlington Heights, for $5,500 plus payment of 1955 taxes. Trustee Forrest F. Davis said that the taxes would amount to approximately $50. Rodewald is a real estate operator and assistant fire chief.

The board also voted unanimously and without discussion to direct the architects to draw plans for the station, for which money was voted in a November election.

* * *

A NEW SCALE of license fees for businessess was adopted. Included are these fees: movie houses, 10 cents a seat (reduced from 15c); food dealers, $30 to $90 — depending on number of employees (formerly $30); food dealers fee, $5 (no change); dry cleaning firms, $40! rug cleaning firms, $40; dry and rug cleaning firms, $70 (formerly $75); auto sales agencies, $100, (formerly $30); and bulk petroleum plants, $75.

Village clerk Carl Weinrich reported that 1,800 vehicle stamps had been sold to date. In 1955, Weinrich said, 5,100 stamps were sold.

In a discussion of the proposed ½c sales tax, the press came in for a sharp rap from Trustee John Hoover. Trustee Robert Bishop had moved to direct the village attorney to draw up an ordinance on the tax and earmarking the proceeds for "street widening," (later changed to "public improvements.") A minute later Hoover stated:

"No matter what we do, our instructions to the village attorney are construed as tantamount to passage (of the tax ordinance) by the press."

Hoover did not explain how the press was "misconstruing" the instructions.

Davis pointed out that even if the ½c tax measure was approved within a week, the law would not go into effect for several months.

Hoover wanted to discuss the measure in a "semi-executive session." Later he proposed "Let's not even call it a semi-executive or executive session. Let's call it a committee meeting." He was referring to the policy of holding private council sessions initiated last week. The upshot of all this was the decision to postpone the matter to the meeting next Tuesday. After the meeting Davis said that the meeting will be open to anyone, thus apparently ending the short-lived "private session" policy.

* * *

OTHER MATTERS before the board included the new residential and electrical building codes, both to be studied further, and the garbage ordinance. The latter proposal will be studied and reworked by the judiciary committee. The trustees appointed representatives of 11 civic and property owners groups to a committee to draw up an ordinance on the village manager. Walter Dahl, from the Arlington Greens association was named chairman of the committee. A petition was recevied containing 58 names of persons in the Arlingdale subdivision opposed to water assessments in the area.

In the meeting of the board of local improvements the members voted without dissent to order the village engineer to prepare plans, specifications and cost estimates for the street widening program.

Juvenile Delinquency Begins In The Homes

Juvenile delinquents are made in the home.

That's a theory every good parent recognizes as true.

The surprising thing is that the social scientists now agree with it. The social scientists are the people who look for causes of things and end up writing reports on "child maladjustment" and "anti-social processes."

The idea that juvenile delinquency is caused by the kind of home life a child has, and that children from the right kind of homes don't become delinquents was the central theme of an exhibit on delinquency in San Diego, Calif. The exhibit was visited by Stuart R. Paddock Sr., publisher of Paddock Publications, on a recent tour of the West coast.

The social service department of the city of San Diego has a program to prevent delinquency. This program is based upon the findings of a husband-and-wife team of researchers. They are Sheldon and Eleanor Glueck, both of the Harvard Law school.

* * *

IN SUMMARY their findings, after 30 years of study, are these:

1) 88% of a large group of delinquents first got in trouble when they were under 10 years of age;

2) a child's character is formed before he or she reaches the age of 6;

3) what goes on inside the home is more important in forming character than what goes on outside the home—for example, the type of neighborhood;

4) too much or too little affection or supervision sows the seeds of delinquency;

5) the family that plays together stays together;

6) the majority of delinquents stay delinquent; curing delinquent children is nearly impossible.

To do something about preventing delinquency, the city of San Diego sponsors parent discussion groups. They are informal groups, with coffee served, at which common and not-so-common problems are hashed over. The city hopes that one of the by-products of the discussions will be more family recreations.

In other ways, as they say at Harvard:

"Family group recreations cement family ties and strengthen parent-child relationships."

Heart Attack Claims Life Of Teacher

Fleet Combs, 41, of 909 N. Chestnut, Arlington Heights, died Tuesday night at his home, victim of coronary thrombosis.

Combs was in his sixth year as teacher at Arlington Heights high school. In addition to classes in journalism and senior social studies, he was adviser to the school paper and director of publicity for the high school.

* * *

"MR. COMBS was an exceptionally able staff member and a valued friend of the student body and faculty," said Harold L. Slichenmyer, superintendent, Wednesday. "His contribution to the life of the school can never be forgotten."

The teacher died despite efforts of Arlington Heights inhalator squad to revive him.

He is survived by his wife, Florence, and 3 children: Lee Russell, 8; Jeanne Elizabeth, 3; and Craig Lester, 18 months. Mrs. Combs is expecting another child. Also surviving him are his mother, Mrs. Leanna Combs; 2 brothers, Homer C., Manhattan, Kan., and Henry C., St. Louis; and his parents-in-law, Mr. and Mrs. Victor Eklund, Forman, N. D.

Funeral services wil be at 8 p.m. Friday at Black's Funeral home, Arlington Heights, and burial will be in St. Louis.

Viatorian Order Buys Summer Recreation Center

The Viatorian order has purchased a large resort property and lodge to be used as a summer recreation for students at the order's Arlington Heights seminary and as an old peoples home.

The property consists of 7½ lake near McHenry in McHenry county. On the property there is a two-story lodge, a craft shop to accomodate 50 persons, a library, infirmary and office building, cabins, chapel and athletic facilities.

The Clerics of St. Viator operate a seminary on east Euclid avenue in Arlington Heights. The order disclosed that the lodge will be used as an old peoples home. The property was formerly owned by the Damon Runyon Memorial fund for Cancer Research, New York, and was sold for an undisclosed amount. The property was developed by the Italian Welfare Society of Chicago and donated by the society to the Runyon fund. The sale was handled by Baird and Warner, Inc., who were represented by Elmer E. Stults, manager of the farm and estate department.

Another property transaction announced by Baird and Warner was the sale of a 217-acre horse farm by a former resident of Arlington Heights. W. C. Tackett, now of Palm Springs, Calif. but formerly a resident of Arlington Heights, sold his Spring Grove farm in McHenry county to Thomas P. Sullivan, 1131 Chicago ave., Evanston for an undisclosed sum. The farm has boarding accomodations for 50 horses.

Masked Youths Rob Liquor Store, Escape

Two young thugs brazenly held up an Arlington Heights liquor store Sunday night and escaped with an estimated $60 while a local police officer (not in uniform) sat at the bar in the adjoining room. Witnesses said that the robbers both wore nylon stockings over their faces as masks.

Eddie's Package Liquor store, 10 E. Northwest hwy., adjoining Eddie's Lounge, a bar and restaurant, was the scene of the robbery. Both are owned and operated by Eddie Jensen, who lives on the premises.

Jensen said that the robbery occurred at about 10:40 p.m. Sunday. He said there were 6 patrons in the tavern at the time who were not aware of the robbery until after the thieves had fled.

Two barntenders who went into the liquor store were forced to lie on the floor by robbers armed with a .45 caliber automatic. They were Roland H. "Rol" Weide, 29, of 7 W. Campbell st., and Earl "Bud" McDougall, 27, of 206 S. Evergreen ave., both of Arlington Heights.

* * *

WEIDE TOLD this story:

"I was working behind the bar when the buzzer rang for service in the liquor store. As I entered the liquor store one of them told me to 'Get in the corner and lie down.'

"One of them rang out the cash register and emptied the till. As they were almost ready to leave, Bud (McDougall) saw my feet sticking out from behind the counter and came in to see what was going on. He was told to lay down in front of the counter.

"As soon as we heard the door click, both Bud and I yelled into the tavern that the place had been robbed but by the time others came in and heard the story it was too late."

Weide described the robbers as being "in their late teens or early twenties" and said that both were of stocky build and medium height. He added that one wore a leather jacket and that both wore nylon masks and stocking caps.

Arlington Heights police rounded up suspects Monday night and Tuesday but released all of them after questioning. At least 2 suspects were shown to the men held up but neither was identified as one of the robbers.

Jensen said that no liquor was taken by the thieves.

Lions Give Shelter

Arlington Heights Lion's club has presented to the village, through the Arlington Heights park district, the recently completed shelter house located at the southwest corner of Northwest highway and Evergreen sts. Gift of the shelter, which is for the use and convenience of the people of this area, was made at the December 20 meeting of the Lion's club.

Idea for such a shelter was originated in 1953, and after negotiations with the bus companies servicing this area, the Chicago and Northwestern railway and the Arlington Heights park district, construction was begun in 1954. The structure was completed in the summer of 1955.

Property Owners Launch War On Arlington Mosquitos

Representatives of 9 property owners associations of Arlington Heights met at the home of Robert W. Phillips, president of Scarsdale association, Arlington Heights, Friday evening to discuss a campaign for the formation of a Mosquito Abatement district.

The meeting was in response to the call of Mayor Goedke and the village board who appointed the president of each association as a committee to secure signatures on mosquito abatement petitions. There are 12 associations in Arlington Heights and 9 of them were represented that evening. Petitions addressed to Otto Kerner, county judge, have been placed in circulation. Similar petitions are being circulated in Palatine and Rolling Meadows.

The proposed district covers the townships of Barrington, Hanover, Palatine, Schaumburg, Wheeling, Elk Grove and parts of Maine and Northfield townships. Signatures of 6,391 voters are required. In accordance with the state law, signatures must be in proportion to the number of legal voters in each incorporated and unincorporated area.

Signatures of 820 Arlington Heights residents and of 281 in Wheeling township are required. Signatures needed in other incorporated areas are: Barrington 191, Bartlett 56, Palatine 287, Palatine township 274, Rolling Meadows 150, Wheeling 59, Mount Prospect 931, Des Plaines 1179, Park Ridge 1238.

The tax rate is estimated at 25 cents, which will cost the average homeowner $3 per year. The district, if formed, will be large enough to control all mosquito breeding places in Northwest Cook county.

The organization costs is estimated at $3800 and each community will be asked to pay its proportionate share.

Out of Town Guests

Helen and Wally Aagaard of St. James pl. had Helen's sister and brother-in-law, Mr. and Mrs. Ralph McClaskey and daughter, Dana, from Burlington, Wash. here for a visit. They entertained 36 guests at an open house party for the McClaskeys, consisting of former friends from Chicago.

Mr. and Mrs. Harry Olen of Reuter ave. entertained Mrs. Olen's uncle, Edward Sloan of Covina, Cal., recently.

This-N-That

Lilliam Krueger of Yale ave. had an afternoon coffee Mnday, to better acquaint herself with neighbors Jean Schreen, Kay Guthrey, Shirlee Pollitz, Betty Myers and Lillian Schwind.

January 5 was Father and Son night for troop 57, Boy Scouts of America of Arlington. A splash party was held at the YMCA in Elgin and was attended by Fred Granis and his father.

A luncheon was held at the home of Helen Aagaard of St. James pl. January 5. Guests were Mary Margaret Snoyer, Joyce Akerlund, Dorothy Giesler and Gloria Lazor.

A baby shower was held for Jerry Runkel, 203 N. Reuter, January 11. The shower was given by Betty Frank and Ann Welton, at the Welton home. The guests, Celeste Switalla, Jenny Huff, Gwen Kadlecik, Mary Barkulis, Marlete Jernberg, Delores Goedeke, Rita Virchow and Barbara Thompson, along with Betty and Ann, presented Jerry with a buggy for her new son.

Birthdays

A luncheon was held Saturnday for Gregory Olen, 12 N. Reuter, who celebrated his 10th birthday. On hand to help him celebrate were 9 boys from Arlington and 1 from Chicago. The Chicago lad, Adam Jaskowiak, was a weekend guest of Gregory's.

A joint birthday celebration was the order of the day at the Madden household, 1501 W. Euclid Sunday. Lois and Jack entertained 33 guests, which included 15 children, at a buffet supper. The guests of honor were the Madden's daughter, Barbara, who will be 4 January 20, and Lois' father, Harry Cunningham of Chicago, who will be 68 January 19.

Friday, Jan. 13 proved an obstinate day for Skip Akerlund of 1509 W. Fremont, whose birthday fell on that jinxed day. Skip had been in Lima, Ohio on business and was unable to make it home in time for the event.

Kirk Verbeck, son of Arlene and Mary, 1511 W. Euclid, celebrated his third birthday January 18 with a few friends in for the afternoon.

Mrs. Jean Schreen, 3 N. Reuter, gave a birthday party for her niece, Mary Eileen Naso, of Oak Park last week. Mary Eileen spent a good deal of last summer visiting here and guests at her party were all children of Westgate with whom she had made friends during her summer visit.

Parties

To get to know each other better, a progressive dinner was held January 7 by 18 families in a row on Reuter ave. Name tags were in evidence and by the end of the evening, Rose and Joe Conroy, Florence and Arnie Lorch, Mary and Gus Nicholson, Mary and Nick Barkulis, Ester and Tony Van Bladel, Stella and Stan Stefan, Betty and Frank Conley, Catherine and Vin Kim, Betty and Gerry Guarriello, Jean and Joe Bellino, Ann and Ralph Welton, Carl and Esther Fortner, Bob and Betty Frank, Frank and Aquinas Powers, Jenny and Wally Huff, John and Celeste Switalla, Sam and Gwen Kadlecik and Jack and Bette Lister were all calling one another by first names. Cocktails were at the Lister home, dinner at the Powers and coffee and dessert and the evening at the Van Bladel's.

Arlington pharmacy was well represented at a party given by Jean and Brian Schreen of Reuter avenue. Jean is an employee of the pharmacy and had as her guests, Ray and Eileen Wiltgens, Ray and Jeanne Parks, Don and Faye Lussman, Lillian and Marshall Brooks, Hulda Johnson and Estelle Naso, Jean's sister.

Prepare For Boy Scout Campaign

The 1956 boy scout campaign in Arlington Heights is being organized. According to information supplied by Blackhawk district chairman William P. Utermohlen, Jr., the organization for the campaign is nearing completion. F. Russell Clarke, finance chairman of the blackhawk district and a resident of Arlington Heights, is working with the following zone directors:

Southwest and West Central: Russell Clarke and Frank Renner.

Southeast: Max Friedlander and James Kennedy.

East Central: Stewart Fitz-Patrick.

Northeast: Walter Schultz.

Northwest: Milton J. Singelman and William F. Hannum.

The business area contributions will be solicited prior to the campaign by special teams. The house to house campaign will be conducted during the second week in February, which will be the 46th anniversary of the founding of the scouting program in the United States. This week is always celebrated as scout anniversary week. There will be a number of scouting activities at this time, including window displays, cub pack blue and gold banquets, scout troop open houses, and explorer demonstrations. Many churches will be conducting special services on scout Sunday for members, who will be attending in uniformed groups.

Ban Spotlights

Youths driving cars with spotlights may be questioned by the police in an effort to stop a traffic hazard on the part of a few who seem to delight in flashing their lights upon approaching cars.

W. Sarvana, 731 N. Harvard, Arlington Heights, reports that the dangerous practice has been revived. He thinks that police questioning should put a stop to the dangerous act.

Westgate News

Newcomers

Jackie and George Rudolphy moved here from Chicago and are now living at 1507 St. James pl. George is a native Chicagoan, while Jackie hails from Bloomington, Ind. They have a son "Chuck," who is 5 months old. George is campaign director and executive secretary for the Chicago Heart association in Chicago. He holds a bachelor of arts degree from DePaul university in Chicago.

Detta and Bill Shader are now living at 214 N. Yale. They are from Kansas City, Mo. Bill is employed by Norge Sales corporation in Chicago. In their spare time, Detta and Bill are kept busy amusing their 6 children, Alice, 8, Susan, 6, Billy, 4, Keith, 3, Doug, 1½, and Bobby, who is just 4 months.

From Marquette, Mich., Jean and Bob Mongrain have come to live at 1504 W. St. James pl. Bobby, 3, and Annette, 5 months, make up the rest of this family. Bob is a civil engineer for H. W. Lochner and Co. in Chicago and is a graduate of Michigan Tech.

Jean and Allen Barry, 1511 St. James pl., moved here from Cleveland, Ohio. They have 2 children, Patrick, 4, and Margaret, 10 months. Allen is a graduate of the University of Iowa, and Jean, the University of Iowa School of Nursing, where they met each other.

Newcomers, Evelyn and Harry Woods, have taken up residence at 307 N. Wilke ave. They are not new to the community, having lived in Prospect Heights for several years. Terry, 12, Dennis, 11, and Patricia, 6, make up the remainder of the family. Harry is employed by International Harvester company in Chicago, and is ia graduate of the University of Wisconsin. The family attends Faith Lutheran church.

Oscar Awards

A play, "How Boots Befooled the King," was presented by the fourth grade children in Mr. Aker's class in South school January 12 and 13. Future stars from Westgate included Mike Granis, who played the king, Sherry Lister, second lady in waiting, Paula Krueger, attendant to the princess, and Richard Burnes, stage hand.

Not A Girl In Sight

It's a boy for Fran and Harry Hebard, 409 N. Reuter. Robert Brennisen made his appearance December 28 at St. Francis hospital just in time to give his dad another income tax deduction. He has 2 brothers, Bard, 4, and Rickey, 2, who find him quite amusing. The grandparents are Mr. and Mrs. H. D. Hebard of Buffalo, N. Y., and Mr. and Mrs. E. J. Riselay, also of Buffalo. Fran's parents were here for 4 weeks helping with the children.

Lois and Bill Henn have a new son born January 7 at Resurrection hospital. The new baby, Thomas William, has 2 sisters, Susan, 5½, and Sandra, 4. Gandparents are Mr. and Mrs. William Henn Sr. and Mr. and Mrs. Clarence Walker, all of Chicago. The Henns reside at 228 N. Yale.

Polio Drive

Volunteers are needed for the drive which is Tuesday, Jan 31. Caroline Herigodt, 1513 W. Fremont is captain for Westgate in the Mother's March of Dimes. Information may be had by calling Caroline at CL 3-4660.

Out of Town Guests

Helen and Wally Aagaard of St. James pl. had Helen's sister and brother-in-law, Mr. and Mrs. Ralph McClaskey and daughter, Dana, from Burlington, Wash. here for a visit. They entertained 36 guests at an open house party for the McClaskeys, consisting of former friends from Chicago.

Mr. and Mrs. Harry Olen of Reuter ave. entertained Mrs. Olen's uncle, Edward Sloan of Covina, Cal., recently.

This-N-That

Lilliam Krueger of Yale ave. had an afternoon coffee Mnday, to better acquaint herself with neighbors Jean Schreen, Kay Guthrey, Shirlee Pollitz, Betty Myers and Lillian Schwind.

January 5 was Father and Son night for troop 57, Boy Scouts of America of Arlington. A splash party was held at the YMCA in Elgin and was attended by Fred Granis and his father.

A luncheon was held at the home of Helen Aagaard of St. James pl. January 5. Guests were Mary Margaret Snoyer, Joyce Akerlund, Dorothy Giesler and Gloria Lazor.

A baby shower was held for Jerry Runkel, 203 N. Reuter, January 11. The shower was given by Betty Frank and Ann Welton, at the Welton home. The guests, Celeste Switalla, Jenny Huff, Gwen Kadlecik, Mary Barkulis, Marlete Jernberg, Delores Goedeke, Rita Virchow and Barbara Thompson, along with Betty and Ann, presented Jerry with a buggy for her new son.

Birthdays

A luncheon was held Saturnday for Gregory Olen, 12 N. Reuter, who celebrated his 10th birthday. On hand to help him celebrate were 9 boys from Arlington and 1 from Chicago. The Chicago lad, Adam Jaskowiak, was a weekend guest of Gregory's.

A joint birthday celebration was the order of the day at the Madden household, 1501 W. Euclid Sunday. Lois and Jack entertained 33 guests, which included 15 children, at a buffet supper. The guests of honor were the Madden's daughter, Barbara, who will be 4 January 20, and Lois' father, Harry Cunningham of Chicago, who will be 68 January 19.

Friday, Jan. 13 proved an obstinate day for Skip Akerlund of 1509 W. Fremont, whose birthday fell on that jinxed day. Skip had been in Lima, Ohio on business and was unable to make it home in time for the event.

Kirk Verbeck, son of Arlene and Mary, 1511 W. Euclid, celebrated his third birthday January 18 with a few friends in for the afternoon.

Mrs. Jean Schreen, 3 N. Reuter, gave a birthday party for her niece, Mary Eileen Naso, of Oak Park last week. Mary Eileen spent a good deal of last summer visiting here and guests at her party were all children of Westgate with whom she had made friends during her summer visit.

Parties

To get to know each other better, a progressive dinner was held January 7 by 18 families in a row on Reuter ave. Name tags were in evidence and by the end of the evening, Rose and Joe Conroy, Florence and Arnie Lorch, Mary and Gus Nicholson, Mary and Nick Barkulis, Ester and Tony Van Bladel, Stella and Stan Stefan, Betty and Frank Conley, Catherine and Vin Kim, Betty and Gerry Guarriello, Jean and Joe Bellino, Ann and Ralph Welton, Carl and Esther Fortner, Bob and Betty Frank, Frank and Aquinas Powers, Jenny and Wally Huff, John and Celeste Switalla, Sam and Gwen Kadlecik and Jack and Bette Lister were all calling one another by first names. Cocktails were at the Lister home, dinner at the Powers and coffee and dessert and the evening at the Van Bladel's.

Arlington pharmacy was well represented at a party given by Jean and Brian Schreen of Reuter avenue. Jean is an employee of the pharmacy and had as her guests, Ray and Eileen Wiltgens, Ray and Jeanne Parks, Don and Faye Lussman, Lillian and Marshall Brooks, Hulda Johnson and Estelle Naso, Jean's sister.

Prepare For Boy Scout Campaign

The 1956 boy scout campaign in Arlington Heights is being organized. According to information supplied by Blackhawk district chairman William P. Utermohlen, Jr., the organization for the campaign is nearing completion. F. Russell Clarke, finance chairman of the blackhawk district and a resident of Arlington Heights, is working with the following zone directors:

Southwest and West Central: Russell Clarke and Frank Renner.

Southeast: Max Friedlander and James Kennedy.

East Central: Stewart Fitz-Patrick.

Northeast: Walter Schultz.

Northwest: Milton J. Singelman and William F. Hannum.

The business area contributions will be solicited prior to the campaign by special teams. The house to house campaign will be conducted during the second week in February, which will be the 46th anniversary of the founding of the scouting program in the United States. This week is always celebrated as scout anniversary week. There will be a number of scouting activities at this time, including window displays, cub pack blue and gold banquets, scout troop open houses, and explorer demonstrations. Many churches will be conducting special services on scout Sunday for members, who will be attending in uniformed groups.

Ban Spotlights

Youths driving cars with spotlights may be questioned by the police in an effort to stop a traffic hazard on the part of a few who seem to delight in flashing their lights upon approaching cars.

W. Sarvana, 731 N. Harvard, Arlington Heights, reports that the dangerous practice has been revived. He thinks that police questioning should put a stop to the dangerous act.

ARLINGTON HEIGHTS PHARMACY Monthly News

A message from GEORGE HARRIS, "Your Pharmacist

THE PRACTICE OF MEDICINE has changed greatly since the days when Doctors visited their patients in a horse and buggy. Physicians then used to carry a few drugs in their bag which they would give, even though the same medicines seemed to be used for almost every ailment.

IT DIDN'T MAKE TOO MUCH DIFFERENCE because there were very few drugs known then that could accomplish a positive result. The most important things a physician could do were to diagnose the condition, offer some medicine to ease distress, and give his valuable advice on how to take care of one's self while very slowly waiting to get better.

BUT NOW WE HAVE THOUSANDS of new medicines, unknown then, that can be depended upon to not only give relief, but often, almost a miraculous overnight cure. Slowly, but surely, we are perfecting specific drugs that will treat specific diseases. It would take a physician's bag, the size of a prescription department to hold all we now have.

ONE OF THESE MEDICINES, your Physician knows which, will help you most if sickness invades your home. In our prescription department are these thousands of different medicines.

Here's How Family Of 8 Met The Crisis Of Polio

A mother of 6 children, 2 of them stricken with poliomyelitis in September, answers in few but moving words:

"People open their hearts."

Mrs. and Mrs. James P. Hahn and their 6 children occupy a ranch-style home at 728 N. Kennicott ave. in Arlington Heights. Theirs was practically the only home on the block when they moved in 6 years age. The 5 boys in the family are James, 8, Thomas, 7, Pete, 5, Nicholas, 3 and Danny, 2. They have a little sister, Mary, 4 months old.

One warm day last September Jimmy and Nick came down with polio and were rushed to St. Joseph hospital in Elgin.

The first demonstration of neighborly love occurred shortly after.

"It was Sunday, just a day or two after the attack," Mrs. Hahn recalled. "I hadn't had time to even think about Sunday dinner. But one of our neighbors remembered and brought over a cooked dinner for all of us."

* * *

THAT SORT OF friendliness has continued over the months, as neighbors, some of whom the Hahns had never met because their children required every waking minute, came to the back door to slip their "nicest' 'Christmas cookies into the kitchen or offer to mind the children.

A helping hand came from other sources also.

Their pastor, the Rev. George J. Stier of St. James parish, mentioned to parishioners that 2 of the boys had been stricken with polio. The response was "overwhelming," the Hahns said. Many of the nearly 500 cards they received at Christmas had money enclosed and the majority of the cards were from persons they didn't know.

Jim and Joan Hahn are members of a local square dancing club and when their club and friends in other clubs heard of the boys' illness, a benefit dance was arranged.

"Twelve callers brought their clubs from as far as Chicago and Aurora," Jim Hahn related. Square dancers to the number of 480 turned out.

The Hahns tell of this outpouring of neighborliness with a note of wonderment in their voices, as if to say "Why us?' 'Yet anyone talking with them somehow senses that if their neighbors were affected as were the Hahns, this family of 8 would help without asking "Why?"

* * *

JIM AND NICKY both came home from the hospital 4 days before Christmas. Jim had bulbar polio, which affects only the respiratory system. It prevented his swallowing for more than 2 months. He has been able to take food normally since the day before Thanksgiving and should be strong enough to attend school again next fall.

Nicky, the 3-year-old, was stricken with paralytic polio across the back, arms and in one leg. Although he can not walk yet, he pedals his tricycle furiously around the living room. The doctors are not sure whether he will recover the full use of one leg but both boys return to the hospital twice weekly for treatments.

The young couple is grateful for the help they have received. They wish that there was some way they could thank everyone personally. They emphasized, however, that the money that has been received plus considerable aid from the National Foundation for Infantile Paralysis and their own medical insurance, will amply cover medical bills.

"The March of Dimes still needs money to care for thousands of polio victims," Mrs. Hahn said. "Many have not been as fortunate as we." (B7

'Photorama' Highlights Couples Club Meeting

A "Photorama in Color" will be featured at the Couples club meeting of First Methodist church, Arlington Heights, Saturday evening in Fellowship hall. Dr. Joseph Brant, Robert Johnson and Stanley Erickson will show some of their favorite scenes of United States countryside.

Preceding this showing, an "Epicurean Hodge-podge" will occur, each attending couple will bring a choice dish of food to the 6:45 p.m. event.

Host coupes will be Mr. and Mrs. James Smith, Mr. and Mrs. Joseph Crittenden and Mr. and Mrs. Walter Edelblute. (AMPh

Local Artists Star In Youth Concert Friday

The Youth Orchestra of Greater Chicago has its winter concert Friday at Orchestra Hall.

The Youth Orchestra is composed of high school students from High Schools of the Greater Chicago area. Dr. Desire Defauw is the director and conductor of the Youth Orchestra. Dr. Defauw has conducted many major American symphony orchestras, including the Boston Symphony, the Detroit Symphony, and the Chicago Symphony Orchestra.

* * *

THE 2 soloists for the concert will be Richard Oldberg, French horn and Howard Weiss, violin.

The orchestra was organized in 1946 to give talented high school musicians a chance to play fine music together under competent leadership. Since its first appearance in Orchestra Hall in 1947, it has given 2 or 3 concerts a year. There are 103 boys and girls from 40 schools represented in the Orchestra.

Among student musicians participating in the concert are: Alec Catherwood, violin; Carl Friberg percussion, Bonnie Jean Martin, oboe; Alan Smeby, bass; and Gary Young, clarinet.

Local Artists Star In Youth Concert Friday

The Youth Orchestra of Greater Chicago has its winter concert Friday at Orchestra Hall.

The Youth Orchestra is composed of high school students from High Schools of the Greater Chicago area. Dr. Desire Defauw is the director and conductor of the Youth Orchestra. Dr. Defauw has conducted many major American symphony orchestras, including the Boston Symphony, the Detroit Symphony, and the Chicago Symphony Orchestra.

* * *

THE 2 soloists for the concert will be Richard Oldberg, French horn and Howard Weiss, violin.

The orchestra was organized in 1946 to give talented high school musicians a chance to play fine music together under competent leadership. Since its first appearance in Orchestra Hall in 1947, it has given 2 or 3 concerts a year. There are 103 boys and girls from 40 schools represented in the Orchestra.

Among student musicians participating in the concert are: Alec Catherwood, violin; Carl Friberg percussion, Bonnie Jean Martin, oboe; Alan Smeby, bass; and Gary Young, clarinet.

Here's How Family Of 8 Met The Crisis Of Polio

A mother of 6 children, 2 of them stricken with poliomyelitis in September, answers in few but moving words:

"People open their hearts."

Mrs. and Mrs. James P. Hahn and their 6 children occupy a ranch-style home at 728 N. Kennicott ave. in Arlington Heights. Theirs was practically the only home on the block when they moved in 6 years age. The 5 boys in the family are James, 8, Thomas, 7, Pete, 5, Nicholas, 3 and Danny, 2. They have a little sister, Mary, 4 months old. One warm day last September Jimmy and Nick came down with polio and were rushed to St. Joseph hospital in Elgin.

The first demonstration of neighborly love occurred shortly after.

"It was Sunday, just a day or two after the attack," Mrs. Hahn recalled. "I hadn't had time to even think about Sunday dinner. But one of our neighbors remembered and brought over a cooked dinner for all of us."

* * *

THAT SORT OF friendliness has continued over the months, as neighbors, some of whom the Hahns had never met because their children required every waking minute, came to the back door to slip their 'nicest' 'Christmas cookies into the kitchen or offer to mind the children.

A helping hand came from other sources also.

Their pastor, the Rev. George J. Stier of St. James parish, mentioned to parishioners that 2 of the boys had been stricken with polio. The response was "overwhelming," the Hahns said. Many of the nearly 500 cards they received at Christmas had money enclosed and the majority of the cards were from persons they didn't know.

Jim and Joan Hahn are members of a local square dancing club and when their club and friends in other clubs heard of the boys' illness, a benefit dance was arranged.

"Twelve callers brought their clubs from as far as Chicago and Aurora," Jim Hahn related. Square dancers to the number of 480 turned out.

The Hahns tell of this outpouring of neighborliness with a note of wonderment in their voices, as if to say "Why us?' 'Yet anyone talking with them somehow senses that if their neighbors were affected as were the Hahns, this family of 8 would help without asking "Why?"

* * *

JIM AND NICKY both came home from the hospital 4 days before Christmas. Jim had bulbar polio, which affects only the respiratory system. It prevented his swallowing for more than 2 months. He has been able to take food normally since the day before Thanksgiving and should be strong enough to attend school again next fall.

Nicky, the 3-year-old, was stricken with paralytic polio across the back, arms and in one leg. Although he can not walk yet, he pedals his tricycle furiously around the living room. The doctors are not sure whether he will recover the full use of one leg but both boys return to the hospital twice weekly for treatments.

The young couple is grateful for the help they have received. They wish that there was some way they could thank everyone personally. They emphasized, however, that the money that has been received plus considerable aid from the National Foundation for Infantile Paralysis and their own medical insurance, will amply cover medical bills.

"The March of Dimes still needs money to care for thousands of polio victims," Mrs. Hahn said. "Many have not been as fortunate as we." (B7

'Photorama' Highlights Couples Club Meeting

A "Photorama in Color" will be featured at the Couples club meeting of First Methodist church, Arlington Heights, Saturday evening in Fellowship hall. Dr. Joseph Brant, Robert Johnson and Stanley Erickson will show some of their favorite scenes of United States countryside.

Preceding this showing, an "Epicurean Hodge-podge" will occur, each attending couple will bring a choice dish of food to the 6:45 p.m. event.

Host coupes will be Mr. and Mrs. James Smith, Mr. and Mrs. Joseph Crittenden and Mr. and Mrs. Walter Edelblute. (AMPh

John Hoover Manages Campaign Of State's Attorney For House

PHILIP EQUI

The candidacy of assistant states attorney, Philip Equi, for Democratic nomination to the Illinois House of Representatives in the new 6th Assembly District was announced today by his Arlington Heights campaign manager, John Hoover.

Equi is a graduate of De Paul University College of Law, and prior to his present position as an assistant to State's Attorney John Gutknecht, he practiced law in the city of Chicago. Previous to that time, Equi served as an attorney-advisor to the Federal Trade Commission.

Equi lives with his wife and 2 young daughters at 901 Margret st. in Des Plaines. (B7

Palatine Fisherman Marks 35 Years With Railroad

¼Elmer B. Nelson, 130 S. Pine st., Palatine, was recently awarded a gold-and-enamel pin by the Chicago and North Western railway in recognition of 35 years of service.

Interviewed in his home this week, Nelson opined that "It certainly didn't seem like that many years."

Nelson is assistnat in the commerce department in the Chicago headquarters of the railway. His work, he explained, is to investigate complaints about rates from concerns and persons that ship via the C & NW. He's been in the department since 1925 and allows that rate and tariff structures "are 10 times as complicated now as when I started."

He started with the road in 1921 as an office boy of 20 and said that the fact that his work was "interesting" accounted for his long tenure.

* * *

"BUT 35 YEARS isn't very long for a railway man," he chuckled.

Nelson will have plenty of interests when he retires at 65. He and his wife are avid fishermen. Winters they go after the big ones off the Florida coast and summers fish on a cool Wisconsin lake. Both he and his wife Margaret are "do-it-yourself" addicts.

After they moved into a new home in Palatine in May, they painted the house inside and out. Next came the lawn, which Mr. Nelson seeded and watered daily through the record heat of August and September.

After living in several suburbs, the couple declared that Palatine is their favorite. They hope, however, that too many folks don't discover the reward of living in Palatine. They enjoy the view of open fields through the vacant lot across the street.

Examinations For Substitute Post Office Clerks And Carriers

J. A. Connor, director of the Seventh U. S. civil service region, announced today that his office is accepting applications for positions of Substitute Clerk and Substitute Carrier for duty in the Palatine and Arlington Heights, Ill. post office. Mr. Connor further stated that inasmuch as his office has been unable to secure sufficient eligibles who live within the delivery area of those post offices, he will accept applications from persons, regardless of their residence, who indicate willingness to accept appointment in the abov office.

Starting pay is $1.82 per hour with opportunity for advancement. No special experience is required but a written test is given to determine eligibility. Applicants must have reached their 18th birthday on date of filing application. There is no maximum age limit.

Applications will be accepted until further notice, however, everyone who files his application card on or before February 9, 1956 will be scheduled for examination and names of eligibles will be placed on the first list established under this examination. Applicants filing after February 9, 1956 will be examined later and entered in proper order on the registers.

Further information and application card may be obtained at the local post office. (AP

Women's Board Of Park Ridge School To Hold Annual Meeting

Mrs. James G. Shakman of Wilmette, social chairman of the Women's board of the Park Ridge school for girls, has made all arrangements for the annual meeting and luncheon of the board to be held today, Thursday, at the Women's Athletic club, Chicago. Mrs. Albert Harris Tippens of Winnetka, president of the board, will call the meeting to order at 10:45.

Members of the Women's board who live in Arlington Heights are Mrs. William H. Ball, Mrs. Harry P. Keeley Jr., Mrs. Newell B. Parsons and Mrs. Donald H. Shaw, a member of the junior board.

As has been the custom for many years, junior board members will be guests of the Womens' board at the luncheon.

Robert McRae, director of the Welfare council of Chicago, will be the luncheon speaker. Of special interest will be the report of Mrs. Griswold A. Price, Winnetka, general chairman of the scholarship and care fund, and the talk by James A. Watson, executive director of the school.

Arlington Heights auxiliary is one of several auxiliaries of the Park Ridge school working for and assisting the school in many ways. Mrs. Harry Keeley Jr. is president of this auxiliary.

Northwest YMCA Has Magic Show For Fun Clubbers

Members of the Northwest Suburban YMCA's Saturday Fun club were entertained by a magic show Saturday. The show was given by 2 teenage brothers, Tom and Jim Tourville, who kept the audience in suspense with their magic. The show was climaxed by the appearance of 2 live doves which were taken from an empty box.

The show marked the beginning of a new 8-week series of Fun club trips. Next Saturday will find the members whirling around the Arlington Roller Rink. Future attractions include a trip to the Museum of Science and Industry, a toboggan party and a visit to the annual Sport and Outdoor Show.

Fun club is open to boys and girls from 8 to 12. There are still a few openings for additional registrations. Those interested should call the Northwest Suburban YMCA, Va 4-4156. (B7

THIS IS YOUR V.F.W.

by GEORGE MILLER

Joe Doe's Tragic Mistake

(VFW Magazine)

This is a true story. The man whose name is changed could be you.

Joe Doe was a veteran of World War II. He had served overseas with an engineering outfit in the Pacific. He was no hero but served honorably overseas and was eligible for the VFW. After taking two years in his GI Bill training, he quit school and got a job with an engineering firm as an apprentice draftsman.

He has been asked many times to join the VFW but said he just didn't have the time.

* * *

JOE MARRIED Jane Brown, a girl he had known most of his life from his home town. Now at 33, Joe had a pair of fine youngsters, Bobby, age 4 and Diane, age 2.

As an apprentice draftsman, Joe Doe just didn't have too much money so he didn't take out any life insurance on himself for the protection of his young family.

Two months ago, Joe was on a short motor trip to an adjoining town. He had worked hard and was tired as he left homeward bound. Midway he lost control of his car and crashed into a concrete culvert. He was dead before the ygot him to the hospital.

* * *

THERE WERE funeral expenses—the meager savings were gobbled up. His wife faced the task of raising two fatherless children. Where to turn was her big question. She had nothing left.

Had Joe joined the VFW what would have happened? His widow could have applied for admission to the VFW national home. The family would have been accepted and the children would have been brought up and cared for at the home. The mother would have been close to her children.

Joe Doe did not have enough money to invest in life insurance. But he certainly had enough money to invest in VFW life insurance, so his widow and children would not need to worry about their future in the event the breadwinner was suddenly taken from them.

* * *

HE COULD have obtained these services by merely paying his dues—about $5.00 each year—into our organization.

Each youngster who gets into the national home stays for an average from 10 to 14 years. At $2,500 per child per year, some of the larger families at the home receive $100,000 back in tangible benefits for their small investments. All of this for a few dollars each year.

Think it over—You, too, can have this protection by joining Arlington Post 981 VFW. Act before its too late. (AKP

Womans Club Study Groups To Meet

The literature and American home study groups of the Arlington Heights Womans club have planned meetings for the coming week.

Mrs. Blanche Rose, will give a program, "Poetry and Family Ties," for the literature study group Monday, Jan. 23, 1:30 p.m., at the home of Mrs. C. A. Hendrickson, 743 N. Belmont. Mrs. Rose lives at 618 S. Belmont in Arlington Heights, and her main interests are in literature and painting. She will read and discuss poems pertaining to family relationships and other subjects that will be of interest to everyone.

Mrs. James A. Smith will be chairman for the meeting and will be assisted by Mrs. Jack Aldrich, Mrs. William Green, Mrs. Max Smith.

Anyone planning to attend is asked to call Mrs. Smith Cl. 3-7543 or Mrs. Aldrich Cl. 3-4351.

Mrs. Hendrickson will also be hostess to the American home study group at her home, 743 N. Belmont, Wednesday, Jan. 25, at noon. This will be a luncheon "Thru the Year," with each table decorated for a different month of the year.
further information call Mrs. T. Van Ee, chairman of the study group, Cl. 3-7575.

The meeting that the music study group had scheduled for Tuesday, Jan. 24, was cancelled because of illness.

Our Saviour Church Congregational Meeting To Be Sunday

The first annual congregational meeting of Our Saviour United Lutheran church is to be held Sunday at Dryden school, Rockwell and Dryden, Arlington Heights, beginning at 5:30 p.m. with a potluck supper. The business session will begin at 7 p.m. with the Rev. John P. Petersen, pastor, conducting the meeting.

Among the items of business to come before the congregation is the election of four councilmen and the annual reports of each of the church organizations. Future plans for the church will also be reported on and discussed. In order that every family will be able to be present and participate in the meeting, there will be a nursery for the younger children during the meeting time.

Mrs. Richard Brettner has ben appointed general chairman for the supper, and the following members of the womens guild will assist: Circle I, Mrs. Roland Sorgatz, Mrs. Daniel Anderson, Mrs. Harry Gerrard and Mrs. Irvin Slepicka; Circle II, Mrs. Theodore Meyer, Mrs. A. Wayne Goodpasture, Mrs. Kenneth Stevens and Mrs. Bruce Nelson; Circle II, Mrs. Ann Mortenson, Miss Arlene Mortenson and Mrs. Woodrow Vogel. Each family is asked to bring its own paper plates, cups, napkins and silverware so that clearing-up time may be kept to a minimum.

All 3 circles of the guild will hold monthly meetings Tuesday evening at 8 in the following Arlington Heights homes: Circle I, Mrs. Irvin Slepicka, hostess, 317 N. Derbyshire; Circle II, Mrs. Grace Ekstrand, hostess, 914 N. Princeton ave., Circle III, Mrs. Vern Heim, hostess, 325 S. Derbyshire.

The Luther league will meet Sunday evening at 7:30 at the home of Frank Meyer, 606 Mayfair ave., Arlington Heights.

Tularemia

In Illinois last year, 45 of the 56 cases of tularemia, or rabbit fever, that were reported came in November and December.

Dry Steam Engine Threatens Village

A steam locomotive coasted into the center of Arlington Heights Tuesday evening out of water.

Firemen rushed to connect their hose to a hydrant and replenish the supply. The engineer explained that he first noticed that the water supply was virtually gone between Mt. Prospect and Arlington Heights. He quickly began to dump out the fire in the firebox, averting a possible boiler explosion.

The engineer said that one of the hoses connecting the tank to the boiler had fallen off on the trip from Chicago. The tank had been filled before the train left Chicago shortly after 5 p.m., he claimed. The capacity of the tank car is some 8,000 gallons, he indicated, but firemen replaced only about a quarter of that amount.

* * *

PASSENGERS ON the train, which arrived at 6:10 p.m., were transferred to another train. The "dry" locomotive and its attached cars blocked traffic on Vail and Dunton sts. for more than an hour.

Firemen first connected their hose to a hydrant at the corner of Davis and Dunton. Later they hooked up to a new main in the park across from the fire hall but the hydrant was not yet connected to a main. They switched to the hydrant just outside the hall and it worked.

Arlington Heights police and firemen hope that they don't have another day like Monday for a good long time. Some of the matters they had to contend with were an armed robbery, a power failure a rash of smoking furnace and appliance motors and a dynamite blast that set neighborhood housewives to phoning the authorities.

* * *

THE HOLDUP and the power failure gave police and firemen plenty of business.

Fire Chief Elroy Winkelman said that motors began to smoke when the power came back on and filled homes with smoke. The motor troubles affected washing machines, dryers and furnaces and firemen answered calls in several homes.

When things had seemingly settled down to normal again, housewives in the vicinity of the village well on Douglas avenue began to call. They reported an "explosion" which turned out to be a small blast set off to clean out the well. Four calls were received on the blast, which occurred at 12:15 p.m.

Routine business during the week involved 6 minor accidents and 4 minor fires. No one was injured in a collision Thursday morning between autos driven by Margaret Wilmot, 1240 Race st., Arlington Heights, and Beverly A. Farrand, 932 Race st., both of Arlington Heights, at the corner of Chicago and Brown sts. Fred Mueller Jr., 40, of 2101 School dr., Arlington Heights, apparently turned too sharply into a driveway at 212 N. Dunton st. Thursday night and hit a high curb, damaging a right front fender. Other collisions involved no injuries.

Three grass fires were extinguished by firemen Saturday, along with a fire under the floor in a tool shed at the army installation at Arlington airport. The airport fire occurred at 3 a.m. Sunday.

With The Blue Birds

Friendly Bluebirds

The Friendly Bluebirds spent an enjoyable hour singing songs, playing games and playing with clay.

Helping Pixies

After eating peanuts, the Helping Pixies used the peanut shells and made puppets. They named the puppets and told stories using them. Chris Carle was hostess for the day.

Bluebird Wings

The meeting of the Bluebird Wings was called to order by president Barbara Wessner. Secretary Rita Rae Sauve reviewed the previous meeting's activities. The girls then made tissue paper dolls. A treat was served by Gina Leimert.

Blue Angels

After playing games and telling a progressive story the Blue Angels enjoyed refreshments served by Jennifer Behrens.

Honeybears

The Honeybears welcomed a new member, Cheryl Winkler, and told her how the meeting was run. The group then discussed future programs and played games. They also had peanuts and made puppets from the shells.

Camp Fire Association

Arlington Heights Camp Fire Girls association met January 10 at the home of Mrs. Leimert. Day camp was discussed and future activities were planned for the girls. There will be a roller skating party for all bluebirds February 13 and February 20 at Arlington Heights roller rink. All bluebirds attending must be accompanied by a parent.

Guess who said:
"What's so hard about hanging up a wash?"

Let an ELECTRIC Dryer do the work on washdays—

Electric heat's the cleanest, fastest, dryest heat there is...and electric dryers cost less!

As most husbands eventually discover, hanging up an average family laundry (87 lbs. of wet wash) is WORK.

But drying heavy, wet wash is quick and easy with an electric dryer. Just load it up, set the controls and your clothes dry *automatically* in minutes.

Your electric dryer is ready day or night, good weather or bad. And controls are so accurate you can dry the most delicate fabrics without a worry.

Electric heat is cleanest. Faster, too, because it's the *dryest* heat. Clothes dry soft and fluffy, sweet and fresh.

You can own an electric dryer for less than $2 a week! Installation is little in any home with good wiring.

Electric Dryers Cost Less—no outside vent needed. Fully Automatic—no igniting devices necessary.

Save important money with new share-the-cost installation plan. If you need new wiring to install an electric dryer, we share the cost with you. Qualified home owners can cut this expense by about half. *And you get more than a money saving!* The modern wiring that goes with your dryer installation helps improve your TV picture, brightens lights, makes everything electrical work better. And you can install an electric range, water heater or air conditioner (that requires a 240-volt circuit) quickly and cheaply. The Plan is now available on terms of up to 2 years. Your appliance dealer has details.

VICTOR BEDINGFIELD

Are They Ready?

Next Tuesday evening at 8:15 in the Junior high cafeteria, parents and teachers will hear a panel discussion on the vital question, "Are Our Students Prepared for High School?"

Members of the panel include Donald V. Grote, principal; Miss Vivian Miles, seventh grade home room teacher; Robert Spinks, physical education supervisor; Miss Lois Heimlich, mathematics teacher; Louis Rubidoux, eighth grade home room teacher; and Joseph Tomlinson, assistant principal. Ralph E. Clabaugh, superintendent of schools, will act as moderator.

In addition to the regular program, Victor Bedingfield, president of the board of education, will present briefly the salient facts and figures pertaining to the bond referendum on school financing January 28.

As an entertainment feature, groups of students from the sixth, seventh and eighth grade co-recreation classes will each present two short dances, square and round. The dances have been prepared under the direction of Ted Wissen and Miss Mary Christie, physical education instructors.

Mothers of sections 6, 7 and 8 of the eighth grade will serve refreshments following the meeting.

Too Big For Our Breeches

By this time everyone has seen, and presumable read, the front page news last week, and the special brochure mailed early this week, concerning the million-dollar bond referendum which will be presented to the voters January 28.

It is a tribute to the far-sightedness of school planners that Arlington Heights schools have kept pace as well as they have with the unprecedented increase in the population. Careful study of the proposed building and alteration plans will reveal the thought that has gone into the integration of immediate needs with future requirements, in an effort to satisfy all foreseeable contingencies.

Surveys recently reported in Chicago papers show that this village is one of the 3 suburbs which have grown most rapidly in the last 10 years and are still growing. While this increase is a tribute to the community, it also places a serious responsibility on its citizens to provide for the adequate schooling of its youngsters.

Plans set forth in the proposed building program will not only take care of the overcrowding which is again imminent on both the north and south sides of the village, but will allow for future expansion at the greatest economy possible.

Parents are the first to complain, naturally, when double sessions or "shifts" are necessary: parents must do everything possible to see that the funds are made available for the building program which will make such an unfortunate situation unnecessary.

Jan. 23 Regular School Day

As explained by the superintendent's message in the January Foreword, the date of January 23, originally scheduled as a day of released time, has been changd to May 11, so, "business" as usual next Monday.

PTA Membership Almost 3000

Mrs. Tadd Wake, membership chairman, reported at the recent meeting of the executive board that PTA membership now stands at 2997. Mrs. Wake and her committee members are to be congratulated on the successful results of their work, which has resulted in this record figure

"What's so hard about hanging up a wash?"

Let an ELECTRIC Dryer do the work on washdays—

Electric heat's the cleanest, fastest, dryest heat there is . . . and electric dryers cost less!

As most husbands eventually discover, hanging up an average family laundry (87 lbs. of wet wash) is WORK.

But drying heavy, wet wash is quick and easy with an electric dryer. Just load it up, set the controls and your clothes dry *automatically* in minutes.

Your electric dryer is ready day or night, good weather or bad. And controls are so accurate you can dry the most delicate fabrics without a worry.

You can own an electric dryer for less than $2 a week! Installation is little in any home with good wiring.

Electric Dryers Cost Less—no outside vent needed. Fully Automatic—no igniting devices necessary.

Save important money with new share-the-cost installation plan. If you need new wiring to install an electric dryer, we share the cost with you. Qualified home owners can cut this expense by about half. *And you get more than a money saving!* The modern wiring that goes with your dryer installation helps improve your TV picture, brightens lights, makes everything electrical work better. And you can install an electric range, water heater or air conditioner (that requires a 240-volt circuit) quickly and cheaply. The Plan is now available on terms of up to 2 years. Suburban Area Grows 32% Since 1950, Expect 23% More By 1960

Cook county suburbs have grown 32 per cent in population since 1950 and will experience an additional increase of 23 per cent by 1960, according to a Northwestern university study.

Statistics compiled by the Northwestern center for metropolitan studies show that the population of the county's suburbs has swelled by 283,000 since 1950.

This brought present Cook county suburban population to 1,167,000 as opposed to 884,000 in 1950, said Prof. Clyde F. Kohn, chairman of the center.

By 1960 tht population would total 1,445,000 outside the city limits of Chicago.

* * *

THE PROJECTED increase of 23 per cent for 1960 represents 262,000 persons expected to establish homes in the 98 incorporated municipalities of the county and 16,000 others who will move into presently unincorporated areas.

Thus the total suburban increase between 1950 and 1960 would be 561,000 persons, or about 61 per cent.

Among the larger Cook County suburbs expected to double their population between 1950 and 1960 are Skokie, Glenview, and Arlington Heights.

Suburbs and unincorporated areas in Lake County and DuPage county in Illinois and in the northern part of Lake County, Ind., also are expected to show a substantial population increase, the Northwestern study revealed.

* * *

IT IS ESTIMATED that DuPage county will have the greatest increase, with a gain of nearly 35 per cent predicted for the years 1955-60. That rate of growth is expected to be nearly equalled, however, by the group of suburbs which lie directly to the south of Chicago.

For the decade 1950-60, rate of growth for DuPage county is estimated at 75 per cent; for Lake county, 54 per cent, and for Lake county, Ind. (northern suburbs), 5.6 per cent.

By 1960 the total suburban population of these three counties and of Cook county is expected to reach 2,600,000, an increase of 884,000 over the 1950 figure of about 1,576,000.

High School Parents Urged To Attend Meeting Jan. 26

Parents of Arlington Heights high school students were urged this week to attend a meeting of the teacher-parent council Thursday, Jan. 26, at 8:15 p.m. in the boys' gymnasium.

This is the second in a series of 3 meetings to be held during the school year. It is a teacher-parent conference with a program covering current questions.

Charles H. Baker, council president, stressed the importance of strong teacher-parent-student relations. In order to achieve that purpose, the number of meetings has been kept at a minimum, planning is thorough, dues ruled out, and program beamed on current issues and interests.

After a business session, a division of groups according to student classes will give the opportunity of choice in 1 of 3 programs.

* * *

THE FRESHMAN class group meets with Alfred Snap who will demonstrate and discuss "Developmental Reading." Eugene Oliver and Ruben Conrad will interpret "Methods of Grading." Speakers will divide time to allow for discussion which will be led by chairman Mrs. Charles J. Pratt.

The sophomore class grouping under moderator Victor Beisler will participate in a panel discussion on the topic "Social Problems and Activities." Teachers will be represented by Mrs. Hazel Stewart and Robert C. Kemman, and the parents by Mrs. Melvin Kurtz, Mrs. M. Ed Smith, Perry Thomas and Robert Hutchinson.

The junior-senior class group will discuss the subject "Are Parents in the Know?" Mrs. Edwin Stevens will introduce the panelists, Nelson Lowery and Richard Mudge, teachers; J. Crittendon and Mrs. William Mott, parents, Alice Olson and Pat Walsh, students. Everill Plank will be moderator. A question and answer period of ample duration is planned that this timely topic receives full consideration.

The meeting will culminate in general assembly and light refreshments will be served.

Nurses Club Will Present Theatre Group In 'Angel Street'

Arlington Heights Nurses club is presenting Village Theatre Inc. in "Angel Street" February 9 and 11, to raise funds for philanthropies and maintain equipment in its lending closet.

"Angel Street," also known as "Gaslight," is a psychological drama made into a movie several years ago starring Ingrid Bergman and Charles Boyer. The drama has been called a 3-act Victorian thriller and is on an adult level.

For over 15 years the Nurses club has been rendering services to residents of Arlington Heights. Its main projects are the lending closet and a yearly scholarship to a graduating senior at Arlington Heights township high school. From the lending closet, residents of the community can borrow sick room equipment including hospital beds, wheel chairs and vaporizers. Arrangement for use of the equipment can be made by calling Mrs. Clem Stacy at CLearbrook 3-6491.

It is the hope of Village Theatre and the Nurses club that the public will buy tickets and attend the play. The cooperation of everyone will help the Nurses club continue its work and give the Village Theatre group the opportunity of playing to a full house, a satisfaction to all performers.

Tickets can be purchased from any member of Arlington Heights Nurses club or by telephoning Mrs. Edward Schumacher at CLearbrook 3-0474.

LaVonne Den Beste Wins Arlington Homemaker Title

The Betty Crocker Homemaker of Tomorrow in Arlington high school is La Vonne Den Beste.

She received the highest score in a written examination which tested the homemaking knowledge and attitudes of senior girls in the graduating class. She will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award in the state. She will receive a golden award pin designed by Trifari and the school will receive a "Betty Crocker Good and Easy Cook Book."

The national winner in the Search conducted among 256,534 young women in 10,222 of the nation's public, private and parochial high schools will be named April 12 in Philadelphia.

* * *

GENERAL MILLS is the sponsor of the program designed to assist schools in building in young women a deeper appreciation and understanding of the American home and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. More than $100,000 in scholarships will be awarded.

Each state Betty Crocker Homemaker of Tomorrow will receive a $1,500 scholarship and an educational trip with her school advisor to Washington, D. C., colonial Williamsburg, Va., and Philadelphia. A $500 scholarship will be awarded the runnerup girl in each state. The school of the state winner will receive a set of the Encyclopedia Britannica.

The scholarship of the young woman named All-American Homemaker of Tomorrow will be increased to $5000. Deloris Arnette of Enterprise, Ala., was the national winner last year and is enrolled at Judson college at Marion, Ala.

The 50-minute written examination, designed and judged by Science Research Associates of Chicago, which was given to all contestants in this national search, consisted of questions which tested the students' attitude and knowledge in the major areas of homemaking.

Suburban Area Grows 32% Since 1950, Expect 23% More By 1960

Cook county suburbs have grown 32 per cent in population since 1950 and will experience an additional increase of 23 per cent by 1960, according to a Northwestern university study.

Statistics compiled by the Northwestern center for metropolitan studies show that the population of the county's suburbs has swelled by 283,000 since 1950.

This brought present Cook county suburban population to 1,167,000 as opposed to 884,000 in 1950, said Prof. Clyde F. Kohn, chairman of the center.

By 1960 tht population would total 1,445,000 outside the city limits of Chicago.

* * *

THE PROJECTED increase of 23 per cent for 1960 represents 262,000 persons expected to establish homes in the 98 incorporated municipalities of the county and 16,000 others who will move into presently unincorporated areas.

Thus the total suburban increase between 1950 and 1960 would be 561,000 persons, or about 61 per cent.

Among the larger Cook County suburbs expected to double their population between 1950 and 1960 are Skokie, Glenview, and Arlington Heights.

Suburbs and unincorporated areas in Lake County and DuPage county in Illinois and in the northern part of Lake County, Ind., also are expected to show a substantial population increase, the Northwestern study revealed.

* * *

IT IS ESTIMATED that DuPage county will have the greatest increase, with a gain of nearly 35 per cent predicted for the years 1955-60. That rate of growth is expected to be nearly equalled, however, by the group of suburbs which lie directly to the south of Chicago.

For the decade 1950-60, rate of growth for DuPage county is estimated at 75 per cent; for Lake county, 54 per cent, and for Lake county, Ind. (northern suburbs), 5.6 per cent.

By 1960 the total suburban population of these three counties and of Cook county is expected to reach 2,600,000, an increase of 884,000 over the 1950 figure of about 1,576,000.

An Ordinance

AN ORDINANCE AUTHORIZING AND DIRECTING THE ISSUANCE OF BONDS OF THE VILLAGE OF ARLINGTON HEIGHTS, COOK COUNTY, ILLINOIS, TO THE AMOUNT OF $115,000.00 FOR THE PURPOSE OF OBTAINING MONEY FOR THE PURCHASE OF LAND AND ERECTING AN ADDITIONAL FIRE STATION OR BUILDING THEREON, PURCHASING AN ADDITIONAL FIRE PUMPER AND FULLY EQUIPPING SUCH FIRE STATION, AND PROVIDING FOR THE COLLECTION OF A DIRECT ANNUAL TAX FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST OF SAID BONDS.

WHEREAS due to the extension of the heavily populated areas within the Village of Arlington Heights and the consequent increase in residential and other structures within said Village it has become necessary to provide an additional fire station and to equip the same with fire engine and other fire fighting apparatus; and,

WHEREAS the present fire station of the Village is located south of the right-of-way and tracks of the Chicago and North Western Railway, which bisects the Village, and the operation of trains of said railway company has at times interfered with prompt arrival of fire fighting equipment in the areas of the Village north of said railway right-of-way; and,

WHEREAS the President and Board of Trustes of the Village upon investigation have determined that it will be necessary and to the best interests of the Village and its inhabitants further to improve its fire fighting equipment and facilities, and to that end to purchase the necessary land for a site of an additional fire fighting station and building to be located in the northerly part of said Village, and to construct thereon a fire fighting station or building, together with landscaping, and to equip the same, and to purchase additional fire fighting equipment consisting of a 1000 gallon per minute fire pumper, complete with all auxiliary equipment; 3800 feet of 2½ inch double jacket fire hose; 6 Type N gas masks; 2 oxygen masks and 1 fire hose dryer, and other necessary incidental equipment; and,

WHEREAS the President and Board of Trustees have determined that the cost of acquiring such additional land and site, erecting a building or fire station thereon and equipping and landscaping the same, and acquiring the above named necessary additional fire fighting equipment, is the sum of $115,000.00, and as there are no funds available for the payment of the cost thereof, that it is necessary there be borrowed by, for and on behalf of the Village of Arlington Heights the said sum of $115,000.00, and that to evidence said loan negotiable coupon bonds of said Village be issued, with interest at not to exceed three and one-half (3½%) per cent per annum, payable over a period of not to exceed fifteen (15) years, all as provided for by the laws of the State of Illinois thereunto enabling; and

WHEREAS the said President and Board of Trustees of said Village did on the 18th day of October, 1955, pass and approve an ordinance calling a special election to be held in said Village of Arlington Heights on the 19th day of November, 1955, for the purpose of submitting to the legal voters of said Village the following proposition:

"Shall bonds in the amount of $115,000.00 be issued by the Village of Arlington Heights, Cook County, Illinois, for the purpose of purchasing the land for the site of an additional fire fighting station or building, to be located in the northerly part of said Village, and constructing thereon a fire fighting station or building, together with necessary landscaping, and to equip the same, and to purchase additional fire fighting equipment consisting of a 1000 gallon per minute fire pumper, complete with all auxiliary equipment, 3800 feet of 2½ inch double jacket fire hose, 6 type N gas masks, 2 oxygen masks and 1 fire hose dryer, to afford sufficient fire protection to the inhabitants of said Village and their property, maturing $5.000.00 on the 1st day of December of each of the years 1957, 1959, 1961, 1963 and 1965, and $10,000.00 on the 1st day of December of each of the years 1958, 1960, 1962, 1964, and the years 1966 to 1970, both inclusive, bearing interest at the rate of not to exceed 3½ per cent per annum?"

and,

WHEREAS said special election was held and conducted in the form and manner and time as provided by law and the result of said election has been properly canvassed by said President and Board of Trustees, and it is hereby determined that all legal requirements in connection with said election were duly complied with, and that a majority of the legal voters voting at said special election voted in favor of said proposition, and that the President and Board of Trustees have been authorized to borrow the sum of $115,000.00, upon the credit of said Village, and issue bonds therefor for the purpose of purchasing land for an additional fire fighting station and erecting thereon an additional fire fighting station and equipping the same as hereinbefore and in said proposition more fully described, and this Board has heretofore found it necessary for the purposes aforesaid to borrow said sum of $115,000.00 and issue bonds therefor; now, therefore,

MORE TO COME .... MORE

2—AN ORDINANCE ....

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ARLINGTON HEIGHTS, COUNTY OF COOK AND STATE OF ILLINOIS:

SECTION 1. That it be and it is hereby found and determined that the President and Board of Trustees of this Village have been authorized by the majority of all the votes cast on said proposition submitted at a special election called and held for that purpose to borrow the sum of $115,000.00 upon the credit of this Village, and as evidence of such indebtedness to issue bonds of this Village in that amount.

SECTION 2. That there be borrowed by, for and on behalf of the Village of Arlington Heights the said sum of $115,000.00 for the purpose of purchasing land for the site of an additional fire fighting station or building, to be located in the northerly part of said Village, and construct thereon a fire fighting station or building, together with necessary landscaping, and to equip the same, and to purchase additional fire fighting equipment consisting of a 1000 gallon per minute fire pumper, complete with all auxiliary equipment; 3800 feet of 2½ inch double jacket fire hose; 6 Type N gas masks; 2 oxygen masks, and 1 fire hose dryer; and that to evidence said loan negotiable coupon bonds of said Village be issued. Said bonds shall be designated "Fire Department Equipment Bonds of 1956," be 115 in number, numbered 1 to 115, inclusive, and shall be of the denomination of $1,000.00 each, all to be dated February 1, 1956, and shall become due and payable as follows: $5,000.00 on the 1st day of December of each of the years 1957, 1959, 1961, 1963 and 1965, and $10,000.00 on the 1st day of December of each of the years 1958, 1960, 1962, 1964 and the years 1966 to 1970, both inclusive. Said bonds shall bear interest from date at the rate of 3 per cent per annum, payable on the 1st day of December 1957, and semi-annually thereafter on the 1st day of June and December of each year until paid, which interest payments to date of maturity of principal shall be evidenced by proper interest coupons attached to each bond and maturing on the dates herein provided, and both principal and interest shall be payable in lawful money of the United States of America at the HARRIS TRUST & SAVINGS BANK, Chicago, Illinois. The seal of said Village shall be affixed to each of said bonds and said bonds shall be signed by the President and attested by the Clerk of the Village and said coupons shall be signed and attested by said officials respectively by their facsimile signatures, and said officials, by the execution of said bonds shall adopt as and for their respective proper signatures their respective facsimile signatures appearing on said coupons.

SECTION 3. That the bonds hereby authorized shall be subject to registration as to principal in the name of the holder upon the books of the Village Treasurer, such registration to be evidenced by a notation of said Village Treasurer upon the back of such bonds so registered. No bonds so registered shall be subject to transfer except upon such books and similarly noted on the back of the bond as registered, unless the last registration shall have been to bearer. Such registration of any of said bonds shall not, however, affect the negotiability of the coupons attached to said bonds, but such coupons shall continue negotiable by delivery merely, notwithstanding registration of said bonds.

SECTION 4. That each of said bonds and each of the interest coupons to be thereto attached shall be in substantially the following form:

(FORM OF BOND)

Number $1,000.00

UNITED STATES OF AMERICA
STATE OF ILLINOIS
COUNTY OF COOK

VILLAGE OF ARLINGTON HEIGHTS

FIRE DEPARTMENT EQUIPMENT
BOND OF 1956

Know All Men By These Presents: That the Village of Arlington Heights, in the County of Cook and State of Illinois, hereby acknowledges itself to owe and for value received hereby promises to pay to bearer, or if this bond be registered then to the registered holder hereof, the sum of

ONE THOUSAND DOLLARS

on the first day of December, 19...., together with interest on said sum at the rate of three (3%) per cent per annum from date hereof until paid, payable June 1, 1957, and semi-annually thereafter on the first days of June and December in each year, on presentation and surrender of the interest coupons hereto attached as they severally become due. Both principal and interest on this bond are hereby made payable in lawful money of the United States of America at the HARRIS TRUST & SAVINGS BANK, in Chicago, Illinois.

For the prompt payment of this bond, both principal and interest as aforesaid, at maturity and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of said Village are hereby irrevocably pledged.

This bond is one of an authorized issue of $115,000.00, all of the same tenor and effect, except as to maturity, and issued by said Village for the purpose of paying the cost of purchasing additional land for the site of an additional fire fighting station, constructing thereon a fire fighting station or building, together with necessary landscaping, equipping the same and purchasing additional fire fighting equipment consisting of a 1,000 gallon per minute fire pumper, complete with auxiliary equipment, fire hose, gas masks, oxygen masks and fire hose dryer, to afford additional fire protection to the inhabitants of said Village and their property, pursuant to and under the authority of an Act of the General Assembly of the State of Illinois, entitled: "Revised Cities and Villages Act," and all acts amendatory thereof and supplemental thereto, and in pursuance to and in conformity with an ordinance of said Village of Arlington Heights duly and properly passed by the President and Board of Trustees thereof, approved and published as required by law and pursuant to the approval thereof by a majority of the voters voting on the question of the approval at a special election called and held in said Village on the 19th day of November, 1955.

AND IT IS HEREBY CERTIFIED AND RECITED that it appears from the records of said Village that all acts, conditions and things required by the constitution and laws of the State of Illinois, to exist or to be done precedent to and in the issuance of this bond and of the issue of which it forms a part, do exist and have been properly done, happened and have been performed in regular and due form and time as required by law; that the total indebtedness of said Village, including this bond, does not exceed any constitutional or statutory limitation, and that provision has been made for the collection of a direct annual tax, in addition to all other taxes, on all of the taxable property in said Village sufficient to pay the interest hereon as the same becomes due, and also to pay and discharge the principal hereof at maturity.

THIS BOND is subject to registration as to principal in the name of the holder on the books of the Village Treasurer of said Village, such registration to be evidenced by notation by said Village Treasurer on the back hereof and after such registration no transfer hereof, except upon such books and similarly noted hereon, shall be valid, unless the last registration shall have been to bearer. Registration of this bond shall not affect the negotiability of the coupons hereto attached, which shall continue negotiable by delivery merely, notwithstanding registration hereof.

IN WITNESS WHEREOF the said VILLAGE OF ARLINGTON HEIGHTS, by its President and Board of Trustees, has caused its corporate seal to be hereto affixed, and this bond to be signed by the President of said Village and attested by the Village Clerk and the coupons hereto attached to be signed and attested by said officials by their respective facsimile signatures, and said officials by the execution hereof do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, all as of the first day of February, 1956.

SECTION 5. That for the purpose of providing the funds required to pay the interest on said bonds promptly when and as the same falls due, and also to create a sinking fund to pay and discharge the principal thereof at maturity, there be and there is hereby levied on all the taxable property within said Village in each year while any of said bonds are outstanding a direct annual tax sufficient for that purpose and there be and there is hereby levied on all of the taxable property within said Village, in addition to all other taxes, the following annual tax, to-wit:

For the year 1956, a tax sufficient to produce the sum of $11,325.00, being $6325.00 for interest to December 1, 1957, and $5,000.00 for principal;

For the year 1957, a tax sufficient to produce the sum of $13,300.00 for principal and interest;

For the year 1958, a tax sufficient to produce the sum of $8000.00 for principal and interest;

For the year 1959, a tax sufficient to produce the sum of $12,850.00 for principal and interest;

For the year 1960, a tax sufficient to produce the sum of $7,550.00 for principal and interest;

For the year 1961, a tax sufficient to produce the sum of $12,400.00 for principal and interest;

For the year 1962, a tax sufficient to produce the sum of $7,100.00 for principal and interest;

For the year 1963, a tax sufficient to produce the sum of $11,950.00 for principal and interest;

For the year 1964, a tax sufficient to produce the sum of $6,650.00 for principal and interest;

For the year 1965, a tax sufficient to produce the sum of $11,500.00 for principal and interest;

For the year 1966, a tax sufficient to produce the sum of $11,200.00 for principal and interest;

For the year 1967, a tax sufficient to produce the sum of $10,900.00 for principal and interest;

For the year 1968, a tax sufficient to produce the sum of $10,600.00 for principal and interest; and

For the year 1969, a tax sufficient to produce the sum of $10,300.00 for principal and interest.

That principal or interest falling due at any time when there are insufficient funds on hand to pay the same, be paid promptly, when due, from current funds on hand, in advancement of the collection of taxes and when said taxes shall have been collected reimbursement shal be made to the said funds in the amount thus advanced.

That forthwith upon the passage, approval and publication of this Ordinance, the Village Clerk shall file a certified copy of this Ordinance with the County Clerk of Cook County, Illinois, and it shall be the duty of said County Clerk to ascertain annually in and for each of the years 1956 to 1969, inclusive, the rate necessary to provide the tax herein levied, and extend the same for collection on the tax books against all of the taxable property situated within the Village in connection with other taxes levied in each of said years respectively in and by said Village for general corporate purposes of said Village, and in each of said years such annual tax shall be levied and collected by said Village in like manner as taxes for general purposes for each of said years are levied and collected, and when collected such taxes shall be used for the purpose of paying principal and interest upon the bonds hereinbefore described when the same mature.

SECTION 6. That said bonds be executed as soon after this Ordinance becomes effective as may be, and be delivered to the Treasurer of the VILLAGE OF ARLINGTON HEIGHTS, and said Treasurer shall deliver said bonds to the purchaser thereof, namely, HARRIS TRUST & SAVINGS BANK, 115 W. Monroe Street, Chicago, Illinois, upon receipt of the purchase price therefor, the same being not less than par plus accrued interest to date of delivery thereof, and plus the sum of $119.00.

SECTION 7. This Ordinance shall be in full force and effect immediately upon itx passage, approval and publication according to law.

Ordinance No. 33

"BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROLLING MEADOWS, ILLINOIS:

SECTION ONE: Chapter 8 of the "City Code of the City of Rolling Meadows of 1955" is amended by adding the following to Section 315.

"C" **TEMPORARY PERMITS:**

Whenever in the opinion of the Building and Zoning Officer of the City of Rolling Meadows weather prevents the construction of any detached garage in accordance with the specifications established for concrete slabs, then there may be issued a temporary building permit for such detached garage **provided:** the following specifications are met:

1. In such event cedar posts or concrete posts or piers shall be used to support all partitioned or outside walls and are spaced no more than six (6) Feet apart on centers.
2. If Cedar Posts are used they shall be at least four (4") inches in diameter.
3. If concrete posts or piers are used they shall be a minimum size of 4"x4" in thickness.
4. Cedar Post, Concrete Posts or Concrete Piers shall be set a minimum of Twenty-four inches (24") below grade and a minimum of eight inches (8") above grade.
5. The bottom plate is to be doubled 2"x4" minimum.

At the time of issuance of said temporary building permit, the Building and Zoning Officer shall require that the contractor, owner or other person constructing such detached garage deposit in cash with the City Treasurer a bond to be computed on the basis of seventy-five cents (75c) per square foot of floor area to insure that within (6) months from the issuance of such temporary permit the construction of the detached garage shall be made to conform in all respects with the specifications established by Section 315-A and B and all other detached garage sections. The City Treasurer shall retain such amounts deposited as bond in a separate account with the name of the person depositing such bond and the address at which such garage is being erected.

Immediately following Six (6) months from the issuance of a temporary permit under this subsection the Building and Zoning Officer shall inspect the said garage and shall, if the garage meets all specifications of Section 315 A and B and other specifications for garages he shall so inform the City Treasurer and thereupon the City Treasurer is authorized to disburse the amount deposited as bond to the person who deposited the same or his administrator, personal representative or other person authorized by law to receive the same.

If the said garage does not meet the specifications of Section 315 A and B and other specifications for garages, the bond shall be forfeited and the amount of the bond shall be transferred by the City Treasurer to the general funds of the City. The forfeiture of any bond provided in this subsection shall not bar an action for violation of the building code.

SECTION TWO: This ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

YEAS: Groves, White, Westphal, Fiekarski, Faber, Hickey, Roeing,

NAYS: 0.

ABSENT: Goodpasture.

PASSED and approved this 10th day of January 1956.

An Ordinance

AN ORDINANCE AUTHORIZING AND DIRECTING THE ISSUANCE OF BONDS OF THE VILLAGE OF ARLINGTON HEIGHTS, COOK COUNTY, ILLINOIS, TO THE AMOUNT OF $115,000.00 FOR THE PURPOSE OF OBTAINING MONEY FOR THE PURCHASE OF LAND AND ERECTING AN ADDITIONAL FIRE STATION OR BUILDING THEREON, PURCHASING AN ADDITIONAL FIRE PUMPER AND FULLY EQUIPPING SUCH FIRE STATION, AND PROVIDING FOR THE COLLECTION OF A DIRECT ANNUAL TAX FOR THE PAYMENT OF THE PRINCIPAL AND INTEREST OF SAID BONDS.

WHEREAS due to the extension of the heavily populated areas within the Village of Arlington Heights and the consequent increase in residential and other structures within said Village it has become necessary to provide an additional fire station and to equip the same with fire engine and other fire fighting apparatus; and,

WHEREAS the present fire station of the Village is located south of the right-of-way and tracks of the Chicago and North Western Railway, which bisects the Village, and the operation of trains of said railway company has at times interfered with prompt arrival of fire fighting equipment in the areas of the Village north of said railway right-of-way; and,

WHEREAS the President and Board of Trustes of the Village upon investigation have determined that it will be necessary and to the best interests of the Village and its inhabitants further to improve its fire fighting equipment and facilities, and to that end to purchase the necessary land for a site of an additional fire fighting station and building to be located in the northerly part of said Village, and to construct thereon a fire fighting station or building, together with landscaping, and to equip the same, and to purchase additional fire fighting equipment consisting of a 1000 gallon per minute fire pumper, complete with all auxiliary equipment; 3800 feet of 2½ inch double jacket fire hose; 6 Type N gas masks; 2 oxygen masks and 1 fire hose dryer, and other necessary incidental equipment; and,

WHEREAS the President and Board of Trustees have determined that the cost of acquiring such additional land and site, erecting a building or fire station thereon and equipping and landscaping the same, and acquiring the above named necessary additional fire fighting equipment, is the sum of $115,000.00, and as there are no funds available for the payment of the cost thereof, that it is necessary there be borrowed by, for and on behalf of the Village of Arlington Heights the said sum of $115,000.00, and that to evidence said loan negotiable coupon bonds of said Village be issued, with interest at not to exceed three and one-half (3½%) per cent per annum, payable over a period of not to exceed fifteen (15) years, all as provided for by the laws of the State of Illinois thereunto enabling; and

WHEREAS the said President and Board of Trustees of said Village did on the 18th day of October, 1955, pass and approve an ordinance calling a special election to be held in said Village of Arlington Heights on the 19th day of November, 1955, for the purpose of submitting to the legal voters of said Village the following proposition:

"Shall bonds in the amount of $115,000.00 be issued by the Village of Arlington Heights, Cook County, Illinois, for the purpose of purchasing the land for the site of an additional fire fighting station or building, to be located in the northerly part of said Village, and constructing thereon a fire fighting station or building, together with necessary landscaping, and to equip the same and to purchase additional fire fighting equipment consisting of a 1000 gallon per minute fire pumper, complete with all auxiliary equipment, 3800 feet of 2½ inch double jacket fire hose, 6 type N gas masks, 2 oxygen masks and 1 fire hose dryer, to afford sufficient fire protection to the inhabitants of said Village and their property, maturing $5.000.00 on the 1st day of December of each of the years 1957, 1959, 1961, 1963 and 1965, and $10,000.00 on the 1st day of December of each of the years 1958, 1960, 1962, 1964, and the years 1966 to 1970, both inclusive, bearing interest at the rate of not to exceed 3½ per cent per annum?"

and,

WHEREAS said special election was held and conducted in the form and manner and time as provided by law and the result of said election has been properly canvassed by said President and Board of Trustees, and it is hereby determined that all legal requirements in connection with said election were duly complied with, and that a majority of the legal voters voting at said special election voted in favor of said proposition, and that the President and Board of Trustees have been authorized to borrow the sum of $115,000.00, upon the credit of said Village, and issue bonds therefor for the purpose of purchasing land for an additional fire fighting station and erecting thereon an additional fire fighting station and equipping the same as hereinbefore and in said proposition more fully described, and this Board has heretofore found it necessary for the purposes aforesaid to borrow said sum of $115,000.00 and issue bonds therefor; now, therefore,

MORE TO COME .... MORE

2—AN ORDINANCE ....

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ARLINGTON HEIGHTS, COUNTY OF COOK AND STATE OF ILLINOIS:

SECTION 1. That it be and it is hereby found and determined that the President and Board of Trustees of this Village have been authorized by the majority of all the votes cast on said proposition submitted at a special election called and held for that purpose to borrow the sum of $115,000.00 upon the credit of this Village, and as evidence of such indebtedness to issue bonds of this Village in that amount.

SECTION 2. That there be borrowed by, for and on behalf of the Village of Arlington Heights the said sum of $115,000.00 for the purpose of purchasing land for the site of an additional fire fighting station or building, to be located in the northerly part of said Village, and construct thereon a fire fighting station or building, together with necessary landscaping, and to equip the same, and to purchase additional fire fighting equipment consisting of a 1000 gallon per minute fire pumper, complete with all auxiliary equipment; 3800 feet of 2½ inch double jacket fire hose; 6 Type N gas masks; 2 oxygen masks, and 1 fire hose dryer; and that to evidence said loan negotiable coupon bonds of said Village be issued. Said bonds shall be designated "Fire Department Equipment Bonds of 1956," be 115 in number, numbered 1 to 115, inclusive, and shall be of the denomination of $1,000.00 each, all to be dated February 1, 1956, and shall become due and payable as follows: $5,000.00 on the 1st day of December of each of the years 1957, 1959, 1961, 1963 and 1965, and $10,000.00 on the 1st day of December of each of the years 1958, 1960, 1962, 1964 and the years 1966 to 1970, both inclusive. Said bonds shall bear interest from date at the rate of 3 per cent per annum, payable on the 1st day of December 1957, and semi-annually thereafter on the 1st day of June and December of each year until paid, which interest payments to date of maturity of principal shall be evidenced by proper interest coupons attached to each bond and maturing on the dates herein provided, and both principal and interest shall be payable in lawful money of the United States of America at the HARRIS TRUST & SAVINGS BANK, Chicago, Illinois. The seal of said Village shall be affixed to each of said bonds and said bonds shall be signed by the President and attested by the Clerk of the Village and said coupons shall be signed and attested by said officials respectively by their facsimile signatures, and said officials, by the execution of said bonds shall adopt as and for their respective proper signatures their respective facsimile signatures appearing on said coupons.

SECTION 3. That the bonds hereby authorized shall be subject to registration as to principal in the name of the holder upon the books of the Village Treasurer, such registration to be evidenced by a notation of said Village Treasurer upon the back of such bonds so registered. No bonds so registered shall be subject to transfer except upon such books and similarly noted on the back of the bond as registered, unless the last registration shall have been to bearer. Such registration of any of said bonds shall not, however, affect the negotiability of the coupons attached to said bonds, but such coupons shall continue negotiable by delivery merely, notwithstanding registration of said bonds.

SECTION 4. That each of said bonds and each of the interest coupons to be thereto attached shall be in substantially the following form:

(FORM OF BOND)

Number $1,000.00

UNITED STATES OF AMERICA
STATE OF ILLINOIS
COUNTY OF COOK

VILLAGE OF ARLINGTON HEIGHTS

FIRE DEPARTMENT EQUIPMENT
BOND OF 1956

Know All Men By These Presents: That the Village of Arlington Heights, in the County of Cook and State of Illinois, hereby acknowledges itself to owe and for value received hereby promises to pay to bearer, or if this bond be registered then to the registered holder hereof, the sum of

ONE THOUSAND DOLLARS

on the first day of December, 19...., together with interest on said sum at the rate of three (3%) per cent per annum from date hereof until paid, payable June 1, 1957, and semi-annually thereafter on the first days of June and December in each year, on presentation and surrender of the interest coupons hereto attached as they severally become due. Both principal and interest on this bond are hereby made payable in lawful money of the United States of America at the HARRIS TRUST & SAVINGS BANK, in Chicago, Illinois.

For the prompt payment of this bond, both principal and interest as aforesaid, at maturity and for the levy of taxes sufficient for that purpose, the full faith, credit and resources of said Village are hereby irrevocably pledged.

This bond is one of an authorized issue of $115,000.00, all of the same tenor and effect, except as to maturity, and issued by said Village for the purpose of paying the cost of purchasing additional land for the site of an additional fire fighting station, constructing thereon a fire fighting station or building, together with necessary landscaping, equipping the same and purchasing additional fire fighting equipment consisting of a 1,000 gallon per minute fire pumper, complete with auxiliary equipment, fire hose, gas masks, oxygen masks and fire hose dryer, to afford additional fire protection to the inhabitants of said Village and their property, pursuant to and under the authority of an Act of the General Assembly of the State of Illinois, entitled: "Revised Cities and Villages Act," and all acts amendatory thereof and supplemental thereto, and in pursuance to and in conformity with an ordinance of said Village of Arlington Heights duly and properly passed by the President and Board of Trustees thereof, approved and published as required by law and pursuant to the approval thereof by a majority of the voters voting on the question of the approval at a special election called and held in said Village on the 19th day of November, 1955.

AND IT IS HEREBY CERTIFIED AND RECITED that it appears from the records of said Village that all acts, conditions and things required by the constitution and laws of the State of Illinois, to exist or to be done precedent to and in the issuance of this bond and of the issue of which it forms a part, do exist and have been properly done, happened and have been performed in regular and due form and time as required by law; that the total indebtedness of said Village, including this bond, does not exceed any constitutional or statutory limitation, and that provision has been made for the collection of a direct annual tax, in addition to all other taxes, on all of the taxable property in said Village sufficient to pay the interest hereon as the same becomes due, and also to pay and discharge the principal hereof at maturity.

THIS BOND is subject to registration as to principal in the name of the holder on the books of the Village Treasurer of said Village, such registration to be evidenced by notation by said Village Treasurer on the back hereof and after such registration no transfer hereof, except upon such books and similarly noted hereon, shall be valid, unless the last registration shall have been to bearer. Registration of this bond shall not affect the negotiability of the coupons hereto attached, which shall continue negotiable by delivery merely, notwithstanding registration hereof.

IN WITNESS WHEREOF the said VILLAGE OF ARLINGTON HEIGHTS, by its President and Board of Trustees, has caused its corporate seal to be hereto affixed, and this bond to be signed by the President of said Village and attested by the Village Clerk and the coupons hereto attached to be signed and attested by said officials by their respective facsimile signatures, and said officials by the execution hereof do adopt as and for their own proper signatures their respective facsimile signatures appearing on said coupons, all as of the first day of February, 1956.

SECTION 5. That for the purpose of providing the funds required to pay the interest on said bonds promptly when and as the same falls due, and also to create a sinking fund to pay and discharge the principal thereof at maturity, there be and there is hereby levied on all the taxable property within said Village in each year while any of said bonds are outstanding a direct annual tax sufficient for that purpose and there be and there is hereby levied on all of the taxable property within said Village, in addition to all other taxes, the following annual tax, to-wit:

For the year 1956, a tax sufficient to produce the sum of $11,325.00, being $6325.00 for interest to December 1, 1957, and $5,000.00 for principal;

For the year 1957, a tax sufficient to produce the sum of $13,300.00 for principal and interest;

For the year 1958, a tax sufficient to produce the sum of $8000.00 for principal and interest;

For the year 1959, a tax sufficient to produce the sum of $12,850.00 for principal and interest;

For the year 1960, a tax sufficient to produce the sum of $7,550.00 for principal and interest;

For the year 1961, a tax sufficient to produce the sum of $12,400.00 for principal and interest;

For the year 1962, a tax sufficient to produce the sum of $7,100.00 for principal and interest;

For the year 1963, a tax sufficient to produce the sum of $11,950.00 for principal and interest;

For the year 1964, a tax sufficient to produce the sum of $6,650.00 for principal and interest;

For the year 1965, a tax sufficient to produce the sum of $11,500.00 for principal and interest;

For the year 1966, a tax sufficient to produce the sum of $11,200.00 for principal and interest;

For the year 1967, a tax sufficient to produce the sum of $10,900.00 for principal and interest;

For the year 1968, a tax sufficient to produce the sum of $10,600.00 for principal and interest; and

For the year 1969, a tax sufficient to produce the sum of $10,300.00 for principal and interest.

That principal or interest falling due at any time when there are insufficient funds on hand to pay the same, be paid promptly, when due, from current funds on hand, in advancement of the collection of taxes and when said taxes shall have been collected reimbursement shal be made to the said funds in the amount thus advanced.

That forthwith upon the passage, approval and publication of this Ordinance, the Village Clerk shall file a certified copy of this Ordinance with the County Clerk of Cook County, Illinois, and it shall be the duty of said County Clerk to ascertain annually in and for each of the years 1956 to 1969, inclusive, the rate necessary to provide the tax herein levied, and extend the same for collection on the tax books against all of the taxable property situated within the Village in connection with other taxes levied in each of said years respectively in and by said Village for general corporate purposes of said Village, and in each of said years such annual tax shall be levied and collected by said Village in like manner as taxes for general purposes for each of said years are levied and collected, and when collected such taxes shall be used for the purpose of paying principal and interest upon the bonds hereinbefore described when the same mature.

SECTION 6. That said bonds be executed as soon after this Ordinance becomes effective as may be, and be delivered to the Treasurer of the VILLAGE OF ARLINGTON HEIGHTS, and said Treasurer shall deliver said bonds to the purchaser thereof, namely, HARRIS TRUST & SAVINGS BANK, 115 W. Monroe Street, Chicago, Illinois, upon receipt of the purchase price therefor, the same being not less than par plus accrued interest to date of delivery thereof, and plus the sum of $119.00.

SECTION 7. This Ordinance shall be in full force and effect immediately upon itx passage, approval and publication according to law.

Ordinance No. 33

"BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ROLLING MEADOWS, ILLINOIS:

SECTION ONE: Chapter 8 of the "City Code of the City of Rolling Meadows of 1955" is amended by adding the following to Section 315.

"C" **TEMPORARY PERMITS:**

Whenever in the opinion of the Building and Zoning Officer of the City of Rolling Meadows weather prevents the construction of any detached garage in accordance with the specifications established for concrete slabs, then there may be issued a temporary building permit for such detached garage **provided**: the following specifications are met:

1. In such event cedar posts or concrete posts or piers shall be used to support all partitioned or outside walls and are spaced no more than six (6) Feet apart on centers.
2. If Cedar Posts are used they shall be at least four (4") inches in diameter.
3. If concrete posts or piers are used they shall be a minimum size of 4"x4" in thickness.
4. Cedar Post, Concrete Posts or Concrete Piers shall be set a minimum of Twenty-four inches (24") below grade and a minimum of eight inches (8") above grade.
5. The bottom plate is to be doubled 2"x4" minimum.

At the time of issuance of said temporary building permit, the Building and Zoning Officer shall require that the contractor, owner or other person constructing such detached garage deposit in cash with the City Treasurer a bond to be computed on the basis of seventy-five cents (75c) per square foot of floor area to insure that within (6) months from the issuance of such temporary permit the construction of the detached garage shall be made to conform in all respects with the specifications established by Section 315-A and B and all other detached garage sections. The City Treasurer shall retain such amounts deposited as bond in a separate account with the name of the person depositing such bond and the address at which such garage is being erected.

Immediately following Six (6) months from the issuance of a temporary permit under this subsection the Building and Zoning Officer shall inspect the said garage and shall, if the garage meets all specifications of Section 315 A and B and other specifications for garages he shall so inform the City Treasurer and thereupon the City Treasurer is authorized to disburse the amount deposited as bond to the person who deposited the same or his administrator, personal representative or other person authorized by law to receive the same.

If the said garage does not meet the specifications of Section 315 A and B and other specifications for garages, the bond shall be forfeited and the amount of the bond shall be transferred by the City Treasurer to the general funds of the City. The forfeiture of any bond provided in this subsection shall not bar an action for violation of the building code.

SECTION TWO: This ordinance shall be in full force and effect from and after its passage, approval and publication as provided by law.

YEAS: Groves, White, Westphal, Fiekarski, Faber, Hickey, Roeing,
NAYS: 0.

ABSENT: Goodpasture.

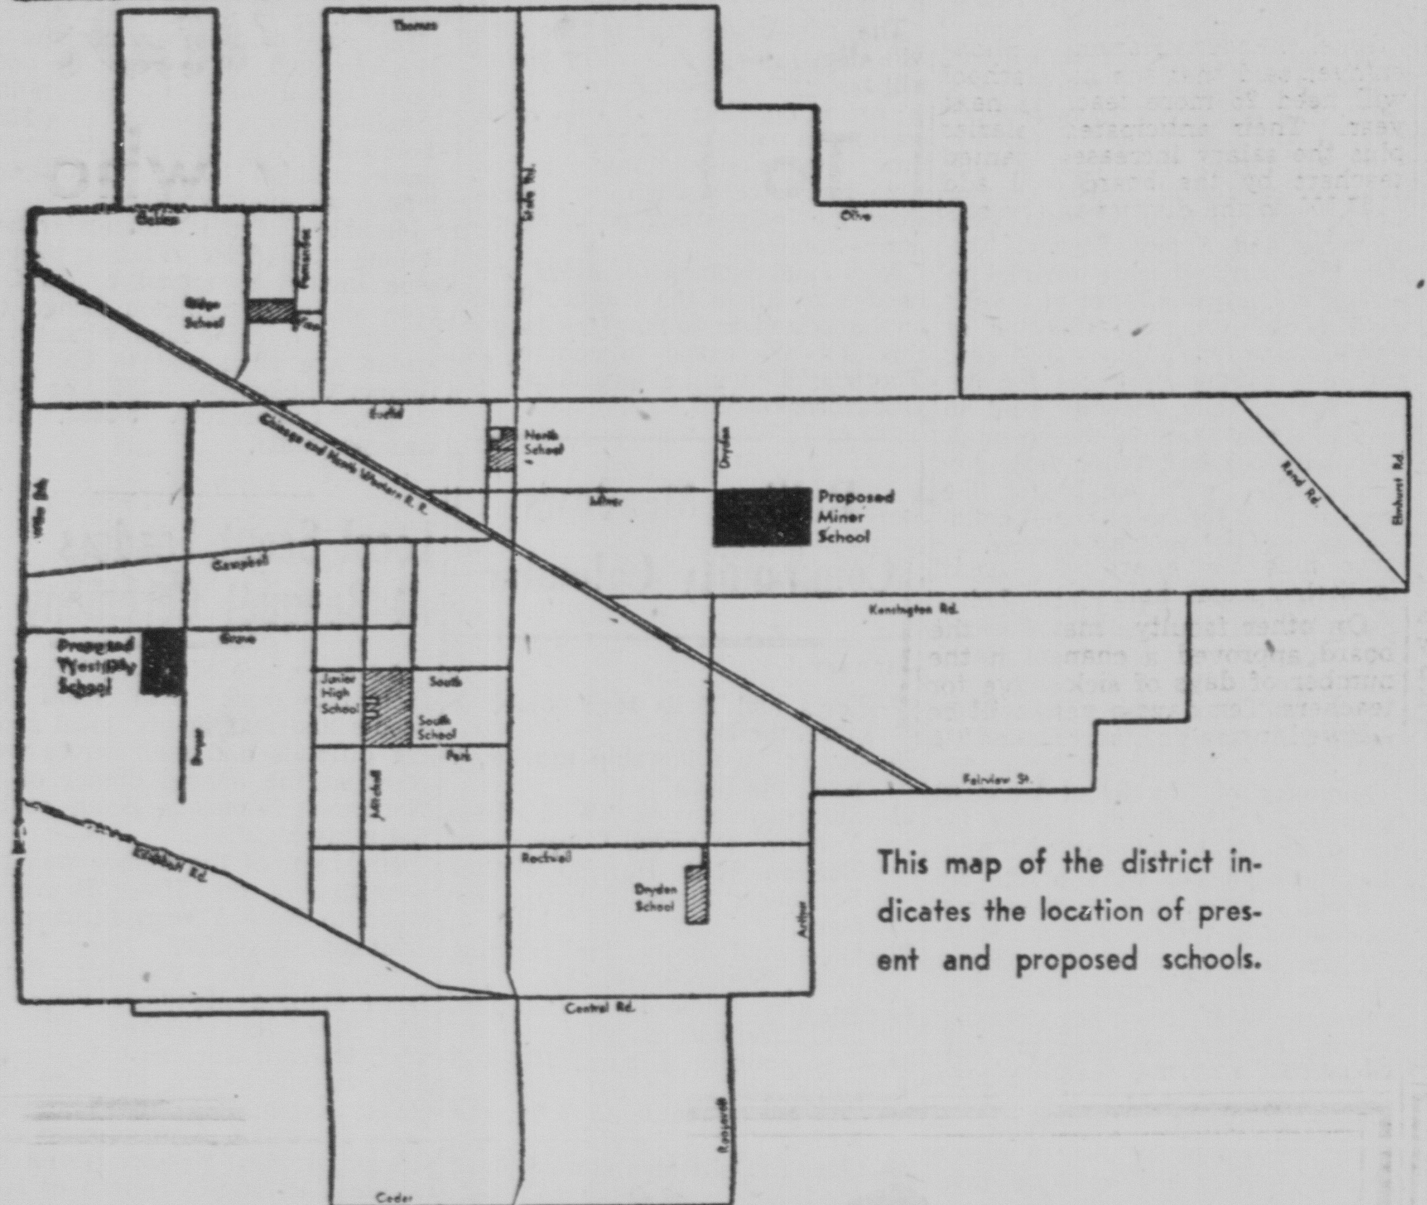
THE GRAPH ABOVE DEPICTS the steady growth in elementary school enrollments in District 25, Arlington Heights. Enrollment increases have averaged just less than 300 per year since 1949. This means ten new classrooms each September in order to provide adequate education facilities for the ever increasing birth rate and for the new families moving into the village. Residents of the district will have the opportunity to vote for the classrooms, which will be needed for the next two years, on Saturday, January 28th from 12:00 noon to 7 p. m. Polling places will be in the four elementary school buildings.



This map of the district indicates the location of present and proposed schools.

THE MAP ABOVE is one of school district 25, Arlington Heights, showing the locations of the present four elementary schools and the junior high school.

The areas outlined in solid black are the proposed Junior High School at the corner of Miner and Dryden in the northeast section, and the proposed Westgate School at Grove and Dwyer in the southwest part of the district.

Plan Children's Home

Illinois Synod of the United Lutheran Church in America has approved plans for operation of a children's home at Antioch.

St. Peter Lutheran Church Completes Successful Year

St. Peter Lutheran church, Arlington Heights, held its annual congregational meeting Sunday, Jan. 15. A printed report was received from the congregational officers as well as all organizations covering the year's activities.

A total of $118,112 was received by the treasuries of the congregation for all purposes during the year 1955. Of this sum, $21,325 was given to purposes outside the congregation: $11,092 went to the synodical budget, $4,588 to the charities fund and $5,643 to the "Building for Christ" drive conducted in behalf of a building program for Valparaiso university and Lutheran charitable institutions.

* * *

IT WAS NOTED that several of the societies in the church had given cash gifts to the congregation's building fund and to charity amounting to several thousand dollars. Aside from this, the Mothers club was credited with having provided new school office furniture and vertical blinds at a cost of $700 while the Dorcas Aid donated a new mimeograph machine to the congregation at a similar cost.

The parish school, under the principalship of Adolph W. Obermann, enjoyed a successful year. The enrollment rose from 404 on December 31, 1954 to 433 as of today. Another teacher was added to the faculty and the kindergarten, with 62 enrolled, moved to the "old parish house." The average church attendance, not including Sunday school attendance, on part of the parish school pupils rose to 60.1% while the contributions on part of the children for all purposes, both church and civic, amounted to a grand total of $11,544, already reflected in the total raised by all congregational treasuries. The children received the commendation of the congregation.

The renovation of the school washrooms during the summer of 1955 was the greatest improvement project of the past year. The rooms were enlarged, modern equipment, ceramic flooring, glass block windows and fluorescent lighting and new drinking fountains throughout the school building were installed, and the cost kept down to $15,000 because of volunteer help.

* * *

THE ATTENDANCE at divine services rose from a total of 44,581 in 1954 to 46,818 in 1955. The pastor baptized 75 children and 8 adults, confirmed 46 children and 24 adults, solemnized 21 marriages and officiated at 27 funerals. The membership, reported by Luther V. Stephan, pastor, stands at 1,190 communicant members and 2,200 baptized members, which latter figure includes the communicants plus the children.

K. L. Busse, superintendent of the Sunday school, reported an enrollment of 470, including the nursery roll. The attendance in the Sunday school reaches an average of almost 75% each Sunday. The staff meets weekly for lesson study after a Bible study course.

Donald Hermann, director of music, introduced the singing of part of the liturgy by the choirs, particularly the "introit" to be followed later by the "gradual" as well.

During the past year 143 communicant members were received into membership by transfer or otherwise. This figure includes the 46 children confirmed on Palm Sunday. Thirty-nine members were issued a transfer elsewhere. Congregational officers for 1956 are:

Oscar Hinrichs, chairman.
Elmer Ruhnow, vice chairman.
Harold Nebel, recording secretary.
To be chosen, corresponding secretary.
John Busse, treasurer.
Adolph Obermann, school principal.
Karl Busse, Sunday school superintendent.
Donald Hermann, director of music.
Eugene Brandt, youth counselor.
Board of elders — Walter Hahnfeld, Roland Bolte, Glenn Granzin, Otto Goebbert, Elroy Winkelman August Lange.
Board of Christian education—Walter Landmeier, Raymond Gosch, Fred Kebe, Vernon Deeke.
Officers of finance committee—Edwin Jannusch, Martin Kloehr, financial secretary.
Board of trustees—Edwin Hogreve, Albert Drewes, Irving Boettcher.
Congregational Representatives—William Schlomann, William Luettschwager, alternate.
Pastors—Luther V. Stephan Martin W. Bangert, student assistant.

Another teacher was added to the faculty and the kindergarten, with 62 enrolled, moved to the "old parish house." The average church attendance, not including Sunday school attendance, on part of the parish school pupils rose to 60.1% while the contributions on part of the children for all purposes, both church and civic, amounted to a grand total of $11,544, already reflected in the total raised by all congregational treasuries. The children received the commendation of the congregation.

The renovation of the school washrooms during the summer of 1955 was the greatest improvement project of the past year. The rooms were enlarged, modern equipment, ceramic flooring, glass block windows and fluorescent lighting and new drinking fountains throughout the school building were installed, and the cost kept down to $15,000 because of volunteer help.

* * *

THE ATTENDANCE at divine services rose from a total of 44,581 in 1954 to 46,818 in 1955. The pastor baptized 75 children and 8 adults, confirmed 46 children and 24 adults, solemnized 21 marriages and officiated at 27 funerals. The membership, reported by Luther V. Stephan, pastor, stands at 1,190 communicant members and 2,200 baptized members, which latter figure includes the communicants plus the children.

K. L. Busse, superintendent of the Sunday school, reported an enrollment of 470, including the nursery roll. The attendance in the Sunday school reaches an average of almost 75% each Sunday. The staff meets weekly for lesson study after a Bible study course.

Donald Hermann, director of music, introduced the singing of part of the liturgy by the choirs, particularly the "introit" to be followed later by the "gradual" as well.

During the past year 143 communicant members were received into membership by transfer or otherwise. This figure includes the 46 children confirmed on Palm Sunday. Thirty-nine members were issued a transfer elsewhere. Congregational officers for 1956 are:

Oscar Hinrichs, chairman.
Elmer Ruhnow, vice chairman.
Harold Nebel, recording secretary.
To be chosen, corresponding secretary.
John Busse, treasurer.
Adolph Obermann, school principal.
Karl Busse, Sunday school superintendent.
Donald Hermann, director of music.
Eugene Brandt, youth counselor.
Board of elders — Walter Hahnfeld, Roland Bolte, Glenn Granzin, Otto Goebbert, Elroy Winkelman August Lange.
Board of Christian education—Walter Landmeier, Raymond Gosch, Fred Kebe, Vernon Deeke.
Officers of finance committee—Edwin Jannusch, Martin Kloehr, financial secretary.
Board of trustees—Edwin Hogreve, Albert Drewes, Irving Boettcher.
Congregational Representatives—William Schlomann, William Luettschwager, alternate.
Pastors—Luther V. Stephan Martin W. Bangert, student assistant.

MAKING MOST OF
OF THE PRESENT

If one would be successful in the future, let him make the most of the present.

—Mary Baker Eddy

The Present, the Present is all thou hast
For thy sure possessing;
Like the patriarch's angel hold it fast
Till it gives its blessing.

Ask Approval For Window Inscriptions

The board of high school district 214 will be asked to approve 6 inscriptions to be placed above the windows of the library in the new addition to Arlington high school.

The inscriptions are as follows:

"Learn to live and live to learn"— Bayard Taylor.

"Learning makes a man fit company for himself"— Young.

"What we do not understand we do not possess" —Goethe.

"The foundation of every society is the education of its youth"— Greek.

"Knowledge exists to be imparted"— Emerson.

"The only wealth which will not decay is knowledge"— John Alfred Langford.

At its January 9 meeting the board approved salary schedules for 1956 but details on the plan were withheld from publication by request of the board until the scheme could be explained to teachers.

* * *

MINIMUMS FOR teachers with a bachelor's degree will be raised from $3,500 to $4,000 and for teachers with master's degree the minimum will be upped from $3,800 to $4,200. The raises range from $400 to $500 for those with a M. A. degree and from $100 to $500 for a B. S. degree.

Superintendent Harold L. Slichenmyer said that the high school will need 26 more teachers next year. Their anticipated salaries plus the salary increases granted teachers by the board will add $167,000 to the district salary bill. Slichenmyer noted that the 26 new teachers would provide a nucleus for staffing the Foundry rd. high school, slated to open in 1957.

An added incentive to teachers studying for higher degree was provided by the board's approval of a measure to increase salaries $200 a year for teachers who have completed 11 years with the system and who have a master's degree plus 32 hours of credit in their special field.

On other faculty matters the board approved a change in the number of days of sick leave for teachers. Ten days a year will be allowed instead of the present 7½ and 30 days may be amassed under the new plan. Tacked onto the measure was a change in wordage from "sick leave" to "illness absence." The only other action affecting teachers was approval of a partial leave of absence for a teacher "for educational purposes" for the second semester. A salary of $225 a month was granted him. He will carry half a normal teaching load.

A stone from a passing gravel truck smashed my windshield, which cost $78 to replace. Two stolen tires cost me another $60. Would these two losses have paid Comprehensive Auto Insurance premiums for almost 20 years?

Ask Approval For Window Inscriptions

The board of high school district 214 will be asked to approve 6 inscriptions to be placed above the windows of the library in the new addition to Arlington high school.

The inscriptions are as follows: "Learn to live and live to learn"— Bayard Taylor.

"Learning makes a man fit company for himself"— Young.

"What we do not understand we do not possess" —Goethe.

"The foundation of every society is the education of its youth"— Greek.

"Knowledge exists to be imparted"— Emerson.

"The only wealth which will not decay is knowledge"— John Alfred Langford.

At its January 9 meeting the board approved salary schedules for 1956 but details on the plan were withheld from publication by request of the board until the scheme could be explained to teachers.

* * *

MINIMUMS FOR teachers with a bachelor's degree will be raised from $3,500 to $4,000 and for teachers with master's degree the minimum will be upped from $3,800 to $4,200. The raises range from $400 to $500 for those with a M. A. degree and from $100 to $500 for a B. S. degree.

Superintendent Harold L. Slichenmyer said that the high school will need 26 more teachers next year. Their anticipated salaries plus the salary increases granted teachers by the board will add $167,000 to the district salary bill. Slichenmyer noted that the 26 new teachers would provide a nucleus for staffing the Foundry rd. high school, slated to open in 1957.

An added incentive to teachers studying for higher degree was provided by the board's approval of a measure to increase salaries $200 a year for teachers who have completed 11 years with the system and who have a master's degree plus 32 hours of credit in their special field.

On other faculty matters the board approved a change in the number of days of sick leave for teachers. Ten days a year will be allowed instead of the present 7½ and 30 days may be amassed under the new plan. Tacked onto the measure was a change in wordage from "sick leave" to "illness absence." The only other action affecting teachers was approval of a partial leave of absence for a teacher "for educational purposes" for the second semester. A salary of $225 a month was granted him. He will carry half a normal teaching load.

Census Surveys Work Experience

Special questions, designed to provide information on the work done by the nation's population in 1955 will be asked in the January current population survey, according to supervisor Dayton P. Jorgenson of the census bureau's district office at Chicago.

The work experience questions will provide information on how many people were full-time workers throughout 1955, how many were seasonal workers, and how many worked the greater part of tht year but only at part-time jobs.

More Mouths To Feed Than Earners Seen In Decade

The nation's nonworking population will probably grow more rapidly than the U.S. work force in the next ten years, according to the Federal Reserve Bank of Chicago. Rising numbers of both youngsters and oldsters are making the dependent population zoom.

Over half of the nation's postwar population gain has been in the under 20 age group and about 14 per cent in the 65 and over group. In the 1935-45 period the working age group accounted for the bulk of the total population increase.

*

ABOUT A MILLION persons a year were added to the 20-65 working age population during the 1935-45 decade. Since that time the number has dropped to less than 800,000 per year and a further moderate drop is in prospect. As the large crop of postwar babies comes of age in the 1965-75 period, however, a sharp increase in new entrants to the labor force will occur.

High birth rates in the war and postwar period are behind the rising proportion of youngsters in the nation. Since World War II about 25 births have occurred each year per thousand Americans. This represents a marked rise from 19 per thousand in the depressed Thirties.

* * *

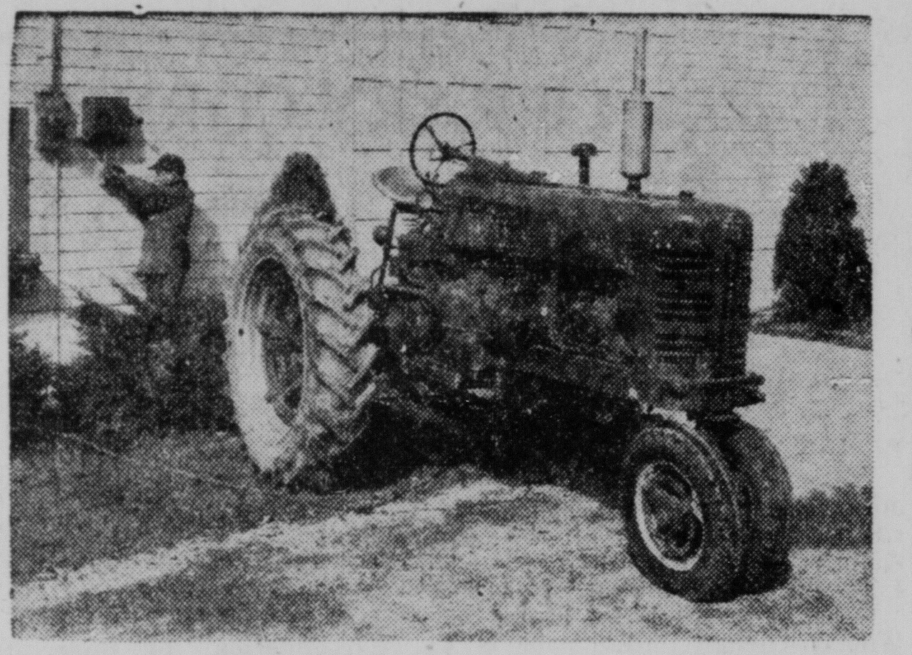
OLDER PERSONS are accounting for a bigger proportion of the population because more people are living past middle age. Chief factor in lengthening the average life span has been the reduction in infant and child mortality. From forty on, life expectancy is probably no more than two or three years greater than it was throughout history.

Reflecting current population trends, labor shortages are likely to remain chronic for the next 10 years during periods of good business. Thus, pressure to cut costs through the use of labor-saving equipment will continue strong. Moreover, continuance of the trend toward a shorter work week, longer vacations and earlier retirement will accentuate the tight labor market.

* * *

WERE IT NOT for the "astounding" rise in productivity of the American economy the forthcoming relative decrease in the number of working hands could spell some belt-tightening ahead. During the past decade, both living standards and leisure hours have gained, thanks to sharply increased output per hour.

Productivity has risen as a result of larger investment in improved plant and equipment. Higher labor skills, too, have figured importantly in the output gain.



EMERGENCY STAND-BY electric power at an instant's notice is available with new IH Electrall, shown mounted on a Farmall 400 tractor. By installing a double-throw switch to make sure Electrall power does not feed back through the meter to the high line, it is a simple matter to "plug in," using Electrall to furnish electricity to the farmstead distribution system.

In case of high line outage, farm and household routine can go on as before, with Electrall furnishing power to operate such essential equipment as food freezer, refrigerator, water pump, lights, milking machine, electrically controlled furnace—even the electric range and water heater. J. F. Garlisch is the local International Harvester dealer.

News Of Prospect Meadows

Womens Auxiliary Meeting

Thursday, Jan. 26 the Womens auxiliary of Prospect Meadows Home Owner's association will hold its first meeting of the new year. It will be held at the regular meeting place, the Mt. Prospect village hall. It is hoped that all women of the Meadows will be able to attend to help make plans for future activities and join their neighbors in an entertaining evening of games followed by refreshments.

Tuesday, Jan. 24, directors of the Prospect Meadows Home Owner's association will meet at the home of Ray Seeber. All directors are asked to attend this meeting because some very important items will be brought up for consideration.

Another date for residents of the Meadows to remember is January 31. That is the night the mothers make their annual march for polio. Ethel Larson is in charge of the fund-raising campaign this year and has enlisted the aid of the following women: Oakley DeBerge, Maxine Myslinski, Lisa Wells, Millie Webber, Irma Ehlke, Lynn Nye, Kay Bischoff, Vi Toner, Jean Seeber, Eileen McNaughton, Jane Harland, Barbara Sell and Lorrie Brazeau. Last Monday Ethel Larson attended a meeting for all chairmen, in the Arlington Heights area, of the mothers march for polio program at the home of Mrs. Hoops in Arlington Heights.

Forest River Boys Brigade played its first basketball game in the league last Saturday with the Wheaton Brigade and won 51-22. Saturday they will be playing Villa Park Brigade. These league games are played at the Emmaus Bible school in Oak Park. Spectators are welcome. The Brigade was scheduled to play a practice game with Palatine at the Feehanville school gym last Monday.

The Forest River Stockade played soccer aganst the Norwood Park Stockade last Friday at the Norwood Park church gym. Forest River won by 1 goal.

Bernard Shimmin, John Hanson and Robert Martens attended the January sectional conference of the Chicago area in Palatine last Sunday afternoon. John Roys was the moderator of the general forum discussion. The topic was "Camping." Special material was distributed on camp sites in the Chicago area and suggested camping programs. The next sectional conference will be on summer problems and will be held in Park Ridge. A get-acquainted fellowship period was held after the business meeting.

Special notice: Ernest McDonald will be in charge of the program next Sunday evening at the church. This is a return engagement, as he led the singing and sang several solos last August, at which time his son, the Rev. Jack MacDonald, brought the message.

Little League

The Little League committee met last Monday and prepared the application for franchise. It will be mailed in as soon as the constitution is written, which should be this Friday night. Tentative boundaries for this Little League district were set at Hintz road on the north, to Wheeling rd. on the west, south to Lake ave., over to rte 83, Rand rd. to Central, east to Milwaukee ave. and back to Hintz. Louis Bartucci was appointed to serve as the secretary for the committee. Members of the committee and prospective Little Leaguers will be calling on the homes in the district to sell tickets for the "Batters Ball," which will be held February 4 at the Feehanville auditorium.

Mothers of boys in the Little League age group and women who are interested in seeing this program started in this district are asked to attend the meeting scheduled for 8 o'clock Thursday night at the Feehanville school. A ladies' auxiliary will be formed at that time to help further the aims of the Little League committee. Mrs. Elmer Milz has been asked to head up the movement to get this organization under way. She will be glad to give further information to anyone interested. Call VA 4-0418.

Civic Association

New officers were elected at the directors' meeting last Monday. Charles Badalamenti was elected vice president, Elmer Milz, treasurer, and Mrs. Richard Kozel was re-elected secretary. Mrs. Paul Kleeman was appointed director to fill the vacancy left on the board by the election of Roman Anderson to the presidency. Of the committees formed, Roman Anderson is chairman of the ways and means, assisted by Mrs. Kleeman; Charles Badalamenti, chairman of the by-laws committee; Mrs. Jules Miske, chairman of the welcoming committee; Mrs. Jeanne Duncanson, chairman of the refreshment committee; Frank Wilbacher, chairman of the maintenance committee, and James Brewer reappointed custodian. A tentative budget was drawn up to be presented to the association at their January meeting, to be held January 24.

Fire Department

Forest River Volunteer Fire department is enlarging the existing firehouse to make more room for the new fire truck. This new addition is being built by the firemen themselves. They are donating their time and labor on this project.

At the business meeting held by the Teen club last Thursday, Jo Anne Arkell was appointed to hold the post of sergeant-at-arms, to help keep orddr. Jimmy Doetsch presented a tentative program for the balance of the year, which included a Memorial day parade. Further plans were made for the hay or sleigh ride scheduled for this coming Saturday. Plans call for a return to the Community hall for a party after a short business meeting. Cocoa and cookies will be refreshments.

Community News

Our Lady of Lourdes guild had its January meeting at the home of Mrs. Hermine Huening last Monday. After the recitation of the Rosary, they had their regular business meeting wherein plans for the annual spring games party were discussed. A social hour was held after business was dispensed with.

The C. W. Flinks had a belated New Year's eve party last Saturday night. Several games of charades were played by the guests who were Mr. and Mrs. Stanley Haverkampf, Mr and Mrs. Harold Broberg, Mr. aand Mrs. John Nowicki, Mr. and Mrs. Ed Brookhouzen, Mr. and Mrs. Irwin Phar, Mrs. Iva Nipper and Miss Idyl Nipper.

Hinsdale To Be Tough For Arlington This Friday

THURSDAY, JAN. 19, 1956

KICKIN' IT AROUND

by Bob Paddock

THIS WEEK'S SALUTE to a local man, continuing athletic activities after graduation from high school, goes to John Peters of Arlington Heights. John recently played golf "one last time" before going into service this past fall, and scored a hole-in-one at Manchester, Iowa, country club. The hole was a 3-par, 135 yarder, with Peters using a No. 7 iron. John is the son of Mr. and Mrs. Albert Peters, graduating from the local high school in '51.

John Peters

From then 'till now John attended college, graduating from Coe in Iowa last June. He is now training at Fort Knox, Kentucky, where he played touch football in his off hours. His team won the post championship, representing 70,000 boys. When army duty is over John intends to take up law, with pre-law study now behind him.

BOWLING IS BIG BUSINESS. It has certainly become the most popular sport in the country. Leading the bowling news this week are results of the women's tournament sponsored by Paddock Publications, and the greatest number of memberships in the "600 Club" ever listed. There are 22 bowlers who hit the pins solid enough to make the club this week.

Leading the parade is a woman bowler, Hazel Burnier of Arlington Heights, who has rated the 600 club many times, though never before with a 650 series. Included was a 245 game.

The gals were winderful to watch in the tournament Sunday at Bensenville, and the husbands whose Sunday dinners were disrupted didn't seem to mind at all. In fact, most of them were there, cheering for the girls. We made a few observations, including the award of "hardest working bowler," Sally Viger of Haberkamp Flowers, who constantly used "body English" to help her ball along.

Shortest team in the tournament was the Rolling Meadows group, sponsored by a milk company, (get it?), while the "Corsagest" team was Nebel Insurance, each girl wearing a pretty corsage so "in case they didn't bowl good, they'd at least look pretty," all a gift of their sponsor. Nebel Insurance was paired with Kirchhoff Insurance across 6 alleys, with a 20-payment-life hanging in the balance.

Home alleys advantage was a factor in the tournament as every Bensenville team finished in the money, except one, which finishd 11th.

Every squad started exactly on time, with the pin boys doing a wonderful job. They're a bunch of boys from a town in Tennessee that makes working in the alleys a community project. One youth is No. 5 from the same family, with 2 more boys not yet 16 but expected to be heard from in the future.

JULIUS McCOY, flashy Michigan State basketball forward, is well on his way towards re-writing the Michigan State scoring books as he leads his teammates into the rugged Big Ten title chase. In 8 games played, McCoy has scored an even 200 points for a 25-point average and a high ranking among the nation's scoring leaders. McCoy has been flirting with records ever since he stepped onto the Spartan court. As a sophomore, he set a season scoring mark of 409 points, breaking the former record of 351, set the previous year by teammate Al Ferrari. McCoy also tied the single game mark of 34 points.

Last year, with Forddy Anderson and his fast break replacing Pete Newell's ball-control style, McCoy matured into a beter all-around player, and a fine asset to the team in all phases of the game.

Although his scoring fell off to 368 points, he helped Ferrari set every Spartan scoring record: game, 35; season, 442; and career, 1,109. The Spartan court magician dropped in 45 points against Notre Dame for a new game mark. He needs a 17-plus point average in State's remaining games to break the season and career mark. And if he maintains his present 25-point rate, he could surpass both marks with ease and perhaps near the 500 point mark for the season.

IN SPITE OF those varsity losses in basketball and wrestling, Arlington athletic teams are continuing to show a profit, though some fans count only the cage scores . . . Wrestlers lost twice, cagers once this past weekend, but everyone else won, including frosh-soph wrestlers twice, JV cagers, frosh-soph and frosh cagers, and gymnasts . . . Frosh and JV cagers won overtimes at Glenbard . . . It can't be long until the crocus will bloom again, for Heights weight coach Bill Beckman has a large crew of weightmen working out with an indoor shot and homemade discus.

That indoor shot, same weight as outdoor variety but covered with leather and landing on triple thick mats, has been tossed 45-plus feet by 2 different boys to date.

Beckman also made an indoor discuss to give boys the feel of it, and form, though they can't let go . . . The platter is made of upholstery webbing . . . Arlington gymnasts will meet Senn of Chicago in a night meet at Heights Feb. 21 . . . Senn rates its chances to take the state title on how it fares against Arlington, so Coach Gay Hughes is certain to pull out all stops in this meet . . . Another sign of spring is meeting Monday night of officers and advisory board of Old Orchard scratch golf league . . . The league is planning to advance from 10 to 12 teams, have more even competition . . . Pvt. Ronnie Grace, AHHS class of '52, has been selected to play on all-battalion cage team, with 25 games scheduled throughout Germany.

★ ★ ★

THE WHITE SOX were American league champs in night ball, winning 31 of 45 arc contests for a .689 average . . . Recent wrestling winner for DeKalb against Central was George Olsen of Maine, who pinned at 167 in 1:25 . . . From Carthage comes word that Tom Bowersox, Heights grad, has been a big help with the cage squad, particularly in rebounding . . . Ted Caiazza of LaGrange has apparently been lost for the season at Illinois with a trick knee . . . Ted made 5 of 17 free throws for .471 percentage, which could go down as the season's team leader . . . Illini meet DePaul at the Stadium Jan. 28.

Norb Sargent of Arlington, junior letterman at Illinois, has developed into a capable wrestler at 130.

Junior John Marsh of Glenbard is co-captain of Grinnell college swimmers . . . Grayslake's Jay Hook is third in cage scoring for N. U. with a 10.6 average . . . Sophomore John Flora of LaGrange is a heavyweight on wrestling squad at Wisconsin, was awarded frosh numeral last year . . . Flora was a prep champion, and won state AAU consolation honors at 175 as a Badger freshman . . . York's Bill Pedersen competes for Wisconsin at 165.

Two Spartans have led Michigan State comebacks to victory in Rose Bowl games, both of them wearing No. 14 . . . It was Billy Wells in '54 and Walt Kowalczyk in '56 . . . Paxton Lumpkin, DuSable grad at Indiana, is shooting along at a .273 pace in field goal attempts . . . Hoosiers are dropping in free throws at a .767 pace, .25 above last year's Big Ten record setting figure.

Palatine Came Close To 1st Win Vs Grayslake

Friday night the second round of the 14 game home and home Northwest conference basketball schedule gets underway. The Fenton at Glenbrook tilt is the top attraction as the teams repeat their opening game assignments but with locations reversed.

Last time they met Glenbrook doubled the count on the Bisons, using their entire squad. There is a very good chance the tables will be turned this time.

Glenbrook has not improved as was anticipated while, except for brief slump the past two weeks, Fenton has been one of the best teams in the league.

Fenton dropped close decisions to Ela-Vernon and Grant the past two Fridays but has a well balanced team which can win at Glenbrook if their defense holds Boyd and Spalding fairly well in check.

* * *

THIS IS a do or die game for the Bisons as another defeat will eliminate them from any chance in the close race which has developed. Coach Novatney will likely use the lineup which operated intact most of the season with Tony Tecza and Bob Heinrich at forwards; Phil Johnson at center, and Lars Henricksen and Dave Helm at Guards.

Glenbrook has a 52-record tied with Wauconda for second place and must win if they hope to stay in the running with the leaders.

If Grant's gym is finally ready Ela-Vernon will put their league lead on the block up at Fox Lake. The Bears had a tight squeeze in their earlier game with Grant and as the Bulldogs have been improving of late this could be quite a battle. With Bossow and Grenell out for disciplinary reasons Grant has still shown to better advantage in their last two games and hope to make Ela play their own deliberate control type of game. If they can do this they can probably win. Ela depends on a press defense and may find most of the teams prepared the second round for this type of game.

* * *

GRAYSLAKE is the up and coming team of the Northwest conference and should have a real ball game at home with Antioch this Friday. The Rams have won their last two games after losing 5 in a row and it looks like number 3 coming up, particularly if Gale Peregrin keeps up his torrid scoring pace.

Peregrin has scored 58 points in the last two games to climb among the top scorers. Grayslake is playing a down court press defense and has been getting many quick baskets by intercepting passes in the front court.

* * *

PALATINE missed its chance for its first victory in 13 games Friday with Grayslake but might surprise a better team before the season is over. The Pirates were 3 points behind Grayslake with 2 minutes to go, but when the Rams stalled Palatine had to pull out of the zone and was beaten by 13 points. Wauconda toyed with the Pirates in the opening game but will have to really play ball to win this time.

The Pirates with Dick Wisner and Gerry Segebrecht hitting the loop consistently from the guard spot, and with Bob Coates, Pete Trenchard, Roy Hahnfeld, and Jordan Danforth handling the front court duties, is a ball team that is coming and will be very good a year hence.

Wauconda has played inconsistently at times. Last Friday Weinberg and Svec, who are depended upon to assist Gene Jaskot with the scoring, made just one field goal between them and there lies the tale of Wauconda's loss at Glenbrook. Then again Eddie Okpisz, 6-7 center, has his off nights. Palatine hopes to catch Wauconda when only part of the team is hitting and stage an upset.

In the frosh-soph division Fenton is undefeated with a 7-0 mark with Grayslake 6-1 and Antioch 5-2. Friday the little Bisons meet Glenbrook, a team which has beaten only Palatine, while Antioch and Grayslake are clashing in a duel for second place. It is a week for Fenton to gain on the field.

A CRUCIAL MOMENT was evident in the Palatine-Grayslake frosh-soph contest Friday night, though Grayslake was the winner, 69-56. Three Palatine boys seen, arms outstretched, are Bruce Crane (33), Bruce King (35) and Jerry Segebrecht (30). —Staff Photo

Lange Pharmacy Surprises To Win Women's Bowling

THE CHAMPIONS of the Paddock tournament Sunday were these smiling ladies, who knew what they had to shoot in their final game to win the tourney, and did it with 23 pins to spare. Lange Pharmacy, a Schiller Park druggist sponsoring this team in Bensenville Homemakers league at Trausch-Linden, won the title. Front row, Rose Schuster and Dottie Lange. Back row, Lillian Kilb, Carol Lowell and Juanita Brown. —Staff Photo

Lange Pharmacy of Schiller Park, member of Bensenville Homemakers league at Trausch-Linden Recreation, knew they had to hit 681 to win the Paddock Publications women's tournament Sunday.

They rolled 704 and walked off wiht top honors, pushing L&H Cleaners down to second spot. The Cleaners had led for 2 shifts with 2509 and appeared certain to take the title, the trophies, and $61.05.

* * *

ONCE AGAIN it was just a matter of each Lange bowler rolling 10 pins over her average each game in order to win the tournament. Lange averaged 612. Three times that figure for service, plus handicap, plus 10 pins per girl per game, totals 2534. The champions hit 2533.

Unofficial results and prize winnings are listed in adjoining columns. They'll become official in about a week after verification of winners' averages.

* * *

BENSENVILLE teams copped 1st, 2nd and 6th places. Wheeling teams took 3rd, 4th and 7th. Palatine squads copped 5th and 8th. An Arlington team took high game out of the money.

Thus ends another pair of Paddock bowling tourneys destined to become still larger next year. Last year the men's meet drew 42 teams, and was increased this time to 51. Three league representatives were turned down due to late entries.

The women's tourney drew 22 squads last year. This time it was 26. Just where next year's tournaments will be held will be announced in late August.

Women's Bowling Tourney Prize Winners

Here are prize winners for Paddock Publications women's tournament Sunday at Trausch-Linden Recreation, Bensenville. List is unofficial pending verification of averages.

Dan Striegel Scores Record 37 Pts. For Wheeling Graders

Wheeling School "A" team is again on the victory trail. Last Tuesday they snapped a two game losing streak by easily defeating Elk Grove. Hungry for a victory after two straight losses, the Wheeling "Bulldogs" trounced their opponents in a rough, tough battle.

The teams had difficulty getting started as the score remained tied at one all after a full two minutes of play.

Two quick baskets by Anthony Stavros, and Striegal gave Wheeling the lead, but Elk Grove rallied tying the score, and it looked like another close game. Fine rebounding by Fred Shipman, Terry Carlin, and Carl Lass, and the sharpshooting of Dan Striegal and Werner Henneberg, built a tremendous lead to remove any doubt about the outcome.

DAN STRIEGAL was high scorer with 37 points to break the gym scoring record of 30 points set by Wayne Brumm in 1951.

Wheeling was forced to play the last 3 minutes of the game with only 4 men as both Carl Lass and Anthony Stavros acquired the limit in personal fouls.

The "A" and "B" teams suffered their first and second losses of the season as they lost to Prospect Heights and St. James. Both teams have been handicapped by loss of key players who failed to meet scholastic requirements necessary to represent the school in outside activities.

The present "B" team members deserve special praise for the determination and effort they have shown in trying to win. Robert Diens, Donald Mielke, Carl Flink and Alan McGill never gave up trying to win though they have had very little playing experience.

Mount Prospect Graders Down Prospect Heights

Underdog Mt. Prospect defeated highly rated Prospect Heights in 2 thrilling basketball games Tuesday evening.

The lightweights jumped to an early lead in the second quarter, 15-5 and built up a 19-12 half time lead. The Eagles then fought off a Heights rally to win, 34-31.

Bob Hammerley with 16, Art Vesta with 6 and Fred Peterson with 4 points paced the junior Eagles. Prospect Heights was led by Johnson with 14.

* * *

THE HEAVYWEIGHT game was a replica of the lightweight game. Each team traded baskets in the first quarter with the score 14-12 in favor of the taller Prospect Heights team.

The Eagles left their zone and pressed Heights to a 26-22 half time lead. Again in the third quarter Heights hit from outside the Eagle zone to gain a 40-36 lead. Again the Mt. Prospect team pressed all court and took a 42-40 lead but with 1 minute left Heights took a 44 to 42 lead.

Last minute baskets by Kobi, and McMillan with 10 seconds left sewed the game up for Mount Prospect 46-44. High man for Mount Prospect was Kobi with 21, McMillan 12 and Esmond 6. Dave Selman put on almost a 1 man show for Heights scoring 28 points.

Arlington Jr. High Splits

Arlington Heights junior high school basketball teams gained an even split at Algonquin junior high in Des Plaines Friday, the lights winning, 46-23, but the heavies losing, 45-19.

Coach Ted Wissen's Arlington lights gained a 10-2 opening period lead, with Bob Inman scoring from the field 3 times. Jim Kennedy, Phil Gustafson and Capt. Ricky Spomer each scored a pair of buckets the second quarter to boost the lead to 26-14 at halftime.

Margins of 11-7 and 9-2 the other 2 periods were good enough to win. Inman counted 13 points for the winners, Kennedy and Gustafson 10, and Bill Lips 8. Wells was high for the losers with 11.

NO SCORING punch was evident for Coach Bob Spinks heavyweights. Algonquin led at the quarters, 8-5, 24-10, and 42-13.

Chalking up 2 baskets apiece for the Heights heavies were Fred Empkie, Bruce Fichte and Ricky Johnston. Terbell and Mike Kent each dropped in 1. High for the winners was Reid with 16 points.

Twenty-two Michigan State football players have won All-American honors. All but three of the total have been picked since 1949.

Cards On Road Second Week In A Row

Arlington's basketball Cards travel into the Devil's pit at Hinsdale Friday night, hoping to do better than last time when the Red Devils trounced the Lester-men, 63-55. If the locals can play as well as they did the first half against York it could mean a Heights victory. But if the Cardinals lag again as they did that second half at Elmhurst, they'll drop into seventh place.

On frosh-soph level it's a much different situation. Coach Maurice Klotz has his 5 resting in second place, 2 games behind LaGrange. Last time Arlington won, 43-24, and the local second year squad is aiming for more of the same.

* * *

SECOND QUARTER against York saw the Cardinal varsity fare as well as any period all year. Their reactions slowed going into the third frame, however, with the boys tightening in the final frame. Slow reactions meant more fouls, with Heights ahead of the Red Devils, 25-15, in this lamentable category.

Those fouls were costly. Hinsdale was making their free throws, Arlington wasn't. In fact, the Red Devils counted 9 in a row to go ahead of Heights in that fateful third segment. The locals made good on 43% of their field goal attempts, a new high, outscoring Hinsdale from the field by 8 points. But the pay off is on total score, and that left York and Heights tied for sixth place.

* * *

ALAN HUTCHINSON was the bright light in the Heights frosh-soph 38-35 win over York. Bruce Bjorklund continues to be sick, with Alan stepping in and doing a fine job. He showed good possibilities for the future.

York had the height advantage, but Bob Lockwood, Sam Caltagiron and Jack Weber controlled the boards most of the time. York didn't appear able to take advantage of its heighth. Heights had been ahead by 9, bogged down and was tied, then spurted again in the final minute to win. It was the frosh-soph's best defensive game of the year and gives the Klotz-men a 9-2 record.

Palatine Wrestlers Los To Maine

Palatine wrestlers lost a double header at Maine township high on Tuesday afternoon. The varsity lost 28-14 and the frosh-sophs 33-3. Leonard Rohde, John Dilks, and Jim McCreery maintained their undefeated records in dual matches by winning in the heavyweight.

Palatine's only other variety winner was aDn Kusek who took a 6-2 decision in the 95 pound weight. Rohde pinned his opponent in 2:24, Dilks won 2-1 and McCreery 4-0. Bill Sweet at 95 pounds was Palatine's only frosh-soph winner. Maine's varsity was one of the best teams the Pirates have wrestled having beaten Waukegan and lost to New Trier by 1 point.

Today (Thursday) Palatine will wrestle the strong York team at home in afternoon matches at 4:00. There will be no admission charged.

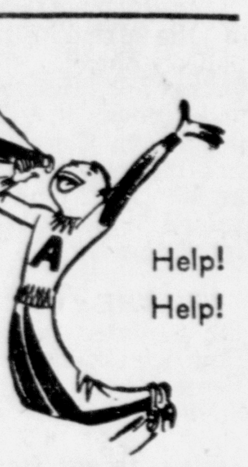
Hinsdale To Be Tough For Arlington This Friday

KICKIN' IT AROUND



by Bob Paddock

THIS WEEK'S SALUTE to a local man, continuing athletic activities after graduation from high school, goes to John Peters of Arlington Heights. John recently played golf "one last time" before going into service this past fall, and scored a hole-in-one at Manchester, Iowa, country club. The hole was a 3-par, 135 yarder, with Peters using a No. 7 iron. John is the son of Mr. and Mrs. Albert Peters, graduating from the local high school in '51.

John Peters

From then 'till now John attended college, graduating from Coe in Iowa last June. He is now training at Fort Knox, Kentucky, where he played touch football in his off hours. His team won the post championship, representing 70,000 boys. When army duty is over John intends to take up law, with pre-law study now behind him.

BOWLING IS BIG BUSINESS. It has certainly become the most popular sport in the country. Leading the bowling news this week are results of the women's tournament sponsored by Paddock Publications, and the greatest number of memberships in the "600 Club" ever listed. There are 22 bowlers who hit the pins solid enough to make the club this week.

Leading the parade is a woman bowler, Hazel Burnier of Arlington Heights, who has rated the 600 club many times, though never before with a 650 series. Included was a 245 game.

The gals were winderful to watch in the tournament Sunday at Bensenville, and the husbands whose Sunday dinners were disrupted didn't seem to mind at all. In fact, most of them were there, cheering for the girls. We made a few observations, including the award of "hardest working bowler," Sally Viger of Haberkamp Flowers, who constantly used "body English" to help her ball along.

Shortest team in the tournament was the Rolling Meadows group, sponsored by a milk company, (get it?), while the "Corsagest" team was Nebel Insurance, each girl wearing a pretty corsage so "in case they didn't bowl good, they'd at least look pretty," all a gift of their sponsor. Nebel Insurance was paired with Kirchhoff Insurance across 6 alleys, with a 20-payment-life hanging in the balance.

Home alleys advantage was a factor in the tournament as every Bensenville team finished in the money, except one, which finishd 11th.

Every squad started exactly on time, with the pin boys doing a wonderful job. They're a bunch of boys from a town in Tennessee that makes working in the alleys a community project. One youth is No. 5 from the same family, with 2 more boys not yet 16 but expected to be heard from in the future.

JULIUS McCOY, flashy Michigan State basketball forward, is well on his way towards re-writing the Michigan State scoring books as he leads his teammates into the rugged Big Ten title chase. In 8 games played, McCoy has scored an even 200 points for a 25-point average and a high ranking among the nation's scoring leaders. McCoy has been flirting with records ever since he stepped onto the Spartan court. As a sophomore, he set a season scoring mark of 409 points, breaking the former record of 351, set the previous year by teammate Al Ferrari. McCoy also tied the single game mark of 34 points.

Last year, with Forddy Anderson and his fast break replacing Pete Newell's ball-control style, McCoy matured into a beter all-around player, and a fine asset to the team in all phases of the game.

Although his scoring fell off to 368 points, he helped Ferrari set every Spartan scoring record: game, 35; season, 442; and career, 1,109. The Spartan court magician dropped in 45 points against Notre Dame for a new game mark. He needs a 17-plus point average in State's remaining games to break the season and career mark. And if he maintains his present 25-point rate, he could surpass both marks with ease and perhaps near the 500 point mark for the season.

IN SPITE OF those varsity losses in basketball and wrestling, Arlington athletic teams are continuing to show a profit, though some fans count only the cage scores . . . Wrestlers lost twice, cagers once this past weekend, but everyone else won, including frosh-soph wrestlers twice, JV cagers, frosh-soph and frosh cagers, and gymnasts . . . Frosh and JV cagers won overtimes at Glenbard . . . It can't be long until the crocus will bloom again, for Heights weight coach Bill Beckman has a large crew of weightmen working out with an indoor shot and homemade discus.

That indoor shot, same weight as outdoor variety but covered with leather and landing on triple thick mats, has been tossed 45-plus feet by 2 different boys to date.

Beckman also made an indoor discus to give boys the feel of it, and form, though they can't let go . . . The platter is made of upholstery webbing . . . Arlington gymnasts will meet Senn of Chicago in a night meet at Heights Feb. 21 . . . Senn rates its chances to take the state title on how it fares against Arlington, so Coach Gay Hughes is certain to pull out all stops in this meet . . . Another sign of spring is meeting Monday night of officers and advisory board of Old Orchard scratch golf league . . . The league is planning to advance from 10 to 12 teams, have more even competition . . . Pvt. Ronnie Grace, AHHS class of '52, has been selected to play on all-battalion cage team, with 25 games scheduled throughout Germany.

★ ★ ★

THE WHITE SOX were American league champs in night ball, winning 31 of 45 arc contests for a .689 average . . . Recent wrestling winner for DeKalb against Central was George Olsen of Maine, who pinned at 167 in 1:25 . . . From Carthage comes word that Tom Bowersox, Heights grad, has been a big help with the cage squad, particularly in rebounding . . . Ted Caiazza of LaGrange has apparently been lost for the season at Illinois with a trick knee . . . Ted made 5 of 17 free throws for .471 percentage, which could go down as the season's team leader . . . Illini meet DePaul at the Stadium Jan. 28.

Norb Sargent of Arlington, junior letterman at Illinois, has developed into a capable wrestler at 130.

Junior John Marsh of Glenbard is co-captain of Grinnell college swimmers . . . Grayslake's Jay Hook is third in cage scoring for N. U. with a 10.6 average . . . Sophomore John Flora of LaGrange is a heavyweight on wrestling squad at Wisconsin, was awarded frosh numeral last year . . . Flora was a prep champion, and won state AAU consolation honors at 175 as a Badger freshman . . . York's Bill Pedersen competes for Wisconsin at 165.

Two Spartans have led Michigan State comebacks to victory in Rose Bowl games, both of them wearing No. 14 . . . It was Billy Wells in '54 and Walt Kowalczyk in '56 . . . Paxton Lumpkin, DuSable grad at Indiana, is shooting along at a .273 pace in field goal attempts . . . Hoosiers are dropping in free throws at a .767 pace, .25 above last year's Big Ten record setting figure.

Palatine Came Close To 1st Win Vs Grayslake

Friday night the second round of the 14 game home and home Northwest conference basketball schedule gets underway. The Fenton at Glenbrook tilt is the top attraction as the teams repeat their opening game assignments but with locations reversed.

Last time they met Glenbrook doubled the count on the Bisons, using their entire squad. There is a very good chance the tables will be turned this time.

Glenbrook has not improved as was anticipated while, except for brief slump the past two weeks, Fenton has been one of the best teams in the league.

Fenton dropped close decisions to Ela-Vernon and Grant the past two Fridays but has a well balanced team which can win at Glenbrook if their defense holds Boyd and Spalding fairly well in check.

* * *

THIS IS a do or die game for the Bisons as another defeat will eliminate them from any chance in the close race which has developed. Coach Novatney will likely use the lineup which operated intact most of the season with Tony Tecza and Bob Heinrich at forwards; Phil Johnson at center, and Lars Henricksen and Dave Helm at Guards.

Glenbrook has a 52-record tied with Wauconda for second place and must win if they hope to stay in the running with the leaders.

If Grant's gym is finally ready Ela-Vernon will put their league lead on the block up at Fox Lake. The Bears had a tight squeeze in their earlier game with Grant and as the Bulldogs have been improving of late this could be quite a battle. With Bossow and Grenell out for disciplinary reasons Grant has still shown to better advantage in their last two games and hope to make Ela play their own deliberate control type of game. If they can do this they can probably win. Ela depends on a press defense and may find most of the teams prepared the second round for this type of game.

* * *

GRAYSLAKE is the up and coming team of the Northwest conference and should have a real ball game at home with Antioch this Friday. The Rams have won their last two games after losing 5 in a row and it looks like number 3 coming up, particularly if Gale Peregrin keeps up his torrid scoring pace.

Peregrin has scored 58 points in the last two games to climb among the top scorers. Grayslake is playing a down court press defense and has been getting many quick baskets by intercepting passes in the front court.

* * *

PALATINE missed its chance for its first victory in 13 games Friday with Grayslake but might surprise a better team before the season is over. The Pirates were 3 points behind Grayslake with 2 minutes to go, but when the Rams stalled Palatine had to pull out of the zone and was beaten by 13 points. Wauconda toyed with the Pirates in the opening game but will have to really play ball to win this time.

The Pirates with Dick Wisner and Gerry Segebrecht hitting the loop consistently from the guard spot, and with Bob Coates, Pete Trenchard, Roy Hahnfeld, and Jordan Danforth handling the front court duties, is a ball team that is coming and will be very good a year hence.

Wauconda has played inconsistently at times. Last Friday Weinberg and Svec, who are depended upon to assist Gene Jaskot with the scoring, made just one field goal between them and there lies the tale of Wauconda's loss at Glenbrook. Then again Eddie Okpisz, 6-7 center, has his off nights. Palatine hopes to catch Wauconda when only part of the team is hitting and stage an upset.

In the frosh-soph division Fenton is undefeated with a 7-0 mark with Grayslake 6-1 and Antioch 5-2. Friday the little Bisons meet Glenbrook, a team which has beaten only Palatine, while Antioch and Grayslake are clashing in a duel for second place. It is a week for Fenton to gain on the field.

A CRUCIAL MOMENT was evident in the Palatine-Grayslake frosh-soph contest Friday night, though Grayslake won, 69-56. Three Palatine boys seen, arms outstretched, are Bruce Crane (33), Bruce King (35) and Jerry Segebrecht (30). —Staff Photo

Lange Pharmacy Surprises To Win Women's Bowling

THE CHAMPIONS of the Paddock tournament Sunday were these smiling ladies, who knew what they had to shoot in their final game to win the tourney, and did it with 23 pins to spare. Lange Pharmacy, a Schiller Park druggist sponsoring this team in Bensenville Homemakers league at Trausch-Linden, won the title. Front row, Rose Schuster and Dottie Lange. Back row, Lillian Kilb, Carol Lowell and Juanita Brown. —Staff Photo

Lange Pharmacy of Schiller Park, member of Bensenville Homemakers league at Trausch-Linden Recreation, knew they had to hit 681 to win the Paddock Publications women's tournament Sunday.

They rolled 704 and walked off wiht top honors, pushing L&H Cleaners down to second spot. The Cleaners had led for 2 shifts with 2509 and appeared certain to take the title, the trophies, and $61.05.

* * *

ONCE AGAIN it was just a matter of each Lange bowler rolling 10 pins over her average each game in order to win the tournament. Lange averaged 612. Three times that figure for service, plus handicap, plus 10 pins per girl per game, totals 2534. The champions hit 2533.

Unofficial results and prize winnings are listed in adjoining columns. They'll become official in about a week after verification of winners' averages.

BENSENVILLE teams copped 1st, 2nd and 6th places. Wheeling teams took 3rd, 4th and 7th. Palatine squads copped 5th and 8th. An Arlington team took high game out of the money.

Thus ends another pair of Paddock bowling tourneys destined to become still larger next year. Last year the men's meet drew 42 teams, and was increased this time to 51. Three league representatives were turned down due to late entries.

The women's tourney drew 22 squads last year. This time it was 26. Just where next year's tournaments will be held will be announced in late August.

Dan Striegel Scores Record 37 Pts. For Wheeling Graders

Wheeling School "A" team is again on the victory trail. Last Tuesday they snapped a two game losing streak by easily defeating Elk Grove. Hungry for a victory after two straight losses, the Wheeling "Bulldogs" trounced their opponents in a rough, tough battle.

The teams had difficulty getting started as the score remained tied at one all after a full two minutes of play.

Two quick baskets by Anthony Stavros, and Striegal gave Wheeling the lead, but Elk Grove rallied tying the score, and it looked like another close game. Fine rebounding by Fred Shipman, Terry Carlin, and Carl Lass, and the sharpshooting of Dan Striegal and Werner Henneberg, built a tremendous lead to remove any doubt about the outcome.

DAN STRIEGAL was high scorer with 37 points to break the gym scoring record of 30 points set by Wayne Brumm in 1951.

Wheeling was forced to play the last 3 minutes of the game with only 4 men as both Carl Lass and Anthony Stavros acquired the limit in personal fouls.

The "A" and "B" teams suffered their first and second losses of the season as they lost to Prospect Heights and St. James. Both teams have been handicapped by loss of key players who failed to meet scholastic requirements necessary to represent the school in outside activities.

The present "B" team members deserve special praise for the determination and effort they have shown in trying to win. Robert Diens, Donald Mielke, Carl Flink and Alan McGill never gave up trying to win though they have had very little playing experience.

Mount Prospect Graders Down Prospect Heights

Underdog Mt. Prospect defeated highly rated Prospect Heights in 2 thrilling basketball games Tuesday evening.

The lightweights jumped to an early lead in the second quarter, 15-5 and built up a 19-12 half time lead. The Eagles then fought off a Heights rally to win, 34-31.

Bob Hammerley with 16, Art Vesta with 6 and Fred Peterson with 4 points paced the junior Eagles. Prospect Heights was led by Johnson with 14.

* * *

THE HEAVYWEIGHT game was a replica of the lightweight game. Each team traded baskets in the first quarter with the score 14-12 in favor of the taller Prospect Heights team.

The Eagles left their zone and pressed Heights to a 26-22 half time lead. Again in the third quarter Heights hit from outside the Eagle zone to gain a 40-36 lead. Again the Mt. Prospect team pressed all court and took a 42-40 lead but with 1 minute left Heights took a 44 to 42 lead.

Last minute baskets by Kobi, and McMillan with 10 seconds left sewed the game up for Mount Prospect 46-44. High man for Mount Prospect was Kobi with 21, McMillan 12 and Esmond 6. Dave Selman put on almost a 1 man show for Heights scoring 28 points.

Arlington Jr. High Splits

Arlington Heights junior high school basketball teams gained an even split at Algonquin junior high in Des Plaines Friday, the lights winning, 46-23, but the heavies losing, 45-19.

Coach Ted Wissen's Arlington lights gained a 10-2 opening period lead, with Bob Inman scoring from the field 3 times. Jim Kennedy, Phil Gustafson and Capt. Ricky Spomer each scored a pair of buckets the second quarter to boost the lead to 26-14 at halftime.

Margins of 11-7 and 9-2 the other 2 periods were good enough to win. Inman counted 13 points for the winners, Kennedy and Gustafson 10, and Bill Lips 8. Wells was high for the losers with 11.

NO SCORING punch was evident for Coach Bob Spinks heavyweights. Algonquin led at the quarters, 8-5, 24-10, and 42-13.

Chalking up 2 baskets apiece for the Heights heavies were Fred Empkie, Bruce Fichte and Ricky Johnston. Terbell and Mike Kent each dropped in 1. High for the winners was Reid with 16 points.

Twenty-two Michigan State football players have won All-American honors. All but three of the total have been picked since 1949.

Cards On Road Second Week In A Row

Arlington's basketball Cards travel into the Devil's pit at Hinsdale Friday night, hoping to do better than last time when the Red Devils trounced the Lester-men, 63-55. If the locals can play as well as they did the first half against York it could mean a Heights victory. But if the Cardinals lag again as they did that second half at Elmhurst, they'll drop into seventh place.

On frosh-soph level it's a much different situation. Coach Maurice Klotz has his 5 resting in second place, 2 games behind LaGrange. Last time Arlington won, 43-24, and the local second year squad is aiming for more of the same.

SECOND QUARTER against York saw the Cardinal varsity fare as well as any period all year. Their reactions slowed going into the third frame, however, with the boys tightening in the final frame. Slow reactions meant more fouls, with Heights ahead of the Red Devils, 25-15, in this lamentable category.

Those fouls were costly. Hinsdale was making their free throws, Arlington wasn't. In fact, the Red Devils counted 9 in a row to go ahead of Heights in that fateful third segment. The locals made good on 43% of their field goal attempts, a new high, outscoring Hinsdale from the field by 8 points. But the pay off is on total score, and that left York and Heights tied for sixth place.

York had the height advantage, but Bob Lockwood, Sam Caltagiron and Jack Weber controlled the boards most of the time. York didn't appear able to take advantage of its heighth. Heights had been ahead by 9, bogged down and was tied, then spurted again in the final minute to win. It was the frosh-soph's best defensive game of the year and gives the Klotz-men a 9-2 record.

Palatine Wrestlers Los To Maine

Palatine wrestlers lost a double header at Maine township high on Tuesday afternoon. The varsity lost 28-14 and the frosh-sophs 33-3. Leonard Rohde, John Dilks, and Jim McCreery maintained their undefeated records in dual matches by winning in the heavyweight.

Palatine's only other variety winner was aDn Kusek who took a 6-2 decision in the 95 pound weight. Rohde pinned his opponent in 2:24, Dilks won 2-1 and McCreery 4-0. Bill Sweet at 95 pounds was Palatine's only frosh-soph winner. Maine's varsity was one of the best teams the Pirates have wrestled having beaten Waukegan and lost to New Trier by 1 point.

Today (Thursday) Palatine will wrestle the strong York team at home in afternoon matches at 4:00. There will be no admission charged.

THE MIDPOINT has been reached in the Northwest conference schedule as each team has met each of the others. We have reached the conclusion thre is no team in the conference up to the class of the last 3 Antioch champions or the 4 Barrington title winners preceding them.

There seems to be no team consistent and well balanced. All have decided weaknesses.

Also there are few good players who are consistent performers from week to week. And in this off year in the conference Palatine is the poorest with both teams.

A LOCAL ASSISTANT COACH, Dean Harshbarger, who watched all the teams play early in the season, commented to us some time ago he thought Ela-Vernon had the best coached team in the league. His diagnosis has proved correct for Ela has won most of the crucial games and is now on top of the heap all alone with a 6-1 record.

Glenbrook has the best offensive record and second best on defense. Ela is second on offense and fourth in defense.

Al Bathrick has been the scoring sensation of the league to lead the Ela team. Lynn Becker has scored well for Coach Norm Ladd's team but Lee Bathrick at center has not come up to expectations. If he continues to hit like he did last Friday when he scored one third of his points made this season the Bears could breeze through the rest of their league schedule.

* * *

WE HAVE DECIDED after picking Wauconda to whip Glenbrook and saying that Fenton was going to stay right in the race, that we better go a bit slow in our rash predictions. Grant bumped Fenton and Glenbrook knocked Wauconda out of the lead. Fenton will now just about have to sweep the final seven games to have any chance. It was a mighty costly defeat, that 57-56 score Friday.

Grant and Antioch can be the spoilers in the second half as both are good enough to beat any of the other teams and are improving. Grant will have all its remaining games at home, which should be an advantage if the Bulldogs get used to their new gym sufficiently to give them an edge.

* * *

THE NORTHWEST CONFERENCE is not faring very well this year in competition with teams from the North Suburban. Early in the season Antioch nosed out Libertyville, and Wauconda nipped Warren by one point, but lately it has all been the other way. Ela, leading the Northwest, has been beaten by Lake Forest and Zion, Wauconda has been beaten by Zion, Palatine has lost to Barrington, Libertyville, and Crystal Lake, and Glenbrook was dropped by Lake Forest.

Chuck Hohfelder, who was a forward on one of Barrington's best cage teams, is currently leading the CCI in free throwing with 33 out of 38 for Illinois Wesleyan and a percentage of .868. Tony Banks of Lake Forest tops the league in points as well as field goal percentage with an amazing mark from the field of 61.7%.

* * *

THERE IS NO CHANGE this year in the lineup of teams in the regional tournaments which feed into the Arlington Heights sectional. Early favorite are New Trier from the Evanston regional, Barrington or Arlington Heights from the Palatine regional, Crystal Lake or Elgin from the Crystal Lake regional, and Sycamore from the regional which completes the quartet of sectional competitors.

The winner of the Arlington sectional will play the Chicago winner at McGaw field house, Northwestern university, in the first round game of the new state tournament setup.

A criteria used by many coaches and sports, writers to determine who goes to the state tournament is the outcome of the annual big frosh-soph tournament held at Belvidere. So far it has been a pretty accurate barometer of future cage success. West Rockford won it two years ago. Last year Elgin was the winner and may not be quite ready with their junior and sophomore boys this year but just wait and see what the Maroons do next year. West Rockford won the state title with largely a junior team and may likely repeat this year.

VARIOUS COMPANIES which specialize in accident insurance for school sports have come forth with information which indicates that football contributes 86.3% of the athletic injuries suffered by prep school athletes. Football has 10 times as many injuries as basketball, second on the list.

As far as we know the Northwest conference has no standings in frosh basketball and this paper makes no attempt to compile the results. However, the Waukegan News Sun states concerning a recent Grayslake win over Glenbrook that the Rams are in second place in the frosh standings with but one loss in six games.

Grayslake won at Palatine Saturday morning for their sixth victory. Antioch, we surmise, must be the undefeated leader among the frosh teams. With the Grayslake frosh-soph team holding a league record of 6-1 and Antioch 5-2 it looks like this pair of schools who share in the benefits of the good material and good grade school program of the Diamond Lake School will be the teams to watch two years hence. Both have the majority of their frosh regulars towering over the six foot mark.

Ela-Vernon Takes Lead With Win Over Antioch

Ela-Vernon took over the undisputed lead in the Northwest conference basketball competition at the half way mark in the league schedule by beating Antioch Friday 70-65 while Wauconda was dropping a 58-50 game at Glenbrook. The Bathrick brothers, Al and Lee, scored 20 and 19 points respectively to give Ela a close victory.

A 7 point edge in the second quarter when Ela got 24 points was the clincher. Herbst had 16 and Al Reckers 15 for the losers. It was Antioch's fifth defeat in 7 games and Ela's sixth victory.

Antioch took the frosh-soph game 42-28 for a 5-2 record.

GLENBROOK TOOK an 18-10 lead on Wauconda in the first period and that was the margin at the finish, 58-50. Bob Boyd and Sheldon Spalding each scored 18 for the Glenbrook Spartans who are now tied with Wauconda for second place with 5-2 records. Gene Jaskot got little help from his mates.

Jaskot got 9 of Wauconda's 15 field goals and a total of 23 points. Eddie Okpisz scored 16. Wauconda won the frosh-soph preliminary 43-31.

Palatine Loses Slight Half Time Lead To Grayslake

by JOE GODDARD

The Grayslake Rams, last week conquerors of highly rated Glenbrook, rallied to overcome a Palatine Pirate half time lead and breezed to victory 69 to 56 in a game at Palatine Friday.

The Rams were again paced by red-hot captain Gale Peregrin who tallied 27 points, most of which came when badly needed.

Grayslake began the game with an all court press that threw the Pirates off balance and put them down by 10 points early in the game but a successful second quarter gave Palatine a 30-28 lead.

THE PIRATES managed to keep even throughout most of the third quarter but Grayslake suddenly found the mark and led at quarters end, 47-43. The game was busted wide open in the final period, however, when Roy Hahnfeld and Pete Trenchard fouled out for the Pirates and Grayslake pulled away easily. Little playmaker guard Hunziker and forward Ritta scored 15 and 13 points to follow Peregrin.

Palatine's scorers were pretty well bunched together with Hahnfeld and Rich Wisner both totaling 13 points while Gerry Segebrecht scored 12. It was the shooting of Segebrecht that kept Palatine in the game until Grayslake sewed it up.

Fenton Frosh-Sophs Continue League Unbeaten String To 7

by MAX ZOLLNER

Fenton's frosh-sophs finished the first round of conference play, leading the league with 7 wins and 0 losses. The Bisons seventh victory came Friday night as they defeated Grant 50-38 on the locals court.

Balanced scoring paid off for the Bisons as three of them scored in double figures. Terry Biefeld was high man with 15. Bernie Sell and Chuck Christiansen followed with 12 and 11 points respectively. Tops for the Bulldogs were Klein and Klazura as they hit for 11 and 10 points.

* * *

FIRST HALF play was slow with Fenton taking a first quarter lead of 8-5 and maintaining this advantage at the half 19-16.

The Bisons were red hot in the third stanza scoring 21 tallies to Grant's 6. Leading the Fenton squad was Chuck Christiansen with 6 while Bernie Sell and Terry Biefeld each hit for 5 points.

Coach Bill Jonkheer cleared the Bison bench in the final quarter as the Bulldogs put on a fourth period rally but were unable to overcome the Bisons lead.

Pirate Sophs Swamped By Grayslake, 53-27

by GEOFFREY JOHN

Palatine's sophomore team was defeated for the eighth straight time by the Grayslake Rams, 53-27, at Palatine last Friday night.

Grayslake pressed from the opening minutes of the game which was too much for Palatine to handle. The first quarter was fairly even with Palatine controlling the backboards. Grayslake held a slight edge, 12-8, as the quarter ended. The Rams' speed and ball handling was too much for Palatine in the second quarter. Sherman led Grayslake to a 24-13 lead as the half ended.

* * *

THE THIRD and fourth quarters were just as bad as the first and second. The third quarter ended with the Rams ahead by the score of 43-21. The fourth quarter was the same story as the other 3 quarters. Grayslake increased their lead all through the fourth quarter to win, 53-27.

Grayslake's pressing and speed was too much for Palatine. The individual high scorer for Grayslake was Sherman with 10 points. The high scorers for Palatine were Bob Elms and Bruce King with 8 points apiece. Eleven boys contributed to the Grayslake point total.

Averages of Boston Red Sox hitters show that the indestructible Ted Williams was the team's batting champ any way you look at it, says The Sporting News. Ted's average in home games was towering .390, which was 30 points better than Billy Goodman's .360. On the road, Ted hit .318, which was 45 points better than Sammy White's and Bill Klaus' marks of .273, who were second best away from home.

Fenton Back In Form To Whip North Chicago In Overtime

by BIL LRIPPERGER

Fenton, returning to their winning ways Saturday night, whipped the North Chicago Warhawks, 64-60, in an overtime. John Boyle, who proved to be almost a one man team for the Warhawks, set a record for points scored on Fenton's new floor. The little guard pushed through 15 jump shots and 7 free throws in seven attempts, a total of 37 points.

Two men scored 41 points for Fenton. Bison center, Bob Heinrich, dropped in 11 field goals and 5 free throws for 27 points, including six during the overtime period. Lars Henriksen tallied 14.

* * *

THROUGHOUT the opening period, the lead changed hands many times. The Warhawks ended up on top, 12-10. Boyle started hitting in the second period and North Chicago expanded their lead to 7 points, 26-19, at halftime. Heinrich scored 6 of Fenton's nine points in the period.

The Bisons' scoring picked up in the third quarter and they pulled ahead, 40-35. Henriksen, Tecza and Heinrich scored 5, 6, and 7 points in that order for Fenton. North Chicago's Boyle caught fire in the last stanza. He drilled in 16 points as the Warhawks gained a 55-55 tie at the end of regulation time.

* * *

IN THE OVERTIME period Boyle netted two jump shots, but Heinrich countered with two for Fenton. Leon Langguth dropped in a field goal to send the Bisons ahead, 61-59. 6'5" Michalski sank a free throw for North Chicago, but Fenton's Phil Johnson also scored on a charity.

The Bisons then went into a stall with 40 seconds remaining in the overtime and the score standing 62-60, Fenton. While trying to get the ball, North Chicago fouled Bob Heinrich. Bob netted both free tosses, giving the Bisons a 4 point lead. The game ended with the score in favor of Fenton, 64-60.

Fenton Suffers 2nd Loss In Row To Grant, 57-56

by BILL RIPPERGER

Grant edged Fenton, 57-56 Friday, to hand the Bisons their second league defeat in a row. The game was originally scheduled to be played at Grant, but, due to the Bulldogs' unfinished gym, it was played on the Bison floor.

Little Denny Hodge paced the victors with 20 points, high total for the game. Other Grant scorers include Tierney with 13 points and Newaman with 12. Each of Fenton's "big four" scored in double figures. Phil Johnson collected 6 baskets and four charities for 16 points, while Tecza tallied 13, Heinrich 11, and Henriksen 10.

* * *

THE BISONS worked well in the first period and jumped ahead 21-17. Johnson and Dave Helms each added six points to the effort. Hodge and Tierney combined for 13 of Grant's points.

Bison scoring dropped to 10 points in the second stanza, while the Bulldogs tallied 18. All of Grant's players figured in this drive. Bob Heinrich and Lars Henriksen accounted for 9 of Fenton's points.

* * *

TRAILING 35-31 at the beginning of the third period, the Fenton five, with the aid of Phil Johnson's 7 points, pulled up to within one point of the Bulldogs, 47-46.

Despite the efforts of Heinrich and Tony Tecza, Grant still managed to keep their one point lead in the last quarter. Hodge dropped in 3 free throws in the closing minutes of the game to help the Bulldogs stay ahead until the final whistle.

A criteria used by many coaches and sports writers to determine who goes to the state tournament is the outcome of the annual big frosh-soph tournament held at Belvidere. So far it has been a pretty accurate barometer of future cage success. West Rockford won it two years ago. Last year Elgin was the winner and may not be quite ready with their junior and sophomore boys this year but just wait and see what the Maroons do next year. West Rockford won the state title with largely a junior team and may likely repeat this year.

VARIOUS COMPANIES which specialize in accident insurance for school sports have come forth with information which indicates that football contributes 86.3% of the athletic injuries suffered by prep school athletes. Football has 10 times as many injuries as basketball, second on the list.

As far as we know the Northwest conference has no standings in frosh basketball and this paper makes no attempt to compile the results. However, the Waukegan News Sun states concerning a recent Grayslake win over Glenbrook that the Rams are in second place in the frosh standings with but one loss in six games.

Grayslake won at Palatine Saturday morning for their sixth victory. Antioch, we surmise, must be the undefeated leader among the frosh teams. With the Grayslake frosh-soph team holding a league record of 6-1 and Antioch 5-2 it looks like this pair of schools who share in the benefits of the good material and good grade school program of the Diamond Lake School will be the teams to watch two years hence. Both have the majority of their frosh regulars towering over the six foot mark.

Ela-Vernon Takes Lead With Win Over Antioch

Ela-Vernon took over the undisputed lead in the Northwest conference basketball competition at the half way mark in the league schedule by beating Antioch Friday 70-65 while Wauconda was dropping a 58-50 game at Glenbrook. The Bathrick brothers, Al and Lee, scored 20 and 19 points respectively to give Ela a close victory.

A 7 point edge in the second quarter when Ela got 24 points was the clincher. Herbst had 16 and Al Reckers 15 for the losers. It was Antioch's fifth defeat in 7 games and Ela's sixth victory.

Antioch took the frosh-soph game 42-28 for a 5-2 record.

Palatine Loses Slight Half Time Lead To Grayslake

by JOE GODDARD

The Grayslake Rams, last week conquerors of highly rated Glenbrook, rallied to overcome a Palatine Pirate half time lead and breezed to victory 69 to 56 in a game at Palatine Friday.

The Rams were again paced by red-hot captain Gale Peregrin who tallied 27 points, most of which came when badly needed.

Grayslake began the game with an all court press that threw the Pirates off balance and put them down by 10 points early in the game but a successful second quarter gave Palatine a 30-28 lead.

THE PIRATES managed to keep even throughout most of the third quarter but Grayslake suddenly found the mark and led at quarters end, 47-43. The game was busted wide open in the final period, however, when Roy Hahnfeld and Pete Trenchard fouled out for the Pirates and Grayslake pulled away easily. Little playmaker guard Hunziker and forward Ritta scored 15 and 13 points to follow Peregrin.

Palatine's scorers were pretty well bunched together with Hahnfeld and Rich Wisner both totaling 13 points while Gerry Segebrecht scored 12. It was the shooting of Segebrecht that kept Palatine in the game until Grayslake sewed it up.

Fenton Frosh-Sophs Continue League Unbeaten String To 7

by MAX ZOLLNER

Fenton's frosh-sophs finished the first round of conference play, leading the league with 7 wins and 0 losses. The Bisons seventh victory came Friday night as they defeated Grant 50-38 on the locals court.

Balanced scoring paid off for the Bisons as three of them scored in double figures. Terry Biefeld was high man with 15. Bernie Sell and Chuck Christiansen followed with 12 and 11 points respectively. Tops for the Bulldogs were Klein and Klazura as they hit for 11 and 10 points.

* * *

FIRST HALF play was slow with Fenton taking a first quarter lead of 8-5 and maintaining this advantage at the half 19-16.

The Bisons were red hot in the third stanza scoring 21 tallies to Grant's 6. Leading the Fenton squad was Chuck Christiansen with 6 while Bernie Sell and Terry Biefeld each hit for 5 points.

Coach Bill Jonkheer cleared the Bison bench in the final quarter as the Bulldogs put on a fourth period rally but were unable to overcome the Bisons lead.

Pirate Sophs Swamped By Grayslake, 53-27

by GEOFFREY JOHN

Palatine's sophomore team was defeated for the eighth straight time by the Grayslake Rams, 53-27, at Palatine last Friday night.

Grayslake pressed from the opening minutes of the game which was too much for Palatine to handle. The first quarter was fairly even with Palatine controlling the backboards. Grayslake held a slight edge, 12-8, as the quarter ended. The Rams' speed and ball handling was too much for Palatine in the second quarter. Sherman led Grayslake to a 24-13 lead as the half ended.

* * *

THE THIRD and fourth quarters were just as bad as the first and second. The third quarter ended with the Rams ahead by the score of 43-21. The fourth quarter was the same story as the other 3 quarters. Grayslake increased their lead all through the fourth quarter to win, 53-27.

Grayslake's pressing and speed was too much for Palatine. The individual high scorer for Grayslake was Sherman with 10 points. The high scorers for Palatine were Bob Elms and Bruce King with 8 points apiece. Eleven boys contributed to the Grayslake point total.

Averages of Boston Red Sox hitters show that the indestructible Ted Williams was the team's batting champ any way you look at it, says The Sporting News. Ted's average in home games was a towering .390, which was 30 points better than Billy Goodman's .360. On the road, Ted hit .318, which was 45 points better than Sammy White's and Bill Klaus' marks of .273, who were second best away from home.

Fenton Back In Form To Whip North Chicago In Overtime

by BIL LRIPPERGER

Fenton, returning to their winning ways Saturday night, whipped the North Chicago Warhawks, 64-60, in an overtime. John Boyle, who proved to be almost a one man team for the Warhawks, set a record for points scored on Fenton's new floor. The little guard pushed through 15 jump shots and 7 free throws in seven attempts, a total of 37 points.

Two men scored 41 points for Fenton. Bison center, Bob Heinrich, dropped in 11 field goals and 5 free throws for 27 points, including six during the overtime period. Lars Henriksen tallied 14.

* * *

THROUGHOUT the opening period, the lead changed hands many times. The Warhawks ended up on top, 12-10. Boyle started hitting in the second period and North Chicago expanded their lead to 7 points, 26-19, at halftime. Heinrich scored 6 of Fenton's nine points in the period.

The Bisons' scoring picked up in the third quarter and they pulled ahead, 40-35. Henriksen, Tecza and Heinrich scored 5, 6, and 7 points in that order for Fenton. North Chicago's Boyle caught fire in the last stanza. He drilled in 16 points as the Warhawks gained a 55-55 tie at the end of regulation time.

* * *

IN THE OVERTIME period Boyle netted two jump shots, but Heinrich countered with two for Fenton. Leon Langguth dropped in a field goal to send the Bisons ahead, 61-59. 6'5" Michalski sank a free throw for North Chicago, but Fenton's Phil Johnson also scored on a charity.

The Bisons then went into a stall with 40 seconds remaining in the overtime and the score standing 62-60, Fenton. While trying to get the ball, North Chicago fouled Bob Heinrich. Bob netted both free tosses, giving the Bisons a 4 point lead. The game ended with the score in favor of Fenton, 64-60.

Fenton Suffers 2nd Loss In Row To Grant, 57-56

by BILL RIPPERGER

Grant edged Fenton, 57-56 Friday, to hand the Bisons their second league defeat in a row. The game was originally scheduled to be played at Grant, but, due to the Bulldogs' unfinished gym, it was played on the Bison floor.

Little Denny Hodge paced the victors with 20 points, high total for the game. Other Grant scorers include Tierney with 13 points and Newaman with 12. Each of Fenton's "big four" scored in double figures. Phil Johnson collected 6 baskets and four charities for 16 points, while Tecza tallied 13, Heinrich 11, and Henriksen 10.

* * *

THE BISONS worked well in the first period and jumped ahead 21-17. Johnson and Dave Helms each added six points to the effort. Hodge and Tierney combined for 13 of Grant's points.

Bison scoring dropped to 10 points in the second stanza, while the Bulldogs tallied 18. All of Grant's players figured in this drive. Bob Heinrich and Lars Henriksen accounted for 9 of Fenton's points.

** *

TRAILING 35-31 at the beginning of the third period, the Fenton five, with the aid of Phil Johnson's 7 points, pulled up to within one point of the Bulldogs, 47-46.

Despite the efforts of Heinrich and Tony Tecza, Grant still managed to keep their one point lead in the last quarter. Hodge dropped in 3 free throws in the closing minutes of the game to help the Bulldogs stay ahead until the final whistle.

Consistent

The number one professional football player of the year, in The Sporting News book, is Otto Graham of the Cleveland Browns. And not only was he one of the most brilliant passers in football, but he was one of the most consistent. In four years in the All-America conference, says The Sporting News, Otto completed 55.8 per cent of his passes. In six years in the National Football league, it was exactly the same, 55.8 per cent. Arlington Wrestlers Fall Before Tilden And Niles

The higher weights continued to plague Coach Dick Mudge's wrestlers at Arlington Heights high school where the Cardinals lost to Tilden, 29-14, and Niles, 27-14.

Only Aal Rose has the correct weight in the 4 classes above 145, and Al has missed 3 matches in a row due to illness. Other boys are giving it a valiant try, but are badly outweighed and can hardly hope to win after spotting opponents 20 and 30 pounds.

* * *

THE WRESTLERS are working hard, doing an outstanding job, and are realizing their potential. Individual records will bear this out when the season is over.

Fred Steingraber, 146-pounder wresting in 154 pound class, and Don Plank, 142-pounder wrestling at 175, have been doing an excellent job in spite of giving weight in every match. Their spirit and determination is all part of team morale that is helping put Heights on the wrestling map.

* * *

AFTER THE 145 pound matches were over, Arlington led Tilden, 14-11. Final count was 29-14. After 145 Niles led, 14-12, but won the meet, 27-14. Steingraber drew at 154 to give Arlington its final 2 points.

Dave Schreiber subbed for Jerry Bonn against Tilden and won a 10-2 decision. Ralph Carlino won his usual feature, 103.

Roger Neunsinger drew a 127. Capt. Jack Ebert won at 133. Mickey Harris won a 7-6 decision at 145. Therein lies the tale, with Tom Thackery being pinned at 4:46, Phil Deming losing a 5-2 decision at 112, and Pat Harris dropping a 6-2 match at 120. Ed Beier lost at 138, 4-1.

Card Frosh-Soph Grapplers Beat Tilden, Maul Niles

Arlington's winning frosh-soph wrestlers worked under and over their class in a JV match against Tilden Friday and against a mostly-frosh frosh-soph aggregation of Niles Saturday, Coach Maurice Kellogg's boys won both times, 38-15 against Tilden and 36-8 against Niles.

Only upperclassman for Heights against Tilden was Miles Nelson, a senior, who was overweight and had to forfeit. The Cards' Ron Shoemaker evened things by also winning on forfeit. Ernest Rodriguez hurt his knee against Tilden and will be out of action 2 or 3 weeks.

Winning pins for Arlington were Jerry Bonn at 95, Clark at 127 and Roger Farleigh at 154. Taking decisions were Mike Succhero and Dean Schneck at heavyweight.

Globetrotters At Arlington Gym February 16

It is not just enough to say that Abe Saperstein's Harlem Globetrotters of basketball, who come to Arlington Heights high school gym, February 16 at 8:15 p.m. have played before more people in more places and have won more games than any other athletic team in the hisotry of sports.

Congresswoman Frances P. Bolton of Ohio recently said in the U.S. house of representatives, that "... the Globetrotters qualify as probably the best 'ambassadors of good will' we ever sent abroad ... it is wonderful how laughter and artistry are common denominators among people of all races and tongues."

* * *

FROM THIS it can be seen that the Globetrotters ... and Saperstein ... are truly fabulous. They've come a long way since their start in 1927. In the past 28 years they have played in 47 countries on every continent of the world and have used every means of conveyance, from a dog sled in Alaska to a jet plane in India.

This is a great basketball team that has won more victories than any other athletic team in history, more than 5000 in all while losing less than 300. They've played before royalty and government heads of many countries. They've played in bull rings and dry swimming pools ... on tennis courts and baseball and football fields ... in haylofts and on top of large desks hooked together (Nurnberg, 1954) ... they've performed before the largest crowds ever drawn to a basketball game, as high as 75,000 who watched them in Berlin's Olympic stadium ... truly a record without parallel in all sports.

* * *

ACCOMPANYING the Globetrotters is a sensational vaudeville troupe, headlined by one of the world's most beautiful girls, Miss Hawaii. Other show-stopping performers are Mike Pickering, trampoline and juggling artist, the Tong brothers with their acrobatic balancing act, Tony Lavelli on the accordion and others.

Tickets for this outstanding event are $1.50 for adults and $1.00 for students. Watch for an announcement as to where the limited supply of tickets can be purchased in advance.

Wheeling Hawks Win 2, Richmond Here Thursday

Wheeling Blackhawks played host to the Lake Zurich athletic club in a double header cage program at the Arlington Heights high school January 12. In the first game, paced by the scoring of Ken Meyer and Larry Brumm, plus the strong rebounding of Bud Elfering, the locals had little trouble in beating the A. C.'s 48-31.

Meyer and Brumm each scored 10 points, followed by Chip Horcher and Vic Di Piero with 8 apiece. Radke and Rizzo were high for the losers with 8 each.

* * *

IN THE SECOND contest, Captain Hans Schmidt paced the 'Hawks to a 65-31 triumph. He scored 8 baskets and 2 free throws for 18 points, eight of which came in the first quarter when the locals grabbled a 20-10 lead. In the second quarter, the 'Hawks increased their lead to 32-18 and in the following periods of play turned the game into a rout.

Schmidt was the leading scorer with 18 points, with runner-up honors going to Orv Grever of the A. C.'s with 10 and Vic "Bevo" Heimsoth of the 'Hawks with 9. The double win was the fifth and sixth victories of the year against one set back for Coach Bell's 'Hawks.

THE 'HAWKS play host to the Richmond Zephyrs in another twin-bill at the Arlington Heights high school's old gym tonight. Richmond will be out to avenge the twin defeat dealt them by the locals earlier this season. Game time is slated for 7:30 p.m.

Palatine Frosh Lose To Grayslake

Grayslake Rams' freshmen defeated Palatine 48-37 in the final quarter of a game Saturday morning at Palatine.

Palatine had trouble getting started in the first quarter, but they managed to keep pace with Grayslake as they were losing, 11-9. In the second quarter Grayslake began to press, which bobbled Palatine's offense. Grayslake increased their lead by 8 points to take a 27-17 half time lead.

* * *

PALATINE BOUNCED back in the third quarter as they loosened up Grayslake's defense to collect 14 points, but Grayslake still held on to a 33-31 lead as the last quarter started. During the fourth quarter Grayslake came back and collected 15 points to take a decisive victory, 48-37.

Grayslake constantly pressed through the game and pierced Palatine's defense by driving in for lay ups.

Palatine's 5'3" guard, John Hicks, led Palatine's individual scoring with 12 points plus the fact that he was the main sparkplug in Palatine's offense. Grayslake's individual high scorer was Lombard with 19 points.

Fenton Frosh Maul Grant, 62-43

by GLEN VOLKMAN

Fenton's hot and cold freshmen basketball team took advantage of a superb fast break to crush the visiting Grant Bullpups, 62-43, Saturday morning at Fenton. Dom DiOrio, swishing the nets for 7 baskets and 4 free throws, led the Bison assault with 18 points and was closely followed by Fred Hohman and Greg Dierking, who hit 17 and 12 points respectively. "Butch" Hamm was high for Grant with 9 points.

Hohman and DiOrio, who between them scored over half of Fenton's total points, ran the Grant defense ragged with a highly effective fast break and gave the Bisons an 8 point lead at halftime.

Grant could never get a rally started and had to make a majority of their points on free throws. Coach Art Dietz of Fenton substituted frequently in the final stanza, but Grant could not overcome a 14 point third quarter deficit, and lost, 62-43.

TERRY BIEFIELD (7) pushed this one in for Fenton frosh-sophs against Grant Friday night, which helped the locals remain ensconced in first place with a 7-0 record. Grant succumbed, 50-38. Also seen for Fenton Bernie Sell (3), Klazurr (22) and Rasmussen (15). —Staff Photo

THE DIAMONDS of Northbrook women's league, competing at Jeffery Lanes, Wheeling, walked off with third place in the Paddock tournament Sunday by virtue of a 2492 gross. The girls led the first shift, dropped to second during the second shift, then shifted to third as the final game was rolled on the late shift. Front row, Ann Wille and William Rennix. Bison Sophs Rally With 29 In Fourth Quarter, But Lose

by MAX ZOLLNER

With a 29-point last quarter Fenton's frosh-soph almost beat North Chicago Saturday night in a non-conference game on the Bisons court. After three quarters of play the Warhawks were leading 43-17. The Bisons poured it on in the final period scoring 29 points to North Chicago's 6. The final score was North Chicago 49, Fenton 46.

Highlighting the victor's scoring was Sekulich with 13 pints while Armstead and Kneeland sunk 12 and 10. Bob Meyer led the losers with 16 points, scoring 11 of them in the final quarter.

* * *

FENTON SQUAD was cold in the first and second periods scoring only 12 points to the Warhawks' 33. North Chicago picked up 19 tallies in the second period as Kneeland hit for 8 points and Armstead sunk 7 markers.

In the third stanza Fenton was still unable to hit as North Chicago outscored them 10-5.

Nobody knows what Coach Jonkheer said to the Bisons between quarters but when they came back on the floor they were a new ball club. In the first 3 minutes of play in the fourth period Fenton scored 10 points while the Warhawks had 0.

* * *

IT SEEMED almost impossible that a team coud come back from a 43-17 third period deficit and challenge the leaders. But this is exactly what Fenton did as they capitalized on Warhawk errors and fouls notching 29 points. Pacing the Bisons quintet in the last period were Bob Meyer, Bison guard, scoring 3 buckets and 5 free throws, and the Bisons center, Chuck Christiansen tossing in 10 points.

When the gun went off ending the game the scoreboard read North Chicago 49, Fenton 46.

Hi-Y Red Devils Win

Arlington Hi-Y Red Devils defeated Maine Hi-Y, 66-35, in YMCA church league play Tuesday evening. The Red Devils pulled away after a 19-17 first quarter and a 34-24 half. Bob Getts played an outstanding game for the Arlington team.

The win was number 7 without a loss for the Devils and kept them atop the standings at the end of the first round. Meanwhile, the Arlington Hi-Y Bruisers were whipping First Presbyterian for their fifth win against 2 setbacks. The Bruisers hold third in the league.

World's Fastest Boat Racer At Show In City

The world's fastest boat and the man who drove it at record-shattering speeds will appear at the 23rd annual Chicago National boat show February 3-12 at the International Amphitheatre.

Donald Malcolm Campbell will make public appearances at 4 p.m. and 8 p.m. daily the first 6 days of the giant marine exposition, discussing the Bluebird which he drove to a world's record of 216.2 m.p.h. over Lake Mead, Nev. last Nov. 15.

The boat itself will be displayed throughout the 10-day run of the world's largest boat show.

It will be the only craft in the record indoor fleet of 645 that will not be for sale, as more than 200,000 water sports enthusiasts and some 15,000 to 20,000 marine dealers from all parts of the world congregate to view what's new in 1956 boats, motors, and boating accessories. (Sp

Arlington Loses To York 63-52, After 7 Point Lead

by PETE SWANSON

Friday evening Arlington's cagers dropped their fifth game of 7 in the WSC and absorbed their ninth loss in 13 tilts over the season. Against York the locals collapsed in the second half after holding a seven point lead at halftime.

The game started slowly as both teams were cold and ragged. The Cards pressed somewhat successfully and led 10-8 at the quarter.

Scoring was heavy in the second stanza as the shooting picked up and both teams made defensive lapses. Good shooting from outside boosted Arlington's lead to as much as nine points on several occasions.

* * *

THE CARDS went completely cold in the second half from both the field and the foul line, hitting only 2 of 10 charity tosses. Arlington played poorly on defense and was outrebounded by the Dukes. The lead changed hands 5 times in the middle of the third quarter, the home five going ahead to stay, 39-38, on a basket by Glenn Gustafson. York led by 7 after three quarters.

The visitors twice moved within points of the Dukes in the final 8 minutes but quickly fell farther behind as the same pattern of play continued.

The ball game was won by York from the foul line. The Cards scored 4 more baskets than did their opponents, but were outscored 27-8 from the gift line. Individually, Louis Lario and Bill Zersen paced the winners with 18 and 17 points, while Ron Ashley scored 15 for Arlington.

* * *

THE CARDS were a dead team in the second half, especially the third quarter. Local players stayed on their feet and watched rebounds come off the hoop. Down by 9 points with 5:00 remaining, the Cards leisurely brought the ball down court and took their time getting a good shot.

Card Frosh And JV Teams Win In Overtimes

Card Frosh and JV—Lud ....

Arlington Heights high school freshman "A" and JV cagers won overtime games at Glenbard Saturday, with the JVs winning again Monday at Elgin.

The freshman battle was an even affair, with game tied 12-12 and 24-24 the first 2 quarters. Scoring was divided among 4 boys for Coach Ken Schaller with both Don Smith and Lee Magnuson dropping in 3 buckets the second period.

* * *

ALLEN SANDER came through with 3 baskets the third quarter to help his mates gain a 36-33 margin going into the home stretch. Final segment found Glenbard coming to life, 15-12, and tying the tally. Heights won in the overtime, 4-3.

Scoring for Arlington included Magnuson 18, Smith 16, Ed Whitelaw 8, Bob Butterfield 6, Bob Currati 2, Bob Bennett 2. High for Glenbard was Jurewicz with 13, Frega 12, Flagge 10, Kelly 9.

* * *

THE JVs, coached by "Bus" Ormsbee, rallied from an 18-12 first period deficit and 28-25 at the half, to go ahead of Glenbard the third quarter, 46-41. Scoring was evenly divided for Heights, with Wayne Haemker's 4 baskets the opening period helping.

Tom Jacobsen came through with 4 baskets the third quarter. Pat Brownell dropped in 2 the fourth quarter to help tie at 57-all. Overtime found Haemker scoring a field goal, Jacobsen, Dan Vittum and Dean Skadberg counting free throws to win, 63-61.

High for Glenbard were Carle with 20, Dodd with 18 and Rhienhart with 13.

* * *

MONDAY AFTERNOON the Card JVs started slow once more, falling behind 18-8, 37-23 and 51-46 at the quarters. A 24-point final period splurge, led by Tom Jacobsen's 6 baskets, turned the tide, however, with Arlington winning, 70-68.

Scoring was again well divided, with Jacobsen counting 20, Dick Siech 15, Haemker and Brownell 14, Vittum 6, Skadberg and Jerry Klement 4. Tops for Elgin were Brandt 16, all in the first half, Kane 13 and Belker 12.

The Tipoff

When Pitcher Harvey Haddix of the Cardinals quit giving comfort to the enemy this past season, his record improved. When he learned from Pitching Coach Bill Posede that he had certain motions that tipped off the batter when he was going to throw his fast ball, he corrected the fault immediately. In Haddix' first 112 innings of the season, says The Sporting News, he had a kingsized earned-run average of 5.31. After he quit tipping off his delivery, his ERA for the last 98 innings was down to 3.30.

Card Sophs Win, 38-35, Over York

by PETE SWANSON

Coach Maurice Klotz' Arlington sophomores won their fifth conference game in 7 starts and their ninth out of eleven overall Friday night in Elmhurst. In defeating York, the young Cards led most of the way, fell behind in the final quarter, and rallied to win in the last 2 minutes. Bruce Bjorklund, a regular guard, was left at home with the flu, but Alan Hutchinson adequately filled in for him.

Both teams were cold and failed to move the ball well during a slow first quarter. Play was on the sloppy side, and the scoring was low.

* * *

ARLINGTON picked up a bit in the next period as better rebounding helped the visitors to open up a small lead. The Cards failed to take advantage of fast break chances, and neither team worked the ball in much. The Barons seemed content to shoot from outside instead of moving in.

During the third stanza the margin was increased. The Klotzmen had tough luck on close-in shots, three rimming the hoop and falling away. Action was ragged most of the period.

* * *

YORK PRESSED as the final 7 minutes began, and the Cards threw the ball away several times. This, combined with unnecessary fouls, put the Barons back in the ball game. Nine straight free throws tied the game at 31-31. Two free throws by Hutchinson regained the lead for Arlington. But the press bothered Arlington into more errors, and baskets by Madison and Huston gave the home team a 35-33 edge.

Then York errors gave the locals added chances and they tied it up on Lockwood's shot from underneath. He was fouled in the process and hit the foul shot to make it 36-35 with 1:30 to play. Caltagirone gave the young Cards insurance with a basket in the final forty seconds.

* * *

BOB LOCKWOOD and Sam Caltagirone headed Arlington's scoring with 13 and 11 markers respectively. Mahoney tallied 12 to lead York. The young Cards picked off the important rebounds in the waning minutes and outrebounded their taller opponents throughout the ball game.

Arlington Wrestlers Fall Before Tilden And Niles

The higher weights continued to plague Coach Dick Mudge's wrestlers at Arlington Heights high school where the Cardinals lost to Tilden, 29-14, and Niles, 27-14.

Only Aal Rose has the correct weight in the 4 classes above 145, and Al has missed 3 matches in a row due to illness. Other boys are giving it a valiant try, but are badly outweighed and can hardly hope to win after spotting opponents 20 and 30 pounds.

* * *

THE WRESTLERS are working hard, doing an outstanding job, and are realizing their potential. Individual records will bear this out when the season is over.

Fred Steingraber, 146-pounder wresting in 154 pound class, and Don Plank, 142-pounder wrestling at 175, have been doing an excellent job in spite of giving weight in every match. Their spirit and determination is all part of team morale that is helping put Heights on the wrestling map.

* * *

AFTER THE 145 pound matches were over, Arlington led Tilden, 14-11. Final count was 29-14. After 145 Niles led, 14-12, but won the meet, 27-14. Steingraber drew at 154 to give Arlington its final 2 points.

Dave Schreiber subbed for Jerry Bonn against Tilden and won a 10-2 decision. Ralph Carlino won his usual feature, 103.

Roger Neunsinger drew a 127. Capt. Jack Ebert won at 133. Mickey Harris won a 7-6 decision at 145. Therein lies the tale, with Tom Thackery being pinned at 4:46, Phil Deming losing a 5-2 decision at 112, and Pat Harris dropping a 6-2 match at 120. Ed Beier lost at 138, 4-1.

Card Frosh-Soph Grapplers Beat Tilden, Maul Niles

Arlington's winning frosh-soph wrestlers worked under and over their class in a JV match against Tilden Friday and against a mostly-frosh frosh-soph aggregation of Niles Saturday, Coach Maurice Kellogg's boys won both times, 38-15 against Tilden and 36-8 against Niles.

Only upperclassman for Heights against Tilden was Miles Nelson, a senior, who was overweight and had to forfeit. The Cards' Ron Shoemaker evened things by also winning on forfeit. Ernest Rodriguez hurt his knee against Tilden and will be out of action 2 or 3 weeks.

Winning pins for Arlington were Jerry Bonn at 95, Clark at 127 and Roger Farleigh at 154. Taking decisions were Mike Succhero and Dean Schneck at heavyweight.

Wheeling Hawks Win 2, Richmond Here Thursday

Wheeling Blackhawks played host to the Lake Zurich athletic club in a double header cage program at the Arlington Heights high school January 12. In the first game, paced by the scoring of Ken Meyer and Larry Brumm, plus the strong rebounding of Bud Elfering, the locals had little trouble in beating the A. C.'s 48-31.

Meyer and Brumm each scored 10 points, followed by Chip Horcher and Vic Di Piero with 8 apiece. Radke and Rizzo were high for the losers with 8 each.

* * *

IN THE SECOND contest, Captain Hans Schmidt paced the 'Hawks to a 65-31 triumph. He scored 8 baskets and 2 free throws for 18 points, eight of which came in the first quarter when the locals grabbled a 20-10 lead. In the second quarter, the 'Hawks increased their lead to 32-18 and in the following periods of play turned the game into a rout.

Schmidt was the leading scorer with 18 points, with runner-up honors going to Orv Grever of the A. C.'s with 10 and Vic "Bevo" Heimsoth of the 'Hawks with 9. The double win was the fifth and sixth victories of the year against one set back for Coach Bell's 'Hawks.

* * *

THE 'HAWKS play host to the Richmond Zephyrs in another twinbill at the Arlington Heights high school's old gym tonight. Richmond will be out to avenge the twin defeat dealt them by the locals earlier this season. Game time is slated for 7:30 p.m.

Palatine Frosh Lose To Grayslake

Grayslake Rams' freshmen defeated Palatine 48-37 in the final quarter of a game Saturday morning at Palatine.

Palatine had trouble getting started in the first quarter, but they managed to keep pace with Grayslake as they were losing, 11-9. In the second quarter Grayslake began to press, which bobbled Palatine's offense. Grayslake increased their lead by 8 points to take a 27-17 half time lead.

* * *

PALATINE BOUNCED back in the third quarter as they loosened up Grayslake's defense to collect 14 points, but Grayslake still held on to a 33-31 lead as the last quarter started. During the fourth quarter Grayslake came back and collected 15 points to take a decisive victory, 48-37.

Grayslake constantly pressed through the game and pierced Palatine's defense by driving in for lay ups.

Palatine's 5'3" guard, John Hicks, led Palatine's individual scoring with 12 points plus the fact that he was the main sparkplug in Palatine's offense. Grayslake's individual high scorer was Lombard with 19 points.

Fenton Frosh Maul Grant, 62-43

by GLEN VOLKMAN

Fenton's hot and cold freshmen basketball team took advantage of a superb fast break to crush the visiting Grant Bullpups, 62-43, Saturday morning at Fenton. Dom DiOrio, swishing the nets for 7 baskets and 4 free throws, led the Bison assault with 18 points and was closely followed by Fred Hohnan and Greg Dierking, who hit 17 and 12 points respectively. "Butch" Hamm was high for Grant with 9 points.

Hohman and DiOrio, who between them scored over half of Fenton's total points, ran the Grant defense ragged with a highly effective fast break and gave the Bisons an 8 point lead at halftime.

Grant could never get a rally started and had to make a majority of their points on free throws. Coach Art Dietz of Fenton substituted frequently in the final stanza, but Grant could not overcome a 14 point third quarter deficit, and lost, 62-43.

Globetrotters At Arlington Gym February 16

It is not just enough to say that Abe Saperstein's Harlem Globetrotters of basketball, who come to Arlington Heights high school gym, February 16 at 8:15 p.m. have played before more people in more places and have won more games than any other athletic team in the hisotry of sports.

Congresswoman Frances P. Bolton of Ohio recently said in the U.S. house of representatives, that "... the Globetrotters qualify as probably the best 'ambassadors of good will' we ever sent abroad ... it is wonderful how laughter and artistry are common denominators among people of all races and tongues."

* * *

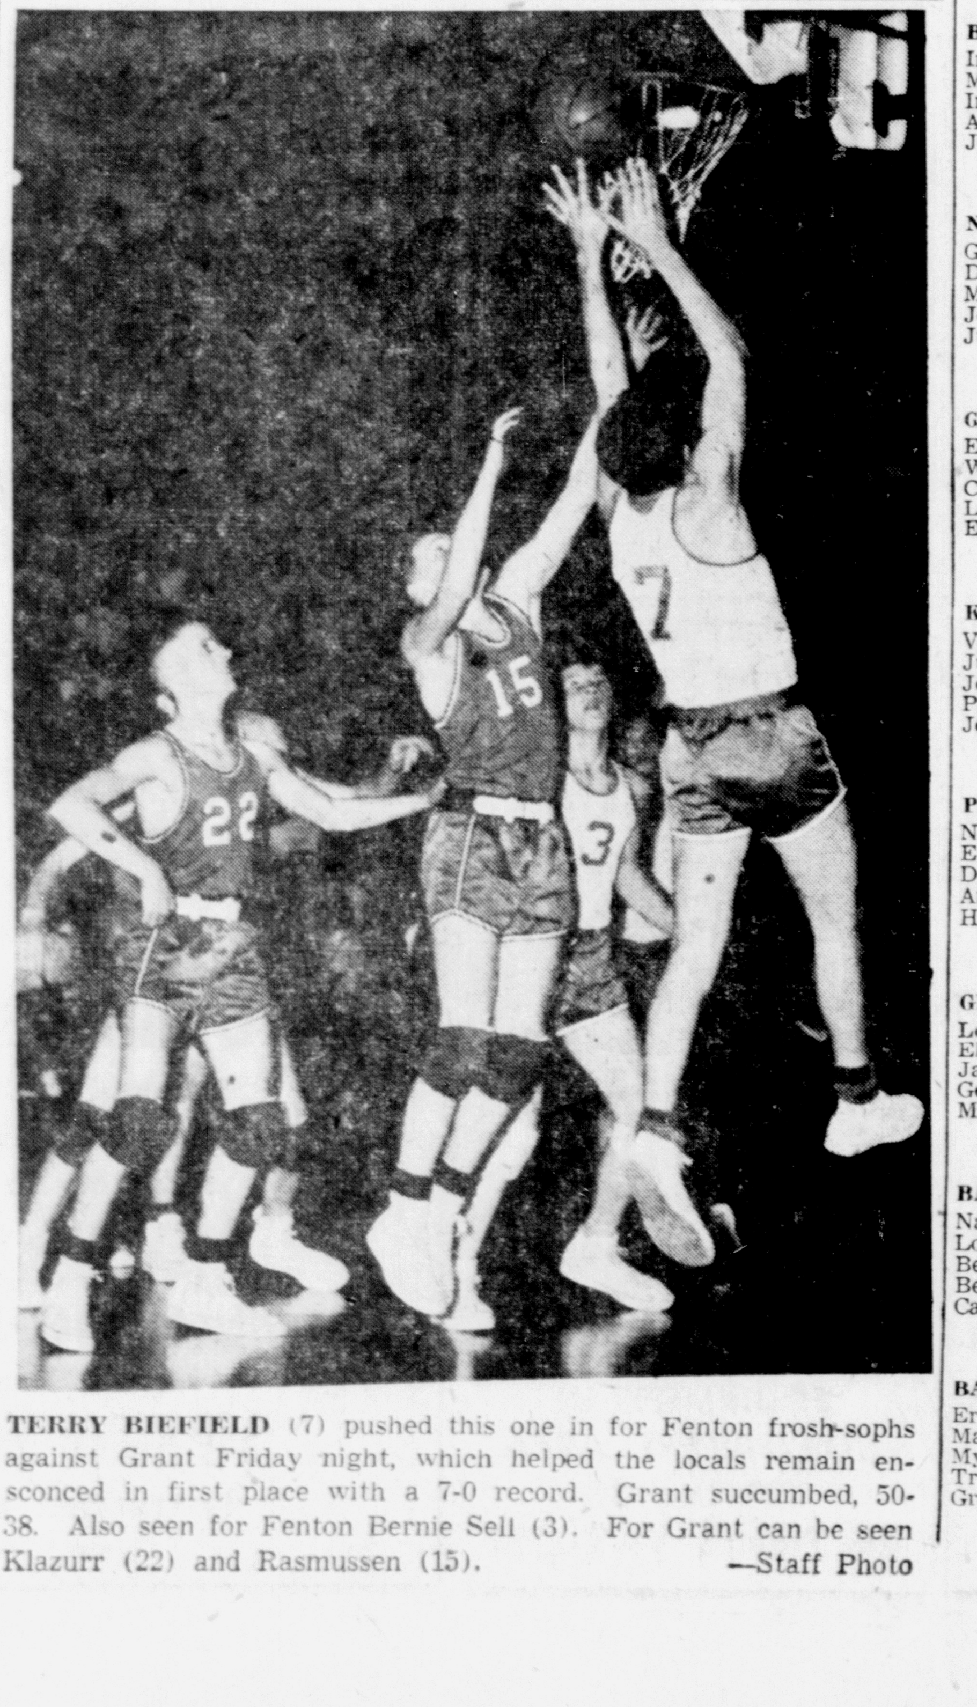
FROM THIS it can be seen that the Globetrotters ... and Saperstein ... are truly fabulous. They've come a long way since their start in 1927. In the past 28 years they have played in 47 countries on every continent of the world and have used every means of conveyance, from a dog sled in Alaska to a jet plane in India.

This is a great basketball team that has won more victories than any other athletic team in history, more than 5000 in all while losing less than 300. They've played before royalty and government heads of many countries. They've played in bull rings and dry swimming pools ... on tennis courts and baseball and football fields ... in haylofts and on top of large desks hooked together (Nurnberg, 1954) ... they've performed before the largest crowds ever drawn to a basketball game, as high as 75,000 who watched them in Berlin's Olympic stadium ... truly a record without parallel in all sports.

* **

ACCOMPANYING the Globetrotters is a sensational vaudeville troupe, headlined by one of the world's most beautiful girls, Miss Hawaii. Other show-stopping performers are Mike Pickering, trampoline and juggling artist, the Tong brothers with their acrobatic balancing act, Tony Lavelli on the accordion and others.

Tickets for this outstanding event are $1.50 for adults and $1.00 for students. Watch for an announcement as to where the limited supply of tickets can be purchased in advance.



TERRY BIEFIELD (7) pushed this one in for Fenton frosh-sophs against Grant Friday night, which helped the locals remain ensconced in first place with a 7-0 record. Grant succumbed, 50-38. Also seen for Fenton Bernie Seil (3). For Grant can be seen Klazurr (22) and Rasmussen (15). —Staff Photo

THE DIAMONDS of Northbrook women's league, competing at Jeffery Lanes, Wheeling, walked off with third place in the Paddock tournament Sunday by virtue of a 2492 gross. The girls led the first shift, dropped to second during the second shift, then shifted to third as the final game was rolled on the late shift. Front row, Ann Wille and William Rennix. Back row, Florence Miller, Ada Lorenz and Marie Meintzer. —Staff Photo

Bison Sophs Rally With 29 In Fourth Quarter, But Lose

by MAX ZOLLNER

With a 29-point last quarter Fenton's frosh-soph almost beat North Chicago Saturday night in a non-conference game on the Bisons court. After three quarters of play the Warhawks were leading 43-17. The Bisons poured it on in the final period scoring 29 points to North Chicago's 6. The final score was North Chicago 49, Fenton 46.

Highlighting the victor's scoring was Sekulich with 13 pints while Armstead and Kneeland sunk 12 and 10. Bob Meyer led the losers with 16 points, scoring 11 of them in the final quarter.

* * *

FENTON SQUAD was cold in the first and second periods scoring only 12 points to the Warhawks' 33. North Chicago picked up 19 tallies in the second period as Kneeland hit for 8 points and Armstead sunk 7 markers.

In the third stanza Fenton was still unable to hit as North Chicago outscored them 10-5.

Nobody knows what Coach Jonkheer said to the Bisons between quarters but when they came back on the floor they were a new ball club. In the first 3 minutes of play in the fourth period Fenton scored 10 points while the Warhawks had 0.

* * *

IT SEEMED almost impossible that a team coud come back from a 43-17 third period deficit and challenge the leaders. But this is exactly what Fenton did as they capitalized on Warhawk errors and fouls notching 29 points. Pacing the Bisons quintet in the last period were Bob Meyer, Bison guard, scoring 3 buckets and 5 free throws, and the Bisons center, Chuck Christiansen tossing in 10 points.

When the gun went off ending the game the scoreboard read North Chicago 49, Fenton 46.

Hi-Y Red Devils Win

Arlington Hi-Y Red Devils defeated Maine Hi-Y, 66-35, in YMCA church league play Tuesday evening. The Red Devils pulled away after a 19-17 first quarter and a 34-24 half. Bob Getts played an outstanding game for the Arlington team.

The win was number 7 without a loss for the Devils and kept them atop the standings at the end of the first round. Meanwhile, the Arlington Hi-Y Bruisers were whipping First Presbyterian for their fifth win against 2 setbacks. The Bruisers hold third in the league.

Arlington Loses To York 63-52, After 7 Point Lead

by PETE SWANSON

Friday evening Arlington's cagers dropped their fifth game of 7 in the WSC and absorbed their ninth loss in 13 tilts over the season. Against York the locals collapsed in the second half after holding a seven point lead at halftime.

The game started slowly as both teams were cold and ragged. The Cards pressed somewhat successfully and led 10-8 at the quarter.

Scoring was heavy in the second stanza as the shooting picked up and both teams made defensive lapses. Good shooting from outside boosted Arlington's lead to as much as nine points on several occasions.

* * *

THE CARDS went completely cold in the second half from both the field and the foul line, hitting only 2 of 10 charity tosses. Arlington played poorly on defense and was outrebounded by the Dukes. The lead changed hands 5 times in the middle of the third quarter, the home five going ahead to stay, 39-38, on a basket by Glenn Gustafson. York led by 7 after three quarters.

The visitors twice moved within points of the Dukes in the final 8 minutes but quickly fell farther behind as the same pattern of play continued.

The ball game was won by York from the foul line. The Cards scored 4 more baskets than did their opponents, but were outscored 27-8 from the gift line. Individually, Louis Lario and Bill Zersen paced the winners with 18 and 17 points, while Ron Ashley scored 15 for Arlington.

* * *

THE CARDS were a dead team in the second half, especially the third quarter. Local players stayed on their feet and watched rebounds come off the hoop. Down by 9 points with 5:00 remaining, the Cards leisurely brought the ball down court and took their time getting a good shot.

Card Frosh And JV Teams Win In Overtimes

Card Frosh and JV—Lud ....

Arlington Heights high school freshman "A" and JV cagers won overtime games at Glenbard Saturday, with the JVs winning again Monday at Elgin.

The freshman battle was an even affair, with game tied 12-12 and 24-24 the first 2 quarters. Scoring was divided among 4 boys for Coach Ken Schaller with both Don Smith and Lee Magnuson dropping in 3 buckets the second period.

* * *

ALLEN SANDER came through with 3 baskets the third quarter to help his mates gain a 36-33 margin going into the home stretch. Final segment found Glenbard coming to life, 15-12, and tying the tally. Heights won in the overtime, 4-3.

Scoring for Arlington included Magnuson 18, Smith 16, Ed Whitelaw 8, Bob Butterfield 6, Bob Currati 2, Bob Bennett 2. High for Glenbard was Jurewicz with 13, Frega 12, Flagge 10, Kelly 9.

* * *

THE JVs, coached by "Bus" Ormsbee, rallied from an 18-12 first period deficit and 28-25 at the half, to go ahead of Glenbard the third quarter, 46-41. Scoring was evenly divided for Heights, with Wayne Haemker's 4 baskets the opening period helping.

Tom Jacobsen came through with 4 baskets the third quarter. Pat Brownell dropped in 2 the fourth quarter to help tie at 57-all. Overtime found Haemker scoring a field goal, Jacobsen, Dan Vittum and Dean Skadberg counting free throws to win, 63-61.

High for Glenbard were Carle with 20, Dodd with 18 and Rhienhart with 13.

* * *

MONDAY AFTERNOON the Card JVs started slow once more, falling behind 18-8, 37-23 and 51-46 at the quarters. A 24-point final period splurge, led by Tom Jacobsen's 6 baskets, turned the tide, however, with Arlington winning, 70-68.

Scoring was again well divided, with Jacobsen counting 20, Dick Siech 15, Haemker and Brownell 14, Vittum 6, Skadberg and Jerry Klement 4. Tops for Elgin were Brandt 16, all in the first half, Kane 13 and Belker 12.

The Tipoff

When Pitcher Harvey Haddix of the Cardinals quit giving comfort to the enemy this past season, his record improved. When he learned from Pitching Coach Bill Posede that he had certain motions that tipped off the batter when he was going to throw his fast ball, he corrected the fault immediately. In Haddix' first 112 innings of the season, says The Sporting News, he had a kingsized earned-run average of 5.31. After he quit tipping off his delivery, his ERA for the last 98 innings was down to 3.30.

Card Sophs Win, 38-35, Over York

by PETE SWANSON

Coach Maurice Klotz' Arlington sophomores won their fifth conference game in 7 starts and their ninth out of eleven, overall Friday night in Elmhurst. In defeating York, the young Cards led most of the way, fell behind in the final quarter, and rallied to win in the last 2 minutes. Bruce Bjorklund, a regular guard, was left at home with the flu, but Alan Hutchinson adequately filled in for him.

Both teams were cold and failed to move the ball well during a slow first quarter. Play was on the sloppy side, and the scoring was low.

* * *

ARLINGTON picked up a bit in the next period as better rebounding helped the visitors to open up a small lead. The Cards failed to take advantage of fast break chances, and neither team worked the ball in much. The Barons seemed content to shoot from outside instead of moving in.

During the third stanza the margin was increased. The Klotzmen had tough luck on close-in shots, three rimming the hoop and falling away. Action was ragged most of the period.

* * *

YORK PRESSED as the final 7 minutes began, and the Cards threw the ball away several times. This, combined with unnecessary fouls, put the Barons back in the ball game. Nine straight free throws tied the game at 31-31. Two free throws by Hutchinson regained the lead for Arlington. But the press bothered Arlington into more errors, and baskets by Madison and Huston gave the home team a 35-33 edge.

Then York errors gave the locals added chances and they tied it up on Lockwood's shot from underneath. He was fouled in the process and hit the foul shot to make it 36-35 with 1:30 to play. Caltagirone gave the young Cards insurance with a basket in the final forty seconds.

* * *

BOB LOCKWOOD and Sam Caltagirone headed Arlington's scoring with 13 and 11 markers respectively. Mahoney tallied 12 to lead York. The young Cards picked off the important rebounds in the waning minutes and outrebounded their taller opponents throughout the ball game.

Heights Gymnasts Run Over York

Arlington gymnasts found easy going against York Thursday, 83-70. It's the first year for gymnastics at York, so Heights mento Gay Hughes changed his lineup to include mostly boys without much meet experience.

Winning firsts for Arlington were John Kimbrough on horizontal bar, Dick Neiland on long horse and rings, and Bob Maierhofer on trampoline. In addition, Bruce Robb gave an exhibition on rings which was scored second to winner Neiland.

Horizontal bar: for Arlington, Kimbrough 1st, Robb 2nd, Marty Green 4th.

Parallel bar: Ed Wilson 2nd, Roger Meyer 4th, Mike Spalding 6th.

Side horse: Wilson 2nd, Robb 3rd, Kimbrough 4th.

Long horse: Neiland 1st, Robb 2nd, Wilson 5th.

Rings: Neiland 1st, Kimbrough 2nd, Seward 5th.

Tumbling: Dave Peterson 4th, Gary Moreland 5th.

Trampoline: Maierhofer 1st, Peterson 2nd, Moreland 5th.

World's Fastest Boat Racer At Show In City

The world's fastest boat and the man who drove it at record-shattering speeds will appear at the 23rd annual Chicago National boat show February 3-12 at the International Amphitheatre.

Donald Malcolm Campbell will make public appearances at 4 p.m. and 8 p.m. daily the first 6 days of the giant marine exposition, discussing the Bluebird which he drove to a world's record of 216.2 m.p.h. over Lake Mead, Nev. last Nov. 15.

The boat itself will be displayed throughout the 10-day run of the world's largest boat show.

It will be the only craft in the record indoor fleet of 645 that will not be for sale, as more than 200,000 water sports enthusiasts and some 15,000 to 20,000 marine dealers from all parts of the world congregate to view what's new in 1956 boats, motors, and boating accessories. (Sp

Gems Of Thought

THE UNIVERSE

The universe begins to look more like a great thought than a great machine.

—Sir James Jeans

God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them.

—Mary Baker Eddy

Matter in the old sense has ceased to be, and is replaced by a fantastic system of electrical charges, quanta and space stresses which are literally inconceivable and open to analysis only by mathematical subtleties.

—Edmont W. Sinnott

It Wasn't Easy, But Pitcher Made Unassisted Putout On Wild Pitch

A schoolboy basketball game at Union, Me., was postponed because of rough seas. The North Haven high school team — from a Penobscot Bay island ten miles from the mainland — was unable to play Union High because the turbulent water made boat travel impossible.

Because of too much snow, of all things, the annual ski race at Mount Washington, N. H., April 9-10, was canceled. High winds deeply furrowed a 75-foot snow cover and made the race too dangerous.

Those were just two of the unusual events which occurred in the sports world in 1955. Here are some others as reported in The Sporting News:

* * *

GIVING NO thought to postponement, Washington State and San Jose State went ahead with their football game at Pullman, Wash., November 12, despite a snow-covered field and bitter five-degree cold. Four hundred fans who had reserved seats showed up, but only one ticket was sold at the gate. Band instruments froze up, so the students sang "Jingle Bells."

Bill Greason, Houston pitcher, pulled one of the year's rarest plays when he made an unassisted putout at the plate on a runner trying to score on a wild pitch. Bob Caffrey, San Antonio infielder, was on third base when Greason uncorked a pitch which sailed over Catcher Hal Smith's head and hit the concrete grandstand wall behind the plate on the fly. Greason, dashing in to cover the plate, caught the rebounding ball on the bounce and tagged out Caffrey, attempting to score.

* * *

ALSO IN BASEBALL, John LiPrando, outfielder for Bluefield in the Appalachian League, drove in three runs with a sacrifice fly. Outfielder Johnny Charles of Kingsport caught the ball, but fell into a hedge that bounds center field. By the time he could extricate himself from the bushes, three men who were on base at the time had scored.

The salary of Ted Lyons, acting manager of the Memphis Chicks, was doubled when the Chicks won the Southern Association pennant — from $1 to $2. Lyons had been loaned to the Chicks by the parent Chicago White Sox when manager Jack Cassini was injured.

At Colorado Springs, Colo., Jim Mertlik, a pitcher for Pueblo Springs, stormed up to plate Umpire Estie Wells, to register a vigorous protect against his calls. It was so vigorous, in fact, that Wells stepped back from the argument with the imprint of teeth in the middle of his forehead. Mertlik was suspended for the final three days of the season.

At Cincinnati, Umpire Jocko Conlan took himself out of the game after calling a strike on Brooklyn's Jackie Robinson. The ball seemed to hit the dirt in front of the plate. Conlan, who had been suffering from an attack of arthritis, said after the game, "I just couldn't bend over to follow the pitch. Robinson seemed so honestly shocked over the call, I figured I must have missed it. I didn't want any more like that."

At the Polo Grounds, Brooklyn's Sandy Amoros struck out, but the ball got by Catcher Wes Westrum when Amoros' slashing bat hit Westrum on the back of the head. Sandy reached second base before the stunned Westrum could recover the ball.

ONE OF THE wackiest incidents in baseball occurred at Los Angeles and involved Bobby Bragan, then Hollywood manager and later named to pilot the Pittsburgh Pirates in 1956. Vexed with the umpiring as his team was losing to Los Angeles, Bragan sent in eight consecutive pinch-hitters in the last inning. They kept replacing each other after 1 pitch. Finally, Clarence Buheller grounded out. Hollywood lost, 7 to 5.

Dick Tettelbach, Denver outfielder, believes he set a record, June 30, but he would just as soon forget all about it. In the eighth inning, when Denver staged an eight-run uprising against St. Paul, Tettelbach was responsible for all three outs. He popped to shortstop for the first out, then later hit into a double play to end the big inning.

Gems Of Thought

THE UNIVERSE

The universe begins to look more like a great thought than a great machine.

—Sir James Jeans

God creates and governs the universe, including man. The universe is filled with spiritual ideas, which He evolves, and they are obedient to the Mind that makes them.

—Mary Baker Eddy

Matter in the old sense has ceased to be, and is replaced by a fantastic system of electrical charges, quanta and space stresses which are literally inconceivable and open to analysis only by mathematical subtleties.

—Edmont W. Sinnott

It Wasn't Easy, But Pitcher Made Unassisted Putout On Wild Pitch

A schoolboy basketball game at Union, Me., was postponed because of rough seas. The North Haven high school team — from a Penobscot Bay island ten miles from the mainland — was unable to play Union High because the turbulent water made boat travel impossible.

Because of too much snow, of all things, the annual ski race at Mount Washington, N. H., April 9-10, was canceled. High winds deeply furrowed a 75-foot snow cover and made the race too dangerous.

Those were just two of the unusual events which occurred in the sports world in 1955. Here are some others as reported in The Sporting News:

* * *

GIVING NO thought to postponement, Washington State and San Jose State went ahead with their football game at Pullman, Wash., November 12, despite a snow-covered field and bitter five-degree cold. Four hundred fans who had reserved seats showed up, but only one ticket was sold at the gate. Band instruments froze up, so the students sang "Jingle Bells."

Bill Greason, Houston pitcher, pulled one of the year's rarest plays when he made an unassisted putout at the plate on a runner trying to score on a wild pitch. Bob Caffrey, San Antonio infielder, was on third base when Greason uncorked a pitch which sailed over Catcher Hal Smith's head and hit the concrete grandstand wall behind the plate on the fly. Greason, dashing in to cover the plate, caught the rebounding ball on the bounce and tagged out Caffrey, attempting to score.

* * *

ALSO IN BASEBALL, John LiPrando, outfielder for Bluefield in the Appalachian League, drove in three runs with a sacrifice fly. Outfielder Johnny Charles of Kingsport caught the ball, but fell into a hedge that bounds center field. By the time he could extricate himself from the bushes, three men who were on base at the time had scored.

The salary of Ted Lyons, acting manager of the Memphis Chicks, was doubled when the Chicks won the Southern Association pennant — from $1 to $2. Lyons had been loaned to the Chicks by the parent Chicago White Sox when manager Jack Cassini was injured.

At Colorado Springs, Colo., Jim Mertlik, a pitcher for Pueblo Springs, stormed up to plate Umpire Estie Wells, to register a vigorous protect against his calls. It was so vigorous, in fact, that Wells stepped back from the argument with the imprint of teeth in the middle of his forehead. Mertlik was suspended for the final three days of the season.

At Cincinnati, Umpire Jocko Conlan took himself out of the game after calling a strike on Brooklyn's Jackie Robinson. The ball seemed to hit the dirt in front of the plate. Conlan, who had been suffering from an attack of arthritis, said after the game, "I just couldn't bend over to follow the pitch. Robinson seemed so honestly shocked over the call, I figured I must have missed it. I didn't want any more like that."

At the Polo Grounds, Brooklyn's Sandy Amoros struck out, but the ball got by Catcher Wes Westrum when Amoros' slashing bat hit Westrum on the back of the head. Sandy reached second base before the stunned Westrum could recover the ball.

ONE OF THE wackiest incidents in baseball occurred at Los Angeles and involved Bobby Bragan, then Hollywood manager and later named to pilot the Pittsburgh Pirates in 1956. Vexed with the umpiring as his team was losing to Los Angeles, Bragan sent in eight consecutive pinch-hitters in the last inning. They kept replacing each other after 1 pitch. Finally, Clarence Buheller grounded out. Hollywood lost, 7 to 5.

Dick Tettelbach, Denver outfielder, believes he set a record, June 30, but he would just as soon forget all about it. In the eighth inning, when Denver staged an eight-run uprising against St. Paul, Tettelbach was responsible for all three outs. He popped to shortstop for the first out, then later hit into a double play to end the big inning.

CHRISTIAN SCIENCE CHURCHES

Released January 16, 1956

Why the spiritual qualities of honesty, unselfishness, and obedience are important to an understanding of Truth will be brought out at Christian Science services Sunday, January 22.

Scriptural selections to be read in the Lesson - Sermon entitled "Truth" will include Jesus' parable of the sower and his explanation of its meaning for his disciples (Luke 8).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (272:3-8): "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek. In the soil of an 'honest and good heart' the seed must be sown; else it beareth not much fruit, for the swinish element in human nature uproots it."

The Golden Text is from Psalms (86:15): "Thou, O Lord, art a God full of compassion, and gracious, long-suffering, and plenteous in mercy and truth."

CHRISTIAN SCIENCE CHURCHES

Released January 16, 1956

Why the spiritual qualities of honesty, unselfishness, and obedience are important to an understanding of Truth will be brought out at Christian Science services Sunday, January 22.

Scriptural selections to be read in the Lesson-Sermon entitled "Truth" will include Jesus' parable of the sower and his explanation of its meaning for his disciples (Luke 8).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (272:3-8): "The spiritual sense of truth must be gained before Truth can be understood. This sense is assimilated only as we are honest, unselfish, loving, and meek. In the soil of an 'honest and good heart' the seed must be sown; else it beareth not much fruit, for the swinish element in human nature uproots it."

The Golden Text is from Psalms (86:15): "Thou, O Lord, art a God full of compassion, and gracious, long-suffering, and plenteous in mercy and truth."

Christian Science Lecture Jan. 26 At Des Plaines Church

How prayer can be effective in healing sickness and in solving problems of daily living will be brought out in a public lecture on Christian Science to be given in Des Plaines next Thursday evening, January 26, by James Harry McReynolds of Dallas, Texas.

JAMES HARRY McREYNOLDS

Mr. McReynolds will speak in the auditorium of First Church of Christ, Scientist, Des Plaines, located at Laurel ave. and Marion st., at 8 o'clock. His subject will be "The Availability of Divine Power As Revealed by Christian Science." The lecture is free, and local members have invited the public to attend.

On extensive tour as a member of the Christian Science board of lectureship, Mr. McReynolds has traveled widely throughout the world. He has devoted his full time to the practice of Christian Science healing for many years. During World War I he served as a captain in the infantry. After the war, he engaged in business in Louisiana and later in Dallas. A former Christian Science Committee on Publication for the State of Texas, he has been a teacher of Christian Science since 1940. (Ch

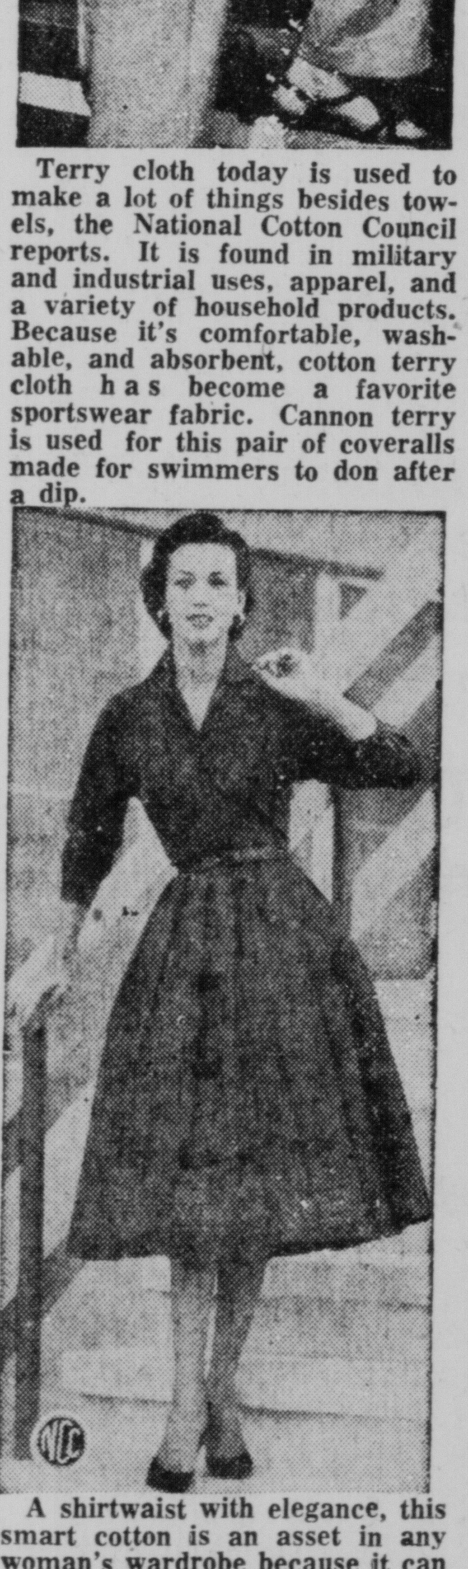
Terry cloth today is used to make a lot of things besides towels, the National Cotton Council reports. It is found in military and industrial uses, apparel, and a variety of household products. Because it's comfortable, washable, and absorbent, cotton terry cloth has become a favorite sportswear fabric. Cannon terry is used for this pair of coveralls made for swimmers to don after a dip.



A shirtwaist with elegance, this smart cotton is an asset in any woman's wardrobe because it can be worn any season. The dress is designed by Serbin of Miami in a bold satin weave overplaid cotton.

DESIGN FOR LIVING

Building - Remodeling - Improving

Chamber Of Commerce Tells Of 'Unscrupulous' Builders

Dwight H. Wallace, manager of the Arlington Heights Chamber of Commerce, stated this week that the American building industry has launched a promotional campaign entitled "Operation Home Improvement," which will be conducted throughout this year.

Using the slogan, "56—The Year To Fix", the reputable industry hopes to encourage home owners to undertake those remodeling operations which may be necessary for their homes, and also for the improvement of their utility and beauty.

In urging residents of Arlington Heights to participate in Operation Home Improvement this year, Wallace also urged home owners to confine their dealings to reputable firms, and to avoid doing business with the minority of unscrupulous builders who have caused problems for both the legitimate industry and the public.

Quoting a bulletin from the National Better Business bureau, with which the local Chamber is affiliated, Wallace warned against such longstanding building rackets as the "display house scheme," the itinerant roofers scheme, bait advertising of storm windows and doors, phony furnace repairmen, and problems arising from the use of certain types of mastic paint.

* * *

IN THE "display house" scheme, the promoter calls on one or more local home owners, and explains that his company plans to commence remodeling operations in the community. Before they begin activities, he claims, a good "demonstration job" is needed in the neighborhood to show their prospects. He, therefore, offers to supply a new roof or new siding for the house "at less than cost," and he also offers to pay a commission on each job that he gets as a result of showing the "display house" to other customers.

This entire sales pitch, Wallace states, is a falsehood. The promoter has no intention of using the house for display purposes, and the bargain-seeking home owner finds that he has paid an exorbitant price for an inferior job.

Itinerant roofers park their truck near a victim's home, and state that they have just finished another job in the neighborhood, and have some materials left over. They offer to repair the victim's roof at a small fraction of the ordinary cost, since they will be pleased to dipose of their left-over materials.

* * *

LIKE THE "display house" pitch, this story is also a pure fabrication. The itinerant repairmen often ruin the victim's roof end charge him a fantastic price.

Bait advertising for storm windows and doors is another scheme which home owners should avoid, according to Wallace. Such advertising features windows at such prices as $7.95, $9.95, $10.55, etc., and frequently makes alluring statements to the effect that the windows will require no maintenance, are "unconditionally guaranteed," and that immediate delivery may be had.

However, when the salesman calls at the prospective customer's home, he tells a different story. He says that the advertised window is of poor quality, that it will pit and corrode, that the guarantee is very limited, that delivery will take weeks or months, and generally does everything possible to disparage the window and to "switch" the customer to purchase a more expensive item at prices ranging from $20 to $45.

In the furnace repair field, the most persistent racket continues to be and attempt to sell a new furnace after the dishonest "repairman," in the course of his "inspection" of the home owner's present furnace, "discovers" that the furnace cannot be repaired. After gaining access to the basement, these men will usually dismantle the furnace completely, and then, with the parts strewn all over the cellar floor, state that they are unwilling to re-assemble a "worn out" furnace. They state that the furnace is dangerous to use, and that parts are either unobtainable, or take months to secure. In this way, they hope to frighten the home owner into buying a new furnace.

* * *

SO-CALLED .."mastic paints" have also sometimes been a source of difficulty. Certain of these paints, which are advertised as having a high degree of permanence and dependability, have been reported by some users to chip, crack, discolor, peel or blister, immediately or very soon after they are applied. It is difficult to ascertain to what extent these problems may lie in the deficiency of the product, and to what extent they may lie in faulty application.

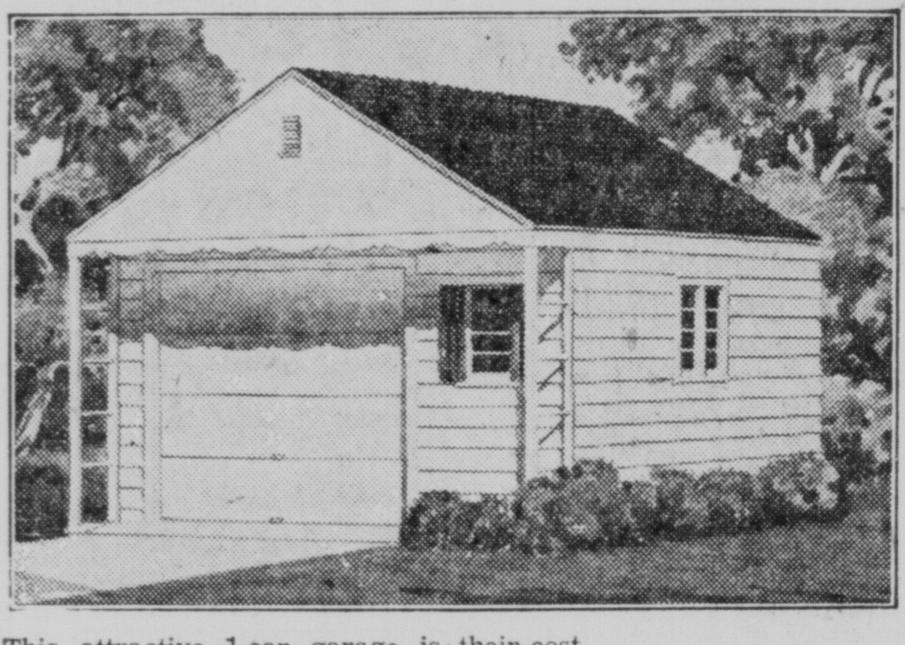
Frequently, mastic paint purchasers have "guarantees" from both the manufacturer and the contractor applicator. However, when the mastic deteriorates, each of these parties may insist that the fault lies with the other. In such situations, the customer may be unable to salvage anything from his transaction, despite the fact that he holds two guarantees.

Wallace states that the National Better Business bureau has furnished the local Chamber with a set of recommendations for persons who are planning to carry out their own "operation home improvement." He will be pleased to discuss these recommendations, and to discuss current rackets in the field, with any resident of Arlington Heights who desires this information.

Lots Of Glass

Elmhurst police are investigating a series of window breakings which have amounted to some $6,000 in damages.

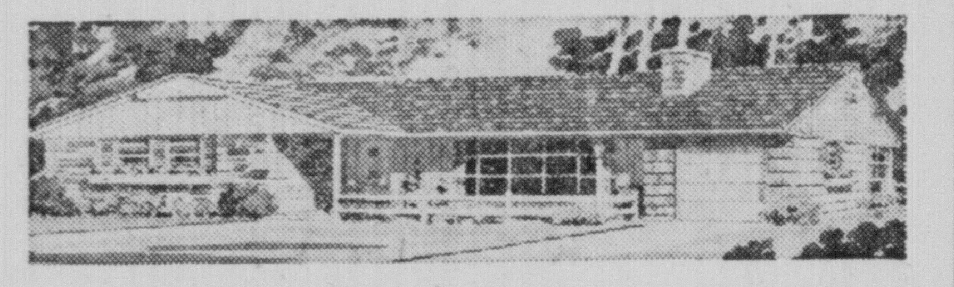
Garage of the Week

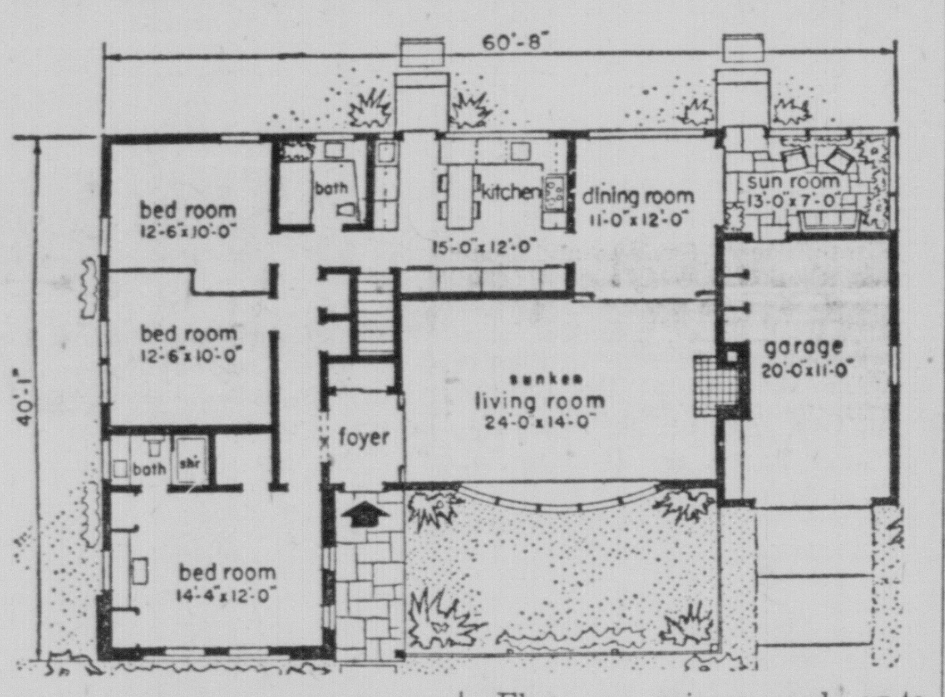


This attractive 1-car garage is also modified Colonial in design. The shuttered windows at the side of the door, and the interesting extension of the front gable, add much more to its beauty than their cost.

This is a National plan service garage design. Complete working blueprints are available from many lumber dealers.

New Ideas In Homes





Elegance, privacy, and up-to-the-minute convenience are the keynotes of this attravtive ranch-style house.

Architect Rudolph A. Matern of Jamaica, L.I., N.Y., has separated the sleeping, working living areas areas for efficient household activity and gracious entertaining.

Completely equipped, the kitchen is a housewife's dream. Dryer and washer are located at one end of the room, separated from the work area by a snack bar. Refrigerator, freezer and oven are set in.

* * *

THE SUNKEN living room has a ponderosa pine bow window that frames a planted area. A large wood-burning fireplace adds to the friendly atmosphere.

The master bedroom suite has a complete bath, a walk-in closet, and a built-in vanity. A Hollywood-style bathroom serves both the bedrooms and the kitchen. There is a sun room, an attached garage with storage closets and a work bench, abundant closet space throughout, and a full basement.

The exterior of the house is warm and impressive. Vertical boards on the gable ends add height. Pastel asphalt shingles emphasize the feeling of bigness and unify the exterior decoration.

* * *

THE ARCHITECT suggests that a full 4 inches of mineral wool insulation be installed in the attic and 3 inches in the walls for economy and comfort in winter and summer.

The house has 1,597 square feet of floor space and should be placed on a lot at least 100 feet square.

This plan is from the Homemaster Plan Book. Blueprints and specifications are available from Rudolph A. Matern, 90-04 161st St., Jamaica 32, L.I., N.Y. Refer to plan No. 4442.

BUSINESS BRIEFS

New Position

James R. Oberly, president of Admiral International corporation, announced the appointment of two new vice presidents of the Admiral Corp. export subsidiary.

Norman E. Johnson, 624 Banbury rd., Arlington Heights, associate general counsel of the parent company, was named vice president-foreign operations, a newly created post.

Johnson joined Admiral's legal staff in January 1952 and was named associate general counsel in April 1955.

A native of Oak Park, he is a graduate of the University of Illinois and Northwestern university law school.

During World War II he served three years with anti-aircraft and infantry units in the European and Mediterranean Theaters.

In his new post, Johnson will supervise foreign licensing as well as operations of Admiral's manufacturing subsidiaries in Italy, Mexico and Australia—Admiral Italiana, S.p.a. with headquarters in Milan; Admiral de Mexico, S.A. de C.V. in Mexico City, and Admiral of Australia (Pty.) Ltd., in Sydney, Australia. (BB

Director Of Advertising

Arthur S. Genet, president of Greyhound corporation announces the appointment of Edgar A. Jones of Palatine as director of advertising and public relations for the nation-wide bus system.

The creation of this department will provide a program of promotion and public relations at the local levels. More than 1,200 Greyhound sales representatives throughout the country will provide liaison between the company and every community served by the bus system. The introduction of the new Scenicruiser bus, expansion of terminal and rest-stop facilities and development of escorted tours serve as the base for this new program.

Mr. Jones is well known in the travel industry, having been associated with transportation for about 20 years. Prior to his new appointment, he was editor and publisher of The Highway Traveler magazine.

His home address is 619 W. Chicago aven., Palatine, where he has resided since 1953. (BB

Aids Boys' Outpost

William A. Dasho, Gainer Park, Palatine, has been named public relations chairman for the 13th annual drive for funds for the Boys' Outpost of the Lawson YMCA, 54 W. Chicago ave., Chicago. Over 150 prominent business men volunteer their services for the outpost, which meets after-school recreational and educational needs of the boys and girls of the near north side community.

Dasho was recently named too, as the national public relations director for the codes of conduct program, which is a high school voluntary self-discipline program proving very popular with high school students throughout the nation. He is president of Dasho-Rogers, Inc., public relations firm, which is the oldest of its kind in the mid-west, chairman of the board of Harrison's Heart-O-Orange, and director of Vari-Vend, Inc. milk vending machine manufacturing company.

For the past 20 years, Dasho has served as publicity director for Chicago's annual celebration of Chicago Y youth week, which highlights the year-around activities of some 1,000,000 boys and girls in and out of school.

He is a member of Lounsbury lodge 751, A.F. & A.M. Barrington and Palatine chapter 206, RAM, Medinah Temple, Chicago and Illinois athoetic club. (BB

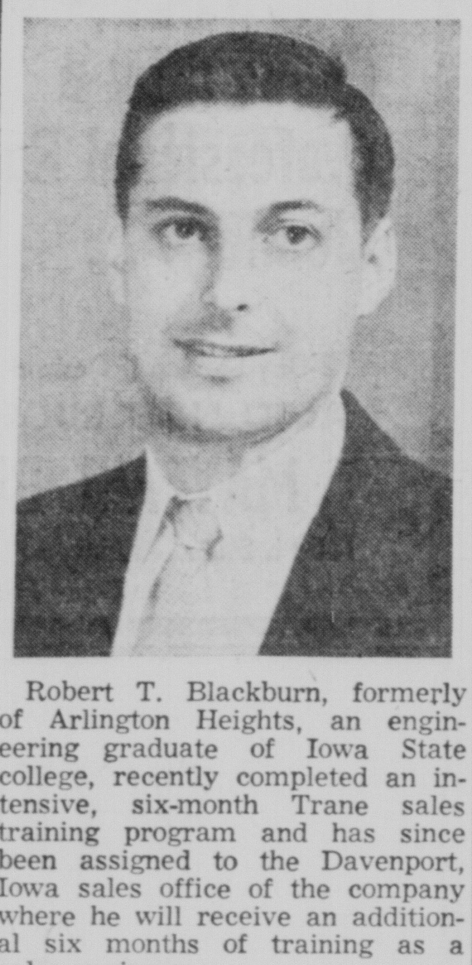
Record Sales For National Tea Co.

Record breaking sales for the 13th consecutive year for National Tea Co. were revealed today when H. V. McNamara, president, announced an all-time high in sales volume for the year of 1954 totaling $575,585,266. This is the largest volume of sales in the company's 56 year history, and tops 1954 sales of $520,300,324 by $55,282,942, a gain of 10.62 per cent for the year.

National Tea Co. consolidated sales for the four week period ending December 31, 1955, likewise were the highest of any four week period in the company's history, amounting to $50,353,484, as compared with $42,944,732 for the corresponding period of 1954, and an increase of 17.25 per cent.

NEWLY-APPOINTED SALES MANAGER of the Arlington Window and Awning Co. is William "Bill" Saunders, right, here being congratulated by Kenneth Carter, president of the firm. Saunders joined the firm more than a year ago and was divisional manager before being named to the newly-created post.

Sales Engineer



Robert T. Blackburn, formerly of Arlington Heights, an engineering graduate of Iowa State college, recently completed an intensive, six-month Trane sales training program and has since been assigned to the Davenport, Iowa sales office of the company where he will receive an additional six months of training as a sales engineer.

Trane manufactures air conditioning, refrigeration, heating, ventilating and heat transfer equipment for industrial, commercial and residential applications.

The training program dealt with practical aspects of products manufactured by the heating and cooling industry; including related theory, selection of equipment, equipment features and limitations design and installation considerations and specialized applications.

Auto Violations

While the shock of "Black Christmas" probably contributed to more careful driving, due credit must be given to the fact that motorists knew more police officers would be patrolling the roads and enforcing the laws. Enforce the laws they did. Figures released by state police chief Phil M. Brown show 1413 arrests were made by state police over the New Year weekend while only 170 arrests were made during "Black Christmas."

Water Those Evergreens!

In the absence of recent snows during these cold dry winter days, all evergreens should be heavily watered, according to Dr. R. Milton Carleton, president of the Chicago Horticultural society, in a statement issued.

"All evergreens must have moisture at their roots throughout the year because their needles, which act as leaves, breathe and give off moisture in winter as in summer, which must be drawn from the roots," Carleton stated.

* * *

"THE DRIED brown branches of evergreens that often show up in spring are the result of this winter drought condition aggravated by bright sunshine and strong winter winds."

A bucket or two of water applied directly to the soil under each evergreen on a reasonably mild day is called for. This is not necessary, however, after heavy snowfalls or rain.

Army PFC Charles Doetsch, son of Mr. and Mrs. George Doetsch, Mt. Prospect, recently took part in a field training exercise held by the 4th infantry division in Germany.

Training received by the "Ivy" division, part of the U. S. seventh army, includes intensive maneuvers and realistic field problems.

Doetsch, a cook in service company of the division's 22d infantry regiment, entered the army in November 1954 and completed basic training at Camp Chaffee, Ark. He arrived overseas in April of last year.

The 20-year-old soldier was graduated from Maine township high school in 1953 and was emplayed by Northern Illinois Gas company, in civilian life. (CC

Record Year For VA Home Buying Setup

The year 1955 was the greatest in the 11-year history of the GI loan program for home-buying veterans in Illinois and Veterans Administration expects the record rate to continue in 1956.

Robert D. Beer, VA's regional manager for Illinois, estimated in a year-end review of its loan guaranty operations, that 19,393 World War II and Korean conflict period veterans received GI home loans totaling more than $123,522,000 but 1955.

This was 65 per cent above the 1954 volume of 11,684 home loans totaling more than $123,522,00 but 24 per cent under the previous record year of 1947 when VA guaranteed 25,273 loans.

* * *

BY THE END of 1955, eleven and a half years after the GI loan program was established, VA had underwritten 167,547 GI home loans in Illinois, with an origiinal principal amount of about $1,245,501,600. About $500,000,000 of that amount was guaranteed by VA.

During 1955, VA was asked to appraise about 39,000 existing and proposed homes to be offered for sale to veterans. This is an increase of 30 per cent over the 30,006 units for which appraisal requests were received in 1954. Of the more than 39,000 homes VA was asked to appraise in 1955, 26,300 were proposed homes and 12,700 were existing homes.

Discharged

SP3 Wayne Olson Hildebrand, son of Mr. and Mrs. Tom H. Hildebrand of 527 Mayfair, Arlington Heights, who has been a member of the army medical corps the past 2 years, received his honorable discharge Wednesday, Jan. 11, at Fort Sheridan.

SP3 Hildebrandt was inducted into the service Feb. 5, 1954 at Ft. Leonard Wood, Mo., and after 8 weeks of basic training was sent to San Antonio, Tex. Three weeks later he was transferred to St. Louis where he spent 4 months training with the medical corps, and where he specialized in repairing hospital field equipment.

Following this SP3 Hildebrand was stationed for 8 weeks at Kaiserslauetern, Germany, and he completed his European assignment with a year's service at Fontainebleau, France.

Before his induction, SP3 Hildebrand received his degree at Miami university, Oxford, Ohio in 1953, and he had also completed one semester in engineering at the University of Iowa, Iowa City. His present plans are to complete his studies at the University of Iowa for his degree in engineering.

Expert Urges Plan To Save Trees On Building Sites

A program to save tens of thousands of America's shade trees from needless destruction on development sites was offered today by a leading tree expert.

Martin L. Davey Jr., who heads the largest tree care organization of its kind in the world, condemned the practice of sweeping entire tracts bare with bulldozers.

Instead, developers should call in professional tree men before actual construction gets under way and even before architectural plans are drawn, he asserted.

Armed with contour maps of building sites, tree men can decide which trees should be removed and which are worth special efforts to save. Some removals are necessary for grading, buildings and driveways and elimination of hazardous trees, but many valuable assets hundreds of years in the making can be saved, Mr. Davey declared.

A recently proposed ordinance in Philadelphia would require builders to get city permits for tree removals. This poses another legal problem to the already harassed builder.

Where voluntary programs are not developed to preserve trees on new construction sites, other cities may be expected to take up the pattern of official control, Mr. Davey declared. (DL

In the Shadow of + + + The Steeple

by William O. McGill

There have always been scholarship programs to aid deserving young people who would not otherwise be able to obtain a college education. The question may fairly be asked, "In what way is the National Merit scholarship program of the Ford Foundation different from these other programs?"

A superficial difference is that many of the older scholarship programs had some freakish qualities. There are some universities which have scholarships which year after year are not awarded because there are no applicants to meet the qualifications.

* * *

ONE WHICH COMES to mind was established at the University of Wisconsin for students who majored in Swedish. The first person ever to apply for it was the granddaughter or great-granddaughter of the donor—many years after it had been established.

These unfilled scholarships came to be in several ways. In some cases there was a ribald approach to the need of an education on the part of the donor. Many of them are due to a donor's particular interest not being as widespread as he thought. This was surely the case with the scholarship for majors in the Swedish language. Many more of them are due to the fact that a cultural need has disappeared with changing times. There are many universities which have received scholarship funds for freed Negro slaves—but there are not many of these around college campuses today.

In new scholarship program of the Ford Foundation is a business-like method of covering the field—every accredited secondary school may nominate a promising percentage of its student body. The program then plans to test every nominee in order to secure the most capable students.

* * *

A GREATER difference between the new and old scholarship programs is in size and administration. Where there were a number of scholarships—many of them tailored to specific situations — from a great many donors administered by the school authorities, the new program provided many scholarships from a single source for use at any school of one's choosing.

A lot of education can be purchased for 21 millions of dollars. A lot of influence can be exercised on curriculum and administration by that amount of money. The Ford Foundation has distinguished itself by its interest in human need and social development.

The recent grants to schools themselves attests to this fact. But one need think only of the grants offered to 2 southern colleges several years ago with the provision that they teach a special brand of anthropological racial superiority to recognize the problems that might be involved.

'Eye For Eye' Policy Making Short Work Of Orgosoloans

by BILL DILLINGHAM

The people of Orgosolo have been slow to agree that it is improper to murder one's neighbor.

For centuries in this Italian town there has been a constant internal war. Blood vengenance based on the theme of "an eye for an eye, a tooth for a tooth" has been the code of the people, and uncounted hundreds have been taken to the town's cemetery because of it.

* * *

DURING a single 90-day period not too long ago, 16 people were killed through blood vengeance motives. A more fortunate 33 of the town's citizens ended up in the hospital.

Some of the inhabitants, however, decided that blood vengeance was unfitting with the times. A festival was arranged by a local and respected doctor for the purpose of getting everybody to make friends.

* * *

EVERY MAN, woman and child of Orgosolo individually passed before a crucifix in the town's church and took the oath to never engage in hostile activities again. Past attempts, and there were many, to get the people to agree to stopping this barbarous custom had all failed. Only this "en masse" ceremony in conjunction with religion promised to bring peace to Orgosolo.

After the oaths, the entire town engaged itself in a huge festival. People ate, drank, embraced and kissed each other. Families and individuals that had been separated for years as irreconcilable enemies were friends again.

* * *

PEACE in Orgosolo, however, has lasted only a short time. Several fights have just led to the first post-oath murder, and the townsfolk are again divided.

Feelings are running doubly high for the moment, possibly because every man is sure of his value so soon after the peace ceremony. Just about everybody in Orgosolo agrees at least on who started the trouble again. It was the other guy.

At The Catlow

Teen-age Rafel Campos, playing a boy accused of murder, breaks down and weeps in the arms of his mother, portrayed by the noted Mexican actress, Katy Jurado. Scene is from "Trial," with a distinguished cast headed by Glenn Ford, Dorothy McGuire, Arthur Kennedy and John Hodiak, now playing at the Catlow theater, Barrington.

Concert At N.U.

During its first tour of the United States, the Woodwind Ensemble of Paris will perform in Lutkin hall of Northwestern university, Evanston.

The concert, which is open to the public, will be sponsored by the Northwestern music school at 8:15 p.m. Tuesday, Jan. 24.

Tickets, which are $2, may be obtained from the concert manager, Northwestern music school, Evanston, or at the door on the evening of the concert.

NEEDLE in the GROOVE

by PAUL LITTLE

Our classical offering for the week — and, indeed, one that sets the mood for what we hope will be an inspiring and joyous New Year for all of you — is a superb recording of Handel's greatest oratorio, "The Messiah." Written 215 years ago in the incredibly short space of 23 days, this towering expression of devout faith and ardent conviction has meaning for all creeds and sects; it is boundless in its radiant humanity and warm declaration of the finest precepts of our Christianity. It is a pity, truly, that such music cannot be "piped in" to the Iron Curtain countries, for the music of "The Messiah" speaks of freedom to worship, of a brotherhood of man.

Unicorn records, under the sponsorship of the Handel and Haydn Society of Boston, present a three-disc reording of the work, consisting of 41 separate numbers but so magically welded together that the listener is conscious always of the thematic beauty and unflagging eloquence. Dr. Thompson Stone conducts the Zimbler Sinfonietta and such fine vocal soloists as soprano Adele Addison, the Australian-born contralto Lorna Sydney (who sang so beautifully in Vanguard's album of the Mahler song cycle, "Das Knaben Wunderhorn"), tenor David Lloyd, and bass-baritone Donald Gramm. Instrumental soloists include Rober Voisin, trumpet; Earl Weidner, organ; Doriot Anthony Dwyer, flute; Daniel Pinkham, harpsichord; and George Zazofsky, concertmaster of the Zimbler ensemble, performing the first violin solos. The close-up, intimate quality of reproduction Unicorn has given us here makes listening to this recording especially absorbing and stirring.

Our jazz recommendation of the week comes from brilliant 28-year-old Dick Bock, founder of Pacific Jazz records and the man who discovered such jazz greats as Jack Montrose, Chet Baker, Bud Shank and Bob Brookmeyer. This is the 12-inch disc of the "Jack Montrose Sextet," with Montrose's magnificent tenor sax sharing the spotlight with the late Bob Gordon's impeccable and unsurpassable baritone sax; we have Conte Candoli, trumpet; Shelly Manne, one of the all-time great drummers; Paul Moer at the piano and Ralph Penna strumming a hot bass. The effect is one of chamber music, highly refreshing in the styling of modern jazz treatments of tunes like "That Old Feeling," "Fools Rush In," "Bewitched, Bothered and Bewildered," and "Some Good Fun Blues." Beautiful ensemble and solo playing enhanced by clean, undistorted hi-fi reproduction — and may all your '56 listening be as harmonious!

It usually begins like an ordinary cold and this similarity is responsible for the frequent failure to recognize the disease in its earlier stages. The patient may have a slight fever, running nose and a cold that develops into a tight dry cough.

The cough deepens until the whoop occurs. This is a sobbing intake of breath following an extended cough. The coughing spasms are severe. In them the face becomes deep red or purple, the veins of the face and scalp swell, and the eyes water. The body is racked by the prolonged violent, frequent spasms of coughing. The child may be weakened by the repeated coughing and vomiting and complications, such as pneumonia, may develop. It may be several months before strength is fully regained.

* * *

THERE ARE DRUGS that can reduce the severity of the coughing spells, which are likely to last a minute or more, but these drugs must be given only under the careful supervision of a physician.

Sometimes the child with the disease never whoops, even though the whooping cough germs are present in his nose and throat. Thus the disease may go unrecognized and be spread to other children through nose and throat discharges spread by a cough or sneeze or on dishes used by the patient.

* * *

IT IS IMPORTANT to prevent the disease from occuring, and thus every child should be immunized against whooping cough. This is of special importance in the very young child because available statistics show that one out of ten such victims die of the disease. In those that survive, there is the risk of serious after-effects such as deafness, speech defects or subnormal development.

Whooping cough is one of the diseases that can be controlled by immunization, which is one of the important procedures of preventive medicine. The procedure keeps the child reasonably safe, usually preventing the disease from being contracted, or minimixing the condition if it does develop.

'Eye For Eye' Policy Making Short Work Of Orgosoloans

by BILL DILLINGHAM

The people of Orgosolo have been slow to agree that it is improper to murder one's neighbor.

For centuries in this Italian town there has been a constant internal war. Blood vengenance based on the theme of "an eye for an eye, a tooth for a tooth" has been the code of the people, and uncounted hundreds have been taken to the town's cemetery because of it.

* * *

DURING a single 90-day period not too long ago, 16 people were killed through blood vengeance motives. A more fortunate 33 of the town's citizens ended up in the hospital.

Some of the inhabitants, however, decided that blood vengeance was unfitting with the times. A festival was arranged by a local and respected doctor for the purpose of getting everybody to make friends.

* * *

EVERY MAN, woman and child of Orgosolo individually passed before a crucifix in the town's church and took the oath to never engage in hostile activities again. Past attempts, and there were many, to get the people to agree to stopping this barbarous custom had all failed. Only this "en masse" ceremony in conjunction with religion promised to bring peace to Orgosolo.

After the oaths, the entire town engaged itself in a huge festival. People ate, drank, embraced and kissed each other. Families and individuals that had been separated for years as irreconcilable enemies were friends again.

* * *

PEACE in Orgosolo, however, has lasted only a short time. Several fights have just led to the first post-oath murder, and the townsfolk are again divided.

Feelings are running doubly high for the moment, possibly because every man is sure of his value so soon after the peace ceremony. Just about everybody in Orgosolo agrees at least on who started the trouble again. It was the other guy.

At The Catlow

Teen-age Rafel Campos, playing a boy accused of murder, breaks down and weeps in the arms of his mother, portrayed by the noted Mexican actress, Katy Jurado. Scene is from "Trial," with a distinguished cast headed by Glenn Ford, Dorothy McGuire, Arthur Kennedy and John Hodiak, now playing at the Catlow theater, Barrington.

NEEDLE in the GROOVE

by PAUL LITTLE

Our classical offering for the week — and, indeed, one that sets the mood for what we hope will be an inspiring and joyous New Year for all of you — is a superb recording of Handel's greatest oratorio, "The Messiah." Written 215 years ago in the incredibly short space of 23 days, this towering expression of devout faith and ardent conviction has meaning for all creeds and sects; it is boundless in its radiant humanity and warm declaration of the finest precepts of our Christianity. It is a pity, truly, that such music cannot be "piped in" to the Iron Curtain countries, for the music of "The Messiah" speaks of freedom to worship, of a brotherhood of man.

Unicorn records, under the sponsorship of the Handel and Haydn Society of Boston, present a three-disc reording of the work, consisting of 41 separate numbers but so magically welded together that the listener is conscious always of the thematic beauty and unflagging eloquence. Dr. Thompson Stone conducts the Zimbler Sinfonietta and such fine vocal soloists as soprano Adele Addison, the Australian-born contralto Lorna Sydney (who sang so beautifully in Vanguard's album of the Mahler song cycle, "Das Knaben Wunderhorn"), tenor David Lloyd, and bass-baritone Donald Gramm. Instrumental soloists include Rober Voisin, trumpet; Earl Weidner, organ; Doriot Anthony Dwyer, flute; Daniel Pinkham, harpsichord; and George Zazofsky, concertmaster of the Zimbler ensemble, performing the first violin solos. The close-up, intimate quality of reproduction Unicorn has given us here makes listening to this recording especially absorbing and stirring.

Our jazz recommendation of the week comes from brilliant 28-year-old Dick Bock, founder of Pacific Jazz records and the man who discovered such jazz greats as Jack Montrose, Chet Baker, Bud Shank and Bob Brookmeyer. This is the 12-inch disc of the "Jack Montrose Sextet," with Montrose's magnificent tenor sax sharing the spotlight with the late Bob Gordon's impeccable and unsurpassable baritone sax; we have Conte Candoli, trumpet; Shelly Manne, one of the all-time great drummers; Paul Moer at the piano and Ralph Penna strumming a hot bass. The effect is one of chamber music, highly refreshing in the styling of modern jazz treatments of tunes like "That Old Feeling," "Fools Rush In," "Bewitched, Bothered and Bewildered," and "Some Good Fun Blues." Beautiful ensemble and solo playing enhanced by clean, undistorted hi-fi reproduction — and may all your '56 listening be as harmonious!

Million Farm Acres Annual Toll Of Country's Developers

More than a million acres of cultivatable land each year is being converted from farm land into non-agricultural uses, B. B. Clark, state conservationist for the U. S. soil conservation service said in an interview.

The soil conservation service found, in a survey covering the period from 1942 to 1956, that 17 million acres of land suitable for cultivation were converted to suburban housing development, industrial and commercial uses, defense establishments, airports and highways, Clark said. An additional 3 million acres of arable land were planted to trees during the same period. The total conversions are equivalent to 5 per cent of our total cropland acreage of about 400 million acres, or the cropland on 225,000 average size farms, Clark said.

* * *

THE AREA including the states of Minnesota, Wisconsin, Iowa, Missouri and Illinois is losing 139,000 acres annually which is an area equal to 875 average size farms in Illinois. Ohio and Indiana have each lost about 6 million acres of arable land during the period 1942 to 1956.

Clark pointed out that industrial and urban expansion often occurs on good arable land because construction costs are usually lower on level land than on rolling or rocky land. Drainage and water disposal problems are often less troublesome. Highway engineers want to avoid grades. Airports require long, level runways.

* * *

MODERN STORES, and modern factory layouts and suburban developments all require a much larger area of land per person than they did 25-30 years ago. Superhighways, like the Ohio turnpike, take 50 to 60 acres of land per mile. Regular four lane highways require 16 acres or more per mile.

"Once buried under steel or concrete, productive cropland, for all practical purposes, is never again available for agricultural production", said Clark. "Temporary surpluses of some agricultural commodities tend to cloud the fact that some day we may need every acre of our cropland for agricultural production."

UNITED STATES population is expected to reach 210-220 millions by 1975. It is increasing at the rate of over 2½ million annually. Roughly 2½ acres of cropland will feed one person at our present standards.

Clark pointed out that as cultivatable land shifts to other uses, and as food demands rise, food production shifts inevitably to land less suitable for cultivation. This increases the cost of production.

Americans now spend one-fourth of their spendable income for food. In many other countries food takes up to 80 per cent of the spendable income. (Fm

YMCA Starts New Leisure Time Program

A program to satisfy a wide range of leisure time interests will begin next week at the Northwest Suburban YMCA in Des Plaines. There will be classes in dancing, for beginners and advanced students, and in bridge, horseback riding and crafts such as leather work and copper enameling. All activities are open to non-members as well as YMCA members.

Dancing will be under the leadership of June Rold, outstanding dance instructor in the northwest suburbs and will include basic instruction in waltz, fox trot, and jitterbug as well as instruction in some of the intricate Latin-American dances. Men and women who are interested in improving their dancing and who would enjoy meeting others with similar interests are invited to attend. The first class will be held Monday, January 16, at the North School in Des Plaines.

The bridge class will meet Wednesday evening, the leathercraft class Tuesday, the women's riding group Thursday afternoon, the women's 'slim and trim' physical fitness class Tuesdays, and the men's conditioning class Tuesday. For more information on the new classes, or for information concerning registration, call the YMCA office at VAnderbilt 4-4156.

Lean Hogs Grow Fast And Cheap

Lean type hogs grow as cheaply as fat-type porkers, according to Carl F. Mees, farm adviser.

Mees says figures from the Forrest swine test station in 1954 showed little difference between fat and lean hogs so far as rate and costs of gain were concerned.

More recent research indicates that, if any advantage in cost of gains exists, it is in favor of lean hogs.

The Ohio swine evaluation station fed two pigs from each of 108 litters separately to compare costs. The lean hogs, which would grade U.S. No. 1 on the market, required 34 pounds of grain to put on 10 pounds of gain. Fat hogs in the test, grading U.S. No. 2 and 3, needed 358 pounds of feed to put on 100 pounds of gain.

Average daily gains in the test were 1.67 pounds a day for lean hogs and 1.69 pounds a day for fat hogs. (Fm

Best Time To Switch Improved Oat Varieties

An abundance of certified seed oats in the state at very reasonable prices presents the best opportunity in years for farmers to get improved oat varieties for higher profits.

This thought was expressed by J. C. Hackelman of the agronomy department of the University of Illinois. He believes this is definitely a time when farmers can change varieties of oats at a real savings in order to get a modern variety that has the improvements built into it by plant breeders.

* * *

FACTS on improved varieties are available from the local count farm adviser. Hackelman points out that they offer many improvements like higher yielding factors, better lodging resistance, more disease resistance, and quality factors such as test weight, etc.

Without question, thousands of Illinois farmers today are growing the same variety of oats as recommended 10 to 15 years ago, which have since become outdated. Hackelman reports that a survey by the Cooperative Crop Reporting Service indicates that farmers are using too much mixed seed. Many of them have made no effort to improve the variety or get a better variety for the last several years.

This practice is costing Illinois farmers money, the specialist contends. Normally considered a low-profit crop, oats will produce more with the right variety.

Bit O'Protection Is Better Than A Lot Of Cure

The old saying that "an ounce of prevention is worth a pound of cure" is especially true about calf scours, an old and serious ailment in Illinois Dairy herds.

Sanitation and proper feeding are essential in preventing the disease, says Dr. H. J. Hardenbrook of the University of Illinois college of veterinary medicine.

* * *

SCOURS may occur at anytime in nursing calves, especially in those up to two weeks old. An affected calf may show prostration, poor appetite and some dehydration along with an acute watery diarrhea.

The course of the contagious form of scours is rapid, often resulting in death. Quick effective treatment is necessary to prevent losses. Dr. Hardenbrook notes that scours and similar intestinal troubles have caused 15 to 20 per cent of the calf deaths in some herds where good records are kept.

* * *

OVERFEEDING is one of the most frequent causes of scours. A newborn calf should not be left with a good producing cow continuously during the first day after birth.

In winter, a calf barn should be dry and free from drafts. Young calves do very well at temperatures of around 55 degrees. If necessary burlap sacks may be used for blankets.

You can get more information on how to prevent scou in newborn calves from the college of agriculture, University of Illinois, Urbana. (Fm

Ag. School Dean Lends Helping Hand To New Indian College

Where jungle and disease once were king, H. W. "Hank" Hannah, associate dean of the university of Illinois, college of agriculture, is now helping the people of India find a new agricultural college modeled after the land-grant colleges in the United States.

Hannah has set up camp — and that is literally just what he has done — on the state farm of Tarai, India. In a letter to R. W. Jungenheimer, "Hank" says so far he has no office, no supplies and no secretary. Jungenheimer is chairmen of the Committee on Agricultural Foreign Programs for the university.

* * *

IN 1948 the Indian government started clearing a vast expanse of malaria-infested jungle in the state of Uttar Pradesh, northeast of the capital city of Delhi. The towering Himalaya mountains are not far from there, but Tarai's land is flat and fertile.

Now, seven years later, the entire Tarai area has been surveyed, drained and cleared. Ex-servicemen and displaced Indians from Pakistan have settled in the new colony. A modern city, Rudrapur, has been built on the former wasteland. Rudrapur boasts electricity, a modern hospital and a new school.

Orchard trees have replaced jungle vines in Tarai, and sparkling fish ponds instead of muddy swamps dot the landscape.

* * *

FOURTEEN THOUSAND five hundred acres have been developed into an experimental farm. The Indian government would like to build a new college on the 3 by 10 mile farm. Hannah is there to lend his long experience in college organization to the project. This is just one part of his job in the two-year "self-help" program the university has initiated in India in cooperation with the Indian and United States governments.

Students would have a wealth of laboratory material on the farm's 1,000 acres of orchard, 1,500 acres of timber plantations and 2,400 acres of grazing land for the dairy herd and poultry flock. Also on the farm are fish ponds, an apiary and horticulture and forestry museums. (Fm

Million Farm Acres Annual Toll Of Country's Developers

More than a million acres of cultivatable land each year is being converted from farm land into non-agricultural uses, B. B. Clark, state conservationist for the U. S. soil conservation service said in an interview.

The soil conservation service found, in a survey covering the period from 1942 to 1956, that 17 million acres of land suitable for cultivation were converted to suburban housing development, industrial and commercial uses, defense establishments, airports and highways, Clark said. An additional 3 million acres of arable land were planted to trees during the same period. The total conversions are equivalent to 5 per cent of our total cropland acreage of about 400 million acres, or the cropland on 225,000 average size farms, Clark said.

* * *

THE AREA including the states of Minnesota, Wisconsin, Iowa, Missouri and Illinois is losing 139,000 acres annually which is an area equal to 875 average size farms in Illinois. Ohio and Indiana have each lost about 6 million acres of arable land during the period 1942 to 1956.

Clark pointed out that industrial and urban expansion often occurs on good arable land because construction costs are usually lower on level land than on rolling or rocky land. Drainage and water disposal problems are often less troublesome. Highway engineers want to avoid grades. Airports require long, level runways.

* * *

MODERN STORES, and modern factory layouts and suburban developments all require a much larger area of land per person than they did 25-30 years ago. Superhighways, like the Ohio turnpike, take 50 to 60 acres of land per mile. Regular four lane highways require 16 acres or more per mile.

"Once buried under steel or concrete, productive cropland, for all practical purposes, is never again available for agricultural production", said Clark. "Temporary surpluses of some agricultural commodities tend to cloud the fact that some day we may need every acre of our cropland for agricultural production."

UNITED STATES population is expected to reach 210-220 millions by 1975. It is increasing at the rate of over 2½ million annually. Roughly 2½ acres of cropland will feed one person at our present standards.

Clark pointed out that as cultivatable land shifts to other uses and as food demands rise, food production shifts inevitably to land less suitable for cultivation. This increases the cost of production.

Americans now spend one-fourth of their spendable income for food. In many other countries food takes up to 80 per cent of the spendable income. (Fm

YMCA Starts New Leisure Time Program

A program to satisfy a wide range of leisure time interests will begin next week at the Northwest Suburban YMCA in Des Plaines. There will be classes in dancing, for beginners and advanced students, and in bridge horseback riding and crafts such as leather work and copper enameling. All activities are open to non-members as well as YMCA members.

Dancing will be under the leadership of June Rold, outstanding dance instructor in the northwest suburbs and will include basic instruction in waltz, fox trot, and jitterbug as well as instruction in some of the intricate Latin-American dances. Men and women who are interested in improving their dancing and who would enjoy meeting others with similar interests are invited to attend. The first class will be held Monday, January 16, at the North School in Des Plaines.

The bridge class will meet Wednesday evening, the leathercraft class Tuesday, the women's riding group Thursday afternoon, the women's 'slim and trim' physical fitness class Tuesdays, and the men's conditioning class Tuesday. For more information on the new classes, or for information concerning registration, call the YMCA office at VAnderbilt 4-4156.

Lean Hogs Grow Fast And Cheap

Lean type hogs grow as cheaply as fat-type porkers, according to Carl F. Mees, farm adviser.

Mees says figures from the Forrest swine test station in 1954 showed little difference between fat and lean hogs so far as rate and costs of gain were concerned.

More recent research indicates that, if any advantage in cost of gains exists, it is in favor of lean hogs.

The Ohio swine evaluation station fed two pigs from each of 108 litters separately to compare costs. The lean hogs, which would grade U.S. No. 1 on the market, required 34 pounds of grain to put on 10 pounds of gain. Fat hogs in the test, grading U.S. No. 2 and 3, needed 358 pounds of feed to put on 100 pounds of gain.

Average daily gains in the test were 1.67 pounds a day for lean hogs and 1.69 pounds a day for fat hogs. (Fm

Best Time To Switch Improved Oat Varieties

An abundance of certified seed oats in the state at very reasonable prices presents the best opportunity in years for farmers to get improved oat varieties for higher profits.

This thought was expressed by J. C. Hackelman of the agronomy department of the University of Illinois. He believes this is definitely a time when farmers can change varieties of oats at a real savings in order to get a modern variety that has the improvements built into it by plant breeders.

* * *

FACTS on improved varieties are available from the local count farm adviser. Hackelman points out that they offer many improvements like higher yielding factors, better lodging resistance, more disease resistance, and quality factors such as test weight, etc.

Without question, thousands of Illinois farmers today are growing the same variety of oats as recommended 10 to 15 years ago, which have since become outdated. Hackelman reports that a survey by the Cooperative Crop Reporting Service indicates that farmers are using too much mixed seed. Many of them have made no effort to improve the variety or get a better variety for the last several years.

This practice is costing Illinois farmers money, the specialist contends. Normally considered a low-profit crop, oats will produce more with the right variety.

Bit O'Protection Is Better Than A Lot Of Cure

The old saying that "an ounce of prevention is worth a pound of cure" is especially true about calf scours, an old and serious ailment in Illinois Dairy herds.

Sanitation and proper feeding are essential in preventing the disease, says Dr. H. J. Hardenbrook of the University of Illinois college of veterinary medicine.

* * *

SCOURS may occur at anytime in nursing calves, especially in those up to two weeks old. An affected calf may show prostration, poor appetite and some dehydration along with an acute watery diarrhea.

The course of the contagious form of scours is rapid, often resulting in death. Quick effective treatment is necessary to prevent losses. Dr. Hardenbrook notes that scours and similar intestinal troubles have caused 15 to 20 per cent of the calf deaths in some herds where good records are kept.

Priscilla Owen And Ronald Holmes Wed

A wedding in which Miss Priscilla Owen, daughter of Mr. and Mrs. George E. Owen, 706 S. Chestnut, Arlington Heights, became the bride of Ronald Holmes, son of Mr. and Mrs. E. C. Holmes, 414 S. Dunton, Arlington Heights, took place at 8 p.m. January 14 in St. John Episcopal church, Mt. Prospect.

Pom pons and white carnations decorated the church for the candlelight, double ring service during which the Rev. Grosvenor Needham read the nuptials. Mrs. Charles W. Johnson soloist, sang "Because" and "I Love You Truly."

Escorted by her father, the bride wore a gown of white nylon lace with tulle over white satin. The gown was fashioned with a scooped neckline trimmed with seed pearls and sequins. Sleeves of the gown were fingertip length and the bouffant skirt fell to the floor. A seed pearl and sequin crown held her fingertip veil and she carried a white orchid with white roses and lily of the valley in a crescent shape.

Miss Mary Gloden of Wheeling, was maid of honor wearing a pink crystalette gown with dubonnet velvet made with bateau neckline and bouffant street-length skirt. She wore a pink twist headpiece with veil and carried a crescent of American Beauty roses.

The bride's 6-year-old sister, Shirley Owen, was flower girl and wore a powder blue nylon dress with matching blue velvet headband. She also carried American Beauty roses.

Norman Plontke of Arlington Heights, was the bridegroom's best man and Douglas Holmes, brother of the groom, and Ronald Culpepper also of Arlington Heights, were ushers.

Following the ceremony, a reception for relatives and close friends was held at the home of the bride's parents. Mrs. Owen received in a turquoise taffeta dress with brown accessories and a corsage of pink roses and pink carnations. Mrs. Holmes was in coral faille with black and white accessories and a corsage of white roses and white carnations.

After a brief honeymoon at Lake Geneva, Mr. Holmes and his bride are residing in an apartment in Palatine. Both were graduated from Arlington Heights township high school. The new Mrs. Holmes is employed by Aetna Insurance Co. in Park Ridge and Mr. Holmes is co-owner of the Rand and Euclid Shell service station. He also attended Wright Junior college in Chicago. Alpha Phis Will Entertain Husbands

Apha Phis in the northwest suburban area are entertaining their husbands at 8 p.m. January 20 with an evening of fun and food. Mrs. R. R. Johnson, 504 S. Pine ave., Arlington Heights, will be hostess.

In 1946 Alpha Phi adopted cardiac aid as its philanthropic project. Nearly 200 alumnae clubs and chapters furnish the leadership for this program. Three national projects are aided through a yearly Valentine drive including Herrick house at Bartlett, where children convalesce from heart illness.

A small contribution for the party by each couple will enable the local alumnae club to buy materials to make articles needed at Herrick house.

New Alpha Phis in this area are invited to call Mrs. George Hartley, president, CLearbrook 3-8449 and attend the party.

Valentine Luncheon

Palatine women are invited to attend the Immanual Mothers' club Valentine luncheon and card party in Immanuel Lutheran church basement February 1 at 1 p.m.

Tickets are available from a member.

Junior Women Attend 7th District Meeting

Arlington Heights and Rolling Meadows junior women's clubs were in attendance at a combined meeting of all junior women's clubs in the seventh district January 17 in Des Plaines.

Mrs. Bernard S. Cahill, junior director of the district, presided at the meeting and reports were given by district chairmen and club presidents. Speaker for the evening meeting, which was held in St. Martin Episcopal church, was Dr. Elfriede Horst, local pediatrician. Dr. Horst spoke on the status of the Mexican agricultural migrants in Illinois with special emphasis on those in this area. Dr. Horst also showed movies pertaining to migrants.

League Meets Thurs.

Northwest chapter of the Lake Bluff Service league to the Lake Bluff Childrens' home will meet at the home of Mrs. Harry Broadwell, 315 Carlyle place, Arlington Heights, Thursday, Jan. 19.

Mrs. Walter Garrison, president of the league will preside. To adapt a constitution and by laws will be the main purpose for the meeting. Plans are also in the offing for the pre-Easter sale. Monies received from this benefit will be used solely for the children's clothing fund.

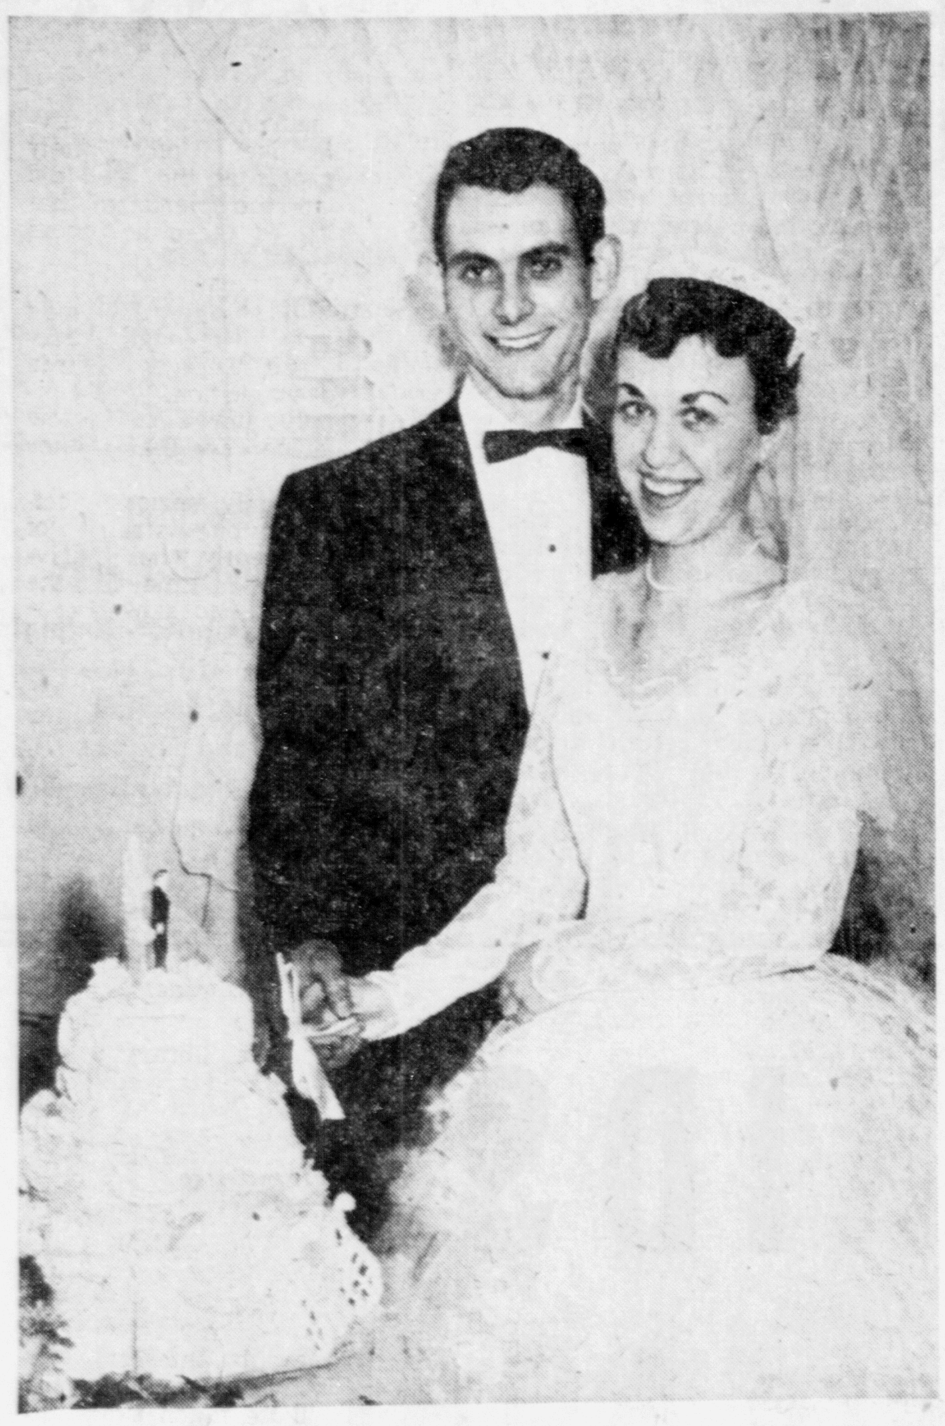
Priscilla Owen And Ronald Holmes Wed



A wedding in which Miss Priscilla Owen, daughter of Mr. and Mrs. George E. Owen, 706 S. Chestnut, Arlington Heights, became the bride of Ronald Holmes, son of Mr. and Mrs. E. C. Holmes, 414 S. Dunton, Arlington Heights, took place at 8 p.m. January 14 in St. John Episcopal church, Mt. Prospect.

Pom pons and white carnations decorated the church for the candlelight, double ring service during which the Rev. Grosvenor Needham read the nuptials. Mrs. Charles W. Johnson soloist, sang "Because" and "I Love You Truly."

Escorted by her father, the bride wore a gown of white nylon lace with tulle over white satin. The gown was fashioned with a scooped neckline trimmed with seed pearls and sequins. Sleeves of the gown were fingertip length and the bouffant skirt fell to the floor. A seed pearl and sequin crown held her fingertip veil and she carried a white orchid with white roses and lily of the valley in a crescent shape.

Miss Mary Gloden of Wheeling, was maid of honor wearing a pink crystalette gown with dubonnet velvet made with bateau neckline and bouffant street-length skirt. She wore a pink twist headpiece with veil and carried a crescent of American Beauty roses.

The bride's 6-year-old sister, Shirley Owen, was flower girl and wore a powder blue nylon dress with matching blue velvet headband. She also carried American Beauty roses.

Norman Plontke of Arlington Heights, was the bridegroom's best man and Douglas Holmes, brother of the groom, and Ronald Culpepper also of Arlington Heights, were ushers.

Following the ceremony, a reception for relatives and close friends was held at the home of the bride's parents. Mrs. Owen received in a turquoise taffeta dress with brown accessories and a corsage of pink roses and pink carnations. Mrs. Holmes was in coral faille with black and white accessories and a corsage of white roses and white carnations.

After a brief honeymoon at Lake Geneva, Mr. Holmes and his bride are residing in an apartment in Palatine. Both were graduated from Arlington Heights township high school. The new Mrs. Holmes is employed by Aetna Insurance Co. in Park Ridge and Mr. Holmes is co-owner of the Rand and Euclid Shell service station. He also attended Wright Junior college in Chicago. Alpha Phis Will Entertain Husbands

Apha Phis in the northwest suburban area are entertaining their husbands at 8 p.m. January 20 with an evening of fun and food. Mrs. R. R. Johnson, 504 S. Pine ave., Arlington Heights, will be hostess.

In 1946 Alpha Phi adopted cardiac aid as its philanthropic project. Nearly 200 alumnae clubs and chapters furnish the leadership for this program. Three national projects are aided through a yearly Valentine drive including Herrick house at Bartlett, where children convalesce from heart illness.

A small contribution for the party by each couple will enable the local alumnae club to buy materials to make articles needed at Herrick house.

New Alpha Phis in this area are invited to call Mrs. George Hartley, president, CLearbrook 3-8449 and attend the party.

Valentine Luncheon

Palatine women are invited to attend the Immanual Mothers' club Valentine luncheon and card party in Immanuel Lutheran church basement February 1 at 1 p.m.

Tickets are available from a member.

Junior Women Attend 7th District Meeting

Arlington Heights and Rolling Meadows junior women's clubs were in attendance at a combined meeting of all junior women's clubs in the seventh district January 17 in Des Plaines.

Mrs. Bernard S. Cahill, junior director of the district, presided at the meeting and reports were given by district chairmen and club presidents. Speaker for the evening meeting, which was held in St. Martin Episcopal church, was Dr. Elfriede Horst, local pediatrician. Dr. Horst spoke on the status of the Mexican agricultural migrants in Illinois with special emphasis on those in this area. Dr. Horst also showed movies pertaining to migrants.

League Meets Thurs.

Northwest chapter of the Lake Bluff Service league to the Lake Bluff Childrens' home will meet at the home of Mrs. Harry Broadwell, 315 Carlyle place, Arlington Heights, Thursday, Jan. 19.

Mrs. Walter Garrison, president of the league will preside. To adapt a constitution and by laws will be the main purpose for the meeting. Plans are also in the offing for the pre-Easter sale. Monies received from this benefit will be used solely for the children's clothing fund.

ENJOYING TEA TIME in the lobby of the Ambassador East hotel, members of the Arlington Heights branch of the Chicago Maternity center looked into their tea cups to read the future of the benefit tea dance they will give at Inverness country club February 25. Wearing early season straws, left to right, Mrs. Bert Herrmann, 116 S. Wapella, Mt. Prospect, and Mrs. John Lindstrom, 824 S. Beverly lane, Arlington Heights. —Shiro Photo

Chicago and Des Plaines & Fox River Electric R.R. keeps before the people and may start building the road next spring. We shall all be glad to see and patronize the electric if it comes our way.

The Herald office is now brilliantly lighted by ga with 7 Welsbach mantle burners, the best known light. Everybody seems to be well pleased with the service rendered by the Northwestern Gas Light and Coke Co. and they are adding new patrons daily. They employ skilled workmen, who respect other people's property and rights. We most cheerfully recommend the Northwestern Co. and their gentlemanly employees.

A little accident may amuse big excitement; this was the experience of our butchers recently. Joe Weidner's cow, suspecting something serious at sight of six butchers didn't want to move on. Charles Green, head man, tried to make her git, by giving her tail a twist, which dislocated a few joints. The cow became furious and went sailing like lightning throwing mud and snow sky high. She started for East Prairie, but suddenly changed the route toward McHenry causing Yank, who was dangling at the end of her rope, to lose ground and slide into a pool of water. Prof. Green caught the rope but her 60 mile gait was too fast for him and when he attempted to snub around a telephone pole, he too landed in the mud. Ernst took up the chase and hung to the rope until released by Joe, J. G., and Yank, who had meanwhile skipped out of the dry kiln, and the rest came to help. They fetched the cow back and had fresh beef for supper. Joe Schmidt says: "the adventure would be an honor to Buffalo Bill. The show was great and made me laugh."

Illinois is ahead of California, Europe or any other place on earth in its quality of salubrious climate this winter. The oldest inhabitant can't remember another such a choice assortment of fine weather during December and the first half of January; but gloomy calamity howlers predict terrible extremes to follow during February. Better be prepared with a supply of food and fuel.

The angel Death reaped his harvest in Palatine the past ten days. Four old settlers residing within one block of each other, within as many days answered to the call from the next world to meet their Maker. The cause of the deaths was in the majority of the cases attributed to the grip or colds caught during the past ten days.

Too great care can not be taken this weather by both old and young. Colds and the grip are no respector of persons and those with weakened vitality are in danger of being taken with pneumonia and its accompanying complications.

Mr. Smith Pratt, who was about the oldest Palatine settler, died at the home of his daughter, Mrs. Williams in Irving Park. Mr. Smith was born in 1827 and had lived in the neighborhood of Palatine the greatest share of his life.

Mrs. Wulff, who resided with her son, William Wulff, died Saturday, Jan. 8 after only an illness of three days aged 84 years, 9 months, 21 days. Mrs. Bennet Landwehr died at her home on Washington st., Monday evening, after an illness of a little over a week from heart trouble.

Mrs. Gehrke died Tuesday morning at her home on Bothwell st., aged 69 years, 3 months and 8 days.

The Arlington Heights village board passed the Paving Ordinance Monday night, or rather five members did, trustee Williams being the only one who said no.

The funeral of Elbert Bartlett Wheeler was held at the home of the deceased. He was born Sept. 26,1841 at the Wheeler homestead on the farm in Elk Grove. He graduated from Northwestern university in 1865. At the outbreak of the Rebellion, he volunteered for service, but was rejected because he was too frail. Toward the close he again volunteered and joined the 182nd Illinois infantry. He served the town of Elk Grove over 30 years as town clerk and justice of the peace. He was surveyor many years, country correspondent for the United States Department of Agriculture until death.

He was a familiar sight on the village streets, he loved and was loved by the children, who would swarm about him until he was hidden from view.

The new Lutheran school auditorium will be used for the first time as an auditorium Wednesday, Thursday and Saturday nights of next week, Jan. 27,28 and 30. The stage equipment for this hall has been purchased and installed. The next step is to raise the funds necessary to settle the bill. The new building has been erected at considerable cost to the congregation and the hall will fill a long felt want in the social as well as the religious circles of St. Peter's church.

The board of education of school district 15, the grade school, at the request of some citizens, identity not given for publication, has barred Miss Matter, an instructor in the Palatine high school from continuing her work, in the school house, of conducting two classes in asthetic dancing.

G. H. Arps stated that the board must draw the line somewhere in reference to the use of the school house for other purposes than for school work.

There are several things to be considered. That the enforcement of the order barring Miss Matter from her work is creating a bad precedent, which if concurred in by the high school board would close the proposed new high school building to community gatherings and athletic contests at which a charge is made.

Bensenville holds a distinctive place among the residential suburbs west of Chicago. Few villages have more desirable residence lots. Adjoining vacant property can be bought direct from the owners in acre tracts or larger. Bensenville, a village today of some 2,000 inhabitants, will be a city tomorrow of ten to fifteen thousand. Bensenville, first known as Tioga, named after the famous Tioga tribe of redskins, was later changed to Bensen. This was done by an early settler in memory of the town in which he was born, namely Bensen, Germany. The post office refused permission to use this name as there was already a town called Bensen. At the suggestion of the Post Office Department, it was changed to Bensenville.

The public and Christian day schools of Palatine, Arlington Heights, and Mt. Prospect as well as Chicago were all closed Thursday on account of the severe cold. Whether they open Friday will depend upon the weather.

How cold is it? That was the question most frequently asked Wednesday when everyone was blowing his fingers, holding his ears or otherwise trying to keep warm. It was not a record breaking cold day. According to the official temperature reading in Arlington Heights, it was 16 below at 3 p.m. An hour later the mercury had risen 4 degrees to 12 below.

The community's weather expert, Dr. B. T. Best, states that on February 9, 1933, the mercury dropped to 2 degrees below zero. But the record breaking cold snap both for intensity and duration, he says, was way back in 1899 when the temperature reached an all time low of 26 degrees below. The cold snap started Feb. 2 and for a period of 21 days remained below zero.

J. P. Hausam, who was probably the oldest native son of Wheeling township, passed away at his home in Arlington Heights Monday evening, Jan. 20, after an illness of a few days with heart failure the direct cause of death. Mr. Hausam has resided all of his eighty years in Wheeling township. For nearly fifty years he was a resident of Wheeling and for the past 37 years has lived in Arlington Heights.

A. F. Volz, a life time Republican and prominent in Republican councils for many years will be the candidate of the Wheeling Township Regular Republican organization for township leader.

Arlington Heights park project is threatened unless some way can be found to issue the required bonds necessary to acquire the Orth tract.

The Arlington Heights village board gave its o.k. Monday night to the parking plan of the Chamber of Commerce. The problem is one of chief interest to the business men in whose laps it was placed several months ago. The plan will become effective if and when the Chamber of Commerce is able to secure the all day parking lots that are part of the plan.

The board of Education of District No. 25 of Arlington Heights, announced this week their plans to proceed as rapidly as possible with an addition to the South school. This is a step which the board was ready to take and which the community had already approved when the beginning of World War II made such building impossible.

The Midwest Packing Co. plant at Dundee and Barrington was completely destroyed by fire Tuesday evening.

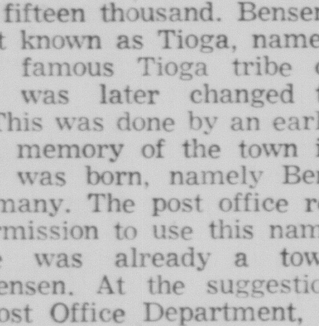
Patrons of school district 57, Mt. Prospect will have the opportunity February 9 to express their desire on the construction of an addition to the present elementary school building costing $205,000 and $15,000 for additional land that will be needed.

Alfred Busse, dairyman from Wheeling township who has served as a farm bureau board member for 23 years, secretary for 18 years, and treasurer for 21 years declined re-election at the regular Farm Bureau board meeting January 14.

The village of Wheeling from present indications, is going to have a lot of post war growth. Ten building permits have been issued in the last two months.

Engineer's recommendations for the Palatine sewer treatment plant are nearing completion.

JUST AROUND THE CORNER



from Patty McArdle

Dear Peg:

As often as I have seen those precious little Hummel figurines and prints, I've never known who or what "Hummel" was. I suppose I had some vague idea that it was the manufacturer, sort of like Bing and Grondahl, the Danish house which produces those exquisite figures of people and animals. To my surprise, I ran across an article the other day, telling all about the originator of the Hummel "children," a little Bavarian nun, Sister Maria Innocentia, or Berta Hummel, as she was known before her reception into the Franciscan Order.

The little girl Berta grew up in southern Bavaria, in the village of Massing, a market town on the Rott River surrounded by the Bavarian Alps. Here, in this tiny village of gabled roofs, multi-colored tiles, a castle, orchards and vineyards, all the inhabitants worshipped in the spired church of St. Stephen. It was this environment, of the flowered meadows, sparkling rivers, mountains and outdoor life, combined with the deep religious faith of her family and all Bavarian people (as yet untouched by the Reformation) that were the influences and wellsprings of Berta's art.

* * *

AS EARLY AS FOUR years old, she showed unusual artist's talent and her discerning teacher called this to the attention of her parents. When she was twelve they enrolled her in the secondary school at Simbach, whose superlative art department enthusiastically encouraged her study of art. After six years here, she went to the Munich Academy of Fine Arts, for in 1927 Munich was one of the greatest centers of culture in pre-war Europe. For two years, the little village girl absorbed the gay social life, the stimulus to art, the music and advantage of the capitol. She then movevd to quieter quarters near the convent of the Holy Family. She was asked to help orient two artist nuns from here and it was then that she realized how well the vocations of art and the religious life could be combined.

She soon won the recognition of the art world and graduated first in her class from the Academy. Although her professors urged her to come back for graduate work, Berta sought admission to the Franciscan Order at the convent at Siessen Wurttemberg. Here for 12 years she lived in peace and love, producing the "little children" whose homespun innocence has brought pleasure to people all over the world.

Actually the figurines are an outgrowth of her most beloved mediums, charcoal and pastel crayons. In 1934, Das Hummel Buch, The Hummel Book, was published by a friend of the artist. Verses accompanying the drawings were written by a friend, the German poet, Margarete Seemann. With this book, the fame of Berta Hummel spread. Included in it were pictures of not only the religious figurines we know (the Madonna, the little cherubs around the Crib, etc.) but also "Hansel and Gretel," "The Little Wanderer," "The Fiddler," etc. In the same year as The Hummel Book was published, Franz Goebel, the owner of the famous porcelain factory at Oeslau, asked to be allowed to make figurines of Berta's drawings. After great hesitation, she at last consented and started the march of the "little children" whose skipping and running, laughing and singing were to be heard around the world. It has been nine years since Berta Hummel's death, but like a child taken by God who forever remains a child, "Berta Hummel will continue to enrich the world with the freshness of an innocent and discerning genius."

My love,

Patty.

Lessons In English

by W. L. GORDON

Words Often Misused

Avoid the slang term "thusly." The correct form is "thus."

Do not say, "I'm afraid I cannot go." Say, "I fear I cannot go."

The noun "type" should always be followed by "of" when used with another noun. "This is a very satisfactory type of machine," and, "He is a fine type of man." Not, "type machine" nor "type man."

Avoid saying, "What did you do that for?" It is much better to say, "Why did you do that?"

Do not say, "I am through with my dinner." Say, "I have finished my dinner."

Do not say, "I've got to go now." Say, "I must go now."

Words Often Mispronounced

Potpourri. Pronounce poe-pooree, principal accent on last syllable.

Explicable. Accent first syllable, not the second.

Photogenic. Pronounce the third syllable as "jen," not as "jeen," and accent third syllable

Soliloquize (to talk to one's self) and soliloquist (the noun). Pronounce the final i in the verb as in quite. Pronounce the final i in the noun as in quiz.

Autopsy. Accent first syllable, not the second.

Largess (liberal gift). Pronounce lahr-jess, accent on first syllable.

Words Often Misspelled

Compound terms such as twenty-two, thirty-six, and fifty-four are spelled with a hyphen. Bicycle, cy; icicle, ci. Convalescence; observe the sc. Attorneys; eys, and not ies. Lama (Tibetan priest); llama (Sounth American animal). Contagious, ious; advantageous, eous.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Hiatus; a gap or opening; interruption. (Pronounce hie-ait-us, accent second syllable). "There came a hiatus in their talk."

Inviolable; that must not or cannot be violated (Accent follows the second i). "We must obey these inviolable laws."

Anomalous; deviating from normal order; irregular; abnormal. (Accent second syllable). "The anomalous procedure of the morning was necessitated by the pastor's tardiness."

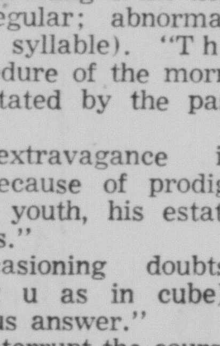
Prodigality; extravagance in expenditure. "Because of prodigality during his youth, his estate is now worthless."

Dubious; occasioning doubts. (Pronounce first u as in cube). "It was a dubious answer."

Intercept; to interrupt the course of. "The letter was intercepted."

QUITE CONTRARY

BY MARY



It will probably sound funny to those who know us well but every once in a while we do try to get organized. This means that we go back to our list making and vowing to live up to our resolutions. We have just checked a week of this and found that we are not so much sinning as sinned against.

It seems that the days we prepare a time table and swear that we will stick with it are the worst for the unexpected. The phone rings and it is one of the young who has a tummy ache and wishes to be picked up at school. This means flinging the table to the winds and rushing to school to get her. Or, our lord and master calls to ask if we would be too busy all day to run a business errand for him. Or, our eldest comes home from school and informs us that a little thing just has to be run up on the sewing machine because she needs a costume for a performance at school. These little things are always so simple that it only takes about three hours to whip them out.

The thing that really knocks everything into a cocked hat is when a visiting fireman from out of town calls and insists that as she has fifteen minutes between trains, we should just run into the Loop and have a coke with her. She would love to see us and goodness only knows when she will be in this vicinity again. So, we buckle on our flying suit and beat it in for the Loop. After all we have the dignity of Arlington to uphold. We never want it said that any Arlingtonian was lacking in hospitality.

The trouble with us is we always are put in the position of having to shuffle the schedule around in all places at once in order to appear happy as all get out to see them. Then, too, once visiting firelady and I have embraced heartily and deposited our belongings beside us with an earnest air of busyness, we turn to chat.

We tell each other how well we are looking, how many children we now have, what dolls our respective husbands are, and we are about through. The nice thing about it all is that she has only about fifteen minutes between trains.

Very Disgusted

We are a young couple who moved to Rolling Meadows 2 years ago. My husband earns a fair salary, so we moved from the city of Chicago to a suburb. For some time now, we have been very disgusted.

Drivers blow horns unnecessarily. People burn paper and trash anytime during the day. Some even are too lazy to keep the garbage can cover on the can.

We bought this home planning to keep it for good, but as we sit back and think about the money we invested in landscaping and other things, we are better off selling and moving somewhere else where laws are enforced.

Our city council could take action on some of these things.

One law in particular should be put into effect: shoveling snow from sidewalks. Policemen give notice to home owners in New York. If it isn't done, they are fined. I am only one individual who agrees with M. Smith about that letter she wrote. Everything she stated is true.

Mrs. A. C. Schutz

Well Satisfied

Many thanks for the help in securing the space in the January 5 issue of the Palatine Enterprise for my announcement and news item.

I was well satisfied by both and feel this should give me a good start. I do appreciate your kindness very much.

Welcomes Visitors

Arm chair politicians and generals are quick to criticize others who are trying to do a job to the best of their ability. They seldom have constructive criticism and they seldom try to put themselves in the shoes of others who are trying to do a community job. Perhaps they would have done the same under the same circumstances. Instead of getting facts, they accept only hearsay and chance thinking of others.

Many times when they or their children are called upon for help, they are too busy or aren't interested. They read newspaper articles and think nothing of it or call the articles "exaggeration."

Elections come and many of them prefer to sit in their armchair at home instead of expressing their opinion at the polls. "The Joneses" will vote, so why should they. In other words, they are not accepting community responsibility.

The Wheeling board of education welcomes all people to their meetings so that they will be fully informed of our difficulties. They are welcome to take part in our "coffee break." Their presence will boost our morale and we would know at least some people appreciate our efforts.

Seth Butler, Wheeling
School board member

Judiciousness

One of the Palatine police officers in charge of the electronic timer, told me (when I stopped to talk voluntarily) that in the first days of its use nearly every car coming into town was caught. That a surprising number of those caught were from one outlying area therefore means merely that a surprising number from that area come into town on Saturday morning to shop or take part in some community, church or school activity, or the like. Unfortunately your news report at the time did not reciprocate the friendship that brought many of these neighbors in.

* * *

COMMUNITIES naturally set their speed laws low enough to protect children and decrease hazards of local road congestion. Such limits are inevitably unreasonably low when a driver can see that neither is present.

Perhaps the only serious accident in years on one stretch of road resulted recently when a driver failed to notice in time that the car ahead of him had slowed to a speed unnaturally slow for the road conditions. Fortunately, the children "protected" by the law were safely in bed, and the swerving car hit only a tree.

Of course, I do not know a perfect solution to the problem. If I were that smart someone would have found it out and I would be too busy to write this letter. Much as we hate unenforced laws, maybe judicious enforcement is fairest.

"A Neighbor"
Palatine.

Tell Us How

"Do we need a library" was again the subject of an editorial. I thought that question had been settled in former editorials.

Yes, we need a library! Why not an editorial on "What the library needs?" It needs lots of organization. Just how do we start a library?

Perhaps the Register could tell my neighbors and myself how to contact the group interested in library facilities. We might not be able to contribute much time outside our home, but we could telephone, address envelopes, perhaps collect books or help varnish shelves.

DURING THE recent zoning controversy here, one man was largely responsible for the work done in organizing his neighbors into a workable team. I wish we could find a man of his caliber to help start a library. The ability to get teamwork out of many different interests is a rare gift. And what a community contribution such help would be.

Please don't deny us "access to sources of information and stimulation." (I quote from your own editorial!)

If there is "well authenticated" talk, where can we get into the conversation?

Mrs. Harold P. Berg
41 Orchard st.
Bensenville

LAST WEEK'S HEADLINES

Resume of front page news that appeared in various editions of Paddock Publications and other newspapers of the area that will keep readers informed on headline news of their neighbors.

Arlington Heights

School District 25, Arlington Heights, will ask voters to build 2 new schools and needed additions and alterations to now existing building. Included is a new junior high school upon a new site at an estimated cost of $740,000.

Rolling Meadows city council was told last week preliminary negotiations for the purchase of the water system have been completed. Police pension fund has been created.

Petitions will be in circulation in Rolling Meadows for a referendum on a mosquito abatement district. The city has under consideration an 80-page zoning ordinance and zoning map to cover the entire city.

Mt. Prospect

The new high school to be built on Foundry rd. north of Mt. Prospect will be named "Prospect." The Arlington Heights high school will be named "Arlington." One thousand bleacher seats will be added to the Arlington high athletic field.

Arlington Heights debaters place fourth among 16 schools in the recent annual Navy Pier debate tournament.

Mt. Prospect elementery school board have opened bids for the construction of a new school in Lion's Park and an addition to the Fairview building.

Prospect Heights

Builders and architects are working on plans for a new school building in Prospect Heights. They will be examined at the January 23 meeting of the school board.

Palatine

Palatine village board hesitates on annexation of land for proposed shopping center.

Five drilling tests for shallow well fail to find water.

Palatine Lions club celebrates its thirtieth anniversary this week. After failure of contractors to show any interest in a $50,000 project for cleaning Salt Creek, Palatine village employees do the job with aid of private contractor.

Bensenville

Rather than trust to luck that he would be able to again start his bus motor, the driver ordered children going home from Fenton high school, Bensenville, to leave the bus. After stopping his bus as required by law, at the Wood Dale crossing, he had just passed the electric gate when his motor died. The freight train hit the front of the bus but no one was injured.

Des Plaines

An arsenal of guns and ammunition was taken last week from Maxon Sporting Goods Store, 1182 Lee st., Des Plaines.

Immanuel Lutheran church building, Des Plaines, will be razed to make room for a new and larger edifice.

Des Plaines removes elm tree infested with eggs of the bettle responsible for Dutch Elm tree disease. Millions of eggs were in the tree whose bark was eaten away. The city has approved the expenditure of $500 to survey the immediate area.

Barrington

Cook county board of commissioners have created a forest preserve in western Barrington township totaling 2,402 acres, in spite of strong opposition on the part of the owners of estate homes in that part of the county. Other new forest preserve sites approved included an addition of 845 acres to Busse woods in Elk Grove township; 1120 acres in Tinley Creek holdings and other scattered parcels in the southern part of the county. Total cost of the new forest preserve acreage was estimated at $3,500,000.

Wheeling

Movies in Wheeling school gym will be discontinued and use of gym for basketball after school hours curtailed on account of rowdyism. The proceeds from the films were to be used for a projected trip to Washington this spring.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

Every once in a while I meet someone whom I honestly believe wants to be truthful, yet who so over emphasizes or exaggerates what he says in order to impress his listeners that he ends up by creating an atmosphere of disbelief.

It seems as though those who are inclined to exaggerate are inferior in some way, or have an inferiority complex. They evidently think that other people do not believe them, so they go to extremes in emphasizing what they exaggerates from an effort at making people feel he knows a lot, or is an important person; and another kind of person who exaggerates and emphasizes in order to gain attention.

* * *

TO SUCH PEOPLE it must be disheartening to know that all listeners sit in judgement of them, measuring what they say with what the listener knows, or what common sense tells him is more nearly right than the exaggerator tries to make him believe. The more a person exaggerates, the confidence others will have in him.

One type of exaggerator is the harmless liar. In order to impress others of his importance, he will dream up stories in which he has done seemingly impossible things, has been unusually brave, wise, good or kind. Another and worse kind of exaggerator is the person accuses other people of indecency, lying, living a wild life, and even reports imagined long and lurid details of one's supposed infidility or meanness, or selfishness, or cruelness, just to prove how low that person is and, by inference, how wonderful he himself is.

* * *

SOME EXAGGERATORS tell wonderful stories of their own exploits for the sole purpose of pleasing or entertaining their listeners, and thus making themselves good company, always in demand.

There is really no strength in habitual exaggeration. Most people prefer to hear the truth, even though it may be less glamorous. And, when expressed in terms that are too strong, even truth is weakened by exaggeration.

Chicago and Des Plaines & Fox River Electric R.R. keeps before the people and may start building the road next spring. We shall all be glad to see and patronize the electric if it comes our way.

The Herald office is now brilliantly lighted by ga with 7 Welsbach mantle burners, the best known light. Everybody seems to be well pleased with the service rendered by the Northwestern Gas Light and Coke Co. and they are adding new patrons daily. They employ skilled workmen, who respect other people's property and rights. We most cheerfully recommend the Northwestern Co. and their gentlemanly employees.

A little accident may amuse big excitement; this was the experience of our butchers recently. Joe Weidner's cow, suspecting something serious at sight of six butchers didn't want to move on. Charles Green, head man, tried to make her git, by giving her tail a twist, which dislocated a few joints. The cow became furious and went sailing like lightning throwing mud and snow sky high. She started for East Prairie, but suddenly changed the route toward McHenry causing Yank, who was dangling at the end of her rope, to lose ground and slide into a pool of water. Prof. Green caught the rope but her 60 mile gait was too fast for him and when he attempted to snub around a telephone pole, he too landed in the mud. Ernst took up the chase and hung to the rope until released by Joe, J. G., and Yank, who had meanwhile skipped out of the dry kiln, and the rest came to help. They fetched the cow back and had fresh beef for supper. Joe Schmidt says: "the adventure would be an honor to Buffalo Bill. The show was great and made me laugh."

Illinois is ahead of California, Europe or any other place on earth in its quality of salubrious climate this winter. The oldest inhabitant can't remember another such a choice assortment of fine weather during December and the first half of January; but gloomy calamity howlers predict terrible extremes to follow during February. Better be prepared with a supply of food and fuel.

The angel Death reaped his harvest in Palatine the past ten days. Four old settlers residing within one block of each other, within as many days answered to the call from the next world to meet their Maker. The cause of the deaths was in the majority of the cases attributed to the grip or colds caught during the past ten days.

Too great care can not be taken this weather by both old and young. Colds and the grip are no respector of persons and those with weakened vitality are in danger of being taken with pneumonia and its accompanying complications.

Mr. Smith Pratt, who was about the oldest Palatine settler, died at the home of his daughter, Mrs. Williams in Irving Park. Mr. Smith was born in 1827 and had lived in the neighborhood of Palatine the greatest share of his life.

Mrs. Wulff, who resided with her son, William Wulff, died Saturday, Jan. 8 after only an illness of three days aged 84 years, 9 months, 21 days. Mrs. Bennet Landwehr died at her home on Washington st., Monday evening, after an illness of a little over a week from heart trouble.

Mrs. Gehrke died Tuesday morning at her home on Bothwell st., aged 69 years, 3 months and 8 days.

The Arlington Heights village board passed the Paving Ordinance Monday night, or rather five members did, trustee Williams being the only one who said no.

The funeral of Elbert Bartlett Wheeler was held at the home of the deceased. He was born Sept. 26,1841 at the Wheeler homestead on the farm in Elk Grove. He graduated from Northwestern university in 1865. At the outbreak of the Rebellion, he volunteered for service, but was rejected because he was too frail. Toward the close he again volunteered and joined the 182nd Illinois infantry. He served the town of Elk Grove over 30 years as town clerk and justice of the peace. He was surveyor many years, country correspondent for the United States Department of Agriculture until death.

He was a familiar sight on the village streets, he loved and was loved by the children, who would swarm about him until he was hidden from view.

The new Lutheran school auditorium will be used for the first time as an auditorium Wednesday, Thursday and Saturday nights of next week, Jan. 27,28 and 30. The stage equipment for this hall has been purchased and installed. The next step is to raise the funds necessary to settle the bill. The new building has been erected at considerable cost to the congregation and the hall will fill a long felt want in the social as well as the religious circles of St. Peter's church.

The board of education of school district 15, the grade school, at the request of some citizens, identity not given for publication, has barred Miss Matter, an instructor in the Palatine high school from continuing her work, in the school house, of conducting two classes in asthetic dancing.

G. H. Arps stated that the board must draw the line somewhere in reference to the use of the school house for other purposes than for school work.

There are several things to be considered. That the enforcement of the order barring Miss Matter from her work is creating a bad precedent, which if concurred in by the high school board would close the proposed new high school building to community gatherings and athletic contests at which a charge is made.

Bensenville holds a distinctive place among the residential suburbs west of Chicago. Few villages have more desirable residence lots. Adjoining vacant property can be bought direct from the owners in acre tracts or larger. Bensenville, a village today of some 2,000 inhabitants, will be a city tomorrow of ten to fifteen thousand. Bensenville, first known as Tioga, named after the famous Tioga tribe of redskins, was later changed to Bensen. This was done by an early settler in memory of the town in which he was born, namely Bensen, Germany. The post office refused permission to use this name as there was already a town called Bensen. At the suggestion of the Post Office Department, it was changed to Bensenville.

The public and Christian day schools of Palatine, Arlington Heights, and Mt. Prospect as well as Chicago were all closed Thursday on account of the severe cold. Whether they open Friday will depend upon the weather.

How cold is it? That was the question most frequently asked Wednesday when everyone was blowing his fingers, holding his ears or otherwise trying to keep warm. It was not a record breaking cold day. According to the official temperature reading in Arlington Heights, it was 16 below at 3 p.m. An hour later the mercury had risen 4 degrees to 12 below.

The community's weather expert, Dr. B. T. Best, states that on February 9, 1933, the mercury dropped to 2 degrees below zero. But the record breaking cold snap both for intensity and duration, he says, was way back in 1899 when the temperature reached an all time low of 26 degrees below. The cold snap started Feb. 2 and for a period of 21 days remained below zero.

J. P. Hausam, who was probably the oldest native son of Wheeling township, passed away at his home in Arlington Heights Monday evening, Jan. 20, after an illness of a few days with heart failure the direct cause of death. Mr. Hausam has resided all of his eighty years in Wheeling township. For nearly fifty years he was a resident of Wheeling and for the past 37 years has lived in Arlington Heights.

A. F. Volz, a life time Republican and prominent in Republican councils for many years will be the candidate of the Wheeling Township Regular Republican organization for township leader.

Arlington Heights park project is threatened unless some way can be found to issue the required bonds necessary to acquire the Orth tract.

The Arlington Heights village board gave its o.k. Monday night to the parking plan of the Chamber of Commerce. The problem is one of chief interest to the business men in whose laps it was placed several months ago. The plan will become effective if and when the Chamber of Commerce is able to secure the all day parking lots that are part of the plan.

The board of Education of District No. 25 of Arlington Heights, announced this week their plans to proceed as rapidly as possible with an addition to the South school. This is a step which the board was ready to take and which the community had already approved when the beginning of World War II made such building impossible.

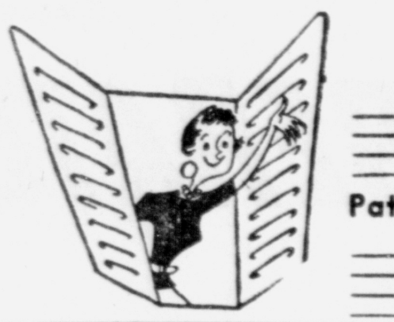
The Midwest Packing Co. plant at Dundee and Barrington was completely destroyed by fire Tuesday evening.

Patrons of school district 57, Mt. Prospect will have the opportunity February 9 to express their desire on the construction of an addition to the present elementary school building costing $205,000 and $15,000 for additional land that will be needed.

Alfred Busse, dairyman from Wheeling township who has served as a farm bureau board member for 23 years, secretary for 18 years, and treasurer for 21 years declined re-election at the regular Farm Bureau board meeting January 14.

The village of Wheeling from present indications, is going to have a lot of post war growth. Ten building permits have been issued in the last two months.

Engineer's recommendations for the Palatine sewer treatment plant are nearing completion.



JUST AROUND THE CORNER

from Patty McArdle

Dear Peg:

As often as I have seen those precious little Hummel figurines and prints, I've never known who or what "Hummel" was. I suppose I had some vague idea that it was the manufacturer, sort of like Bing and Grondahl, the Danish house which produces those exquisite figures of people and animals. To my surprise, I ran across an article the other day, telling all about the originator of the Hummel "children," a little Bavarian nun, Sister Maria Innocentia, or Berta Hummel, as she was known before her reception into the Franciscan Order.

The little girl Berta grew up in southern Bavaria, in the village of Massing, a market town on the Rott River surrounded by the Bavarian Alps. Here, in this tiny village of gabled roofs, multi-colored tiles, a castle, orchards and vineyards, all the inhabitants worshipped in the spired church of St. Stephen. It was this environment, of the flowered meadows, sparkling rivers, mountains and outdoor life, combined with the deep religious faith of her family and all Bavarian people (as yet untouched by the Reformation) that were the influences and wellsprings of Berta's art.

* * *

AS EARLY AS FOUR years old, she showed unusual artist's talent and her discerning teacher called this to the attention of her parents. When she was twelve they enrolled her in the secondary school at Simbach, whose superlative art department enthusiastically encouraged her study of art. After six years here, she went to the Munich Academy of Fine Arts, for in 1927 Munich was one of the greatest centers of culture in pre-war Europe. For two years, the little village girl absorbed the gay social life, the stimulus to art, the music and advantage of the capitol. She then movevd to quieter quarters near the convent of the Holy Family. She was asked to help orient two artist nuns from here and it was then that she realized how well the vocations of art and the religious life could be combined.

She soon won the recognition of the art world and graduated first in her class from the Academy. Although her professors urged her to come back for graduate work, Berta sought admission to the Franciscan Order at the convent at Siessen Wurttemberg. Here for 12 years she lived in peace and love, producing the "little children" whose homespun innocence has brought pleasure to people all over the world.

Actually the figurines are an outgrowth of her most beloved mediums, charcoal and pastel crayons. In 1934, Das Hummel Buch, The Hummel Book, was published by a friend of the artist. Verses accompanying the drawings were written by a friend, the German poet, Margarete Seemann. With this book, the fame of Berta Hummel spread. Included in it were pictures of not only the religious figurines we know (the Madonna, the little cherubs around the Crib, etc.) but also "Hansel and Gretel," "The Little Wanderer," "The Fiddler," etc. In the same year as The Hummel Book was published, Franz Goebel, the owner of the famous porcelain factory at Oeslau, asked to be allowed to make figurines of Berta's drawings. After great hesitation, she at last consented and started the march of the "little children" whose skipping and running, laughing and singing were to be heard around the world. It has been nine years since Berta Hummel's death, but like a child taken by God who forever remains a child, "Berta Hummel will continue to enrich the world with the freshness of an innocent and discerning genius."

My love,

Patty.

Lessons In English

by W. L. GORDON

Words Often Misused

Avoid the slang term "thusly." The correct form is "thus."

Do not say, "I'm afraid I cannot go." Say, "I fear I cannot go."

The noun "type" should always be followed by "of" when used with another noun. "This is a very satisfactory type of machine," and, "He is a fine type of man." Not, "type machine" nor "type man."

Avoid saying, "What did you do that for?" It is much better to say, "Why did you do that?"

Do not say, "I am through with my dinner." Say, "I have finished my dinner."

Do not say, "I've got to go now." Say, "I must go now."

Words Often Mispronounced

Potpourri. Pronounce poe-pooree, principal accent on last syllable.

Explicable. Accent first syllable, not the second.

Photogenic. Pronounce the third syllable as "jen," not as "jeen," and accent third syllable.

Soliloquize (to talk to one's self) and soliloquist (the noun). Pronounce the final i in the verb as in quite. Pronounce the final i in the noun as in quiz.

Autopsy. Accent first syllable, not the second.

Largess (liberal gift). Pronounce lahr-jess, accent on first syllable.

Words Often Misspelled

Compound terms such as twenty-two, thirty-six, and fifty-four are spelled with a hyphen. Bicycle, cy; icicle, ci. Convalescence; observe the sc. Attorneys; eys, and not ies. Lama (Tibetan priest); llama (Sounth American animal). Contagious, ious; advantageous, eous.

Word Study

"Use a word three times and it is yours." Let us increase our vocabulary by mastering one word each day. Words for this lesson:

Hiatus; a gap or opening; interruption. (Pronounce hie-ait-us, accent second syllable). "There came a hiatus in their talk."

Inviolable; that must not or cannot be violated (Accent follows the second i). "We must obey these inviolable laws."

Anomalous; deviating from normal order; irregular; abnormal. (Accent second syllable). "The anomalous procedure of the morning was necessitated by the pastor's tardiness."

Prodigality; extravagance in expenditure. "Because of prodigality during his youth, his estate is now worthless."

Dubious; occasioning doubts. (Pronounce first u as in cube). "It was a dubious answer."

Intercept; to interrupt the course of. "The letter was intercepted."

QUITE CONTRARY

BY MARY

It will probably sound funny to those who know us well but every once in a while we do try to get organized. This means that we go back to our list making and vowing to live up to our resolutions. We have just checked a week of this and found that we are not so much sinning as sinned against.

It seems that the days we prepare a time table and swear that we will stick with it are the worst for the unexpected. The phone rings and it is one of the young who has a tummy ache and wishes to be picked up at school. This means flinging the table to the winds and rushing to school to get her. Or, our lord and master calls to ask if we would be too busy all day to run a business errand for him. Or, our eldest comes home from school and informs us that a little thing just has to be run up on the sewing machine because she needs a costume for a performance at school. These little things are always so simple that it only takes about three hours to whip them out.

The thing that really knocks everything into a cocked hat is when a visiting fireman from out of town calls and insists that as she has fifteen minutes between trains, we should just run into the Loop and have a coke with her. She would love to see us and goodness only knows when she will be in this vicinity again. So, we buckle on our flying suit and beat it in for the Loop. After all we have the dignity of Arlington to uphold. We never want it said that any Arlingtonian was lacking in hospitality.

The trouble with us is we always are put in the position of having to shuffle the schedule around in all places at once in order to appear happy as all get out to see them. Then, too, once visiting firelady and I have embraced heartily and deposited our belongings beside us with an earnest air of busyness, we turn to chat.

We tell each other how well we are looking, how many children we now have, what dolls our respective husbands are, and we are about through. The nice thing about it all is that she has only about fifteen minutes between trains.

Letters to the Fence Post should be short and concise. All letters must be signed, though name will be withheld if desired. Address Fence Post, Paddock Publications, Inc., Arlington Heights, Ill.

Very Disgusted

We are a young couple who moved to Rolling Meadows 2 years ago. My husband earns a fair salary, so we moved from the city of Chicago to a suburb. For some time now, we have been very disgusted.

Drivers blow horns unnecessarily. People burn paper and trash anytime during the day. Some even are too lazy to keep the garbage can cover on the can.

We bought this home planning to keep it for good, but as we sit back and think about the money we invested in landscaping and other things, we are better off selling and moving somewhere else where laws are enforced.

Our city council could take action on some of these things.

One law in particular should be put into effect: shoveling snow from sidewalks. Policemen give notice to home owners in New York. If it isn't done, they are fined. I am only one individual who agrees with M. Smith about that letter she wrote. Everything she stated is true.

Mrs. A. C. Schutz

Well Satisfied

Many thanks for the help in securing the space in the January 5 issue of the Palatine Enterprise for my announcement and news item.

I was well satisfied by both and feel this should give me a good start. I do appreciate your kindness very much.

Welcomes Visitors

Arm chair politicians and generals are quick to criticize others who are trying to do a job to the best of their ability. They seldom have constructive criticism and they seldom try to put themselves in the shoes of others who are trying to do a community job. Perhaps they would have done the same under the same circumstances. Instead of getting facts, they accept only hearsay and chance thinking of others.

Many times when they or their children are called upon for help, they are too busy or aren't interested. They read newspaper articles and think nothing of it or call the articles "exaggeration."

Elections come and many of them prefer to sit in their armchair at home instead of expressing their opinion at the polls. "The Joneses" will vote, so why should they. In other words, they are not accepting community responsibility.

The Wheeling board of education welcomes all people to their meetings so that they will be fully informed of our difficulties. They are welcome to take part in our "coffee break." Their presence will boost our morale and we would know at least some people appreciate our efforts.

Seth Butler, Wheeling
School board member

Judiciousness

One of the Palatine police officers in charge of the electronic timer, told me (when I stopped to talk voluntarily) that in the first days of its use nearly every car coming into town was caught. That a surprising number of those caught were from one outlying area therefore means merely that a surprising number from that area come into town on Saturday morning to shop or take part in some community, church or school activity, or the like. Unfortunately your news report at the time did not reciprocate the friendship that brought many of these neighbors in.

* * *

COMMUNITIES naturally set their speed laws low enough to protect children and decrease hazards of local road congestion. Such limits are inevitably unreasonably low when a driver can see that neither is present.

Perhaps the only serious accident in years on one stretch of road resulted recently when a driver failed to notice in time that the car ahead of him had slowed to a speed unnaturally slow for the road conditions. Fortunately, the children "protected" by the law were safely in bed, and the swerving car hit only a tree.

Of course, I do not know a perfect solution to the problem. If I were that smart someone would have found it out and I would be too busy to write this letter. Much as we hate unenforced laws, maybe judicious enforcement is fairest.

"A Neighbor"

Tell Us How

"Do we need a library" was again the subject of an editorial. I thought that question had been settled in former editorials.

Yes, we need a library! Why not an editorial on "What the library needs?" It needs lots of organization. Just how do we start a library?

Perhaps the Register could tell my neighbors and myself how to contact the group interested in library facilities. We might not be able to contribute much time outside our home, but we could telephone, address envelopes, perhaps collect books or help varnish shelves.

DURING THE recent zoning controversy here, one man was largely responsible for the work done in organizing his neighbors into a workable team. I wish we could find a man of his caliber to help start a library. The ability to get teamwork out of many different interests is a rare gift. And what a community contribution such help would be.

Please don't deny us "access to sources of information and stimulation." (I quote from your own editorial!)

If there is "well authenticated" talk, where can we get into the conversation?

Mrs. Harold P. Berg
41 Orchard st.
Bensenville

LAST WEEK'S HEADLINES

Resume of front page news that appeared in various editions of Paddock Publications and other newspapers of the area that will keep readers informed on headline news of their neighbors.

Arlington Heights

School District 25, Arlington Heights, will ask voters to build 2 new schools and needed additions and alterations to now existing building. Included is a new junior high school upon a new site at an estimated cost of $740,000.

Rolling Meadows city council was told last week preliminary negotiations for the purchase of the water system have been completed. Police pension fund has been created.

Petitions will be in circulation in Rolling Meadows for a referendum on a mosquito abatement district. The city has under consideration an 80-page zoning ordinance and zoning map to cover the entire city.

Mt. Prospect

The new high school to be built on Foundry rd. north of Mt. Prospect will be named "Prospect." The Arlington Heights high school will be named "Arlington." One thousand bleacher seats will be added to the Arlington high athletic field.

Arlington Heights debaters place fourth among 16 schools in the recent annual Navy Pier debate tournament.

Mt. Prospect elementery school board have opened bids for the construction of a new school in Lion's Park and an addition to the Fairview building.

Prospect Heights

Builders and architects are working on plans for a new school building in Prospect Heights. They will be examined at the January 23 meeting of the school board.

Palatine

Palatine village board hesitates on annexation of land for proposed shopping center.

Five drilling tests for shallow well fail to find water.

Palatine Lions club celebrates its thirtieth anniversary this week. After failure of contractors to show any interest in a $50,000 project for cleaning Salt Creek, Palatine village employees do the job with aid of private contractor.

Bensenville

Rather than trust to luck that he would be able to again start his bus motor, the driver ordered children going home from Fenton high school, Bensenville, to leave the bus. After stopping his bus as required by law, at the Wood Dale crossing, he had just passed the electric gate when his motor died. The freight train hit the front of the bus but no one was injured.

Des Plaines

An arsenal of guns and ammunition was taken last week from Maxon Sporting Goods Store, 1182 Lee st., Des Plaines.

Immanuel Lutheran church building, Des Plaines, will be razed to make room for a new and larger edifice.

Des Plaines removes elm tree infested with eggs of the bettle responsible for Dutch Elm tree disease. Millions of eggs were in the tree whose bark was eaten away. The city has approved the expenditure of $500 to survey the immediate area.

Barrington

Cook county board of commissioners have created a forest preserve in western Barrington township totaling 2,402 acres, in spite of strong opposition on the part of the owners of estate homes in that part of the county. Other new forest preserve sites approved included an addition of 845 acres to Busse woods in Elk Grove township; 1120 acres in Tinley Creek holdings and other scattered parcels in the southern part of the county. Total cost of the new forest preserve acreage was estimated at $3,500,000.

Wheeling

Movies in Wheeling school gym will be discontinued and use of gym for basketball after school hours curtailed on account of rowdyism. The proceeds from the films were to be used for a projected trip to Washington this spring.

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

Every once in a while I meet someone whom I honestly believe wants to be truthful, yet who so over emphasizes or exaggerates what he says in order to impress his listeners that he ends up by creating an atmosphere of disbelief.

It seems as though those who are inclined to exaggerate are inferior in some way, or have an inferiority complex. They evidently think that other people do not believe them, so they go to extremes in emphasizing what they exaggerates from an effort at making people feel he knows a lot, or is an important person; and another kind of person who exaggerates and emphasizes in order to gain attention.

* * *

TO SUCH PEOPLE it must be disheartening to know that all listeners sit in judgement of them, measuring what they say with what the listener knows, or what common sense tells him is more nearly right than the exaggerator tries to make him believe. The more a person exaggerates, the confidence others will have in him.

One type of exaggerator is the harmless liar. In order to impress others of his importance, he will dream up stories in which he has done seemingly impossible things, has been unusually brave, wise, good or kind. Another and worse kind of exaggerator is the person accuses other people of indecency, lying, living a wild life, and even reports imagined long and lurid details of one's supposed infidility or meanness, or selfishness, or cruelness, just to prove how low that person is and, by inference, how wonderful he himself is.

* * *

SOME EXAGGERATORS tell wonderful stories of their own exploits for the sole purpose of pleasing or entertaining their listeners, and thus making themselves good company, always in demand.

There is really no strength in habitual exaggeration. Most people prefer to hear the truth, even though it may be less glamorous. And, when expressed in terms that are too strong, even truth is weakened by exaggeration.

Mr. and Mrs. Dick Adams and Mr. and Mrs. Lee Post represented boy scout troop 58 at the 30th annual meeting of the Northwest Suburban council. The dinner was at Arlington Heights high school Saturday.

Mr. Post would like to see more fathers attending the "Father and Sons' nights that the boy scouts have every third Monday for a fund raising project. A small donation covers admission for both father and son. Movies, pop and coffee highlight the evening festivities which beginn at 7:30. Richard Adams has taken over duties as scoutmaster.

Boy scout troop 58 is sponsoring a paper drive Saturday, Jan. 28 as a fund raising project. Arrangebe made by calling Lee Post at CL 3-5417.

Basketball News

Though playing good ball, the Elk Grove team dropped games to the powerful Wheeling and Prospect Heights teams. Their league record now sands at 2 wins and 4 losses. Tuesday the Elk Grove 5 traveled to St. Peter for a return match with the Lutheran 5. Elk Grove whipped St. Peter in their first meeting in December. Leading scorers for Elk Grove are Lester Landmeier and Armondo Palomo, followed closely by the Ortiz brothers, Jesse and Jose.

Thanks to Coach Rabattini, who has generously taken time to write up the basketball games.

Again this year the student council is sponsoring a magazine drive of Curtis publications. As in other years, prizes will be awarded to students for selling subscriptions and renewals. Mr. Cavallo has set the goal at $1500. If this goal is attained, a roller skating party will follow as soon as possible. Orders for subscriptions will be taken from January 25 to February 8. Residents are urged to save their subscriptions and renewals for the studehts as profits will pay for the science table. Charlotte Popp and Lester Landmeier, who was top salesman last year, are co-chairmen of the drive. Each room of the junior high has 2 representatives who are captains of their room. Representing the eighth grade are Charles Mollenkamp and Linda Glassie, Jessie Ortiz and Ramona Villarreal are from 7-1 and 7-2 is represented by Theona Popp and Delbert Blakeley. Josephine Martinek and Freddie Scharringhausen are captains of 6-1 and 6-2 is represented by Sharon De Palma and Robert Walden.

Dr. Arra of the Cook county health department explained the dental health program to the Mothers club at their monthly meeting January 12. As explained by Dr. Arra, dental health programs consist of clinics and health centers, mobile units used in rural areas and stationary centers. The dental program was established to care for children in the low income bracket. Elk Grove's program began when Dr. Arra examined all children's teeth. The health committee of Mothers club sent home notes to parents stating if any dental attention was needed. The mobile unit, portable equipment to be installed in schools, will be used for Elk Grove students who are other wise unable to have the needed dental work. Dr. Arra will conclude his talk at the next Mothers club meeting.

Mrs. Hazel Schnell reported that Mothers club now has 57 paid members. Mrs. John Kappa is the new hospitality chairman. Mrs. Hazel Schnell is looking into securing a permit for the use of Elk Grove woods for the annual picnic. A motion was passed that the Mothers club purchase a first aid kit.

Band Boosters club, which is now being formed, is presenting the Cole Marionettes in "Pied Piper" Wednesday, Feb. 7at 8 p.m. in the school auditorium. Proceeds are going toward the band equipment. Tickets may be purchased from band members.

The polio drive closed at the school Wednesday. Students have been very generous in their donations, but the final amount collected was not known in time for this issue of the paper. Money from polio drives has been largely responsible in financing the research for a preventative of polio and resulted in the Salk vaccine. Children in the second and third grades have been given 2 injections of this vaccine, 1 last May and 1 in November.

The eighth grade has formed a committee to plan the Springfield trip. The committee is obtaining hotel rates from the Springfield Chamber of Commerce. Judy Kessler is chairan of the committee and other committee members are Carol Loeding, Lois Landmeier, Pat Griffiths, David Gates and Frank MacCammon.

The eighth grade is again sponsoring a hot dog sale Tuesday, Jan. 24. Orders must be in by Friday. No orders will be filled after that date. Proceeds from the sale will go towards the Springfield trip.

Seven girls from grade 7-2 dramatized the book "Cherry Ames, Student Nurse" by Helen Wells Friday in their language arts class. Diane Schulze, Dierra Krieder, Sally Wichman, Theona Popp, Patti Folkman, Susan Kapp and Nancy Hejduk participated in the play. Students share their reading for language arts by a report, talk or dramatization.

Members of the junior high department have been taking ballroom dancing lessons from Mrs. Sweitzer and are progressing very well. The lessons are Friday afternoons and the students dress up on these days. The rhumba, tango, jitterbug, fox trot, waltz and Grand March have been learned by the students as well as etiquette concerning dancing. Each student pays a small fee per lesson, and from this fee a little money is left over each week. The student council will give a Valentine dance with this surplus money.

TNT 4-H Club

The newly elected president. vice president, secretary and treasurer from the TNT 4-H club attended the officers training school meeting January 12 at the Farm Bureau office in Arlington Heights. Discussion groups for the different offices discussed the responsibilities of each office and exchanged methods of such things as collecting dues and having fund raising projects. A secretary was appointed for each discussion group and she reported back to the entire group of what her group had done. Twenty-six clubs were represented.

The next meeting of the TNT club will be January 31 at Judy Wille's home. Members are reminded to bring their dues for the year as this will be the last chance to pay. Christmas cards to be used in the community project should be brought to this meeting.

DOWN ON THE FARM

with Your Farm Adviser

CARL F. MEES

The president has announced his new proposed farm program. He has proposed the soil bank idea. In my estimation this is what should have been done years ago. This coincides with the college of agriculture, University of Illinois thinking. Since the time of Cyril G. Hopkins at the University, a limestone phosphate potash and legume program has been advocated. It is as sound today as it was 50 or more years ago, when he proposed it.

We do know that with proper land use and good soil management, our lands can be productive for many years to come. In recent years, we have seen our population increase immensely. We now have estimates that it will reach 200 million by 1957.

We will be able to provide an adequate diet for 20 million people in the U. S. providing we handle our resources carefully. A good soil bank program now will do just that.

* * *

I RECEIVED a letter yesterday stating that our good friends the W. H. Tammeus family will be honored at a "Bon Voyage" banquet soon. Bill has been farm adviser in McHenry county 12 years. He has recently been granted a 2 year leave of absence to go to India to help set up an extension program there.

The agriculture in India has great possibilities. The people there do not know how to farm land to make it produce. Likewise they do not have the equipment. With proper land use and equipment much of their land could become as productive as ours. It will be a long hard struggle for them. We wish "Bill" and his family the best of everything in their new venture.

THE 8TH ANNUAL custom spray operator's training school will be held at the Illini Union building, University of Illinois, Urbana, January 25-27. A good program has been prepared. It will include everything from field crops to brush and from house flies to weeds. Anyone doing custom spraying will find it very beneficial to attend this short course.

The 55th annual farm and home week at the university will be held January 30 to February 2. A very interesting program has been planned. The theme is "Better Farm for Better Living." If you have never attended farm and home week, why don't you plan to attend this year? You will find it most worthwhile. If you would like a program call for one at my office.

DID YOU NOTICE how your elm trees dripped last year. Also how bad they looked all summer. The trouble is that they are covered with scale. Every elm tree in the county should be sprayed for scale while they are in the dormant stage. This cannot be done during freezing weather. Why don't you as a leader in your community take it upon yourself to organize your community to get this job done. It takes years to grow these nice elm trees, but only one summer to lose them.

I will be glad to assist any of you that may be interested. The job can be done but, it takes the help of many people.

Law On The Farm

Compensation To Tenants For Disturbance

Compensation for disturbance is a payment made by the landlord to the tenant when the tenant is forced to quit the farm through no fault of his own. For example, a landlord may wish to place his son on the farm, or return to farming himself to qualify for social security.

The payment is based on the theory that in a well-settled country where farms are not readily available, owners of land have an increased responsibility with regard to the tenure of the people who live on and operate their land. A notice to quit, even if given six months or more before the term ends no longer affords adequate protection for the tenant with a large investment in machinery, equipment and animals.

* * *

DAMAGES PAYABLE should be based on several factors, among them length of tenure, general availability of farms, cost of moving and loss to tenant through inability to find a farm that will fit his present equipment, machinery and livestock. The English law sets one year's rent as a minimum disturbance payment. This probably would be too high under present conditions in Illinois.

If the tenant is forced to move and another farm is available, the payment could be only the cost of moving. If another farm is not available, and additional payment based on the factors mentioned above could be set out as a fixed amount in the lease. This would provide considerable incentive for the landlord to help the tenant find a new farm.

A law requiring a disturbance payment would not be entirely without precedent in Illinois — the guarantee of "quiet enjoyment" contained in a deed is similar in principle and purpose, except that it applies to the grantor-grantee relationship.

Record Cow

A registered Guernsey cow, Colby's El Manita, owned by Floyd Krauter, Arlington Heights, has completed an official advanced registry record of 8,986 pounds of milk and 443 pounds of fat on two times daily milking for 351 days in tht 365 division. She started her record as a junior two-year-old. This production represents approximately 4100 quarts of high-quality milk.

"Manita" is the daughter of the registered Guernsey sire, McDonald Farms Fore El Toro, that has one son and six tested daughters in the Performance register of the American Guernsey cattle club.

This record was supervised by University of Illinois and was reported to the American Guernsey cattle club for approval and publication.

Farm Share Of Food Dollar Now At 40c

Farmers will feel the heavy hand of labor on their shoulder more than ever before during the coming months as a result of the merger of the AF of L and the CIO says National Live Stock Producer, the nation's leacing live stock magazine.

Farmers can expect another round of wage increases to be reflected in the price tags on farm equipment and supplies they must buy.

The farmers share of the consumer's food dollar today is down to 40 cents with the other 60 cents going to professors and handlers. As organized labor puts the squeeze on food processing and handling groups, farmers can expect their share to drop even lower. (Fm

Record Cow

A registered Guernsey cow, Blair's Rest Lady Linda, owned by Edward B. Henslee, Arlington Heights, has produced 13,895 pounds of milk and 721 pounds of fat in her last lactation. This production represents approximately 6,500 quarts of high-quality milk. This is according to the official Advanced Registry record released by the American Guernsey cattle club. "Linda" was a senior 4-year-old and was milked two times daily for 365 days.

Guernsey cows on official test have steadily increased production over the years. The average cow in the United States produces only about one half as much as the average purebred Guernsey on official test.

The sire of "Linda" is Langwater Lord Richmond. One son and 17 tested daughters of this bull are listed in the Performance register of the American Guernsey cattle club.

This record was supervised by the University of Illinois.

New Farm Corn Allotments Available

Any producer who intends to plant corn in 1956 on a farm where no corn was planted during the years 1953, 1954 or 1955 must apply for a corn acreage allotment if he wants price support on his farm in 1956, Carl M. Bormet, chairman of the county agricultural stabilization and conservation committee, said today.

Marketing quotas do not apply to corn, the chairman explained. However, under the acreage allotment program, the production of corn in 1956 on a farm which has no corn acreage allotment would make all the corn produced on such farm ineligible for price support in 1956.

Application forms for a corn acreage allotment are available at the county ASC office. February 15, 1956, is the last day such applications may be filed. (Fm

Chicago Stock Yards Gave Axe To 5,600,000 Cattle

Chicago stock yards in 1955 rolled up the largest total of salable livestock receipts of any market in the nation, 5,612,778 head, representing an increase of 602,975 head, or 12 per cent over last year's total, according to comparative figures compiled today.

There are reasons for Chicago maintaining its market position. The principal reason is the buying strength, represented by some 120 buyers of cattle, hogs, and sheep for Chicago packers, and many order buyers, as agents for more than 200 packers in 38 states, who buy livestock daily at Chicago to fill slaughter needs.

* * *

THIS BUYING strength was enhanced when 4 major railroads last April 25 instituted improved rail services to points east of Chicago, placing the market within 36 hours of packing plants throughout the eastern part of the United States. In the comparatively short time since the new "hot shot" rail service has been in effect, hog shipments increased by 91 per cent as compared to the same period in 1954, a 15 per cent increase was noted in cattle shipments, and lamb shipments increased by 33 per cent to eastern packers.

Chicago's greatest increase in 1955 was in salable hog numbers, a total of 2,740,957, compared with 2,197,282 head in 1954, or an increase of 25 per cent. Adding further significance to these figures, receipts at the other major markets in the country were up about 19 per cent on the average, and hog numbers in the Chicago market territory were up only about 9 per cent.

* * *

CATTLE RECEIPTS, too, showed an increase in 1955, 2,260,015 head sold on the open market as compared with 2,246,200 the previous year, up 13,815 head, or one per cent for the year.

Sheep receipts showed a sizable increase in salables at Chicago in 1955, 524,079 head as against 454,637 head a year ago, up 15 per cent in the year.

The only drop in salable rereceipts at Chicago was in calves. The decrease amounted to 23,957 head from the 1954 total of 111,684, or 21 per cent below last year.

Farm Adviser

CARL F. MEES

The president has announced his new proposed farm program. He has proposed the soil bank idea. In my estimation this is what should have been done years ago. This coincides with the college of agriculture, University of Illinois thinking. Since the time of Cyril G. Hopkins at the University, a limestone phosphate potash and legume program has been advocated. It is as sound today as it was 50 or more years ago, when he proposed it.

We do know that with proper land use and good soil management, our lands can be productive for many years to come. In recent years, we have seen our population increase immensely. We now have estimates that it will reach 200 million by 1957.

We will be able to provide an adequate diet for 20 million people in the U. S. providing we handle our resources carefully. A good soil bank program now will do just that.

* * *

I RECEIVED a letter yesterday stating that our good friends the W. H. Tammeus family will be honored at a "Bon Voyage" banquet soon. Bill has been farm adviser in McHenry county 12 years. He has recently been granted a 2 year leave of absence to go to India to help set up an extension program there.

The agriculture in India has great possibilities. The people there do not know how to farm land to make it produce. Likewise they do not have the equipment. With proper land use and equipment much of their land could become as productive as ours. It will be a long hard struggle for them. We wish "Bill" and his family the best of everything in their new venture.

THE 8TH ANNUAL custom spray operator's training school will be held at the Illini Union building, University of Illinois, Urbana, January 25-27. A good program has been prepared. It will include everything from field crops to brush and from house flies to weeds. Anyone doing custom spraying will find it very beneficial to attend this short course.

The 55th annual farm and home week at the university will be held January 30 to February 2. A very interesting program has been planned. The theme is "Better Farm for Better Living." If you have never attended farm and home week, why don't you plan to attend this year? You will find it most worthwhile. If you would like a program call for one at my office.

DID YOU NOTICE how your elm trees dripped last year. Also how bad they looked all summer. The trouble is that they are covered with scale. Every elm tree in the county should be sprayed for scale while they are in the dormant stage. This cannot be done during freezing weather. Why don't you as a leader in your community take it upon yourself to organize your community to get this job done. It takes years to grow these nice elm trees, but only one summer to lose them.

I will be glad to assist any of you that may be interested. The job can be done but, it takes the help of many people.

Law On The Farm

Compensation To Tenants For Disturbance

Compensation for disturbance is a payment made by the landlord to the tenant when the tenant is forced to quit the farm through no fault of his own. For example, a landlord may wish to place his son on the farm, or return to farming himself to qualify for social security.

The payment is based on the theory that in a well-settled country where farms are not readily available, owners of land have an increased responsibility with regard to the tenure of the people who live on and operate their land. A notice to quit, even if given six months or more before the term ends no longer affords adequate protection for the tenant with a large investment in machinery, equipment and animals.

* * *

DAMAGES PAYABLE should be based on several factors, among them length of tenure, general availability of farms, cost of moving and loss to tenant through inability to find a farm that will fit his present equipment, machinery and livestock. The English law sets one year's rent as a minimum disturbance payment. This probably would be too high under present conditions in Illinois.

If the tenant is forced to move and another farm is available, the payment could be only the cost of moving. If another farm is not available, and additional payment based on the factors mentioned above could be set out as a fixed amount in the lease. This would provide considerable incentive for the landlord to help the tenant find a new farm.

A law requiring a disturbance payment would not be entirely without precedent in Illinois — the guarantee of "quiet enjoyment" contained in a deed is similar in principle and purpose, except that it applies to the grantor-grantee relationship.

Record Cow

A registered Guernsey cow, Colby's El Manita, owned by Floyd Krauter, Arlington Heights, has completed an official advanced registry record of 8,986 pounds of milk and 443 pounds of fat on two times daily milking for 351 days in tht 365 division. She started her record as a junior two-year-old. This production represents approximately 4100 quarts of high-quality milk.

"Manita" is the daughter of the registered Guernsey sire, McDonald Farms Fore El Toro, that has one son and six tested daughters in the Performance register of the American Guernsey cattle club.

This record was supervised by University of Illinois and was reported to the American Guernsey cattle club for approval and publication.

Farm Share Of Food Dollar Now At 40c

Farmers will feel the heavy hand of labor on their shoulder more than ever before during the coming months as a result of the merger of the AF of L and the CIO says National Live Stock Producer, the nation's leacing live stock magazine.

Farmers can expect another round of wage increases to be reflected in the price tags on farm equipment and supplies they must buy.

The farmers share of the consumer's food dollar today is down to 40 cents with the other 60 cents going to professors and handlers. As organized labor puts the squeeze on food processing and handling groups, farmers can expect their share to drop even lower. (Fm

Record Cow

A registered Guernsey cow, Blair's Rest Lady Linda, owned by Edward B. Henslee, Arlington Heights, has produced 13,895 pounds of milk and 721 pounds of fat in her last lactation. This production represents approximately 6,500 quarts of high-quality milk. This is according to the official Advanced Registry record released by the American Guernsey cattle club. "Linda" was a senior 4-year-old and was milked two times daily for 365 days.

Guernsey cows on official test have steadily increased production over the years. The average cow in the United States produces only about one half as much as the average purebred Guernsey on official test.

The sire of "Linda" is Langwater Lord Richmond. One son and 17 tested daughters of this bull are listed in the Performance register of the American Guernsey cattle club.

This record was supervised by the University of Illinois.

You can grow your own Christmas trees in your own garden by planting two or three seedlings every year and then replacing those you harvest at the end of five or six years.

New Farm Corn Allotments Available

Any producer who intends to plant corn in 1956 on a farm where no corn was planted during the years 1953, 1954 or 1955 must apply for a corn acreage allotment if he wants price support on his farm in 1956, Carl M. Bormet, chairman of the county agricultural stabilization and conservation committee, said today.

Marketing quotas do not apply to corn, the chairman explained. However, under the acreage allotment program, the production of corn in 1956 on a farm which has no corn acreage allotment would make all the corn produced on such farm ineligible for price support in 1956.

Application forms for a corn acreage allotment are available at the county ASC office. February 15, 1956, is the last day such applications may be filed. (Fm

Chicago Stock Yards Gave Axe To 5,600,000 Cattle

Chicago stock yards in 1955 rolled up the largest total of salable livestock receipts of any market in the nation, 5,612,778 head, representing an increase of 602,975 head, or 12 per cent over last year's total, according to comparative figures compiled today.

There are reasons for Chicago maintaining its market position. The principal reason is the buying strength, represented by some 120 buyers of cattle, hogs, and sheep for Chicago packers, and many order buyers, as agents for more than 200 packers in 38 states, who buy livestock daily at Chicago to fill slaughter needs.

* * *

THIS BUYING strength was enhanced when 4 major railroads last April 25 instituted improved rail services to points east of Chicago, placing the market within 36 hours of packing plants throughout the eastern part of the United States. In the comparatively short time since the new "hot shot" rail service has been in effect, hog shipments increased by 91 per cent as compared to the same period in 1954, a 15 per cent increase was noted in cattle shipments, and lamb shipments increased by 33 per cent to eastern packers.

Chicago's greatest increase in 1955 was in salable hog numbers, a total of 2,740,957, compared with 2,197,282 head in 1954, or an increase of 25 per cent. Adding further significance to these figures, receipts at the other major markets in the country were up about 19 per cent on the average, and hog numbers in the Chicago market territory were up only about 9 per cent.

* * *

CATTLE RECEIPTS, too, showed an increase in 1955, 2,260,015 head sold on the open market as compared with 2,246,200 the previous year, up 13,815 head, or one per cent for the year.

Sheep receipts showed a sizable increase in salables at Chicago in 1955, 524,079 head as against 454,637 head a year ago, up 15 per cent in the year.

The only drop in salable rereceipts at Chicago was in calves. The decrease amounted to 23,957 head from the 1954 total of 111,684, or 21 per cent below last year.

The Editor's column

Newspaper headlines that Ike had a plan for financial relief to suffering schools does not mean a thing to schools in Cook county or Illinois. Gov. Stratton vetoed the legislation, establishing an Illinois school housing fund, which is necessary for any state to participate in the special fund proposed by the president.

The state legislature passed the necessary statute last year. The governor, when he vetoed the bill, closed the door to federal aid for Illinois schools.

The measure had the support of many agencies and would have aided several hard-pressed school districts within Cook county, which have exhausted their bonding and taxing powers.

Schools do have some hope in House Resolution 7535 which has been passed by the House Education committee. It creates a $750 million dollar revolving fund for federal purchase of bonds for school districts unable to sell their bonds at regular rates. The aid is dependent upon a lot of "IF's" — IF Congress passes the bill — IF the Illinois state legislature passes new legislation, and IF the Illinois governor signs the law.

We have never been a jail inmate, but we are particularly interested in the "fence post" articles that appear from time to time in "The Grapevine" edited by inmates of Cook county.

In the issue of January 8, an inmate took the inmate editor severely to task because a "fence post" article had not been published. In reply, the editor said in part, "the jail inmates who run the Grapevine do not intend that it become a tool to be used for the selfish purposes of any one or group. We hold the right to censor anything that is printed."

If editors in jail do not hesitate to censor fence post articles submitted to them, why should not editors out of jail have the same privilege?

Arlington Heights still has growing pains. The growing is not alone within the corporate limits, but extends as far north as Palatine rd. North of Thomas st. there are 250 acres that are knocking upon the door.

Carl Bowen of Consoer, Townsend & Associates has suggested to the Arlington plan commission that the storm water could be handled by the construction of valve-controlled storm water reservoir at the southeast corner of the area.

It appears to us that the engineers are today leaning over backwards in their effort to serve developers seeking admission to the village.

Evidently our municipal facilities are not going to have any breathing spell. We are told about the wisdom of family spacing. We should give some thought to municipal spacing.

We predict that before long those same engineers will come up with a tremendous bond issue that will be necessary to provide the services required by the new areas, all because the village swallows the annexation hook.

•

We were told last week that many mothers are using the theaters, especially the matinees, as baby sitters. "It is cheaper than hiring one in your own home," a mother told us.

The lowest cost of a 3 hour baby sitter is $1.50. The theater admission is 25 cents and with a box of popcorn thrown in, the total cost is only 40 cents.

•

We suggest that Arlington Heights police chief invite Judge Neumann to take a ride over W. Campbell st. at the posted speed of 20 miles an hour. In our estimation such a low speed invites violations.

We do not know what speed is the arrest deadline, but an enforced speed of 30 miles an hour sounds reasonable, after the completion of the sidewalks has removed the traffic hazzard to pedestrians.

•

If the parents of the students who are attending Arlington Heights high school are really interested in the educational facilities that the taxpayers have provided for their children, there will be a large attendance at the teacher-parent conference scheduled in the large gymnasium next Thursday.

The presence of parents will let teachers know that their efforts have the backing of the parents of the boy or girl they are attempting to educate.

•

After Tuesday morning there should be no doubt in the minds of the general public, especially the housewives, as to the importance of an adequate civil defense organization. The failure of an insulator on top of a pole between Mt. Prospect and Des Plaines

Put 2 telephone exchanges out of commission;

Scared many housewives whose wahing machines and heating plant motors began to smoke;

Put the fire alarm systems and water pumping plants of Mt. Prospect, Arlington Heights and Palatine out of commission;

Reduced contact with the outside world to operation of police radio cars.

It is something to think about, folks. When one electric short on a lone telephone pole can create such an upheaval, are we prepared in case of an attack by an enemy?

Voters Jam City Hall For Late Registrations

City clerk Eda Zimmerman was kept busy last week registering voters.

A total of 395 voters were registered at city hall from Monday, Jan. 9 through last Tuesday, Jan. 17, when loal registration was closed.

A mass registration day was sponsored by the Rolling Meadows Home Owners association last Saturday when 146 voters were registered and many more were turned away when the supply of official registration cards was exhauted. Another 125 voters were registered on Monday when the clerk's office was open until after 8 p.m.

The almost 400 voters registered last week brings the total registration within the city since May 1 to 628.

Assisting city clerk Eda Zimmerman during the mass registration on Saturday were clerking volunteers Beverly Stegeman, Grace Miller, Eleanor Keller, Rosemary Nash, Betty Bycroft and Lou Dowling. In addition Home Owners association officers and directors Bob Kreutz, Chuck Martin, George Kitterman, Pete Keller, Art Setzer, Bill Stegeman and Len Fabian also assisted both at city hall and in getting residents out for the registration.

Youth Council Secretary Takes Leave Of Absence

Rolling Meadows Youth Council has reluctantly accepted the temporary resignation of Mrs. Shirley Fogarty as their secretary. Mrs. Fogarty, who represented the Trinity Lutheran church on the council, was forced to resign for reasons of health. Her secretarial duties will be taken over by Miss Marge Deering of the Guy and Dolls teen club.

Attendance at the council meeting last Thursday was spotty, with many organizations supporting the Youth council unrepresented. Sponsoring organizations have been requested to check their council members to make sure future meetings will be properly represented.

Scout Fund Drive Starts Next Month

The Scout organization has announced this week the annual boy scout-cub scout finance drive will be held in Rolling Meadows early in February. Actual date of the 1-night collection will be announced later.

At the present time the organization is seeking a finance drive chairman or group to supervise the drive. Parents will be contacted to assist in the drive.

Funds derived from the finance drive will be used to support scouting activities at council levels such as summer camps, overnight camps and expenses of training and administrative work.

A highlight of the finance drive and Scout Week will be the annual scout show during scout week. This year the local troop will present the scout show here in Rolling Meadows.

PTA Ball Tickets Available

The annual "Sweetheart Ball" of the Parent Teachers Association of Consolidated school district 15 will be held Feb. 11 at the Paddock school, Palatine, from 9:30 p.m. to 12:30 a.m.

District 15 PTA includes schools in Palatine as well as Kimball Hill school, Rolling Meadows.

Admission will be limited to 200 couples, but it is not necessary to be a member of the PTA to attend. Tickets are $3.00 a couple and reservations must be made by Sunday, Feb. 5.

* * *

THIS DANCE is one of the most popular of the winter season in Palatine and it was felt a limit on the number attending would be desirable this year, according to Mrs. Howard Meadors, chairman.

Music will be furnished by Jack Mitchell's orchestra. This is the same orchestra that played at last year's "Sweetheart Ball", when it was under the direction of George Dorman. Soft drinks will be available.

Reservations may be made with Mrs. William Meyers (Palatine 1515), Mrs. Gerald Conklin (Palatine 1023)or Mrs. John Jennings (Clearbrook 5-1228).

Dancing Dollars Aid Fire Equipment Drive

A gala celebration on St. Patrick's Day, Saturday, March 17, has been announced by the Rolling Meadows Fire Equipment drive.

Called St. Patrick's Day "Dancing Dollars," the joint civic committee sponsoring the drive urges all citizens to "bring their own green" for the event at the Palatine Firemens Hall.

Admission tickets will provide eligibility for gigantic F.E.D. prizes to be held that night. Tickets will be available from members of the Lions, Junior Womans club, Home Owners association and Jaycees, sponsoring organizations of the F.E.D. drive, as well as other civic groups in the city. Tickets will be 25 cents each and will go on sale next week.

For the "Dancing Dollars" event, the firemen's hall will be turned into an old-fashioned gambling hall with booths featuring roulette, faro and other similar games. Prizes will be household items such as electric appliances and other desirable merchandise.

* * *

FIRST PRIZE will be an asphalt driveway. Second prize will be wall tile for a kitchen. These 2 prizes are limited to Rolling Meadows residents. Third prize in the raffle will be a "surprise package" which may be won without restriction as to local residence.

Booths for the "Dancing Dollars" St. Patrick's celebration will be manned by members of the sponsoring organizations. Goal of the "Dancing Dollars" celebration is funds for fire equipment for the city.

The ambitious cooperative project titled "F.E.D." (fire equipment drive) seeks to fill the most pressing need of the city for local fire protection.

Let It Rain! Patrol Boys Ready

Through the courtesy of Palatine Safety council, Rolling Meadows school patrol boys are prepared to perform their duties regarless of the weather.

Thirty light-weight plastic raincoats were presented to the Kimball Hill school by the council.

The presentation, under direction of retiring Safety council president Al Pullman, was made through Mrs. Phylis Gokey, Kimball Hill school PTA safety chairman. Principal Joseph Kiszka gratefully accepted the raincoats on behalf of the school.

Parents will be responsible for the raincoats of their boys since the coats must be returned to the school at the end of each boy's patrol service. The coats will be reissued each year to the new set of patrol boys.

The Palatine Safety council works throughout the entire Palatine township. Safety problems anywhere in the township including Rolling Meadows are the prime concern of the council who work very effectively in reducing accident hazards.

More Taxes?

LaGrange chamber of commerce has voted unreserved endorsement of the tax rate increase referendum to be voted upon by citizens February 11.

Freak Power Cut Cripples Three Northwest Suburbs!

A freak accident Monday morning cut off northwest communities from electric power.

Area affected stretched from Des Plaines to Barrington and included parts of surrounding towns.

Several industrial plants, including Benjamin Electric Mfg. co., Des Plaines, were forced to halt operations.

Fire alarm systems and water pumping plants in Mt. Prospect, Arlington Heights and Palatine were out of commission.

The flood of phone calls from homeowners affected by the power cut overloaded switchboards and temporarily put 2 telephone exchanges out of order. Phone service was curtailed in parts of Mount Prospect, Palatine and Arlington Heights.

THE ELECTRIC service was curtailed at 8:55 a.m. when the failure of an insulator caused the top of a pole carrying 2 transmission lines to burn completely off. The fire took place on Northwest hwy. between Des Plaines and Mt. Prospect.

Public Service co. emergency crews restored service in approximately 30 minutes.

Fire departments in several towns were kept busy answering calls from housewives plagued with smoking appliances and furnace motors.

R. J. SEITZ, district superintendent of the light company, said this was caused by restoration of service on remaining circuits and the rearrangement of facilities to permit repairs. This resulted in a short period of low voltage in certain areas.

Thus, if a housewife had a full load in her washing machine when power was cut, the low voltage restored would be insufficient to carry the load and would result in an over-heated motor.

Mt. Prospect was without water service because of the lack of power to operate pressure pumps. Ordinarily this wouldn't affect water supply but the old water tower has been torn down and construction is still under way on the new one.

Teens Collect $189 For March Of Dimes

Balloon Sale Aids Rolling Meadows Polio Fund Drive

Sale of polio balloons in Rolling Meadows brought double happiness to residents—children enjoyed the balloons and Rolling Meadows March of Dimes drive was enriched by $189.39.

The boost to the local drive sponsored by Rolling Meadows Junior Womans club, was made possible by cooperation of Guys and Dolls Teen club and Junior Hi fellowship.

Under chairmanship of Don Strauwald, the balloon sale was carried on at major street corners throughout the city.

There were 1,500 balloons to be sold during the day, and only a few were reported unsold.

Cooperating with the teenagers during the sale were Mr. and Mrs. Frank Wasko, Bert Trager, John Woods and Mrs. Joseph Katkus, 1956 Rolling Meadows March of Dimes chairman through her capacity of welfare chairman of the Junior Womans club. Assistance was also given the youngsters by the Arlington Body and Fender shop who supplied an air compressor to inflate the balloons.

* * *

AMONG THE most enthusiastic fund raisers and balloon salesmen were Don Strauwald, Bill Slonecker and Jerry Browning, who working as a team collected $42.24 by themselves. Another enthusiastic salesman was little Randall Vandy only 8 years old who begged for an opportunity to sell balloons and brought in a total of $8.65, with the assistance of his father.

Mothers of the teenagers donated refreshments to the cold salesmen, and egg-nog for the children was provided by Glen Loveless of the Borden company.

A party has been planned for the volunteer salesmen by the mothers of the group. Balloon sellers for the Guys and Dolls Teen club were Pat McFeggan, Bobbie Meier, Betty Zimmanck, Shirley Burlette, Lynn Eve Wasko, Marge Deering, Sandy Halverson, Esther Colonico, Joe Deering and Ray Kranz. With the limited number of Guys and Dolls club members available a large group of Junior Hi fellowship members "came to the rescue" to assist in the balloon sale. They were Nadine Martin, Judy Nelson, Pat O'Brien, Kathy Newberg, Carol Zimmanck, Karen Nelson, Bunny Olson, Bill O'Brien, Frank Mencuri, Leslie McDonald, Jerry Broderick, Gary Moreland, Tom McFeggan, Tom Cashan, Mike Considine and Patty Hoppock.

Heart Attack Claims Life Of Teacher

Fleet Combs, 41, of 909 N. Chestnut, Arlington Heights, died Tuesday night at his home, victim of coronary thrombosis.

Combs was in his sixth year as teacher at Arlington Heights high school. In addition to classes in journalism and senior social studies, he was adviser to the school paper and director of publicity for the high school.

* * *

"MR. COMBS was an exceptionally able staff member and a valued friend of the student body and faculty," said Harold L. Slichenmyer, superintendent, Wednesday. "His contribution to the life of the school can never be forgotten."

The teacher died despite efforts of Arlington Heights inhalator squad to revive him.

He is survived by his wife, Florence, and 3 children: Lee Russell, 8; Jeanne Elizabeth, 3; and Craig Lester, 18 months. Mrs. Combs is expecting another child. Also surviving him are his mother, Mrs. Leanna Combs; 2 brothers, Homer C., Manhattan, Kan., and Henry C., St. Louis; and his parents-in-law, Mr. and Mrs. Victor Eklund, Forman, N. D.

Funeral services wil be at 8 p.m. Friday at Black's Funeral home, Arlington Heights, and burial will be in St. Louis.

No High School Monday

Pupils of Arlington high school will have a vacation Monday, Jan. 23, as teachers and administrators have their institute workshop.

Either a workshop or visiting day is required by law. General staff meetings will take up most of the program since the double shift makes it very difficult to have general staff meetings.

Semester examinations will be given January 25, 26, and 27 at Arlington high school. All 3 days will be full-length school days with examinations closely scheduled all day.

Help Wanted!

The Rolling Meadows Home Owners association promises an interesting opportunity in addition to modest remuneration to some Rolling Meadows woman interested in acting as recording secretary of the group.

"Minutes and records of the association are vitally important and must be kept in an efficient manner, and we are willing to pay the right person to handle the job," stated association president Pete Keller.

Applicants for the position of recording secretary are asked to contact Pete Keller at CLearbrook 3-2840.

Five Inches Spares Life Of Lucky Cary Motorist

A mere 5 inches might have cost the life of Keith Bolton, Crystal st., Cary, Saturday evening. Driving his 1956 Bel-air Chevrolet north on Rte. 53, Bolton lost control while traveling an estimated 80 mph.

Knocking over the mail box of George Gehring, Bolton narrowly missed a tree and telephone pole, crashed through 2 fences and after traveling 500 feet landed in the front yard of Roy Trautman, a lieutenant in the state police.

Somewhere in the field between the Gehring farmhouse and the Trautman home a long, 4-inch thick rod was impaled through the floor of the car from the floor to the ceiling, 5 inches behind the driver.

Bolton was charged by Rolling Meadows police for driving under the influence of liquor. He posted a $200 bond for appearance in police magistrate court January 21. Damage to the Gerhring and Trautman properties is covered by insurance carried by Bolton. The automobile was slightly damaged by scratches, dents in the finish and the steel rod.

Barn 'Off Limits'

Due to several cases of minor vandalism at the community Barn at times when children have played there without adult supervision, the Barn has now been placed "off limits" at certain hours. The Barn will be considered restricted to all children in the community regardless of age from 3 to 6 p.m. on school days. The restriction is not in effect on Saturday, Sunday or holidays.

Lions Sing Out 'Skaters Waltz' February 13

A community-wide pre-Lenton party is planned for the enjoyment of residents by Rolling Meadows Lions club.

A roller skating party will be Monday, February 13, at Arlington Roller rink. The entire rink has been rented for the night, assuring 400 Rolling Meadowites of meeting only members of their own communinty.

An organist has been engaged to play from 9 p. m. to midnight. The rink will be open for skating from 8:30 and will remain open after midnight, as well. Tickets will be sold at 75 cents each. Clamp-on skates will be available without charge and shoe skates may be rented for 25 cents. Tickets will be limited to the capacity of the rink. Only 400 will be sold.

Tickets may be procured from the members of the club listed below.

It is suggested those desiring tickets call the nearest ticket seller listed since all sections of the city are represented: Ray Walker, 2400 Park st., Clearbrook 5-1334; Clyde Johnson, 2405 South st., Clearbrook 5-1071; Jack Yarbrough, 3310 Fremont st., Clearbrook 3-6000; John Anderson, 3404 Campbell st., Clearbrook 5-2165; Fred Hahn, 2202 Bluebird lane, Clearbrook 5-0795; Bert Trager, 2603 Oriole lane, Clearbrook 3-1022; Tom Bouchard, 2603 Flicker lane, Clearbrook 3-1731; and Paul Fackler, 2402 Wing st., Clearbrook 3-3675.

Masked Youths Rob Liquor Store, Escape

Two young thugs brazenly held up an Arlington Heights liquor store Sunday night and escaped with an estimated $60 while a local police officer (not in uniform) sat at the bar in the adjoining room. Witnesses said that the robbers both wore nylon stockings over their faces as masks.

Eddie's Package Liquor store, 10 E. Northwest hwy., adjoining Eddie's Lounge, a bar and restaurant, was the scene of the robbery. Both are owned and operated by Eddie Jensen, who lives on the premises.

Jensen said that the robbery occurred at about 10:40 p.m. Sunday. He said there were 6 patrons in the tavern at the time who were not aware of the robbery until after the thieves had fled.

Two barntenders who went into the liquor store were forced to lie on the floor by robbers armed with a .45 caliber automatic. They were Roland H. "Rol" Weide, 29, of 7 W. Campbell st., and Earl "Bud" McDougall, 27, of 206 S. Evergreen ave., both of Arlington Heights.

WEIDE TOLD this story:

"I was working behind the bar when the buzzer rang for service in the liquor store. As I entered the liquor store one of them told me to 'Get in the corner and lie down.'

"One of them rang out the cash register and emptied the till. As they were almost ready to leave, Bud (McDougall) saw my feet sticking out from behind the counter and came in to see what was going on. He was told to lay down in front of the counter.

"As soon as we heard the door click, both Bud and I yelled into the tavern that the place had been robbed but by the time others came in and heard the story it was too late."

Weide described the robbers as being "in their late teens or early twenties" and said that both were of stocky build and medium height. He added that one wore a leather jacket and that both wore nylon masks and stocking caps.

Arlington Heights police rounded up suspects Monday night and Tuesday but released all of them after questioning. At least 2 suspects were shown to the men held up but neither was identified as one of the robbers.

New Skating Rink Awaits Icy Blasts

Only old-man winter homself is holding up operations at the Lions community ice skating rink in Rolling Meadows.

With the cooperation of Kimball Hill, banks of the large 300x100 feet rink have been completed, and the preliminary soaking of the ground has been completed thanks to Jim McFeggan. Even the Public Service company has cooperated by setting up a special light pole and meter, and lights have been erected by Lion Art Klein.

The only remaining necessity is freezing weather, making ice on the rink a reality.

The ice rink is located on Meadow drive near Kirchhoff rd. across from the shopping center. Since the rink is one of the largest in the entire area, the arrival of below-freezing weather will make ice skating an enjoyable local pastime for adults and youngsters alike without too great crowding.

Scouts - Junior Hi Paper Drive Fills Trailer Truck

With 60 willing young workers, the joint Boy Scout-Junior Hi paper drive Saturday met with singular success.

A huge trailer was filled with paper and magazines collected throughout the community.

The teen-agers, who cleaned the collection area at the Kimball Hill school so thoroughly after the drive that not even a scrap of paper was visible, enjoyed a lunch prepared by the Junior Hi Mothers club at the close of the drive at 1 p.m.

* * *

ADULT WORKERS Pete Keller, Bert Trager, John Woods, Ed Cuttle, Dale Bycroft, Earl Kolb, Ray Slonecker, Clifford Nelson, Leonard Wilkans, Martin Johnecheck and Henry Seestedt Sr. actively assisted the young teenagers with the drive. Special help through donations of trucks was also given by Kimball Hill, the Home Owners association donated the use of their public address system, Community church provided the facilities of the Barn for luncheon, and the school district permitted the use of the school parking area as a collection point.

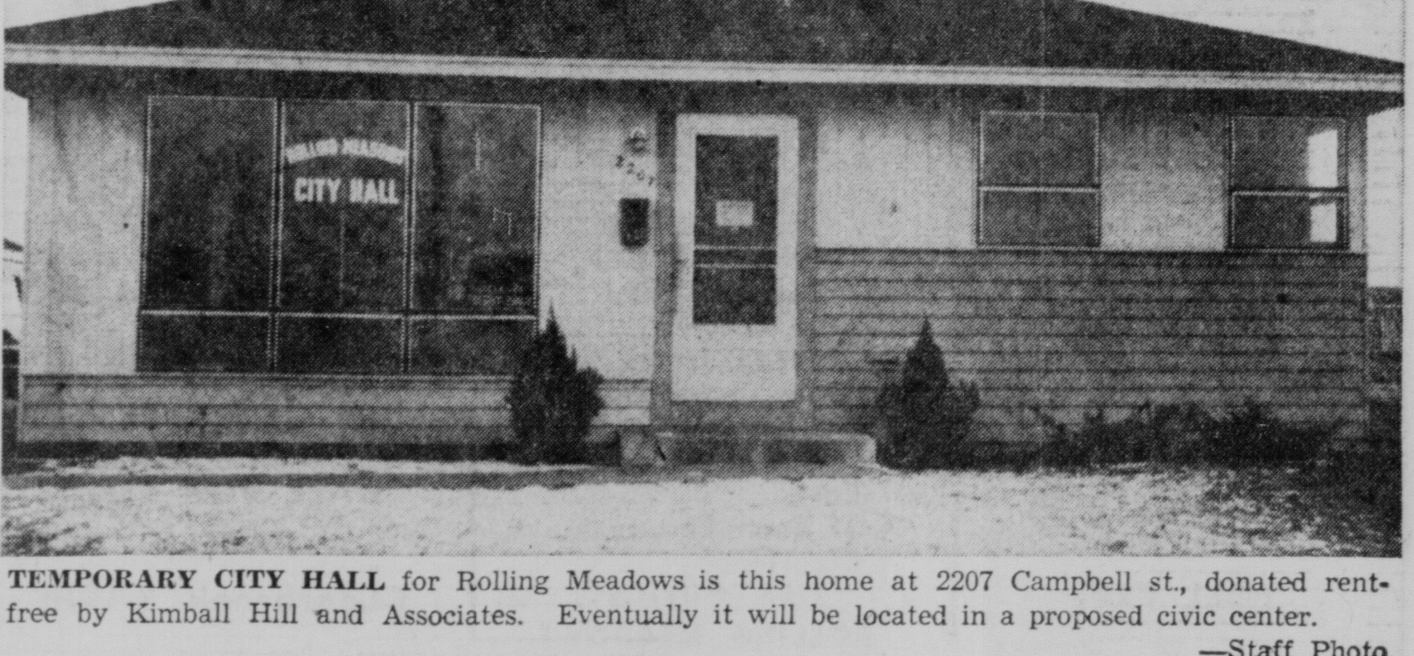
Mothers club organizer Mrs. Virginia Borgardt assisted by Mrs. William Schulz prepared and served the lunch for the 60 youngsters and adult volunters.

Appreciation has been expressed by the groups to all residents for their cooperation during the paper drive. Special thanks to residents of unit 1 of the subdivision comes from the group as their contribution of paper and magazines was particularly outstanding.

The 2 youth groups hope that as other units become more settled and develop more storage space large contributions of paper will be forthcoming during future drives. At the request of many people in the community, the groups are considering holding paper drives at 2-month instead of 3-month intervals provided response will be sufficient. Residents are requested to again start to save their paper and magazines for the next paper drive.

Beetle Eggs Found

Des Plaines city officials have discovered a large elm tree believed to be diseased with thousands of beetle eggs similar to those which spread the Dutch elm disease.



TEMPORARY CITY HALL for Rolling Meadows is this home at 2207 Campbell st., donated rent-free by Kimball Hill and Associates. Eventually it will be located in a proposed civic center.

Holiday Party

Friday, the 13th, the Paeglows, Clarence and Edith, of 2703 Meadow dr., entertained a group of friends at a holiday party in their home. Guests for the evening were Albie and Jim Service, Eda Zimmerman and Kay and Charles Brynelsen.

January 10 the twin daughters of Howard and Marilyn Sitka, Dawn and Darl, together with their brother Chuckie, were guests in the gallery on Lunchtime Little theatre with Uncle Bucky, Uncle Dan and Aunt Jeanie. As the TV cameras were focused on the youngsters, they all waved to their friends at home. The Sitka's live at 2311 Bluebird lane.

Pounds Away!

Last Thursday evening 5 Rolling Meadowites held their first meeting at the home of Sue Nunes, 2503 Cardinal dr. The purpose of this club is to lose weight and be able to slip into a dress 1 or 2 sizes smaller than what they are presently wearing. The time limit they have set to lose this weight is by Easter. Last Thursday they weighed in and took all necessary measurements and every Monday night, hereafter, they will meet again and check their weight on the scales. If any pounds are put back on, a penalty of $1 per pound has to be paid to the treasury. The club is looking for new members. Anyone who would like more information should call Jeanne Markus, CL 5-2197. Those who met last Thursday night were Nancy Alleman, Jeanne Markus, Kay Anderson, Rosemary Conley and the hostess, Sue Nunes. Their next meeting is Monday, Jan. 23, and will also be held at the home of Sue Nunes.

Lou Macior, 2900 Stork ct., who returned home last weekend after spending a few days in Columbus hospital, Chicago, for a much needed rest and a complete physical checkup, wishes to thank all his many friends and neighbors who sent him so many cheerful cards and letters.

A lingerie demonstration was held at the home of Clair Lazarus, 3103 Fremont st., last Friday evening. Several of her friends and neighbors who purchased some of the beautiful mentionables and unmentionables were Betty Anderson, Barbara Fahn, Vivien Lopata, Sue Wiegard, June Donlevy and Donna Anderson. Cake and coffee were served to the guests at the end of the demonstration.

Christening

January 8 at Our Lady of the Wayside Catholic church in Arlington Heights, Roberta Frances Leonard was christened. Father O'Hara officiated at the baptismal service. She is the infant daughter of Betty and Jim Leonard, 2109 Flicker ln. Jean Hineman is the baby's godmother and Max Kolin is godfather. Following the christening, a spaghetti and ham dinner was served to the following guests: the baby's paternal grandparents, Mr. and Mrs. James Leonard, maternal grandparents, Mr. and Mrs. C. Lastumo, and their daughter, Joyce Ann, Lois and Jean Ambruso and family, Doris and John Lastumo and family, the Hineman family and Billie and Max Kolin and family. Kathy Leonard, who is 1½ years old, also joined in the festivities.

Marge Hofius, 2402 George st., was one surprised gal when she rang the Williams' doorbell at 2400 George st. the evening of January 6 and heard 13 of her friends and neighbors chanting "happy washday to you." A diaper line was strung across the living room with the words "Happy Washday" in bold letters. Marge was showered with gifts by Rosemary Nash, Joan Drolet, Barbara Schneider, Betty Chalfont, Delores Kinnard, Leora Haase, Shirley Wrenn, Mary Lou Bruno, Friedel Boss, Enid Meyer, Felicia Hickey, Mae Hickey, Norma Boss and Maryalice Williams. Norma and Maryalice handled the shower preparations. Since this is to be the fourth child, Marge needed and received many basic and practical gifts. She left for Wisconsin the next day where the baby will be born. She will be missed by all of her neighbors and they are looking forward to her return home sometime in February.

Welcome World

A son, their first child, was born to Edward and Wanda Olszewski of 2606 Sigwalt st., January 11 in Resurrection hospital, Chicago. David Francis, as he has been named, had a birth weight of 6 pounds 3 ounces.

January 11 Kurt and Marge Zentner, 2902 Lark ct., received one of the greatest thrills of their lives, that of becoming parents for the first time. On that date at 2:07 a.m., Mary Margaret arrived at Elmhurst hospital, registering a birth weight of 7 pounds 14½ ounces, and measuring 21 inches in length.

Johnny Finn, 11-month-old son of Jean and Jerry Finn, of 3108 Fremont, was operated on last Friday for a hernia and hydrocele. He underwent surgery in a Chicago hospital, where he will remain until the latter part of this week. His twin brother, Jeff, and other brother and sister, Jimmy and Janice, are having a short vacation with Grandma and Grandpa Faust in Chicago.

Blood Donors

Many calls have been made to Don Dahlquist asking for blood donors. However, the list is so short and since blood can only be given by an individual once every 3 months, the list is soon depleted. Another urgent plea is therefore being made to persons in the area who can donate blood. If you can, please do so in order that the "walking blood bank" list won't be depleted before the needs of many are met. Anyone interested, please contact Don Dahlquist at CL 3-0889.

A trip to Springfield over the New Year's weekend was made by Jack and Jacque Grady, 2808 Dove st., and their 2 children, Timmy and Terry. While there they visited with Jack's parents, Mr. and Mrs. T. F. Grady, and his 2 sisters, Mrs. Don Maurer and Mrs. Anne Nerone and their families.

Visitors

Mrs. Ruth Darnell of Bloomfield Hills, Mich., which is near Detroit, is visiting in Rolling Meadows with her daughter and son-in-law, Sallye and Bill Myers, 2802 Meadow dr. The big attraction at the Myers' household for Mrs. Darnell is her new grandson, Richard Lee, who was born January 8.

A plane trip from Long Beach, Cal., brought Mr. and Mrs. R. W. Kees to the home of their son and his wife, Harold and Carol Kees, who live at 2605 Park st. While here they also visited Mr. and Mrs. Paul Kees and sons, Jimmy and Billy of Chicago. This was a memorable Christmas eve as they spent it with all their grandchildren. They stayed over for the New Year's holidays and just recently returned to California. It was the first time they had seen the Kees' home in Rolling Meadows and thoroughly toured the city. They were amazed at the "church in the barn," the school and shopping centers. Richard and Nancy Kees enjoyed having their grandparents spend a few days visiting with them in their new home.

New Neighbors

Just recently Ralph and Lorraine Hamma and son, Bradley, who is 21 months old, moved into their new home at 2305 Flicker ln. Ralph is a steel worker in Glenview. Their neighbors all extend a hearty welcome and hope they too will enjoy community living.

Today, Jan. 19, Barbara [illegible] is 8 years old. She celebrated her birthday last Saturday with a dinner party in her honor attended by a large number of her relatives. Her bright and shiny bike was the best birthday present a girl could receive. Sisters Margaret and Sandy also joined in the celebration. They are the children of Richard and Hazel Feirick, 2306 Kirchhoff rd.

That all important second birthday was observed by Jill Borgardt January 15. She is the daughter of Virginia and Fred Borgardt, 2202 Wren ln. Her aunts, uncles and cousins from Chicago were out for the celebration.

Birthday No. 12 was celebrated last Saturday by Linda Spirek, daughter of Richard and Ruth Spirek, of 3509 W. Campbell. Friends who attended the party were Jacquelin Newauter, Donna Henne, Penny Tessar, Jean Kerwin and Mary Irene Groves.

Jacque Grady, 2808 Dove st., celebrated her birthday last Saturday with a family party. Her husband, Jack, and their 2 children, Timmy and Terry, sang the traditional "Happy Birthday" and Jacque, after much thought and taking a deep, deep breath, blew out all the candles.

The monthly meeting of the "Friendly 4" pinochle club was held at the home of Marion Birt, 2307 Campbell, last Friday. At the end of the evening, refreshments were enjoyed by Nancy Dahlquist, Dorothy Thompson and Ginger Groves. Next month's meeting will be held at the home of Nancy Dahlquist, 2506 W. Sigwalt st.

Ethel Slaninka, 2102 Sigwalt st., was hostess January 9 to the "Lucky 8" pinochle club. Those who attended were Armella Maguire, Jo Novak, Nancy Dahlquist, Dorothy Thompson, Lois Meyer, Barbara Fackler and Marion Birt.

Thanks

Mr. and Mrs. Ed Considine and family, 2600 Fremont, wish to express their thanks to all their neighbors for expressions of sympathy during the family's recent bereavement over the death of Ed's brother.

Mrs. Florence Witinski and daughter, Jacqueline, 2800 Dove st., appreciate the help of all the neighbors and kind expressions of sympathy, both flowers and money, at the time of the death of husband and father, Ted Witinski, January 3. A memorial fund collection was taken on Dove st., which also helped the family in their recent bereavement.

Congratulations

The Rolling Meadows Women's league bowling team entered in the Paddock tournament and deserves a loud cheer as they took fifth place in the tournament which was composed of 28 teams. The team was captained by Marion Wolff. Other team members are Lucy Kunz, Pat Tessendorf, Mae Hickey and Jo Thorson. The team should be given a lot of credit as it is the first year for the formation of the Rolling Meadows Women's league; the first year that Lucy Kunz and Pat Tessendorf have ever bowled and the first tournament ever entered by any of the girls.

Some lad probably misses the football he received at Christmas. It was found at the corner of Wilke rd. and St. James last Sunday evening and can be claimed, upon proper identification from Mrs. R. Douglas, 2303 Cardinal dr. Her phone number is CL 5-2232.

What supposedly was to have been an afternoon coffee-klatsch last Friday turned out to be a surprise baby shower for Lois Hutchinson, 2205 Cardinal. She nonchalantly walked into the home of Dorothy Flugardt, 2301 Cardinal dr., and was taken aback when she glanced at her friends and neighbors gathered there as they shouted "surprise." Co-hostess was Marion Douglas, 2303 Cardinal dr. After she opened her gifts, refreshments were served to Mary Broeske, Dorothy Lund, Ruth Brown, Anna Mae Haley, Lucille Ristau and Virginia Charnota.

Handicapped

Things are almost back to normal at the home of Shirley and Dick Roeing, 2300 Campbell st. Dick was badly burned on the hands as he assisted a fellow engineer when a flash fire at the lab at work set him on fire. Shirley ran a needle about 1 inch into her foot, requiring a quick trip to the doctor where 2 stitches were taken in the gash the doctor had to cut in order to remove the needle. This required her to use a cane for a few days. The dish washing situation was pretty bad. Dick's hands being burned and bandaged, he couldn't get his hands wet, so he would stack the dishes, which required foot work, and draw up a chair at the sink for Shirley to sit on, as she couldn't stand. After a rather hectic week, the household chores, including the dishes, are back to normal.

Mary Considine appreciates the helping hands of her neighbors, Mrs. Philip Swanson, 2406 Fremont, and Mrs. William Tully, 2412 Fremont. Last Wednesday, when she lost her house keys, they took her daughter, Mary Ann, who is 2 years old, and herself in out of the cold and also helped them get back into their home.

Operation

Mickey Mazanet, 2310 Wing st., was rushed to Sherman hospital, Elgin, at 6 a.m. last Friday where she immediately underwent and emergency appendectomy. Her children, Billy and Vivian, are staying with the maternal grandparents, Mr. and Mrs. Heike of Chicago. John, her husband, is awaiting her return from the hospital sometime this week.

More Birthdays

Jean and Hank Ehard, who observe their birthdays January 14 and January 8, respectively, celebrated at a family party with their children, Kay and Sue, and joining them were Mr. and Mrs. Gordon Geils and sons, Wayne and David, of Arlington Heights. The Ehard's live at 2509 George st.

First birthday was observed by Mark Allen Service, son of Albie and Jim Service, 2805 Meadow dr., last Saturday. Guests were Patricia Jane Brynelsen and mother, Kay, Judy Paeglow and mother, Edith, Steven Almgren and mother, Barbara, Sandra Preite and mother, Betty, cousins, Scott, Sandy and Pattie Weinrich, and parents, Mr. and Mrs. A. Weinrich, and Eda Zimmerman.

Last Saturday Peggy Sterner celebrated her birthday a few days early, as she was 6 years old January 18. The usual birthday games were played after a luncheon was served to the party guests. Her guests were Barbara Birt, Julie Kaseka, Diane Poulson, Wendy and Polly Gogola and Nancy Leiviska. Also enjoying the festivities were her sisters, Darlene and Carol. She is the daughter of Dick and Barbara Sterner, 2205 W. Campbell.

Home Owners Celebrate

For the first time since the organization of the Rolling Meadows Home Owners' association several years ago, the group of officers and directors joined together for a purely social evening. Director Gordon Granger and his wife, Alice, acted as host and hostess for the affair in their home at 2204 Rohlwing rd. The party, which was financed on a "share" basis, featured dancing and games, as well as a turkey and ham buffet supper. The speediest couple in the "old clothes race" proved to be Mike Medley and Ginny Kreutz, but Marge Kitterman was the hit of the evening teaching a broom the latest dance steps during the broom-dance mixer. The group is still trying to determine just why it took Ken Schroeder and Grace Martin such a long time to pass a pencil along during the pencil race, but Lorie Stapleton and Lee Enger proved to be real experts. Lou Doyle was the speediest "shoe-putter-onner" but then Charley Martin didn't have shoelaces to worry about on his shoes. Bob Kreutz filled glass over his head during the race. Others joining the singing and general fun were Pete and Eleanor Keller, Eveyn and Arnie Launhardt, Naureen Enger, Dale and Betty Bycroft, how Art Setzer managed to spill a Lorraine Schroeder, George Kitterman, Leonard and Shirley Fabian, Frank and Shirley Knudsen, John Doyle, Florence Setzer, Bill and Beverly Stegeman, Bob Bristol, Vera Medley and Joe Stapleton.

The seventh birthday of Shirley Ann Fluger, was observed last Monday, however, she celebrated at a family dinner party Sunday, which was attended by her grandparents, Mr. and Mrs. J. Fluger, Mr. and Mrs. F. Fluger, Mr. and Mrs. J. Fluger Jr., and daughter, Cindy, and Mr and Mrs. G. Fluger and daughter, Janet. She is the daughter of Arlene and Howard Fluger, 2702 Sigwalt. Monday she had a second party in her honor to which she invited several of her girl friends. Guests were Bonnie Becker, Holly Denney, Janice and Christie Van Horn, Mary Vernon and Judy Briatico. Enjoying both of these parties were Shirly's sister, Beverly, and her brother, Bill.

Elmer Tucker, 2500 Kirchhoff rd., celebrated his birthday last Sunday at a party given for him by his wife, Dorothy, and assisted by his "toddler" daughter. Guests were Mr. and Mrs. Alex Semple, Mr. and Mrs. James Griffith and children and Mr. and Mrs. Walter Mesch and children.

A double birthday. celebration was observed at the Niesen household last Friday. Michael Niesen was 3 years old on that date. It was also cause for celebration by his mother, Pauline Niesen, as it was her birthday too. A luncheon party and the playing of birthday games was enjoyed by Michael and his guests, among whom were his sister, Mary Ann, and brother, Tommy, Mary Ann and Tony Jungblat, Jeffrey Kupitz, Dale Endre', Sally Schuck, Greta Hermansen and Patsy and Hal Zorn. Michael's grandparents, Mr. and Mrs. Leon Doole of Rochester, Minn., are here visiting and were present for the birthday celebrations. Jim and Pauline Niesen live at 2507 Park st.

Needed: Leaders For Scout Work

An urgent appeal for additional leaders for girl scout and brownie troops was issued this week by the new Neighborhood association chairman Mrs. Frank Zupan. With the constant influx of new girls in the city every troop is rapidly growing beyond the manageable stage. Most of the brownie troops now have more than 20 members, and the scout troops are also becoming large.

Leaders for troops do not need any previous scouting experience, but should like working with girls. Sinch each troop has a working troop committee of mothers to assist the leader and co-leader many of the burdensome details have been lifted from the shoulders of the troop leaders. The leader's basic responsibilities are the weekly troop meetings, and even help with special programs and outings is given by the troop committee.

Guys & Dolls Ice Skate Sunday

Members of Guys and Dolls teen club will migrate to Wisconsin Sunday for their long-awaited ice skating party. A caravan of cars driven by parents will leave the community Barn in Rolling Meadows at 1 p.m. promptly for the drive to Silver Lake, near Antioch.

Headquarters for the skaters during their outing will be the summer home at Silver Lake of Youth Council president Ray Walker. Mothers of the teenagrs will prepare hot chocolate and other food for the cold skaters.

An invitation has been extended by the club to all parents to join the skating party.

OES Ladies Meet

In an effort to acquaint members of the Order of Eastern Star living in the city, a meeting has been set for Monday evening. It will be held at the home of Mrs. Winifred Jones, 3108 Hawk lane, at 8 p. m.

All members of the O.E.S. who live in Rolling Meadows are invited to call Mrs. Jones at Clearbrook 5-3827. It is hoped response to the meeting will be sufficient to permit social grouping of some form and to provide assistance and company for attendance at local O.E.S. meetings.

"Top Notch Cornball" New Mascot Of Junior Hi Teens

Stealing the spotlight from 81 teenagers attending the Junior Hi "Come As You Are" party was 3 year old Larry Carozza, an unexpected entertainer and guest.

Larry's mother had brouth her son with her while she helped serve food for the party. He "broke up" the dance session with his impromptu dance act which included samples of waltz, charleston, jitterbug and mambo with a rock-and-roll ending.

Junior Hi members were so impressed with the little entertainer that a special business meeting was promptly called to order, and a motion made and adopted, for a "top-notch cornball (in miniature) declared club mascot.

AS EXPECTED, highlight of the party was the great variation of dress worn by the club members who had been caught unexpectedly at various times by the telephone calls of club officers Joan Pedersen and Gary Moreland.

Among the most unusual costumes were those of Don Moses in his basketball uniform, Melody Grieseman in her bathrobe, Carol Bycroft and Sue Hibbert barefooted, Sherlyn Johnson in her father's navy uniform, Terry Loveless in his gym suit, and Merigail Moreland, Patty O'Brien and Joanne Hvid in pajamas and bathrobes.

The club's biggest party attendance received extra help from advisors John Woods, Bud Broeske, Mr. and Mrs. Bill Motisi and Mr. and Mrs. Dale Bycroft. Delicious refreshments were donated and served by Mothers club members Mrs. Bunn, Mrs. Carozza and Mrs. Stark. Additional adult visitors included Mr. and Mrs. Larry Hahn, Mrs. Frank Gravin and Mrs. William Schulz.

Dancing highlighted the party. Records were furnished by Judy Rolfe and friends, and the disc jockeys were club members Don Carlson, Terry Loveless, Marty Johnecheck, Dick Fronczak and Larry Broeske. Through the cooperation of Parkway Liquors, pop was available to club members at 5 cents a bottle, and members Bob Carlson and Bill O'Brien were kept busy serving pop duing the party.

Even Dozen Rooters For City Teenagers

There were exactly 12 mothers present at the first meeting of the proposed "Big Sisters" group to assist the teenage Guys and Dolls club. The meeting was held Tuesday at the home of Mrs. Evelyn Wasko. A discussion of the problems facing 15 to 18-year-old teens took place.

The mothers volunteered to provide refreshments for special parties and club meetings as needed, and to help in the capacity of chaperones when requested. Present at the meeting were Mrs. Dorothy Halvorsen, Mrs. Bernice Lapinski, Mrs. Norma McFeggan, Mrs. Helen Deering, Mrs. Violet Zimmanck, Mrs. Helen Karman, Mrs. Helen Burlette, Mrs. Sue Kunz, Mrs. Bernice Sarvachi, Mrs. Ann LoCascio and Mrs. Dorothy Amundson.

Teach Your Child These Vital Safety Precautions!

Parents have been urged by Kimball Hill school, local PTA and police department to teach children of all ages the following safety rules. The safety record among school children in Rolling Meadows has been very good, and it is hoped that the learning of the basic safety rules listed below will act to further the good record.

1. Look both ways when crossing the street.
2. Cross at corners only.
3. Walk on sidewalk, not street.
4. Cross at corners when going to and from school only where patrol boys are stationed.
5. Do not go out in street from between parked cars.
6. Where there is no sidewalk, walk on side of road facing traffic.
7. Walk—don't run.
8. Don't play in the street.
9. Don't play games where it is likely that someone will run out into the street.
10. Don't accept rides from strangers regardless of what they tell you.
11. Don't hang out of car windows or doors.
12. Do not play around water.
13. Do not play around empty houses or homes under construction.
14. Do not play with BB guns or bows and arrows that have sharp points or arrows.
15. Do not hitch hike.

This is for the safety of your children.

Girl Scout News

Investiture has been the big news with the 2nd grade brownies in the troop led by Georgya Schneider. Not only were the girls in the troop given their Brownie pins, but co-leader Jeannette Douglas also received her pin, as well as troop committee mothers Edith Paeglow, Helen Bol, Elva Rumrey and Emmy Macior. Mothers of the little Brownies were invited to the Investiture and witnessed the presentation.

Refreshments of cookies and pop (chosen by the Brownies) were served. Receiving their Brownie pins upside down (to remain in that position until the completion of their first "good deed") were Kathleen Barrett, Pamela Bol, Nordene Donarski, Deborah Douglas, Jan Carol Johnson, Nancy Kees, Barbie Broeske, Susan Mary Kolens, Linda Lenz, Joan Macior, Susan Marczuk, Maureen McCormack, Rita McCormack, Judith Paeglow, Patty Reynders, Orlah Rumrey, Margaret Rush, Dianne Smith, Pamela Swift, Donna Yarborough, and Sandy Eberly. The girls of the troop were thrilled to receive a charming letter of thanks from Sister Gregory, director of Resurrection hospital, expressing gratitude to the Brownies for the tray favors they recently sent to the Childrens' Ward of the hospital. The Brownies had made little toy drums filled with candy for the enjoyment of the hospitalized children during the holiday season.

* * *

THERE ARE big plans being made by the Girl Scouts of troop 302 under the leadership of Carol Kees and Shirley Sponsler. A dance and box supper has been planned by the girls for Thursday, Jan. 26.

Members of Boy Scout troop 68 have been invited as guests for the affair which will start at 5 p.m. The more serious work of the 7th and 8th grade girls is a project on their Child Care badge. Helping the leaders with the project work is Carol Arrowsmith of Sigwalt st. who has been taking courses of that nature in high school.

* * *

THIRD GRADE Brownies of troop 37 have their official membership certificates at long last. Making their new official status even more efficient, the troop has ben organized into 3 patrols. The new patrol leaders and assistant patrol leaders are: Patrol 1 - Karen Garrity and Louise Walkowiac, Patrol 2 - Sandra Person and Cheryl Schultz, and Patrol 3 - Janet Newberg and Beverly Walker. The Brownies are busy learning the songs for the spring rally next month. Plans are also in the making for the troop's first birthday party on January 24.

LITTLE LEAGUE

The regular monthly meeting of the Rolling Meadows Little League Auxiliary was held Monday evening, January 16.

A detailed report was given by Peggy Bartels, refreshment cochairman, for the "Dreamland Cruise". Mrs. Bartels said that the type of sandwiches to be served, and the amount of supplies needed, had been agreed upon at a committee meeting, at her home Wednesday, January 11.

Mary Ryback announced the list of members, who will serve at the bars, and their working schedule. Mrs. Ryback and Mrs. Jean Broderick will compare their lists of men and women workers, to assure the husbands and wives being "on watch" during the same hours.

* * *

MRS. BILL HICKIE was complimented on her generousity, in giving up her husband for the entire evening of the dance. Mr. Hickie is chairman of the refreshment committee, and will be "on duty in the Hold" from 7:30 until closing.

Fred Schultz, Little League president, was guest of the evening. Schultz gave a report on the progress of the "Dreamland Cruise" ticket sales. The quota of tickets to be sold has almost been reached and from all indication, the sale of tickets will be discontinued after Saturday, January 21. Because of the tremendous demand, the number of tickets to be distributed must be limited, to inagainst overcrowding "the .... ship." Due to this limitation, no tickets will be sold on the gangway, boarding the ship.

The enthusiam shown by the residents of Rolling Meadows, to the ticket sellers, is greatly appreciated. Having the sale come to a close ahead of schedule, will permit all members of the organization to turn their energies to the further preparation of the details of the dance.

* * *

THE "DREAMLAND CRUISE" promises to be realistic, and an evening to be remembered as one of the most out-standing and enjoyable affairs ever attended by friends and neighbors of the Rolling Meadows Little League.

A special meeting for committee chairmen will be held Monday, at 8 p.m. at the Barn. Dance chairmen from Little League and Auxiliary will give reports on the progress of their committees. All members are invited to attend.

Tells Plans For Expanded Bowling

A big expansion of the Rolling Meadows Women's Bowling league has been announced for next fall.

Instead of 4 teams of 4 members each, the league will be composed of 8 teams of 5 members each. Bowling willl be on Friday nights at 7 p.m.

The new night league bowling will start in September. The league will bowl at the new Beverly lanes in Arlington Heights. The night bowling in place of the present daytime bowling should make it possible for more women to attend since the baby-sitting problem will not be so acute.

Additional women bowlers are needed to fill in the league. Women interested in joining the league this fall are asked to contact Jo Thorson, league president, at CLearbrook 3-8857.

Hard-Faced Pirates Wave Cutlasses At Cub Session Wednesday

Residents seeing hard-faced Pirates carrying swords and cutlasses next Wednesday night need not rush to see their psychiatrists.

It will be the Rolling Meadows Cub Scouts on their way to the monthly pack meeting at the Barn. Theme of the meeting will be "Pirates" and the skits and handicraft displayed will further carry out the pirate scheme.

The meeting will start at 7 p.m. All parents are expected to attend with their Cub Scout sons. Awards will be given to deserving Cubs.

A special invitation has been extended by the Cub Scout committee to new boys between the ages of 8 through 10 to join the pack. Prospective Cubs living south of Kirchhoff rd. or west of Salt creek are especially invited as there are dens waiting to be formed in those areas. The meeting next Wednesday will give new boys and their parents an opportunity to meet with other Cub Scouts and members of the Pack committee.

Membership In Junior Hi At Peak High

Membership in Junior Hi Fellowship of Rolling Meadows has now reached 91—46 girls and 45 boys.

Attendance at club activities now averages about 70 members, and another plea for additional advisors has come from the group. Coming activities of the group point the need for extra adult help.

The newly-planned schedule for the group includes a movie date in the Barn featuring the film "Wild Blue Yonder" on January 20, attendance at a basketball game at the Arlington high school on January 27, a social night at the Barn on February 3, the film "The High and The Mighty" on February 10; and a gala Valentine party or February 17.

Membership in the club is open to all teenagers between the ages of 10 and 14 in the community. Members may join the club at the home of the executive advisor John Woods at 2303 Dove st. or at any of the club activities.

Bob Binnie Elected Masonic Chairman

The third meeting Thursday of the new Masonic Fellowship club featured the election of regular officers.

Elected as chairman was Bob Binnie. Other officers are William Kivi, co-chairman; Clarence Paeglow, treasurer; Norman Dierkes, secretary; and William L. Keller, chaplain.

There are 40 members registered with the club. The group is currently investigating the possibility of holding future meetings in a Masonic hall. The next meeting will feature Lloyd Graham, district deputy, as guest speaker.

Members of the club and other Rolling Meadows Masons have been invited to attend a 3rd Degree at the Barrington Lodge on February 7. Members wishing to attend are requested to call Bob Binnie, CLearbrook 5-1282, or Tom Miller, CLearbrook 5-3882, for transportation.

Local Scout Leaders At Banquet Ceremony

As a gesture of appreciation for their fine work with local boy scouts and cub scouts, local scouting officials and their wives were feted at the annual dinner of the Northwest Suburban Scout council Saturday night.

Highlight of the dinner was presentation of the Silver Beaver award to Russ Young, retiring district commissioner.

Attending the scouting dinner from Rolling Meadows were Mr. and Mrs. Ray Walker, Mr. and Mrs. Howard Christenson, Mr. and Mrs. Arthur Setzer, Mr. and Mrs. Peter Keller and Mr. and Mrs. Dale Bycroft. Also present was Rev. and Mrs. Nelson Ringsmuth of the Community church of Rolling Meadows, which sponsors both Scout Troop 68 and Cub Pack 68 in the city and which provided funds for the dinners of scouting officials.

Republican Women To Skokie Meeting

An invitation has been extended to Rolling Meadows Republican women to attend the meeting of the Niles Township Regular Republican Women's club Monday, January 23 at 1:30 p.m. in Skokie village hall, 5127 Oakton st.

The meeting will be a tea in honor of Mrs. Marguerite Stitt Church, representative in Congress.

The invitation has been extended by Mrs. Irl Marshall, president of the Illinois Federation of Republican Women's clubs, and Mrs. Quentin K. Ford of Arlington Heights.

Mrs. Church has just returned from an investigative trip to East Asia as a member of the House Foreign Affairs committee. She will speak briefly about her trip and answer questions from the women attending.

The HUNGRY SPORTSMAN

By Eddie Meier

Raccoon With Yams

Following the coon hounds all night is a rugged deal that requires participants to be well-conditioned. The prize is worth the effort, however, particularly if he turns out to be a young one and he is to be roasted with yams . . . those big, orange syrupy fellows!

As with other game animals, raccoons have musk glands that must be removing in the skinning process. These are located under the forelegs and along the small of the back. Quite often these come off with the animal's skin, but always double check!

The raccoon can be either baked whole or in serving pieces, as suits you best. Season with salt and pepper and a few dashes of paprika; place in roaster with 1 cup water and 1 cup port wine; add 1 onion sliced; cover, and bake 20 minutes per pound or until meat is tender in a moderate oven (350 degrees). Yams require 45 to 60 minutes to bake so add them in the roaster accordingly. Baste meat frequently, adding more of the water-wine mixture if necessary.

Licenses Revoked

A total of 6,658 drivers licenses, chauffeurs licenses and driving privileges were revoked during 1955 and an additional 1,220 licenses were suspended for varying lengths of time, Secretary of State Charles F. Carpentier reported today.

This compares with 5,588 revocations and 525 suspensions in 1954, he said.
